Dr. Jerry Scheidbach

Original Air Date: 04.22.23

1 Segment.01 Hello. I'm Dr. Jerry Scheidbach, pastor of the  
2 Lighthouse Baptist Church in Santa Maria, CA—and your brain  
3 masseur—get ready for your brain massage.  
4 We are drowning in a flood of assaults on our liberties. I have one  
5 question.  
6 Will no one save the children? Will no one defend the women?  
7 Allow me to give you a sense of the rising flood of assaults on our  
8 liberties, but before I take you over the peak of the rollercoaster  
9 climb to begin the terrifying fall—take hold of this promise from  
10 GOD: "When the enemy shall come in like a flood, the Spirit of the  
11 LORD shall lift up a standard against him" (Isaiah 59:19). "When  
12 the enemy shall come in like a flood, the Spirit of the LORD shall  
13 lift up a standard against him" (Isaiah 59:19).  
14 Border atrocities continue—an 8 year old abused by at least 57  
15 predators in one night.  
16 Meanwhile, our J6 political prisoners continue to languish in the  
17 DC Gulag — there are mysterious explosions in DC (someone lost  
18 a hand? Antifa making bombs in their bathtub? That story got  
19 scrubbed. SpaceX lost one. Here you go, "Aliens definitely exist and  
20 they could be living among us on Earth"<sup>1</sup> that's CNN, and CBS did  
21 a thing on this too — yeah, well, over a million have crossed our  
22 borders since Biden slithered into the White House — har, har!  
23 And some of these "aliens" are doing human experiments on 8 year  
24 olds. Yeah! Who will protect the children?

---

<sup>1</sup> 930.25.1-Aliens definitely exist and they could be living among us on Earth, says astronaut Helen Sharman \_ CNN <https://www.cnn.com/2020/01/06/uk/helen-sharman-aliens-exist-scli-scen-gbr-intl/index.html>

25 The J6 videos "released"? Really? First, why did Elon give them to  
26 Tucker? Second, why did Tucker only release a small portion of  
27 them, and Third, will the J6 political prisoners have access to these  
28 videos for their defense? And finally, why doesn't the public have  
29 access to these videos?

30 And in the you've got to be kidding me department — Biden  
31 administration is pushing for 2008-mortgage-crisis revisited —  
32 remember, the government incentivized subprime mortgages that  
33 led to a massive wipe out of middle class wealth in the 08 housing  
34 crisis — this time they want to really get it done. They'll put a  
35 hidden "tax" on homebuyers, increasing your house payment to  
36 subsidize subprime mortgages. So now a part of your mortgage  
37 payment will pay someone else's house payment.

38 And this is typical lib think—if something did not work before, let's  
39 double down on it and do it bigger.

40 Then you've got this thing they are working on called the 15-  
41 minute city. Everything is within 15 minutes, and if you want to  
42 wander outside your 15-minute box, you have to get a written  
43 permission from the city overlords—(I understand one of these is  
44 being built in Cleveland, OH) — also, you are under complete and  
45 constant surveillance with a social credit score system with features  
46 like, if you are white, each dollar you spend is worth about 75% of  
47 its value, and if you are a person of color, your dollar is worth  
48 125% of the its value.

49 The Trans movement is insanity and empowering a rising  
50 viciousness — why are so many of these Tranny types, and  
51 homosexuals so angry and paranoid? The pressure created by  
52 acting contrary to nature is extreme, creates intense resistance to  
53 reality but reality WILL NOT YIELD and this generates serious  
54 hostility against nature which understandably begets hostility  
55 against everyone representing reality.

56 But my question is who will protect the children; who will stand up  
57 for the women. Why do our borders continue to be wide open,  
58 facilitating the massive influx of CCP Fentanyl, and Mexico Cartel  
59 human and sex trafficking — here is Jeff Zink, in 2022 he ran for  
60 AZ third congressional seat, which was stolen from him—but he is  
61 a strong advocate for getting our borders under control.

62 He tells of some Coyotes who killed the husbands of two women  
63 and their daughters they were trafficking. We found these women,  
64 and got them to medical treatment. The eight-year-old little girl  
65 could not speak, she was physically unable to speak and  
66 traumatized. Zink has a medical background, and when he talked  
67 to the doctor that evaluated this little girl, he was told that the little  
68 eight-year-old girl had sixty-seven different DNA samples inside of  
69 her.

70 No news outlet will cover this story—it's hidden from the public  
71 because exposing it would bring public outcry against these open  
72 borders and that would interfere with the Biden Crime family  
73 operations at the border. The evidence shows this little girl was  
74 raped by 67 different "aliens" — she had screamed throughout the  
75 ordeal, that went on over a period of weeks — these women are  
76 abused during the night on their trek to America, the land of  
77 opportunity! One of these "aliens" said it's the price you pay for  
78 coming to America — you pay with your body.

79 This is common, so much so the border patrol keeps a supply of  
80 rap kits.

81 So Biden works for the CCP that uses the Cartels to mule their  
82 drugs across the border — Biden, and the nine other members of  
83 his Crime Family getting the kickbacks from CCP pushing their  
84 Fentanyl. Now Biden is moving to let Title 42 time out, which,

85 among other things, requires those crossing the border to be  
86 checked out medically.<sup>2</sup>

87 Podcaster Mike Lauber has the right idea: nuke these pushers, and  
88 rapist aliens till the glow green and shoot them in the dark. I agree!

89 We need to round up those perpetrating and supporting this to be  
90 executed — I understand Ron DeSantis signed a Bill in FL to  
91 execute the death penalty on convicted pedophiles — George  
92 Carlin said forget the electric chair, bring out the electric bleachers.  
93 What should the penalty be for the MSM that ignores this? In my  
94 view, they are complicit in these crimes. Mike said we should  
95 designate the Cartels terrorist organizations and drone these guys  
96 back to S. America.

97 Here is a story out of New York. 18 arrested on charges of sex  
98 trafficking a minor—13 year old.<sup>3</sup> Yeah, I said *a minor*. One kid! 18  
99 perpetrators! One 13-year-old-girl. This was going on for a period  
100 of 7 years.

101 So we need 18 millstones with ropes attached and fitted to the  
102 necks of Andrew Daugherty, Micheleine Ridley and Stephanie  
103 Ridley, all of Starkey, New York; Michael Gucciardo of Bath,  
104 Tiffany Jamieson of Binghamton, Ashley Crandall of Corning,  
105 Mary Diederich and Richard Tallarida, Brittany Skinkle, Gregory  
106 Scears, Summer Elliott, and Steven Sherman, Zackery Crissell,  
107 Wayne Niles, all of Elmira, Anthony Hawn of Holly Hills, FL,  
108 formerly from Elmira, Kayla Montgomery of Olean; Aaron Labar  
109 of Pittsburgh New York, and Ashley Shaffer city not named.<sup>4</sup>

110 New York has some of the weakest laws protecting minors from  
111 sex traffickers—in the area of Elmira and these surrounding cities  
112 there are a troubling number of reports of missing persons —  
113 In a related article, "6 people face charges in child sex trafficking  
114 and prostitution ring at Bronx hotel"<sup>5</sup> some former employees of a  
115 Bronx, New York hotel.

116 And why has there not been a massive MSM blitz on this? Why are  
117 there not multiple investigative journalists pursuing this story?  
118 Why is the story an "untouchable"? I'll tell you why — the pedos  
119 have burrowed deep into our government!

120 Marjorie Taylor Green came out with evidence that the Bidens  
121 have been involved in human trafficking in Russia and Ukraine.

122 So, let's conclude the first segment: have you read the  
123 MarcoPolousa report? Garrett Ziegler, former Trump White  
124 House staffer, prepared a 634-page report on Hunter Biden's  
125 laptop.<sup>6 7</sup> He sent the report to 4,000 recipients, including every  
126 member of the House and Senate, White House staff, the US  
127 Attorney offices, and every contact found in the laptop.

128 And the real issue with the laptop is the evidence of TREASON by  
129 the Biden Crime family — while J6 political prisoners rot — go to  
130 [www.Sing4Freedom.us](http://www.Sing4Freedom.us) to help — and while CCP nationals operate

135 So, you see what I mean? It's overwhelming! Believe me, I could  
136 not get to all that is going on—the ENEMY has come in like a  
137 FLOOD. God promised He would raise a banner against this  
138 enemy. Remember, GOD shows up when His people are at the Red  
139 Sea with an army bearing down on them with nowhere to go but  
140 across the water. GOD shows up when Goliath stands in the  
141 battlefield mocking the saints. But He always SHOWS UP, and He  
142 always shows up ON TIME! However, you need to be ready to  
143 follow when he holds out his rod over the sea, and support the  
144 David's throwing their rocks.

145 The number one issue we face right now that's allowing all of this  
146 boils down this, our ELECTIONS have been hijacked — so let's  
147 take a look at that issue on the other side of the break. Hold on, I'll  
148 be right back.

149 Segment.02 Hello. Welcome back! I'm Dr. Jerry Scheidbach, pastor  
150 at the Lighthouse, your brain masseur, and Paul Revere's lantern  
151 lighter, lighting the lamps in the church belfry arch, signaling the  
152 enemy is on the march, an enemy that would steal from us our  
153 liberty.

154 In the first segment, I attempted to give you a sense of how  
155 overwhelming it is trying to keep up with all that is going on right  
156 now. I have been feeling this for some time, as I've noted  
157 repeatedly. It's impossible to keep up with battlefield  
158 developments. It's like trying to tread deep water in a storm  
159 pushing 50 footers over your head every seventh wave. [Well, that's  
160 a sort of a myth. Read this article to understand where that comes  
161 from.<sup>10</sup> As a kid, we would count seven, but sometimes we would

162 use nine — and it was not a bad indicator of when to expect a big  
163 one. Anyway...]

164 I hope you took my advice and took hold of GOD's promise  
165 through Isaiah — "When the enemy shall come in like a flood, the  
166 Spirit of the LORD shall lift up a standard against him" (Isaiah  
167 59:19). The word translated *standard* here is *noosah* (נוֹסָה)  
168 which speaks of being made to flee, or put to flight, and not *nace*  
169 (נֵס) which refers to a banner, like a flag. The idea here is that the  
170 SPIRIT OF THE LORD will make the enemy flee—he raises this  
171 *standard* against him—that is, the enemy! The words are distant  
172 cousins—I don't know, like twice removed, or something. It's  
173 appropriate to say God sends a champion that scatters the enemy,  
174 and it is reasonable to assume that champion will march under  
175 some banner.

176 And like I said, at the end of segment one, we did not take the full  
177 measure of the depth of this flood: for example, I did not touch on  
178 the COVID vaccine front — Dr. Jane Ruby put together a  
179 devastating report showing the too coincidental to be coincidence  
180 evidence that the current spike in cancer deaths is triggered by  
181 some EVENT, and the most likely EVENT is the mRNA vaccine  
182 roll out.<sup>11</sup> The data is disturbing! First, this is something I  
183 remember virologists expressing a concern about way early on.  
184 Second, the rise in cancer cases tracks right along with the increase  
185 in the vaccinated population, and is apparently a phenomenon  
186 among the vaccinated. (Here is an article addressing the concern  
187 the mRNA vaccines, introducing Spike Proteins into the blood,  
188 might cause cancer. The author concludes in the negative, but  
189 you'll understand why the concern after reading this article.<sup>12</sup>)

<sup>12</sup> 930.17.6-Coronavirus Vaccines and Cancer \_ Science \_ AAAS <https://www.science.org/content/blog-post/coronavirus-vaccines-and-cancer>

190 This week they are changing authorization for vaccines.<sup>13</sup> The  
191 massive increase in cancers following the vaccine roll out does not  
192 appear to bother the FDA. Things have changed. Used to, the FDA  
193 would shut down a vaccination program for only 50 deaths. Now,  
194 with well over 19,000 preliminary reports of death among those  
195 who received the COVID-19 vaccine, the FDA is ready to make  
196 getting the jabs even easier, and to include more age groups.<sup>14</sup>

197 The FDA is literally working to facilitate Moderna and Pfizer-  
198 BioNTech to get more people jabbed more quickly! To me, with all  
199 I've researched on this, it seems as if they see the truth is getting  
200 out there and people are becoming increasingly hesitant to take the  
201 jab. Do they want to get as many jabbed that are 6 months old and  
202 up before their gig is up?

203 And in this notice from the FDA, they continue to play the  
204 language game — referring to these Moderna and Pfizer shots as  
205 "authorized," I think purposely suggesting they are FDA  
206 approved—when in fact, it's EMERGENCY USE  
207 AUTHORIZATION — and that is not, at least it did not used to  
208 be, represented as FDA APPROVAL.

209 Maybe that's because saying they have EMERGENCY USE  
210 AUTHORIZATION might create a problem, since, well, maybe no  
211 one told the FDA that the EMERGENCY is OVER. Biden signed  
212 Bill ending the Covid-19 national emergency April 10.<sup>15</sup> It had  
213 been extended in February to end May 11, but Congress pushed it  
214 forward a month.<sup>16</sup>

215 Dr. Ruby shares a video in which BioNTech founders show their  
216 excitement to announce the launch of their mRNA vaccine as a  
217 treatment for "cancer." While the FDA are pushing to make it  
218 easier for people to get the booster shots—it just so happens that  
219 we are experiencing a huge SPIKE in CANCER.

220 I don't know if this is just coincidental irony — but it does seem  
221 weird that we have some serious virologists expressing concern  
222 that the hyper production of Spike protein caused by some of the  
223 mRNA vaccines can cause cancer problems, and after the roll out  
224 of the vaccines we have a huge, this is not an insignificant spike in  
225 cancer cases — it's like double, one country reported a threefold  
226 increase — it's so shocking it is impossible it is not linked to some  
227 event — and now, the people who created the mRNA vaccine, the  
228 founders of BioNTech, are practically giddy about using their  
229 mRNA vaccine as a treatment for CANCER??? Does this not seem  
230 a bit weird to you?

231 And meanwhile, Fauci, whom we now know is complicit in the  
232 gain of function research that produced this COVID bug in the  
233 first place, continues to evade justice. Elon Musk lately Tweeted,  
234 "My pronouns are Prosecute/Fauci." Most did not understand the  
235 Tweet, it was put out there before the "FauciPharmaFiles were  
236 released, which exposed Fauci as the liar that he is — and shows he  
237 lied during a sworn deposition in November 2022. But here is what  
238 the FauciPharmaFiles reveal, among other things, they show that  
239 Fauci took over the White House COVID-19 Twitter response  
240 account in March and April of 2021. But he denied this during his  
241 sworn deposition, claiming he "wouldn't know how to access a  
242 tweet if you paid me." But the TRUTH has come out — Fauci was a  
243 "beloved figure on Twitter." And we have the receipts.

244 And friend, there is only one reason any of this continues.

245 The PEOPLE have lost their RIGHT OF CONSENT.

246 I have some interesting things to bring out about our battle for  
247 election integrity — but I'll do that Sat. night during our Comfort  
248 & Counsel livestream visit. For now, let's look at the FOXNews  
249 settlement with Dominion voting machines.

250 It appears the FOX is in the PEOPLE's henhouse.

251 We took a hit on the ELECTION fight when FOX settled with  
252 Dominion.<sup>17</sup> Do you understand this case?

253 It's absurd. Dominion sued FOXNews claiming FOX reported on  
254 the election scandal involving the machines PURPOSELY TO  
255 HURT DOMINION.

256 It was a defamation case and that requires PROOF of MALICE. It's  
257 a bar very hard to reach, especially against a NEWS  
258 ORGANIZATION.

259 All FOX did was re-report a news story already in circulation — it  
260 was NEWS, simple as that. If a news agency can be sued for every  
261 story it relates that could be perceived to cause damage to  
262 someone, or to some company, it would be impossible to report on  
263 the news.

264 All the Russia Gate nonsense that went on for five years, if there  
265 was ever a case for DEFAMATION against news agencies, Trump  
266 has got one. Nothing is more obvious to any of us than that the  
267 MSM maliciously repeated the Russian Dossier story for one and  
268 only one reason: to hurt Trump, period!

269 But for FOXNews to relate a story circulating in the public domain  
270 about the vulnerabilities of the DOMINION voting machines, and  
271 putting that story in the context of what the DEMOCRATS were  
272 saying about voting machines back in 2019, and get a load of what  
273 Warren, Klobuchar, and other said then: in a letter to Dominion,  
274 they raised concerns about "reports of machines 'switching votes,'

---

<sup>17</sup> 930.27.1-FOX settles with Dominion

275 'undisclosed vulnerabilities,' and 'improbable' results that 'threaten  
276 the integrity of our elections.'"<sup>18</sup>

277 That's what the Democrats said then — but now, if Republicans, or  
278 any American Patriot, raises the same concerns, it's slammed as  
279 treasonous to do so! Not kidding. That's what Biden and his ilk  
280 want to do — they want to make it a crime to express doubts about  
281 election integrity.

282 But back to why FOX settled with Dominion. I've already showed  
283 how wrong headed it was — I mean if you are thinking like an  
284 honest broker in these proceedings. Why would FOX settle to pay  
285 Dominion 787 million dollars just when a jury was about to be  
286 paneled?

287 Look, I'm going say Dominion is not worried about the dollar  
288 settlement—what they needed, what the Deep State desperately  
289 needed, was a settlement that favored Dominion and kept the case  
290 from being heard in a public court trial. They HAD TO KEEP  
291 THIS OUT OF COURT — they could not afford a public hearing  
292 on the merits of the case. If that happened, Dominion would have  
293 been totally exposed in a venue even the LEFT could not ignore.

294 I would not be surprised to learn that this settlement was all “wink,  
295 wink” with non-disclosure agreements signed on all sides in back  
296 rooms behind closed doors — this was not a case FOX could lose  
297 without a totally corrupt judge, and court, and it would have gone  
298 to SCOTUS and most likely ended there — this case was important  
299 to us because it could have brought Dominion before the SCOTUS  
300 — that is something they could not afford.

301 FOX was no way going to lose the case. And Murdoch, long known  
302 to be a liberal hack, and, who knows, he might even be a CIA asset.  
303 Hmmm???

304 FOX is the fox in the Patriot's hen house. And by the way, I said  
305 that several years ago! In fact, I have a Brain Massage out there in  
306 which I presented the question relative to FOX — do we have a  
307 FOX in the hen house. I think it was when they called AZ  
308 ridiculously early. That all by itself tells you where FOX was at on  
309 the 2020 election.

310 But now, the simpleton left, will say Dominion MUST BE RIGHT;  
311 look, FOX paid all this money.

312 The FOX is in the hen house.

313 The effort to stop TRUMP is so intense, these people are willing to  
314 destroy America — and the reason for that is the GLOBALISTS  
315 know they have to destroy America in order to get their ONE  
316 WORLD GOVERNMENT into place for the rise of Antichrist.

317 SO they work every angle. CONSTANTLY, THEY TRY TO SPLIT  
318 TRUMP'S BASE and SCARE HIS SUPPORT AWAY FROM HIM.  
319 THEY FOUND A NEW WAY TO DISQUALIFY TRUMP:

320 I'll touch on two of them, and you'll see why I'm concerned they  
321 have found a couple of weaknesses they can exploit with some  
322 success.

323 One raises the objection based on his position that abortion is a  
324 state-level issue.

325 On the abortion issue, here is some good news: a Federal Court  
326 struck down FDA approval of the abortion pill. This is because the  
327 pill is very dangerous.

328 But while Trump is pro-life, not everyone in the PRO-LIFE camp  
329 agree on the best way forward. I am in favor of TOTAL  
330 ABOLITION — I don't see anyplace in Natural LAW or in GOD's  
331 LAW that allows for murdering babies in the wombs of their  
332 mothers. But the process by which we come to complete abolition  
333 of abortion is disputed. Some say it must be fought state by state —

334 another thinks it must be decided at the Federal level. Trump  
335 believes the issue should not be a Federal one, but rather a State  
336 one.

337 Another way to compromise Trump's support base arises from  
338 Trump's perceived soft on homosex position. Trump was the  
339 President that appointed the first openly gay person to a cabinet-  
340 level position.<sup>19</sup> A recent statement by Don Jr. indicating an  
341 apparent cave in to the sin of homosex and the LGBTQ agenda —  
342 with a sort of whatever you do in your personal life is your business  
343 type approach, is potentially a problem for a significant chunk of  
344 Trump's base. We'll see!

345 I've warned about this! I think Trump needs to pay attention to  
346 what happened to Anheuser-Bush and some make-up company —  
347 I forget the name. I can't understand any women supporting this  
348 Tran movement—allowing men to call themselves girls and invade  
349 their privacy — even coopt their athletics. Now Trump is openly  
350 against this nonsense, but the level of anger being raised among  
351 Christian Patriots, and the concern that the Sodomites are  
352 gathering at Lot's door, will heighten concern about this issue.
