Trump's Indictment: a Haman's Gallows!

Dr. Jerry Scheidbach

Original Air Date: 04.01.23

1 Segment.01 Hello. I'm Dr. Jerry Scheidbach, pastor of the
2 Lighthouse Baptist Church in Santa Maria, CA—and your brain
3 masseur—get ready for your brain massage.

4 The Trump indictment happened, what does it mean? Haman's
5 Gallows!

6 Audrey Hale — the bio female turned male possessed by devils, no
7 doubt, with a fatal obsession with herself — went on a murderous
8 rampage, hunting down and killing three Christian children and
9 three Christian adults Covenant School in Nashville, TN — she left
10 a mysterious manifesto that we can't see? Why? Did Audrey answer
11 her fellow Trannies CALL to ARMS?

12 Maybe now you government sycophants, groveling at Fauci's feet,
13 will listen: Zerohedge reports on a recently released study showing
14 "risk of cardiac death tripled for young women"¹ following the
15 COVID death jab.

16 Returning the right of consent to the American PEOPLE: AZ
17 Supreme Court orders lower court to hear Lake's petition

19 Dominion continues with important gains for us GOD FEARING
20 PATRIOTS.

21 My dear friends — or, as J. Vernon McGee would say, "my dearly
22 beloved" — It's time for your BRAIN MASSAGE®.

² 927.27.2-AZ Court has made a decision (Email-Kari Lake)

24 Braggs got his indictment! He has managed to cajole, harass,
25 pressure, wheel and deal, prevaricate, press, and plead, no doubt
26 with plaintive, howls, with hints of the guttural tones of the devils
27 that own him—finally, at least 12 of the 23 carefully selected jurors
28 moved to indict PRESIDENT TRUMP for crimes that were,
29 literally, created by legal manipulation, no, really. I went over this a
30 while back — there is NO LAW BROKEN HERE — the wicked
31 Haman — I mean Braggs, manipulated the law to create a crime
32 where no one before him, looking at all the same data he had, said
33 there was no crime to be found.

34 This arraignment actually trumps the prior J6 travesty of justice —
35 is *travesty* a strong enough word? It refers to an absurd, a distorted
36 representation of something — often used in connection with
37 miscarriages of justice. Synonyms include PERVERSION,
38 CORRUPTION, MOCKERY, PARODY or CARICATURE — a
39 FARCE, a CHARADE, a SHAM — what word comprehends all of
40 these notions? WICKED, DEVILISH, SATANIC — the Accuser,
41 the false accuser, the LIAR.

42 And the thing to understand is that Haman's plot to murder
43 Mordecai was inextricably connected to his greater plot to murder
44 all the Jews in the kingdom. He hated anyone who served a GOD
45 greater than the government. Braggs, and Garland, and Biden, and
46 Hochul — the DEMONCRATICS — have targeted all God fearing
47 America loving Christians who refuse to bow to "HAMAN" who
48 refuse to cow tow to the GOVERNMENT — Remember, Hochul
49 invited all God fearing America loving Patriots to leave New York
50 — But Trump has said it repeatedly, and he was right, again: they
51 are targeting all of us, he just happens to have gotten in their way.

52 What you are watching is the building of Haman's Gallows! And
53 the thing to remember about Haman is that he ended up being
54 hung on his own gallows.

55 I preached recently a message presenting Esther as a representation
56 of the CHURCH — and as Queen Esther appealed to her king to
57 the saving of her people, I called on the church to appeal to OUR
58 KING for the deliverance of her people—that holy nation, the
59 chosen of God, that kingdom of kings and priests under GOD. So I
60 extend the call to all within my voice to pray and fast three days.
61 Those who can set aside three days to pray and fast—even put on
62 the sackcloth. I plan to begin my fast on April 9. Let me know if
63 you can join me, or if you will take some time to pray and fast — to
64 seek God's face to save His people from the coming DEMONCRAT
65 scourge.

66 Anyway, the arraignment is planned for today (Friday, March 31)
67 — NYPD instructed to come to work in full uniform, anticipating
68 unrest? They also have increased patrols in all five boroughs of the
69 city, "although there have been NO CREDIBLE THREATS
70 REPORTED."³ Listen, friend — dont' make the mistake of thinking
71 Trump is their ultimate target, or that the J6 prisoners were
72 anything else but a total set up — planned by Pelosi and her team
73 of perverse and souless miscreants and perpetrated by their
74 weaponized government thugs! More and more Americans are
75 beginning to wake up — but, GOD HELP US, how long are we
76 going to be yawning and stretching — WAKE UP!

77 A Quinnipiac Poll asked, "Do you think the Manhattan DA's case
78 involving former President Trump is mainly motivated by politics
79 or mainly motivated by the law?" Results: Politics — 62%, Law —
80 32%. Breaking that down: GOP Politcs - 93% Law - 5%; DEM
81 Politcs - 29%, Law - 66%, and INDY Politics - 70% and Law - 26%.

82 Trump's response: "This is Political Persecution and Election
83 Interference at the highest level in history," he wrote in the
84 statement. "From the time I came down the golden escalator at

85 Trump Tower, and even before I was sworn in as your President of
86 the United States, the Radical Left Democrats — the enemy of the
87 hard-working men and women of this Country — have been
88 engaged in a Witch-Hunt to destroy the Make America Great
89 Again movement.”⁴

90 Then he grabbed Melania and went dancing.⁵

91 Okay, pray for Trump, write your representatives asking what they
92 are going to do about this — I did read that McCarthy is whipping
93 up some response to this, and Jim Jordan wants to inquire into
94 what's behind that latest assault on the rights of Americans—so
95 add your voice to that and push for JUSTICE.

96 When I get back from the break, I'll touch on this Audrey Hale
97 thing—there is a lot more to that than is being brought out.

98 But, real quick! I want to explain something, and I hope I am
99 rightly understood. We are engaged in a great struggle for the
100 FREEDOM of CHRISTIAN PEOPLE to worship GOD freely
101 against a movement that have coopted our government and turned
102 it against liberty, against justice, and against freedom.

103 Bongino has said, this is not a time for sweetie pie Christianity; it's
104 time for bleating sheep to roar.

105 I really resent the characterization people as *sheeple*. Jesus did not
106 call His disciples *sheep* because He considered them dumb, or
107 feeble-minded, or weak. We are! But the interesting thing, if you
108 are paying attention, is that Christ's sheep are always way out
109 ahead of the world in understanding what the wolves are up to.
110 The people whose dignity is seen groveling before the Fauci's and
111 Newsome's, and Biden's mask mandates, and death-jab mandates,
112 they aren't the sheep of Christ's pasture. They are the vomit licking

113 dogs and muck wallowing pigs—Christ's sheep are of a genus men
114 of this world don't understand. The characteristic Jesus was
115 looking at when He called His disciples sheep was this — THEY
116 HEAR THEIR SHEPHERD'S VOICE AND FOLLOW HIM. What
117 the world hates about Christ's sheep is they hear and heed another
118 voice, a higher one, their allegiance is ultimately to CHRIST and
119 not to their antichrist leaders.

120 Also, remember that when John, during his visit into Heaven to
121 receive the Revelation, wept when no one was found worthy to
122 open the book and loose the seals was told "Weep not: behold, the
123 LION of the TRIBE of JUDA, the ROOT OF DAVID, hath
124 prevailed ..." and when John turned to see the LION, he saw a
125 LAMB as it had been slain ..." Rev. 5:5-6. That's the sort of SHEEP
126 we are, the sort that, if you look inside, you see a LION.

127 Lighthouse Baptist Church truly is not for every body that goes
128 about calling themselves Christians. I mean, all are welcome, of
129 course, you will not likely find a better welcome, but squishy
130 Christianettes don't like it here — we are WARRIORS, heeding the
131 call to endure hardness like good soldiers, we are WRESTLERS
132 against principalities, against powers, against the rulers of the
133 darkness of this world, against spiritual wickedness in high places
134 — we believe JESUS CHRIST IS KING and all mankind are HIS
135 SUBJECTS — and that we are sending out the TERMS of
136 SURRENDER to the CONQUERING KING — I don't have time to
137 coddle sissified Christianettes — and perpetual spiritual infants —
138 who have been calling themselves Christians for decades and
139 continue to be in need of someone to feed them milk and soft
140 bread — unable to take the meat! We need MEAT EATING strong
141 soldier Christians — and if you know that is exactly what is needed
142 now, come on out to the LIGHTHOUSE, but, honestly, if you are
143 looking for a place to HIDE from what's coming, and not a place
144 where you can take a STAND and FACE IT DOWN, if you think

145 retreat and hide "under the radar" is the answer, you are convinced
146 this world is all there is for you and you are all about preserving
147 yourself at the expense of liberty, and justice, and judgment, and
148 FREEDOM — I think you'd better join those of Gideon's band
149 who were sent home from the fight in shame being rejected by
150 GOD from the honor of the battle.

151 Hold on through the break; I'll be right back!

152 Segment.02 Hello. Welcome back! I'm Dr. Jerry Scheidbach, pastor
153 at the Lighthouse, your brain masseur, and Paul Revere's lantern
154 lighter, lighting the lamps in the church belfry arch, signaling the
155 enemy is on the march, an enemy that would steal from us our
156 liberty.

157 Let's take another look at this Audrey Hale thing! Audrey Hale is
158 the bio female who decided she was male and angry at Christians
159 who rejected her denial of reality, who rejected her demand to be
160 affirmed in her delusions, who refused to condone her rejection of
161 nature and nature's GOD, decided to answer the call of her fellow
162 Trannies, and take up arms, and go find some Christians to kill. I
163 picked up an unconfirmed report that Audrey expressed the
164 sentiment that if we (Christian conservative patriots) are not going
165 to support children being mutilated in these unnatural sex change
166 operations, that "they" (the militant Trans crowd) would kill our
167 children.⁶ What is confirmed is that she went to a Christian school,
168 one she had attended as a child, and we have video of her prowling
169 the halls obviously looking for someone to shoot—and when she
170 came upon children leaving a classroom, she specifically targeted
171 and in cold blood murdered three 9 year old children — and she
172 also murdered three adults.

173 Before Audrey went hunting Christian children to kill, her fellow
174 Trannies began tooling up to "take up arms" in defense of their —

175 whatever! Their right to demand everyone join them in their
176 reality-bending insanity about gender denial. Lesbian Lori
177 Lightfoot weighed in on the SCOTUS taking up a case in which it
178 is anticipated the court will support legislation banning sex change
179 operations on minors, or maybe she was reacting to another case,
180 challenging a state law banning therapists from advising against
181 conversion therapy: Lesbian Lori Tweeted: “To my friends in the
182 LGBTQ+ community—the Supreme Court is coming for us next.
183 This moment has to be a call to arms.” (TWEET) Hey, don't get
184 tweaked at me for identifying Lori as a lesbian — that's what this
185 crowd is all about, their IDENTIFICATION as L-G-B-T or Q or A
186 or, + — I don't know how the rest of them feel about not getting
187 their own letter and just lumped together in + but, you know!

188 And then the group called TRAN announced the April 1 — DAY
189 OF VENGEANCE rally at the Supreme Court building — and this
190 was not an April Fools trick! One source, the Gateway Pundit,
191 reports discovery that the TRAN group organizing the DAY OF
192 VENGEANCE event, was raising money for firearms and self-
193 defense training.⁷

194 Audrey, well, it appears she answered the call of the TRAN
195 community — after the murderous rampage the Trans community
196 immediately jumped in to defend her.

197 In the immediate wake of the Tranny-murderess child killer
198 @TNDtracker posted pick of herself, I assume, in full battle gear,
199 AR, hand gun in holster, upper body vest—with her message: "Kill
200 christcucks. Behead christcucks. Roundhouse kick a christcuck into
201 the concrete. Slam dunk a christcuck baby into the trashcan.
202 Crucify filthy christcucks. Defecate in a christcucks food. Launch

203 christcucks into the sun."⁸ She wasn't done. TNDtracker put up
204 another post: Another pic of a Tranny with arms: "Their name was
205 Audrey Hale. They're a martyr against transphobia from hateful
206 CHRISTIAN BIGOTS like you genociding us. WE WILL DEFEND
207 OURSELVES FROM YOU. Where is your god now? Pray ... for
208 mercy .. because we won't show any."⁹

209 At first, the TRAN group (actually, this is a collection of Tranny
210 groups) that organized the DAY OF VENGEANCE event planned
211 to forge ahead with their rally.¹⁰ But apparently, the
212 DEMONCRATS contacted them and warned them to back off, so
213 they cancelled the event, claiming concern about a "credible
214 threat."¹¹

215 I'll need to begin wrapping this up. But please pay attention! There
216 is a reason Jesus told you to secure arms for self-protection. You
217 and I know that we have zero intention of attacking these people,
218 or coming after them — even when they pull something so evil as
219 this, we continue to "wait" on justice to prevail, for vengeance to be
220 executed lawfully, according to due process — we are lawful
221 people. But understand that we are dealing with idiots who can
222 convince themselves of anything — if these crazy people can
223 convince themselves that a boy can be a girl, if they, as Tucker
224 pointed out, can ascribe themselves the power of the CREATOR, to
225 speak a word and change nature — believe me they can convince
226 themselves you are out to "get them," and justify even the killing of
227 children — Jesus told you to get arms to protect yourself and if you
228 are a child of obedience, and recognize Jesus' authority, you need

229 to listen to Him and do it. You have your family, friends, and
230 neighbors to protect.

231 We know that everything these crazy people accuse us of is what
232 they plan for us. How many times do we have to watch this play
233 out before we finally get it! You have been warned!

234 I know there is this nut job Kamau Kambon, that is openly calling
235 for the extermination of all white people — he preaches it's the
236 only SOLUTION for the cause of Black liberation — he is insane,
237 and he has some followers — but the black community in general
238 is not — they are not crazy loons that go about imagining they are
239 gods who have the power to change nature by their words, or the
240 moral superiority to justify the murder innocent children — I
241 heard the audience response to this insane rant and it was tepid, at
242 best — I don't think you'll see the race war the DEMONCRATS
243 have been agitating for a few decades now, ever really materialize
244 — like there were many whites marching with Martin, Black God
245 fearing and America loving patriots will stand with whites against
246 any such nonsense — but when it comes to these people that can
247 convince themselves a man can be pregnant — and become so
248 absolutely deluded they construct their entire lives around that
249 delusion — those people are truly dangerous.

250 Okay, I have a minute or two remaining. Let me touch on a couple
251 of things and we'll get deeper into this Saturday during our
252 livestream visit.

253 Zerohedge reports on a recently released study showing "risk of
254 cardiac death tripled for young women following AZ vaccine."¹²

255 The Skidmore study reveals more than 200k Americans died in
256 vaccine related events in 2021 alone.¹³ And that was just the ramp

¹² 927.17.1-VAX Risk Of Cardiac Death Tripled For Young Women Following AstraZeneca COVID-19 Vaccination_ Study _ ZeroHedge <https://www.zerohedge.com/covid-19/risk-cardiac-death-tripled-young-women-following-astrazeneca-covid-19-vaccination-study>

257 up to 2022, where the numbers are not out yet, but estimates are it
258 will be significantly higher.¹⁴

259 Vaers shows 17k EXCESS DEATHS, with a minimum
260 underreporting factor of 41.¹⁵ (What does that mean? Read about it
261 here.) Essentially, it means the actual deaths amount to a whole lot
262 more.

263 Among the "tricks" used to hide the truth about vaccine related
264 deaths is the insidious device of deceitfully defining vaccination
265 status. Those who die within two weeks of either of the two doses
266 are considered *unvaccinated*. So they don't count. Most deaths
267 occur within that period. Hmmm. How convenient.

268 The fact is, the largest number of vaccine related deaths reported to
269 VAERS in prior years, that is, pre-mRNA vaccine, was a high of
270 223 and that was in 1994. But the number of vaccine related deaths
271 in VAERS that mention COVID-19 is 2087. You must keep in
272 mind the powerful bias against reporting vaccine related adverse
273 reactions, much less DEATHS when it comes to the COVID jab.¹⁶

274 And this is coming out all over the world — in France, for example,
275 "Hundreds of French Citizens Suffer Cardiac Events After Bivalent
276 Boosters."¹⁷

277 Now, you and I were talking about this almost within a month or
278 two of the vaccine rollout! And we often say, *better late than never*.
279 But in this case, *late* costs lives — a lot of them. Well over 200k.

280 And now, briefly, returning the right of consent to the American
281 PEOPLE: AZ Supreme Court orders lower court to hear Lake's
282 petition regarding signature verification.¹⁸ I'm glad, this is a key
283 component of the systemic fraud that plagues our elections and has
284 robbed the people of their voice—disenfranchised them from their
285 stake in our Republic—but this could be a delaying tactic—an
286 effort to keep the case from the SCOTUS.

287 Nevertheless, let's hope the lower court will rule justly and throw
288 out that 2022 election for governor on the ground that the election
289 should never have been certified.

290 Remember, Hobbs threatened the election officials to certify or
291 face legal consequences, even implying jail time for them. She is a
292 wicked old bat, and deserves to be thrown out of the office she has
293 stolen.

294 Meanwhile, some more good news on this front: AZ Senate
295 Elections Committee (Read the full text of the Resolution here),¹⁹
296 passed a resolution to get rid of foreign made machines — and the
297 AZ Legislature passed the RESOLUTION to BAN Foreign Voting
298 Machines (Dominion is "made in China," no, really) and, by the
299 way, to REQUIRE the company show their SOURCE CODE,
300 BALLOT IMAGES, Chain of Custody Documents and LOG FILES
301 — all of this must be made public.²⁰

302 So, we are gaining ground, but this is a war — and it's a time for
303 CHRISTIAN WARRIORS to step up. Come to the LIGHTHOUSE,
304 and join the band of the MIGHTY!
