Dr. Jerry Scheidbach

Original Air Date: 04.08.23

1 Come on out to the Lighthouse for Easter Services—we will serve
2 breakfast at 9:30, and then, at 10 I'll preach an amazing message on
3 the story Jesus said would be told—it's about Mary Magdalene, and
4 the fact that Jesus chose her to be the first disciple to see Him after
5 His resurrection. At 11, I'll preach what is certain to be the most
6 unusual Easter message you've ever heard — The Political
7 Significance of the Resurrection; this message will blow your mind!
8 At 12 I'll preach a message titled What Is The Gospel of the
9 KINGDOM — the Gospel of the Kingdom is the message of the
10 Resurrected Christ through His churches today. You have never
11 heard more relevant or important Easter messages. You are invited
12 and all are welcome! Come on out to 1310 W. Betteravia Road,
13 Santa Maria, call 1.805.714.0786 if you have any questions.

14 Segment.01 Hello. I'm Dr. Jerry Scheidbach, pastor of the
15 Lighthouse Baptist Church in Santa Maria, CA—and your brain
16 masseur—get ready for your brain massage.

17 Okay, I get it! It is becoming increasingly difficult to do what I call
18 crises triage! It's hard to decide where to focus my 29 minute
19 radio/podcast when so many important stories compete for my
20 attention. For example, while the White House is fixated on
21 stopping Trump from running for President (a very important
22 concern to God fearing patriots), the Nimrodians are preparing to
23 deliver the final blow to our economy that will take America out
24 and open the way to globalization—you know, one world
25 government, new world order stuff! (All very important issues!)
26 "They" are pushing us toward a digital monetary system, which will
27 put the government in complete control of our lives, destroying
28 privacy completely, establishing universal surveillance, and
29 bringing us under the total control of the totalitarian state.

30 To do this so "they" have to destroy the dollar—inflation is key to
31 achieving that (Another important matter). Also, to make America
32 energy dependent—Biden attacked our domestic oil production. So
33 now we are vulnerable to Saudi Arabia and other oil producing
34 countries giving them power to manipulate our economy by
35 cutting their production, and driving countries away from America
36 and into the hands of our enemies to get much needed oil; e.g.,
37 Japan will be buying their oil from Russia.

38 All of this makes the US Dollar an insecure medium to hold value
39 making it less attractive as the world's currency, the RESERVE
40 CURRENCY — that is, the currency held by central banks and
41 major financial institutions as a standard of value — so India
42 announced it is ditching the US dollar.

43 Other countries are moving in the same direction—this will hve
44 the effect, nationally, of exacerbating the effects of inflation on the
45 US Dollar pushing it toward collapse.

46 Kenya president, not Obama, Obama was the Kenyan that became
47 the US President—don't confuse them, anyway, the Kenyan
48 President said Kenyans should get rid of their dollars and
49 announced Kenya will buy their oil from Saudi Arabia. BRICS (an
50 acronym identifying the five emerging industrial nations: Brazil,
51 Russia, India, China, and South Africa) have joined forces to
52 establish their own currency—ditching the US dollar; Egypt,
53 Turkey, and Saudi Arabia have declared their intentions to join
54 BRICS — let's see, that would be BRICSETS, with some slight
55 manipulation, you could call this new alliance BRISCETS — a cut
56 of meat taken from the chest of a cow — these BRISCETS cut from
57 our chest in a double mastectomy on America (you'll have to think
58 that one through) — And all of this while Biden, and his media are
59 fiddling around trying to stop Trump from running for President
60 — these fiddle while these globalist kindle Nero's fire.

61 And I will address this tomorrow during our Comfort & Counsel
62 visit — but I'm going to talk to you right now about why the
63 blessing of the kingdom is being taken from America.

64 The blessing of the kingdom: What's that? Suffice it here to say
65 God promised favored nation status to the nation that brings forth
66 the fruit of the kingdom. GOD said, "Blessed is the nation whose
67 God is the LORD; and the people whom He hath chosen for His
68 own inheritance" (Psalm 33:12) — God promised such a nation
69 that if they kept His commandments, "The LORD shall make thee
70 the head, and not the tail; and thou shalt be above only, and thou
71 shalt not be beneath..." (Deuteronomy 28:13). But, He warned, if
72 that nation called by His name forsakes Him, and appoints leaders
73 that hate Him, and lead the nation in defiance of nature and
74 Nature's GOD, He will reverse this, and make that people a debtor
75 nation, and set our enemies to be "the head, and thou shalt be the
76 tail" (Deuteronomy 28:44). That's what you are watching happen
77 RIGHT BEFORE YOUR EYES. America, once the head of the
78 nation, being reduced to become the TAIL!

79 Understand that the "Holy nation" is made up of God's "chosen
80 people" (read I Peter 2:9), and this judgment upon America is
81 aimed at God's people — to wake them up! And, while America
82 has many faults, chief among them is a weak, and pathetic church,
83 which is both ignorant and afraid to assert it's divine power.

84 Therefore, GOD has allowed us to come into the power of
85 unreasonable and wicked rulers — or, in other words, we are losing
86 our constitutionally guaranteed protections.

87 America is under siege by a foreign power, and they took our
88 nation from us—ultimately by stealing from us our right of
89 consent—they have stolen our elections.

90 However, we have a window of opportunity, if only we will seize it.
91 Therefore, I'm going to talk to you about that opportunity. So, let's
92 get started!

93 It's time for your Brain Massage®!

94 [TRUTH]

95 The revival Bible!¹ The question of *morality* and the *weightier*
96 *matters*—why so many churches are out of focus and don't get it!
97 This goes to the issue of Trump's carnal externals versus his
98 spiritual internals.

99 And if I have time, I'll show that there is evidence of a window of
100 hope for America extended to us in the fact that the Tranny thing
101 is being rejected at the intrinsic or *essential* level of our being —
102 our immutable physiological nature resists and finally overcomes
103 every effort to alter it. Our nature is not existential² — where
104 *existential* is the idea that *existence* precedes *essence* — meaning the
105 essence (the fundamental intrinsic qualities of a thing, is shaped by
106 life experiences—*existence* = living experiences. But the truth is
107 there is an essence of being that precedes existence — when
108 existence is understood as life experiences. Life experiences can
109 shape perception, but not essence. Essence is rooted in nature and
110 defined by NATURE'S GOD. Severe problems arise when a
111 PERSON, through life experiences, comes into conflict with their
112 divinely determined essence. Existentialism is a capitulation to
113 certain elements of Buddhist doctrine — western thought,
114 grounded in Christianity, is rooted in the idea that we are what
115 GOD MADE US. Existentialism suggests we make ourselves—in
116 other words, we are God.

117 If I don't get to discuss this today, I'll pick it up, Lord willing,
118 Saturday night during my Comfort & Counsel livestream. And if

124 At 9 PM, we will join in solidarity with our J6 patriotic prisoners
125 and pause to salute our flag and sing our national anthem.

126 Okay, I'll take my break right now to leave adequate time on the
127 other side to address the essential reasons we are losing God's
128 kingdom blessing and becoming the tail of nations rather than the
129 head.

130 Segment.02 Hello. Welcome back! I'm Dr. Jerry Scheidbach, pastor
131 at the Lighthouse, your brain masseur, and Paul Revere's lantern
132 lighter, lighting the lamps in the church belfry arch, signaling the
133 enemy is on the march, an enemy that would steal from us our
134 liberty.

135 God knows WE THE PEOPLE did not put the politicians that
136 ruining this nation into power. God is committed to the principle
137 of government by the consent of the people. For example, in Hosea
138 8:4 He complained that Israel had "set up kings, but not by me."
139 This means Israel put people in positions of power in defiance of
140 God's will—while the *power* is ordained, the *persons* holding *power*
141 are not necessarily. Jesus is KING of the world, right now, but He
142 operated on the principle of consent: "If thou shalt confess with thy
143 mouth the LORD Jesus ..." (Romans 10:9). You must declare your
144 allegiance to JESUS as LORD—you must consent to His
145 governance. This is how it is now; that will change when He
146 returns. Then EVERY KNEE WILL BOW and EVERY TONGUE
147 CONFESS. But right now, you are commanded to REPENT and
148 BELIEVE on JESUS, but not compelled to do so. Jesus lays this out
149 very clearly in Luke 19, in the parable of the "certain nobleman."
150 His citizens "hated him, and sent a message after him, saying, We

151 will not have this man to reign over us" (Luke 19:14). Psalm 2
152 explains the same thing. So God allows consent to us right now.
153 You'd better take advantage of this right now, because if you
154 consent, and confess CHRIST JESUS IS LORD, and believe He
155 AROSE, you can CALL ON HIS NAME and be SAVED from the
156 wrath to come. But if you wait until that wrath comes — it's too
157 late. Then you will no longer have the privilege of consent: YOU
158 WILL CONFESS HE IS LORD, but that confession will not deliver
159 you from the wrath that will come.

160 Got it! Get it! Good! Next, God knows WE THE PEOPLE did not
161 consent to the Biden usurpation—and this gives us an opportunity.
162 If God's holy nation, His chosen PEOPLE, who are called by HIS
163 NAME, will humble themselves and pray, and seek His face, and
164 TURN FROM THEIR WICKED WAYS, He promised to hear from
165 heaven, forgive our sins, and HEAL OUR LAND. (II Chronicles
166 7:14).

167 Because God's people have foolishly turned from Him, He is doing
168 what He always does; He is looking for those who will stand in the
169 gap, and invite HIM INTO THE SITUATION. Some GAP standers
170 have made the appeal to HEAVEN, and God is responding. He
171 begins by EXPOSING the wickedness that has brought this
172 judgment. Ezekiel 8. If the people do not repent, God will release
173 His judgment upon that nation. Then, in preparation for the
174 judgment, He examines every heart of His people and places His
175 mark on those of His people that sigh and cry for the sins of the
176 people to be protected from the coming judgment (Ezekiel 9).
177 Then He releases the judgment.

178 So, one opportunity you have is to seek His face, turning from your
179 wicked ways, see the wickedness God is exposing, and sigh and cry
180 before Him against this wickedness, and stand, speak, and resist
181 the devils promoting it in our nation.

182 God, in a case like ours, offers a space to repent, that we might be
183 REVIVED. We are in that space right now! You are in that space.

184 And He has risen up His champion! Now, some of you are going to
185 have trouble with this, so please listen carefully and hear what I'm
186 saying before you close your ears and miss the window of
187 opportunity God has opened for us.

188 The revival Bible! Dr. Clarence Sexton relates the story of the
189 Revival Bible: (Edited). Find it here.³ The story goes like this.

190 On the Isle of Lewis, off the coast of Scotland, two elderly women
191 began praying for revival: one 84 the other 82. One blind, the other
192 so humped over with a disease neither could attend church — but
193 their heart was burdened for revival. Revival fires began to stir!

194 A young teenaged boy named Donald Smith got saved and became
195 powerfully used of God in a great revival that came to their Isle and
196 began to spread across Scotland, and into America. Donald Smith
197 was mightily used of God.

198 A cousin to Donald Smith, and niece to these old sisters, whose
199 name was Mary-Ann, migrated to America in 1936 and met and
200 married a man named Fred.

201 Mary-Ann's Aunts sent a Bible to her that had been used in a
202 special way in that revival.

203 She had a boy, they named him Fred, a second child, a girl, they
204 named Mary-Ann, a third daughter they named Elizabeth, and a
205 fourth child, a son, and she named him Donald after her beloved
206 cousin, and gave to him the REVIVAL Bible her aunts had
207 bequeathed to her. This boy was born in 1946 and he became the
208 45th President of the US. He kept that Bible in the Oval Office —
209 and by no you know we are talking about Donald J. Trump.

210

211 Some perhaps are thinking of all Trump's shortcomings. Aside
212 from the false accusations, that he is racist, a white supremacist, or
213 that he is on a mission to "destroy democracy," which we can
214 dismiss, there are the less than palatable behaviors we know are
215 true, his playboy reputation, and very public divorces, and a
216 recording of some unsavory comments about women. While these
217 things are not expunged by the many reports of chivalrous
218 behavior from "the Donald," it is only fair to point out there are
219 many such, including acts of extraordinary generosity, and bravery.
220 Also, virtually all the really concerning negatives are in his past —
221 we seen nothing of that old playboy persona, or vulgar talk about
222 women, and Melania seems to have been a very good influence on
223 him. But, of course, there are the mean Tweets, his impatience with
224 crooked Hillary, and unwillingness to tolerate the fake news from
225 the media. But many of us would consider these things positives
226 today—most of us have come to have very little use for the old
227 country club gentry' class and their polished manners, for we have
228 too often felt the sting of their betrayal, their treasonous hearts
229 exposed, the perversity of their political lies covering their wicked
230 love of money and power — I'll take the HONEST man over the
231 PRETENSIOUS POMPOUS POLITICIAN any and every day!
232 Trump was, is, a breath of fresh air by comparison.

233 Nevertheless, many Christians don't like Trump's manners, and
234 many, for that reason alone, dismiss him.

235 And this brings up the question of *morality* and the *weightier*
236 *matters*—why so many churches are in truth out of spiritual focus
237 and don't get it! This goes to the issue of Trump's rough carnal
238 externals versus his clear vision on spiritual values of weight and
239 matter — the eternal-internals that define the inner character of
240 the man, that sometimes belie the external presentation — that is,
241 in their self righteous estimation.

242 You see, many Christians are, simply put, externally focused —
243 they look on the "outward appearance."

244 They are concerned about outward show of manners than they are
245 about inward matters of substance. They are more comfortable
246 with a man who says "read my lips, no new taxes," but when
247 pressure builds his character collapses, and he reneges on his
248 promise. And externally focused Christians understand that he is
249 so "sophisticated" he can rationalize away the breaking of his
250 PROMISE he made to the American people, and talk about how
251 mature he is to do so — and the externally focused Christians are
252 easily duped because in fact, even when he made the promise he
253 had no intention of keeping it! This is the way of the gentry — it is
254 the way of the well mannered well heeled set — their externals are
255 highly polished but their internals are defiled with deceit, and
256 greed, and lust for power, and *dynasty*. Whereas Trump, well, he
257 simply did what he told us he would do! And never took a dime for
258 his service, either! The only President that came out of office less
259 well off than when he went in; and the only President I ever heard
260 of who gave away his salary.

261 His record speaks for itself—we all were there! We saw it! He kept
262 his promises, and his leadership was extraordinary! He got things
263 done against a backlash of wicked lies and resistance unlike
264 anything I've ever seen, or ever read of. He withstood two
265 unfounded impeachments, the whole Russia Dossier hoax, the
266 compounding of lies against him was unbearable—and yet, this
267 street fighter in a Brioni shirt and suit kicking it in Guccis — is just
268 REAL.

269 REAL — that probably sums up Trump best. Real — and by *real* I
270 mean he is not fake, not a phony, but a man of the men, a white
271 collar guy who is comfortable in blue collar company, and real like
272 someone whose weaknesses are almost as public as his strengths —
273 like David was a real man — not some idyllic super hero without

274 fault — but like Samson, or Gideon, or Solomon. Some Christians
275 are so superficial — they are so full of judgment against a flawed
276 leader I wonder they condescend to read Proverbs, why they have
277 not torn all David's Psalms from the Bible, why they read Peter's
278 epistles, or even Paul whose own weaknesses are frankly admitted
279 in his Epistles —.

280 Such Christians, I fear, are impressed by the cultivation of external
281 Christian manners they easily overlook major internal
282 inconsistencies of character — he dresses right, but will lie like a
283 rug, gossips like, well, like the magazine by that name — some
284 preachers are a walking magazine of GOSSIP, but they have the
285 right hair cut! It's just true, and always has been, that there are
286 those who are nothing but white washed graves — and full of the
287 dead bones of those whose bones they've picked bare.

288 I'm just saying, some are so focused on the outside of the cup, the
289 form of godliness, they fail to consider what's in the cup, the
290 POWER THEREOF. I believe both the inside and outside of the
291 cup should be clean—but if I have to drink from a cup that's dirty
292 on one of those sides — I'll take the cup that is clean on the inside,
293 and tolerate some soiling of the outside.

294 Some churches are, I think understandably, intense regarding the
295 outward expressions of holiness. I have no objection to this. I could
296 use some outward polishing! What I abhor are the superficial
297 Christians who concentrate on the outward externals and ignore or
298 virtually dismiss the "weightier matters of the law." Jesus had this to
299 say: "Woe unto you, scribes and Pharisees, hypocrites! for ye pay
300 tithe of mint and anise and cummin, and have omitted the
301 weightier matters of the law, judgment, mercy, and faith: these
302 ought ye to have done, and not to leave the other undone"
303 (Matthew 23:23).

304 Only with some of these Christians today, when it comes to
305 Trump, they'll buy in to a guy who is such a coward he will not

306 condemn the stolen 2020 election, but can coyly chide that he
307 knows nothing about paying off a porn star to keep her quiet about
308 an alleged affair—like a certain candidate we all know! Never mind
309 that the same porn star has more than once denied any such affair
310 occurred. Never mind that ... oh, never mind about that whole bit
311 of nonsense—I discussed it thoroughly a few shows back. Frankly,
312 I'll take a straight shooting honest man like Trump over a weasel
313 politician — any day, any time!
