

Brain Massage®: Show No. 926 DeSantis Deconstructed—The Story on the Trump Indictment / The Rise and Fall of the *Kleptocrats*

Dr. Jerry Scheidbach

Original Air Date: 03.25.23

1 Segment.01 Hello. I'm Dr. Jerry Scheidbach, pastor of the
2 Lighthouse Baptist Church in Santa Maria, CA—and your brain
3 masseur—get ready for your brain massage.
4 DeSantis can't speak to paying hush money to porn stars? He
5 doesn't know how anyone goes about doing that! Hmmm. Okay,
6 DeSantis, your on! Let's see what you can speak to! Wait for it!
7 And what about the Trump indictment? The anticipation is
8 killing—them!
9 Meanwhile, Russia and China are getting increasingly snuggly!
10 Amidst reports the House has uncovered as many as eleven more
11 CCP payouts to the Biden family.¹ Biden declared the plan of his
12 CCP lords "own America" within 15 years. Hah! More like two
13 years!
14 And so, maybe we should actually listen to Ava Chen and Miles
15 Guo, and take a look at the secret CCP military plan identified
16 cryptically as 13579 document, smuggled out of China by
17 undercover pro-democracy military into the hands of anti Chinese
18 Communist Party activist, and real estate Tycoon, who made it
19 public—yeah, this guy is a sort of Chinese counterpart to Trump!
20 It's going to be a "really big shew" — get ready for your Brain
21 Massage!

23 DeSantis can't speak to paying hush money to porn stars? He
24 doesn't know how anyone goes about doing that! Hmmm. Spoken
25 smugly at a press conference recently.

26 Okay, DeSantis, let's see what you can speak to!

27 Can you speak to why you reduced sentences for child porn crimes
28 in Florida?² — From the National File: "Ron DeSantis Cut Lenient
29 Plea Deals to Shorten Prison Sentences for Child Porn Crimes."³

30 What is even more curious is that this deal seemed to mark the rise
31 of DeSantis from Prosecutor to Politician. Hmmm! He cut these
32 deals repeatedly, giving lenient sentences to defendants convicted
33 of child pornography. One guy had 24 years of his life given back
34 to him in a deal that cut his sentence from 30 to 6. Another guy
35 had his sentence reduced from 10 years to 6 months.

36 I know some of you really like that Southern Baptist boy from
37 down south—but you'd better get ready for some disappointment.
38 That particular Southern Baptist boy—talking DeSantis, won high
39 praise from homosexual Republican pundit Dave Rubin during
40 one of his recent podcasts. Rubin said, "I'm married to a dude.
41 We're having kids. You know what showed up at my door two days
42 ago? ... A package with two baby *onesies* from Ron DeSantis and
43 his wife." And I guess kissing babies was the thing some time ago,
44 but for DeSantis, now it's big hugs and taking pictures with a man
45 and his husband. With a warm, *congratulations on the kid*.

46 And as much as I appreciate so much of the good work DeSantis
47 has done in Florida, you must remember he was a lockdown
48 advocate before he was an open the state advocate. And,
49 apparently, he has significantly divergent views from the Apostle
50 Paul on the subject of homosexuality—who, by the way, declared it

51 to be UNNATURAL.⁴ What changed his mind—about both these
52 things?

53 While I'm on Rubin and chinking the armor of some notables, I
54 should point out that Rubin's mentor and close friend, and beloved
55 conservative, Dennis Prager, has also voiced support for this
56 lifestyle choice. In an interview with Rubin, the famous Torah
57 exegete Dennis Prager clarified his position on that bit in Leviticus
58 — where we are told such behavior is an abomination warranting
59 the death penalty under Mosaic Law⁵ — and said, "By the way, I
60 actually believe bi-sexual is the norm," and "I'm not saying
61 heterosexual is more normal."⁶

62 Okay, look, I'm just sayin' Ron DeSanctimonious isn't! As far as my
63 beliefs are concerned, I've made them very clear. The behavior is
64 "against nature." The word translated *against* indicates the behavior
65 is beside, that is, outside of nature. Any system forced into use
66 contrary to its design will necessarily break down that system. And
67 that's what GOD said about this behavior: those practicing this
68 receive "in themselves that recompence of their error which was
69 meet." God calls the behavior *unseemly*, indecent—shameful. In
70 fact the homosexual lifestyle is disease ridden and shortens the
71 lives of those who practice it.⁷

72 Back to our deconstruction of the DeSantis-bot! You can't speak to
73 paying hush money to porn stars, well, aren't you special!

⁴ Romans 1:26-27 "For this cause God gave them up unto vile affections: for even their women did change the natural use into that which is **against nature**: And likewise also the men, leaving the natural use of the woman, burned in their lust one toward another; men with men working that which is unseemly, and receiving in themselves that recompence of their error which was meet."

74 Or, how about you speak to your half-truth dodge of allegations
75 you watched torture take place while at Gitmo⁸ and failed to report
76 it—in fact, the prisoner testified you laughed it off.⁹

77 Or maybe you will speak to how you hosted a panel discussing
78 legacy media defamation introducing, with lavish praise and some
79 show of friendly affection, one Libby Locke, atty. representing
80 Dominion Voting against Mike Lindell. Or, will you just get up and
81 walk out of the room like you did when Lindell attempted to
82 discuss with you the Dominion Voting systems problem?

83 And, while you are at it, by the way, can you explain how it is that
84 the cast-vote-records retrieved from about 1/3 of the 2020 election
85 and about 1/4 of the 2022 election shows a suspicious and
86 consistent pattern that is impossible to appear in voting data unless
87 it was manipulated by a machine, everywhere, except in Florida?
88 Where a Republican in a Blue state won by an 11% margin.

89 Friend, here is my opinion: DeSantis is a CIA dude—my opinion
90 here—he is an operations man and he has been recruited to be a
91 spoiler to remove the Trump threat to the Deep State agenda
92 (*spoiler* has multiple applications — DeSantis has been groomed to
93 increase drag on Trump's campaign, to obstruct with the intent to
94 prevent Trump's success, to divert attention from the failings of the
95 DEMONCRATS, to create sufficient noise to obscure the Trump
96 message — to give the voters an "alternative" — a "nice Trump," a
97 "clean slate," similar to Carter. That's the way the sold Carter. They
98 want to provide DeSantis as a controlled alternative to Trump that
99 conservatives can accept. But make no mistake—DeSantis is
100 controlled opposition.

101 So what's with this Trump indictment noise? First, here is the
102 story. Back in the Bush II era, when Trump was doing the Celebrity

103 Apprentice reality show, Stephanie Clifford (the given name of
104 porn star Stormy Daniels) was, by her own admission, angling for a
105 spot on the reality show.¹⁰ They met in 2006 at a golf tournament
106 in Lake Tahoe.¹¹ Daniels claims they had an affair, or a tryst—but
107 with a twist. She admits she maintained a relationship with Trump
108 in hopes to get a spot on his show. She never did get a spot on the
109 show. She claims that in July of 07, Trump invited her to meet him
110 at the Beverly Hills Hotel, and, according to Daniels implied he
111 wanted to sleep with her. She turned him down. He called her the
112 following month to inform her he was not able to guarantee her a
113 spot on his show. (All from the Daily Mail-IBID)

114 None of this came out publicly until 2011, when Clifford does a
115 "kiss and tell" to *In Touch Weekly*—Trump's attorney, Michael
116 Cohen, threatens legal action on behalf of his client, and the article
117 is pulled. Then, late in Trump's campaign, Stormy threatens an
118 "October Surprise" — to go public with her story. Cohen, Trump's
119 attorney at the time, was working the problem. He secured a loan
120 on his house, and funneled the money to her through a
121 corporation called Essential Consultants.

122 Clifford signed an NDA (Non-Disclosure Agreement) in exchange
123 for the 130k. This was late in 2016. She pulled her story from the
124 Daily Beast, and Fox News decided to shelve it — part of the
125 problem was that Daniel's story is convoluted. First, Clifford
126 admits she slept with Trump to get a spot on the Apprentice, but
127 she never got her spot. She cannot prove the allegation Trump
128 invited her to the Beverly Hills Hotel, or that Trump implied he
129 wanted to sleep with her, or that Trump offered to cast her for his
130 show, or that — and this is the inexplicable part — she turned him

131 down for sex, implying that was the reason Trump called her back
132 and said he could not guarantee a place for her on his show.

133 She was having sex with him to get the gig, it's offered to her for sex
134 and she turns him down — and on top of all that, Trump is
135 denying he ever had her in that natural way. [IBID 11].

136 Cohen violates his clients attorney client privilege and claims
137 Trump did know about the hush money under serious duress from
138 the Justice Department — Cohen ends up pleading guilty to
139 numerous felonies—including that he paid hush money to protect
140 his client's chances in a presidential election. We have all watched
141 how these people work — they went after Cohen because he was
142 the best target they had to get to Trump.

143 He had other legal problems — anyway, I think Cohen had some
144 problems, and saw the Clifford story as an answer. I think he
145 arranged with her to provide the 130k and then he would bill
146 Trump in "legal fees" to get his money and some — I understand
147 the total came to over 400k. Trump did not know about this, and
148 Cohen milked Trump for a cool 400k using this ruse. Bragg is
149 trying to say Trump was in on this and paid Cohen in invoices
150 disguised as legal feels. This is the CRIME he is supposed to have
151 committed.

152 Cohen, I've noticed, acts like a caged animal — he acts so guilty it's
153 unreal — in August of 2018, he is delivering up anyone and
154 everyone — trying to save his own neck. He claimed he conferred
155 with Trump about this and was told to get it done.

156 So why did Cohen pay this out of his own funds!¹² You see, the
157 whole thing is ridiculous, it's what Clinton did — not talking about
158 the 840k Clinton paid to Paula Jones — I'm talking about the big

159 bucks Hillary campaign money was used to pay for the Steele
160 Dossier —

161 Yeah, we KNOW for a FACT, Hillary does not even bother trying
162 to deny it anymore, the Hillary Campaign paid for the Steele
163 Dossier, and this was hidden from the FISA court — and used
164 fraudulently to obtain spy warrants on a candidate for President,
165 and then continued spying on a sitting President.

166 It was discovered that these payments were purposely hidden in
167 "legal fees," and this is a crime and she was convicted of this crime.

168 All they did with Hillary and make her pay a fine. But they want to
169 put Trump in jail.

170 Okay, there is more and we'll explore it Saturday night during our
171 visit. And, by the way, if you prefer a more relaxed format, less
172 produced, join my livestream podcast Saturday night — I go on at
173 about 8 pm. Let me know if you're interested and I'll send you the
174 links to get connected. Anyway, to wrap this segment —

175 No one in the Justice Department who looked at this before Bragg
176 was willing to prosecute it. There is no case here. First, they cannot
177 prove Trump buried hush money payments to Clifford disguised as
178 legal fees, or that any campaign money went to make the
179 payments, whether the Clifford allegations are even true, or
180 whether Cohen who had already perjured himself can be believed
181 by any honest jury. Alvin Bragg has been bragging about delivering
182 an indictment against Trump since he began campaigning for NY
183 DA position—the animus against Trump is well known, the
184 irrational hatred for "orange man bad," is likely to be included in
185 the encyclopedia of psychological disorders when this is all done,
186 and at the end of the day, Hillary et al are beside themselves with
187 rage and on a personal vendetta, and politically, they are beside
188 themselves with fear Trump can and will win in 2024 — they must
189 stop him or the damage will be exponentially greater than 2016.

190 So, when I get back from the break, let's talk about what's going on
191 while we have been watching for Trump's arrest.

192 Segment.02 Hello. Welcome back! I'm Dr. Jerry Scheidbach, pastor
193 at the Lighthouse, your brain masseur, and Paul Revere's lantern
194 lighter, lighting the lamps in the church belfry arch, signaling the
195 enemy is on the march, an enemy that would steal from us our
196 liberty.

197 Russia and China are getting increasingly snuggly! They recently
198 entered into a new energy agreement—this signals a solidification
199 of the Russia-China alliance against the US¹³ —

208 many as eleven more CCP payouts to the Biden family emerge in
209 the House enquiry.¹⁶

210 Biden obliquely declared allegiance to CCP plan to "own America"
211 within 15 years. But I think that's a ruse to get us to relax. I think
212 the plan is to "own America" by 2025 — depending on how quickly
213 the US surrenders to the CCP-Russia demands!

214 Consider the irony here. When Trump was in office, he began
215 establishing a peace across the Middle East that was
216 unprecedented. Several Arab countries came into alliance, and our
217 enemies in the ME were being alienated — most notably, Iran.

218 They stole the election in 2020 and very quickly the Trump peace
219 was disintegrated — beginning with Biden's fiasco in Afghanistan.

220 Now, under the weak and pathetic leadership of Biden and
221 company, the world is unraveling and China is stepping in to pick
222 up the reins. Now a new peace accord is being constructed around
223 the totalitarian regimes of China, Russia, and Iran. The BEAR is
224 RISING!

225 And so, maybe it's time we should actually listen to Ava Chen and
226 Miles Guo, and take a look at the secret CCP military plan
227 identified cryptically as the 13579 document,¹⁷ smuggled out of
228 China by undercover pro-democracy military into the hands of
229 anti Chinese Communist Party activist, and real estate Tycoon
230 Miles Guo—a sort of Chinese Trump.

231 Miles Guo is a Chinese anti CCP activist. He wants the Chinese
232 people to be free from CCP oppression. As a student during the
233 1989 protest leading to the Tiananmen massacre, Miles steeled his
234 resolve to become a man of note and substance so he could have

235 the prestige he needed to represent his people and inspire them to
236 freedom. He became a real estate tycoon, and, just as he planned,
237 with this prestige he began speaking out against the CCP. They
238 have persecuted him mercilessly but he is insulated by his wealth
239 and notoriety. Miles has a huge following, and many who admire
240 and follow him secretly deep in the CCP politics and military.

241 Some within the military were privy to the CCP plan to replace
242 America as the world leader. It's a plan crafted within the general
243 strategy China has been following for years — it's called
244 unrestricted, or irregular warfare. The plan is to weaken your
245 opponent without them being aware of it — it's a long haul plan —
246 and when the time is ripe, and you have secretly amassed vast more
247 strength than your opponent, you can spring the trap and take
248 them down. It involves infiltrating your enemy at every level and
249 undermining their culture, and breaking their economy.

250 China, under the oppression of the CCP, has been working this
251 plan for many years. I have books exposing this that go back
252 decades — and you've heard me speak to my own concerns about
253 this articulated back in the mid 80s.

254 Then the military strategists came up with plan 13579 and it was
255 finalized in 2017. Here is the plan, or I should say, an overview
256 summary of it. 13579 is code. The 1 refers to 1 bioweapon. The 3
257 refers to the fact they intended to deploy the bioweapon within
258 three years of 2017. The 5 refers to the fact the CCP intended to
259 keep the bioweapon panic, the pandemic, going for five years. The
260 7 identified the seven targeted countries — and of Course, America
261 is the primary target. And the 9 refers to the plan to present some
262 sort of vaccine they could use to blackmail the world.

263 It was not to be a vaccine that actually solved the pandemic, rather,
264 as it turned out, the vaccine was intended to make sure the
265 pandemic continued for at least five years.

266 So, there it is. We knew this was a bio-attack from Beijing almost
267 from the beginning — the traitors in this government denied it
268 came from Wuhan, denied it was manufactured, denied it was
269 released on purpose. But we cannot say we were not warned.

270 Tucker presented a whistleblower from within China at the time,
271 right from the beginning, who testified she had first hand
272 knowledge that the virus was a bioweapon, created in the Wuhan
273 lab, and she said purposely released. Perhaps this explains why Xi
274 and company closed flights from Wuhan to any destination within
275 China but left all flights open to everywhere else.

276 We were warned, but the infiltration of the CCP is so deep and
277 pervasive in this country, the truth was suppressed. It turned out to
278 be a massive CIA op turned against our own country.

279 Anyway, Guo presented the plan to our FBI. They confirmed the
280 plan was authentic, but did nothing about it. Meanwhile, the CCP
281 was closing in on him through character assassination through lies
282 spread about him, and threats against his family.

283 When he realized the CCP had extended its control so deeply into
284 America, he became frightened, and called a press conference in
285 which he ceremonially burned the original document. At least this
286 is what he represented to the press. A gesture he hoped would get
287 the CCP off his back, allowing them plausible deniability—saying,
288 no such document exists, and so on.

289 But copies of this document have been circulating, though greatly
290 suppressed.

291 With new admissions coming out almost daily — Americans are
292 beginning to realize we are under attack by the Chinese
293 Communist Party. And if we don't wake up, we could wake up
294 November 6 and see the red flag of China raised over the White
295 House. Well, it might take a while to finish out the negotiations
296 with the BEAR — please don't eat us!

297 Here is Miles Guo's words of warning October 5, 2017, when he
298 realized that even though Trump won, the FBI was working for
299 Beijing: "I am here to tell all of our friends from America, Japan,
300 and Europe; to tell people all over the world who are in love with
301 peace: Trust me! Please do! The darkness is coming along! Do
302 prepare yourself as the darkness brought over by the CCP
303 kleptocrats is coming! It will pervade the entire world and
304 devastate the Western Civilization. All will have to confront it,
305 every one of us will have to prepare for it. God bless America! God
306 bless everybody! Thank you!"

307 This word *kleptocrat* is interesting. It refers to a ruler who uses
308 political power to STEAL HIS OR HER COUNTRY'S
309 RESOURCES.

310 That's what Biden is — he is a kleptocrat. Hillary, all of them!
311 That's what they have in common with the Maoist regime in
312 China—they are thieves! Which tells us they are of their father, the
313 DEVIL who is a liar, and comes only to KILL, STEAL, and
314 DESTROY.

315 Well, I have news for these devils — JESUS CHRIST IS KING and
316 HE HAS ALL POWER in HEAVEN AND IN EARTH. He has
317 given us POWER of all DEVILS — including the red dragon —
318 and the CHURCH has power to resist the DEVIL and compel him
