Antichrist With A Needle! / Asbury Revisited—The American Revival
Needed

Dr. Jerry Scheidbach

Original Air Date: 02.25.23

1 Segment.01 Hello. I'm Dr. Jerry Scheidbach, pastor of the
2 Lighthouse Baptist Church in Santa Maria, CA—and your brain
3 masseur—get ready for your brain massage.

4 I did a crises triage with a friend lately. Asked him what are the
5 major issues requiring IMMEDIATE DIVINE INTERVENTION:
6 1. The first he named was the effort to replace cash with a digital
7 currency, stripping away our personal privacy, surrendering our
8 freedom, and autonomy, and taking away any meaningful of
9 control over our lives.

10 2. The second was a plan to replace humanity with a transhuman
11 *Borg* like hybrid man/machine facilitated by biologic warfare
12 (using gain of function to create pathogens that attack the
13 population through infection, followed by micro-technology
14 disguised as vaccines to attack the population by injection).

15 3. The effort to replace our national sovereignty with a World
16 Health Organization take over emergency of health care response
17 — allowing the W.H.O. to declare an emergency empowering them
18 to force a shut down at their discretion.

19 4. The stolen power of the people's consent by replacing our
20 ELECTIONs with a system of SELECTIONs.

21 I intend to prepare a Brain Massage® for each of these because I
22 think these zero in on the key issues facing our children's future
23 and our own—these things a scheduled to occur in our lifetime.

24 Of course, as you know, I would put the stolen election issue as the
25 NUMBER ONE PRIORITY concern even though these others
26 seem far more ominous. But until we restore *government by the*

27 *consent of the governed*, we can't do anything about the others. As
 28 long as our representatives are selected, they don't work for us.
 29 And until they work for US again, they can do what they will, they
 30 can govern against the will of the people.

31 So, today, let's talk about the critical importance of leadership—
 32 underscoring the importance of ELECTIONS; let's talk about that
 33 antichrist devil trying to chase you down with a needle; and let's
 34 take another, closer look at Asbury, because we desperately need
 35 revival, and so we need to know what genuine revival will look like.

36 It's time for your brain massage®!

37 [TRUTH]

38 I do a livestream podcast called Comfort & Counsel For The
 39 Present Distress on Tuesdays, Thursdays, and Saturdays — I try to
 40 start somewhere around 8 PM, but it varies depending on how my
 41 day plays out. Thursday night we talked about the critical role of
 42 leadership and I pointed out that America is not so bad as it is
 43 badly led.

44 The current leadership in the White House (including DOJ, FBI,
 45 CIA, DHS and much of our Congress, Judiciary, and in much of
 46 our bureaucracy — especially in science and technology —
 47 particularly medicine, but don't ignore the attacks on our
 48 inalienable rights coming from EPA, most academic institutions,
 49 our social and legacy media, the entertainment industry — all of
 50 these institutions are completely out of sync with the majority of
 51 Americans—only 3-10% of the American people outside these
 52 power circles are comfortable with what these morons¹ are doing
 53 with this country. (I never engage in gratuitous derogation, or
 54 mere *name calling*—I'm using the word *moron* in its technical
 55 biblical sense. It means foolish, where it identifies a moral (not a

¹ Moron: today it's used as a medical term depicting an adult with a mental age of about 8-12. It's from the Greek, (*μωροω moros*, plural *μωροι morai*), which is usually translated *foolish*. (Matthew 7:26, etc.) The chief distinction between the medical and biblical use of the word is that biblically *moros* is a character deficiency and not a health malady.

56 medical) condition, but like medical morons, biblical *morons* suffer
57 retardation in mental development), like the Juror Foreperson in
58 Georgia leading a jury on a fact finding investigation into
59 allegations of efforts to overturn the fraudulent 2020
60 "SELECTION"—who styles herself a witch, no, really, a witch—and
61 looks the part—she would be well cast as the wicked witch in a
62 remake of The Wizard of Oz—it's disgusting to watch her giggle as
63 she cackles at hints of a Trump indictment—if you watched her, I
64 mean, she looks like a 20-30 something but acts like an 8-12-year-
65 old—that's what I mean!² So, I'm being serious here. She is a
66 moron. But maybe you prefer I use Bugs Bunny — it's cute when a
67 bunny says it, right: [INSERT BUGS]. Hey, Foreman Kohl is cast
68 perfectly for her role in this curiously twisted WITCH HUNT!) Ha,
69 I guess the devil really did go down to Georgia—[Under this
70 20.DevilWentDownToGA]

71 But, seriously, folks—leaders of juries, of courts, of political
72 institutions, of churches, cities, states, and nations — you've got to
73 take this seriously — leaders influence the direction of the group
74 they lead and direction determines destination. We are led by a
75 gaggle of honking and hissing "Maroons," watching our
76 government is like watching the Capital segment of Hunger
77 Games, or some medieval staged satire on court — complete with
78 court jesters and a naked king—buffoons, and clowns—Biden's
79 nuclear official, I forget his title, can anyone take this — whatever it
80 is, seriously? Really! I'm talking about Sam Brinton, the non-binary
81 sicko freak (Look, if I have to stop and provide commentary on my
82 careful deployment of carefully selected words to express my point
83 of view I'll get nothing else done—you have to trust me. I don't use
84 terms to demean, I use them only to describe—and only if they
85 describe accurately—the guy is a sicko — term identifying

86 someone that is emotionally disturbed — there is no other
87 description more fitting for a man that dresses like a woman,
88 complete with red lipstick plastered all over his otherwise manly
89 visage, who has a fetish for stolen women's clothing—and is so
90 stupere (mesmerized—internally distracted by his prurient
91 obsessions so that he does really stupid things) like wear his stolen
92 garments pilfered from an airport carousel that are fashions
93 created by a designer so unique, and identifiable, she watched in
94 horror as this idiot (remember class, not mean spirited but
95 accurately descriptive) parades himself in public wearing his stolen
96 property in full view of public cameras.³ [INSERT BUGS
97 MAROON]

98 Sin makes you stupid! It's one of the blessings from our Creator.
99 Only to enjoy the benefit, you have to be smart enough to know
100 how stupid sin makes you and avoid the sin that makes you stupid.

101 But there are consequences to putting maroons into positions of
102 power—like, WWII, for example, like committing an act of
103 international terrorism against a sovereign state — blowing up
104 their oil pipeline in a state sponsored act of terrorism — like good
105 night, the list is just too long —

106 So here is the point. First, the mystery why the Deep State put
107 America last crowd pushed Biden across the finish line into the
108 Oval Office—risking total exposure of their ELECTION
109 STEALING MACHINERY — is that he is CORRUPT, by his own
110 tacit admission, by the way, and corrupted into the control of Putin
111 and Xi, and Zelensky, and the Mullah's of Iran—our country is
112 controlled by blackmail held over Hunter and the "Big Guy" —
113 because it's much easier to control a morally bankrupt moron

114 (don't forget your Bible lesson earlier) than a man of character and
115 honor, who gives and keeps his word and who is not centered on
116 himself, but his respect for God and love of country keeps him free
117 from the snares of covetousness. You understand they could have
118 put literally anyone into office — they could have selected the guy
119 in your neighborhood that dresses up in a chicken outfit and flips a
120 sign around drumming up business for the local chicken soup
121 restaurant — but he would be a man of character and would never
122 do! So they picked Biden because — BIDEN LOOKS LIKE THE
123 AMERICA THEY WANT TO PORTRAY. *BIDEN IS THE DEEP*
124 *STATE METAPHOR FOR AMERICA; at least it's how they want*
125 *the world to see us.*

126 But, Biden is NOT AMERICA. He is the most unAmerican
127 president we've ever had — he is even more unAmerican than
128 Obama, and that's saying something.

129 Now, get this! Leaders matter, even if they are buffoons, morons,
130 stupid and idiotic—bumbling, stumbling, stammering, and
131 shuffling about like he loaded his pants—it matters!

132 Beyond portraying America in this humiliating way — as if
133 America is a nation of buffoons, morons, stupid, idiotic, bumbling,
134 stumbling, stammering, incontinent decrepit "old farts" inept, and
135 incapable — literally inviting a strong nation to come conquer the
136 decaying, old and weak nation hardly breathing on life-support!

137 BUT THAT IS NOT AMERICA! And the fact is, the roaring lions
138 circling us on land, and the sharks circling us in the sea, THEY
139 KNOW IT! Down in their heart of hearts, they know this is
140 nothing but a grand facade — they are patiently waiting in hopes
141 that finally, the majority of Americans will believe it about
142 themselves and cave in, or as Russia's Brezhnev said under his
143 raised, dark and bushy brows—American will fall into our hands
144 like over ripe fruit!

145 It's been their plan for a long time! But American's know better.
146 We know these clowns have hijacked our government — and we
147 are waiting for them to BE CUT FROM THE VINE AS
148 FRUITLESS BRANCHES AND BUNDLED FOR BURNING — to
149 borrow and adapt a few biblical analogies.

150 I'll have to take a short break—when I get back, we will continue
151 examining the issue of why leadership matters. Hold on, I'll be
152 right back!

153 Segment.02 Hello. Welcome back! I'm Dr. Jerry Scheidbach, pastor
154 at the Lighthouse, your brain masseur, and Paul Revere's lantern
155 lighter, lighting the lamps in the church belfry arch, signaling the
156 enemy is on the march, an enemy that would steal from us our
157 liberty.

158 Leadership matters because leadership controls the direction in
159 which power is deployed—leadership sets the direction of a
160 country, and direction determined destination. Current leadership
161 does not have the support of the American people—a recent
162 Rasmussen poll makes that very clear—Biden and his
163 administration are leading AGAINST THE WILL OF THE
164 PEOPLE, and against the interests of America. His administration
165 does not look like America, it looks like some freak show in a
166 circus act — only the maroons, and embe'cills buy into the
167 nonsense about men having a menstrual cycle and getting
168 pregnant, or that it's okay for a man to call himself a woman and
169 impose himself into female sports, and stand naked in their locker
170 rooms.

171 Biden has defiled the American dream of liberty and justice for
172 ALL, and sullied with mockery the dream of Martin Luther—a
173 world where men are judged not by the color of their skin, but by
174 the content of their character. He has desecrated the great call of
175 statesmen, like J. F. Kennedy—ask not what your country can do
176 for you; ask what you can do for your country. Biden's motto is the

177 motto of covetousness — ask not what Biden can do for you, just
178 shut up and let me do what I want!

179 But that's not AMERICA. America still cherishes and nourishes the
180 dreams of our fathers—not the communist fathers of Barak, but
181 the FREEDOM LOVING Fathers of AMERICA: including the
182 dream of a nation governed of, by and FOR THE PEOPLE.

183 Revival of American freedom can only come when we return to the
184 GOD Who is its author! No pretentious return to GOD with
185 worldly sorrow will do! Worldly sorrow grieves the loss of worldly
186 pleasures; it bemoans the loss of worldly goods and ease. It's godly
187 sorrow we need—sorrow toward GOD—sorrow for the sin that
188 grieves Him, ashamed of our departure from His WORD—no
189 revival, friend, without a return to the GOD of our FATHERS, and
190 no return that does not include a return to the BIBLE as the highest
191 authority instructing our conscience, and no return to the BIBLE
192 without acknowledging we have sinned against God's precepts
193 written there—no revival adapts God's words to accommodate a
194 rebellious culture—rebellious culture must break in humble
195 repentance and TURN BACK to a BIBLICALLY ordered life and
196 culture—OUR CREATOR SAID, GOD IS THE HEAD OF
197 CHRIST, CHRIST THE HEAD OF MAN, AND MAN THE HEAD
198 OF THE WOMAN.

199 We need a return to masculine leadership in America. "THEY"
200 have attacked masculinity in America, really throughout the west—
201 men must shake off the lies, and stir themselves to stand up for the
202 WOMEN and the CHILDREN and be the PROTECTORS and
203 DEFENDERS and PROVIDERS God designed you to be. They talk
204 of toxic masculinity! Will not someone write the book exposing
205 poisonous femininity? A poison that in men diminishes manly
206 capacity, manly ambition, blunts manly power, dulls manly
207 instincts to throw himself into the path of every danger addressing
208 his family, his neighbors and his country. God, GIVE US MEN!

209 Men under CHRIST the KING — God, the head of CHRIST,
210 Christ, the head of man, man, the head of women.

211 You must understand, the unraveling of this DIVINELY
212 APPOINTED SOCIETAL ORDER has brought us to where we are
213 today! It broke the strength of TRUTH to hold up the hedge
214 protecting us from the encroachment of the Devil and his devils to
215 swarm our society and work havoc among us — setting us at war
216 with one another.

217 God's MEN must arise! Take your divinely appointed place and
218 STAND FOR YOUR WOMEN, FOR YOUR CHILDREN, and the
219 FOR THE women and children of our land.

220 No religious movement that promotes the destruction of the
221 DIVINE ORDER will ever bring the REVIVAL we need! A worldly
222 sorrow brings only DEATH. It weakens the nation of GOD and
223 does not strengthen it. A godly sorrow works repentance unto
224 salvation — a repentance that involves a TURNING OF THE
225 MIND FROM RECEIVING ITS INSTRUCTION FROM THE
226 WORLD, TO RECEIVING ITS INSTRUCTION FROM GOD'S
227 WORD — a turning of the mind so true and sincere it reshapes the
228 THOUGHTS OF THE HEART and moves the penitent child to
229 plead for mercy from OUR FATHER which ART IN HEAVEN —
230 and from this comes the fruit of repentance — a reordering of ones
231 life into obedience to GOD's WORD — a casting off of the lies of
232 this world and a yielding to the TRUTH of GOD's WORD — don't
233 talk to me of "revival" when there is a continued rebellion against
234 the bands of cords of CHRIST — don't call revival what does not
235 move one from darkness to light, from the power of Satan to God,
236 that has power to draw tears but not obedience, power to move you
237 physically, only — if it does not move you break your allegiance to
238 the world and turn in submission to GOD's WILL — don't call it
239 revival. Call it something else!

240 Call emotional reconfirmation of your rebellion against the KING
241 — but don't call it revival.

242 I'll tell you one thing you can look for in a genuine revival — it's
243 when MEN start acting like MEN AGAIN! It's when MEN step up
244 to the present challenge and LEAD their families — so long as you
245 are, ADAM LIKE, hearkening to the voice of your wife when she
246 pleads with you to DISOBEY the KING—don't tell me you know
247 anything at all about revival. It you are waiting for your wife or
248 children to give you permission to lead your home — don't talk to
249 me about Revival. A Deborah can save this nation, if you
250 pantywaist Barak's won't step up—but the call is always first to the
251 men to take their place between their families and the rising
252 danger.

253 God looks to leadership. Leadership sets the direction for a family,
254 a city, a state, a nation—and direction determines destination!
255 When God cast off the ten tribes of Israel He pointed to their first
256 king, Jeroboam, and said the sins of Jeroboam brought devastation
257 upon the land. Later when He let Judah go into destruction under
258 the hand of Nebuchadnezzar, God pointed to the sins of Manasseh
259 as the cause — a leader sets the direction, and the direction sets the
260 destination. We must get deliverance from these unreasonable and
261 wicked leaders — we MUST NOT FOLLOW THEIR SINS! We
262 must rise up and take again the POWER OF THE PEOPLE, the
263 POWER and RIGHT of the PEOPLE to give their consent to those
264 who govern them — the MEN of America must stand and demand
265 our representatives serve the INTERESTS of AMERICANS FIRST
266 —.

267 I remember when Carter attempted to lead us and talk us into
268 decline, into a malaise, talking about America's glory days are past,
269 we must adjust our expectations to accept America as a second rate
270 nation with nothing left but a memory of her glory days — BUT I
271 SAY HER GREATEST DAYS ARE AHEAD, I SAY SHE HAS YET

272 TO REACH THE PINNACLE OF THE GLORY GOD HAS FOR
273 THAT NATION WHOSE GOD IS THE LORD — I SAY SHE
274 CAN SHAKE OFF THESE LEECHES, CAST OFF THESE
275 PARASITES, AND RISE AGAIN TO A GREATER SHOW OF
276 GOD'S GLORY THAN EVER BEFORE IN HER HISTORY.

277 But we need GOOD LEADERSHIP — God will honor good and
278 godly leadership.

279 Men, I challenge you to lead your family BACK TO THE BIBLE,
280 BACK TO GOD, and I warn you, continue in your subjection to a
281 feminized society and be destroyed—or rouse yourself like a godly,
282 gentle, but strong man — a man of steel in velvet — and call your
283 family to rally to KING JESUS!

284 You are invited to join us at the LIGHTHOUSE! A church where
285 MEN are MEN and WOMEN are women!

286 I have lit the lamps in the Church belfry arch and now you let me
