

Brain Massage®: Show No. 923 *Thanos* Ready to Snap, and *Atlas* Has Got a Leg Cramp — We are in some serious "Schiff"!

Dr. Jerry Scheidbach

Original Air Date: 03.04.23

1 Segment.01 Hello. I'm Dr. Jerry Scheidbach, pastor of the  
2 Lighthouse Baptist Church in Santa Maria, CA—and your brain  
3 masseur—get ready for your brain massage.  
4 The AZ bombshell—It has come out that the CCP controls a Cartel  
5 operating on our border — and that these Cartels have bribed and  
6 blackmailed their way into controlling election officials, judges,  
7 and elected (selected) officials so that there is no justice available to  
8 the PEOPLE in AZ anymore. The AZ RINO representatives know  
9 this, they acknowledge it, and they USE IT AS THEIR EXCUSE  
10 WHY THEY CAN'T GET ANYTHING DONE ABOUT IT!  
11 You'd think Thanos IS READY TO snap, and Atlas got a leg cramp  
12 — THE WHOLE WORLD IS WATCHING NIMROD BUILDING  
13 HIS TOWER OF ONE WORLD GOVERNMENT—  
14 Digital currency—loss of privacy!  
15 Transhumanism—loss of humanity  
16 WHO taking over control of health care—loss of freedom.  
17 ELECTION—loss of power to do anything about it.  
18 AND HE IS ALMOST DONE — but throughout history, just about  
19 the time Satan has convinced himself and his worshippers that his  
20 time has come — GOD INTERVENES and crashes his tower to the  
21 ground, scatters his strength, and raises up His BANNER — the  
22 righteous rally around it, and the enemies of GOD are brought  
23 under the sword of RIGHTEOUS JUDGMENT.  
24 It's time for your brain massage®!  
25 [TRUTH]

26 The value of a "summary judgment." What is a "summary  
27 judgment"? A summary judgment is a court ruling in favor of one  
28 party and against another party without requiring a full trial.  
29 Summary judgments may be issued on the merits of an entire case,  
30 or on some particular issues germane to it.

31 I ran into a situation like this once. It was the worst possible  
32 conditions for driving—it was morning, but the rain and fog made  
33 it impossible to see — and no sane person would drive their car  
34 unless they absolutely had to, and then, slowly and with their  
35 head lamps and running lights ON. I had to.

36 I sat in my Celica, my lights were on, had my flashers on because I  
37 thought it would help, but as I thought about it, I did not want  
38 anyone thinking I was intending to remain parked there, so I set  
39 my blinkers indicating an intention to pull from the curb.

40 Straining to see, and listening, but all I could see was sheets of rain,  
41 and all I could hear is the roar of the storm—so I pulled carefully  
42 from the curb and — CRASH.

43 This guy was driving in such weather, without his lights on,  
44 destroyed the front end of my car. I asked him if he saw me, and he  
45 admitted he saw my lights, but he assumed I saw him coming.

46 In court, the judge ruled in his favor—even though I provided the  
47 weather report, and argued he was at fault for failing to drive  
48 responsibly — the judge said that there was no law requiring  
49 drivers to turn on their lights in rainy weather—this is way back in  
50 the late 70s early 80s. So, he ruled summarily in favor of my  
51 opponent — and against me, on that one particular single fact—it  
52 was simple, for the judge. There was no law requiring drivers turn  
53 on their lights in weather conditions that compromise visibility —  
54 but there is a law against driving into traffic when another car  
55 occupies the lane where you enter it. That was a summary  
56 judgment — the whose case was decided without consideration for

57 the details of the case, that did not matter to the judge, because to  
58 rule according to law, in that case, meant ruling against common  
59 sense. I could have appealed and would likely have prevailed, but  
60 the cost in time and dollars — it just did not add up! Funny how  
61 these things work out! Within that same year, I was rear-ended by  
62 some kid who was paying more attention to his girl friend than to  
63 the cars stopped at a red light in front of him. His father owned a  
64 body shop. We settled! But, anyway!

65 When a universal law, or principle is clearly violated no matter  
66 how the particulars of a case might line up on either side of a  
67 question — it may be summarily decided on the ground of that  
68 universal law. As a king and priest unto GOD, and Ambassador for  
69 CHRIST the KING of all the EARTH — I intend to pass summary  
70 judgment upon Fauci and the whole bunch.

71 There is no argument Fauci and friends can present that will allow  
72 them to wriggle out of their share of responsibility for the millions  
73 that died during COVID—

74 He encouraged and used his position in his government salaried  
75 job (in excess of 400k per year, the highest paid bureaucrat in  
76 America) he used his position to direct taxpayer dollars to fund  
77 "gain of function research," conducted by Ralph Baric, at the  
78 University of North Carolina labs in the Department of  
79 Microbiology and Immunology. Their work involved manipulating  
80 virus DNA to enhance infectiousness and lethality. The idea was to  
81 "get ahead of evolution," or the competition trying to prepare  
82 biological weapons — they tell us it was for national security  
83 reasons. Right! One wonders then why turn it all over to the CCP  
84 — known and avowed enemies of the US? Anyway...

85 During Obama's administration, in 2014, the Republican led  
86 Congress got wind of Fauci's and Baric's activities, and they  
87 exercised their power over the people's purse strings to stop this  
88 dangerous research.

89 Fauci, with full support of the Obama Admin, circumvented the  
90 Congress and transferred the research to the Wuhan Institute of  
91 Virology, in Wuhan, China. They funneled tax dollars to Wuhan  
92 through the EcoHealth Alliance led by Peter Daszak.<sup>1</sup> (Remember  
93 the scandal revolving around Daszak's insistence the coronavirus  
94 did not originate in the Wuhan lab—and his subsequent fall into  
95 disfavor with the *Lancet* and proof he colluded with Wuhan in  
96 developing enhanced coronavirus both by funneling US dollars to  
97 Wuhan and exercised oversight of the operations related to that  
98 research.<sup>2</sup>

99 A Chinese scientist they call the "Bat Lady" — a CCP virologist —  
100 led the continued research with the help of one of Fauci's buds,  
101 another virologist named Ralph Baric—who had worked on this at  
102 the University of North Carolina lab, and I think he trained the Bat  
103 Lady. Anyway, ostensibly, Baric stopped this research after  
104 Congress withdrew funding and ordered such research  
105 terminated.<sup>3 4</sup>

106 None of this would be possible without Obama's tacit approval, by  
107 the way!

108 When Trump came into the White House, Fauci and friends  
109 manipulated him into relaxing the outright prohibition of this kind  
110 of research, but put in place strict oversight, and so got it passed.  
111 But Fauci circumvented the Congressional oversight provisions by  
112 manipulating loopholes it appears now that he intentionally  
113 created in the language of the policy statement, and he continued  
114 the coronavirus enhancement research in the Wuhan lab —

115 remember the brave Chinese scientist who stepped forward and  
116 blew the whistle on all of this very early on?

117 Virology expert, Dr. Li-Meng Yan alerted the world that gain of  
118 function research on this virus was ongoing at the Wuhan Institute  
119 of Virology, in Wuhan, China. She revealed that the SARS-CoV-2  
120 virus did not originate in nature, and did not jump from animal to  
121 human, but was lab created, and purposely leaked from the Wuhan  
122 Lab in Wuhan, China.

123 In her late interview with Tucker, she said she believes the leak was  
124 intentional, but that it's infectivity and lethality actually, at first,  
125 caught the Chinese off guard — they expected it to progress more  
126 slowly, and supposed they could contain it in Wuhan from whence  
127 they shipped it via international travel to various western nations,  
128 particularly, to America. She is convinced it was a biological attack  
129 and that America was a primary target done in such a way to  
130 provide an Oopsie cover, if needed — Oopsies.<sup>5</sup> But only as a LAST  
131 RESORT! But Biden and Fauci are puppets of the CCP regime! So!

132 Without even taking the time to remind you of the controversy  
133 over the inadequacy of the PCR test, and the very suspicious  
134 circumstances surrounding its development, selection, and use for  
135 identifying COVID, and even after adjustments are made for the  
136 inflated COVID death count, these people murdered millions.

137 And their culpability, their GUILT, increases when other lies they  
138 told and manipulative measures are considered. We all heard about  
139 the hospital incentive program: under Fauci's oversight of the  
140 pandemic, the government shelled out tax dollars to hospitals for  
141 administering the PCR test to everyone that entered an emergency  
142 room (Ka-ching),<sup>6 7 8</sup> another bonus pay-out if they got a positive

163 COVID-19 on a death certificate as 'probable' or 'presumed.'  
164 [IBID]. So, in Florida, a guy who died in a motorcycle accident,  
165 and tested positive for COVID by the unreliable PCR test was  
166 marked down as a COVID death; another guy who died of a  
167 gunshot wound and a man who died of Parkinson's — all tested  
168 positive by the questionable PCR over-cycled test results — which  
169 was purposely set to exceed prior CDC PCR cycle  
170 recommendations for PCR testing, which, no doubt, was purposely  
171 done to provide the greatest probability of obtaining a positive test  
172 result — what else would be the reason?

173 Oh, I know, they wanted to ensure they did not "miss any positives"  
174 — and "better a false positive than miss a true positive — which, if  
175 you know about this test, you know that's a truck load what Rush  
176 called Barbara Striesand — and, now, when the damage is done  
177 and it's thought safe, it is ADMITTED: "CDC director, Robert  
178 Redfield [not the actor] has admitted that the financial policies put  
179 in place could have resulted in elevated hospitalization rates and  
180 death toll statistics." [IBID]. Ya think? [Ka-ching, Ka-ching...]

181 When the mortuaries realized they were getting neglected, an  
182 outcry went up and so FEMA decided to change the rules  
183 providing a funeral aid program for COVID-19 burials.<sup>17</sup> I guess  
184 they thought they should get a bonus for all those weird blood-  
185 clots they had to fish out of the veins during embalming — oh,  
186 wait, that was after the vaccines, right? Yep!

187 So Fauci, and every doctor that went along with him without  
188 checking the science, and honoring their oath, they are GUILTY! I  
189 pass summary judgment upon them!

190 Their hands are covered by the blood of hundreds of thousands,  
191 and millions world wide, and it stains their wretched soul!

<sup>17</sup> 923.17.26-FEMA changes rules for Covid-19 funeral aid program after outcry - POLITICO <https://www.politico.com/news/2021/06/30/fema-changes-rules-for-covid-19-funeral-aid-program-after-outcry-497223>

192 Often when trying a criminal, like Fauci, or Baric, and Daszak, and  
193 every official on every medical board that attacked good and  
194 honest doctors like Mercola, McCullough, those aligned with AFD  
195 — America's Frontline Doctors — along with our own local  
196 heroine, Sarah Green, who took a stand on her oath and for her  
197 patients against the faustian-Fauci-band and refused to sign on to  
198 their pack with the Devil—and folks, the brain masseur is alive  
199 today because of the brave, and costly stand she has taken.

200 Fauci, all these government medical professionals who chose  
201 loyalty to their careers over their oath, and loyalty to their pocket  
202 books over loyalty to their patients, all these doctors who decided  
203 to sell out, to keep their head low, and refused to speak up, to  
204 cowardly to speak truth to power, who trusted the prince of the  
205 power of the air more than MESSIAH THE PRINCE OF GOD —  
206 who betrayed their patients' trust — you will NEVER GET IT  
207 BACK! You are DONE! And that will cost you lots more than  
208 breaking your confidence with these liars ever could.

209 When passing judgment on such criminals whose crimes are so  
210 inhumane they reach the level of CRIMES against HUMANITY—  
211 the sentencing is left to GOD and called for from His appointed  
212 agents — Romans 13 tells us God gave government the sword of  
213 vengeance to execute wrath upon these and other evil people.

214 True, such wicked men and women are often hailed and lauded  
215 while they are committing their crimes, but when TRUTH catches  
216 up to them the world will call them monsters.

217 For, what else can you call a doctor presumed a healer and helper  
218 of the sick — who purposely interferes with the medical  
219 administration of a known remedy in order to perpetrate his  
220 crime? How heinous — I think it's called special circumstances —  
221 right! There is a charge of murder, and then there are added  
222 penalties if the murder is attenuated with "special circumstances."

223 Fauci, Baric, Daszak, Birx, Collins, Walensky ... to name those that  
224 come ready to mind...

225 And let's add all who used the retracted Lancet study, also  
226 promoted by the New England Journal of Medicine,<sup>18</sup> are GUILTY  
227 — for failing to read the study and do due diligence in checking it  
228 out, but with special circumstances added if after the retraction  
229 they did not publish a formal apology while eating a large plate of  
230 crow betokening their shame for failing to do what 120 other good  
231 doctors did,<sup>19</sup> and actually look at the study and question its absurd  
232 assertions and conclusions.<sup>20</sup>

233 Fauci alluded to this study when explaining why he did not  
234 recommend the use of HCQ, and he NEVER WITHDREW HIS  
235 SNIDE IMPLICATION THAT this debunked study showed HCQ  
236 caused harm — he is a liar, and he knew he was lying when he said  
237 it. The company responsible for the research used in this study  
238 included trials that involved over-dosing patients—they killed  
239 people in their effort to come up with a "scientific" study that  
240 would discourage prescribing HCQ to help COVID patients.

241 They lied! People died! In fact, they killed people in order to tell  
242 their lie. Now, Ivermectin is included in approved drugs  
243 recognized as effective in the treatment of COVID — but every  
244 MSM establishment that discouraged use of Ivermectin for COVID  
245 treatment, who cruelly mocked those recommending Ivermectin as  
246 using horse medicine, laughing at and ridiculing people for taking  
247 "horse dewormer medicine," saying, don't take Ivermectin, unless  
248 you are a horse — you are not a horse are you?" Well, whose  
249 laughing now you arrogant irresponsible jerks?

292 thing — until the experimental vaccine got rolled out by our  
293 Department of Defense, by the way — Look, I'm sick of this  
294 nonsense. I am disgusted with the people running this government,  
295 they have so grossly mishandled this thing — really, they have so  
296 criminally manufactured this crisis and used it to destroy our  
297 economy, and murder millions — these doctors have betrayed  
298 their oath to their patients, and to their country. The

299 betrayal is so deep — and we only just got started here. It's time to  
300 LAY DOWN THE BLAME where it BELONGS. It's time for the  
301 CULPRITS in THESE MONSTROUS CRIMES AGAINST  
302 HUMANITY to PAY for their deeds — it's time for the SWORD of  
303 judgment to execute the WRATH upon EVIL DOERS God called  
304 for in Romans 13.

305 It's past time!

306 O God in Heaven — forget about any Kraken — RELEASE THE  
307 SWORD OF THY VENGEANCE! Deliver us from these  
308 unreasonable and WICKED people!

309 O, friend, I see in Heaven the hail stones of divine wrath swirling  
310 about the THRONE—every one of you doctors, politicians,  
311 propaganda agents that call yourself a news agency, all you  
312 preachers that did not "study to show yourself approved" but went  
313 along with all this like a pack of lemmings — shame on you! All  
314 within the sound of my voice that went along with this wicked  
315 business — it's time for you to decide what side you are on! Will  
316 you stand with the PEOPLE and TRUTH or will you stand against  
317 them and continue making LIES your refuge?

318 Those who decide to continue trusting in government LIARS —  
319 hiding behind the LIES of PHONIES like FAUCI — I'm telling  
320 you, the Bible reveals that God's throne room swirls with hail  
321 stones when He is about to drop divine wrath upon this earth and  
322 the stones are forming a tornado — listen to the prophet Isaiah —  
323 here is what He will do with these hail stones: "Judgment also will I  
324 lay to the line, and righteousness to the plummet: and THE HAIL  
325 SHALL SWEEP AWAY THE REFUGE OF LIES, AND THE  
326 WATERS SHALL OVERFLOW THE HIDING PLACE." Isaiah  
327 28:17 — and right after that, he says, "AND YOUR COVENANT  
328 WITH DEATH SHALL BE DISANNULLED, AND YOUR  
329 AGREEMENT WITH HELL SHALL NOT STAND; WHEN THE  
330 OVERFLOWING SCOURGE SHALL PASS THROUGH, THEN  
331 YE SHALL BE TRODDEN DOWN BY IT."

332 But those who sigh and cry for the sins of the people, God will pity  
333 them — He will set them aside from the coming storm and protect  
334 them under His wings—see Ezekiel 9. And come to the lighthouse  
335 this Sunday — don't you think it's about time you turned to GOD  
336 for help in this situation?

337 I ran right through the break — so I'll use my usual welcome back  
338 intro for the second segment as part of my sign off:

339 Segment.02 I'm Dr. Jerry Scheidbach, pastor at the Lighthouse,  
340 your brain masseur, and Paul Revere's lantern lighter, lighting the

341 lamps in the church belfry arch, signaling the enemy is on the  
 342 march, an enemy that would steal from us our liberty.

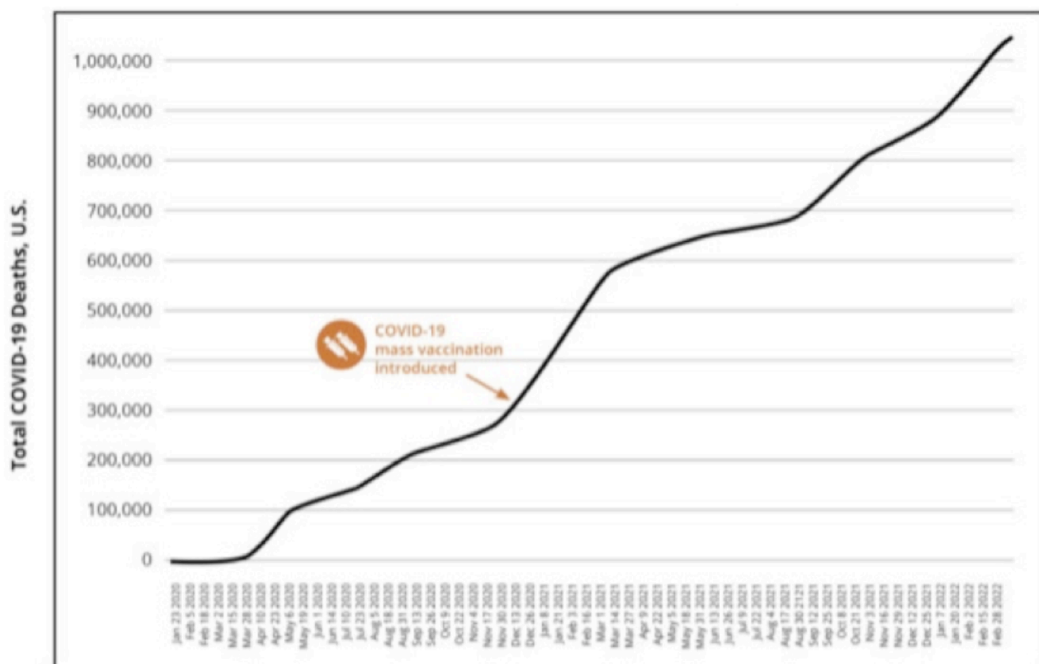

343 I have lit the lamps in the Church belfry arch and now you let me  
 344 know if you see them.
