Dr. Jerry Scheidbach

Original Air Date: 04.29.23

1 Segment.01 Hello. I'm Dr. Jerry Scheidbach, pastor of the
2 Lighthouse Baptist Church in Santa Maria, CA—and your brain
3 masseur—get ready for your brain massage.

4 The New Yorker's assault on nature in their effort to redefine
5 normal launches an attack on the Evangelical mind in Michael
6 Luo's March 4, 2021 article *The Wasting of the Evangelical Mind!*¹

7 Why are LGBTQIA+ (what's with the +? What's +! Are you a +?
8 I'm asking for a friend — Tucker Carlson wants to know!) But
9 what I want to know is why are LGBTQIA+ers so angry! I mean,
10 there's angry, and there is *so angry*. Let's explore the psychodrama²
11 of the queer set!

12 Human trafficking gets assistance from Biden's Health and Human
13 Services under Becerra. ³Wait till you hear what a whistleblower
14 from inside HHS has to say about what she saw, firsthand, going
15 on with the migrant minors crossing our borders.

16 And, how about an update on the next plandemic—Nimrod rising!
17 A confirmation of what those of us who are the Evangelical mind
18 already knew: Fauci lied and millions DIED!⁴

19 Finally, the effort to destroy Tucker will backfire! Will Tucker's
20 departure from FOX be the earthquake that finally takes down the
21 entire MSM establishment media empire?

22 It's time for your BRAIN MASSAGE® —

23 [TRUTH]

24 It's all about truth! Did you view Tucker's first general public
25 statement after his departure from FOX?⁵ 55 million views, so far.
26 It was elegant—in that he did not whine, like baby Don Lemon, or
27 even mention the separation from FOX — instead he went straight
28 to the point — the very sad state of TRUTH in America today, with
29 a positive declaration that TRUTH WILL SURVIVE, it always
30 does. His observation on the ridiculousness of the current
31 "orthodoxies" is brilliant: [INSERT AUDIO-1]

32 "The current orthodoxies wont last. They're brain dead. Nobody
33 actually believes them; hardly anyone's life is improved by them.
34 This moment is too ridiculous to continue. And so it won't. The
35 people in charge know this; that's why they are hysterical and
36 aggressive. They're afraid! They've given up persuasion; they're
37 resorting to force. But it won't work. When honest people say
38 what's true, calmly, and without embarrassment, they become
39 powerful. At the same time, the liars that have been trying to
40 silence them shrink; they become weaker. That's the iron law of the
41 universe: true things prevail. Where can you still find Americans
42 saying true things? There aren't many places left, but they're some;
43 and that's enough. As long as you can hear the words, there is
44 hope. See you soon!" —

45 FOX lost a huge share of audience in the 8PM market the day
46 Tucker walked away from their mics. I'll speak to this later. But you
47 can depend on it! Tucker will be back, already coming back. His
48 statement has received well over 55 million views—and counting!

49 And here is something else you can depend on — the Brain
50 Masseur has been at this mic speaking TRUTH to Santa Maria and
51 surrounding cities since about 1999. And so long as our Heavenly
52 Father gives me breath, and provides a mic, I'll continue.

53 By the way — LIGHTS ON BANQUET is coming next year in
54 APRIL, watch for coming announcements! We'll be providing our
55 God and Gun Clinger Home Defense kit drawing — an awesome
56 home defense weapon with a brand new genuine cowhide leather
57 bound Bible — signed by the Brain Masseur! Huh! How about
58 that? And, of course, the best Santa Maria style Tri-tip meal
59 anywhere, and I'll treat you to a live performance of the Brain
60 Massage® show! Coming in 2024!

61 Let's examine the New Yorker's absurd assault on nature. In their
62 effort to redefine normal, Michael Luo attacks the Evangelical
63 mind — essentially arguing Evangelicals don't have one; or at least,
64 not much of one.⁶

65 Michael Luo is the first generation Pittsburg born US citizen of
66 Taiwanese parents who immigrated into the US from Taiwan, and
67 the current editor of newyorker.com — so he is responsible for
68 what gets placement in that digital magazine. He came to the New
69 Yorker from the New York Times, where he wrote as an
70 investigative reporter.⁷

71 With a BA from Harvard, his lightening fast fingers bangs out
72 articles advancing the ideology of the Left, taking jabs at the right—
73 but this time, he decided to take a shot at the entire Evangelical
74 community, and if you read his article, you would get the
75 impression he put on his investigative journal hat for this one.

76 It's full of the typical confused misunderstanding of Evangelical
77 Christianity in America that we have come to expect from this
78 institution founded on a debate over soteriology in which a
79 humanistic view of the gospel was adopted over a grace centered
80 view. At the time, it was a minor course deviation, but one that,

81 over time, brought the Institution to its current full embrace of the
82 oxymoron: Christian Humanism!⁸ But enough about Harvard!

83 The article in the New Yorker is an impressive revelation of just
84 how deep is the fear and loathing of the left against biblical, or
85 Evangelical Christianity. Wow! These guys really are shaking in
86 their boots at the prospects of Evangelical Christians rising up and
87 taking America back. I think I feel Luo trembling as he opens with
88 a description of what he called "the most jarring scenes of the
89 Capitol *invasion*. Yep! He called it an **INVASION**! How backward
90 is this progressive—the **INVASION** was going on inside, on the
91 House Floor, not on the Senate Floor where a Christian invoked
92 the name of Jesus and a goof-ball in Viking horns, self-styled the
93 QAnon Sha[h]man (the Cambridge, MA pronunciation — in the
94 UK you would say *shayman*) saying a prayer of thanksgiving for
95 the Capitol police who **ESCORTED** him to the Senate Floor. Yep!
96 Now, that's really scary!

97 From there the Harvard poisoned mind convulses over "falsehoods
98 about a stolen election," driving the "Capitol invasion" (facilitated
99 by the Capitol police who waved the patriots in, and escorted the
100 quintessential representative of Baalism — think about it — a
101 Shaman-Christian? Really? But Luo misses all that, and thinks that
102 while people who believed it's totally unreasonable to believe Biden
103 got 80 million votes, that Murdoch calling AZ ridiculously early,
104 and that when Trump was winning, voting mysteriously stopped,
105 and when it restarted, suddenly, Biden was in the lead — you
106 know, crazy people like that drove the "Capitol invasion" but what
107 really got the whole thing going was "distorted visions of
108 Christianity." I mean, hey, there were people there carrying
109 wooden crosses, and banners that said stuff like, well, imagine this,
110 "In God We Trust" — now, that's scary — does the idiot not know

⁸ 931.0.2-Christianity and Humanism _ Harvard Square Library <https://www.harvardsquarelibrary.org/theology-philosophy/christianity-and-humanism/>

111 this slogan is on every bill of currency issued in the US? Oh, and
112 here is a banner that definitely settles the question whether these
113 people occupying the Senate Floor were fanatical religious zealots
114 out to overthrow the government — a banner read Jesus is My
115 Saviour / Trump is My President — and Make America Godly
116 Again, can't have that! And, O my, some even blew shofars. That
117 was particularly scary because, as Luo pointed out, these are
118 reminders of the march around Jericho and the blowing of the
119 rams horns blowing down the walls of that city! All of this offered
120 perhaps the "most unequivocal evidence yet of the American
121 church's role in bringing the country to this dangerous moment."

122 It's actually sad that someone so educated can be so utterly stupid!
123 Anyway, from here Luo attempts to sort out how it all happened,
124 and he misses it entirely. But that's not my point at present!

125 It's actually more basic! Luo argues that Evangelicals are the
126 boorish remnants of what's left of an American Christianity once
127 enlightened, once a friend of science, and at one with reason,
128 champions the mental powers of intelligence—leading the nation
129 to progressive thought by example. He laments the day Puritan
130 ministers like Edwards grappled with metaphysics and
131 epistemology, when C.S. Lewis and Reinhold Niebuhr struck a fine
132 intellectual figure, and T.S. Eliot and W.H. Auden buttressed their
133 art with orthodoxy! But, alas, it all went sideways when revival fires
134 swept across the plains! Luo liked the refined, intellectual
135 Christianity — I find it curious what examples of genteel
136 Christianity he chose; with the exception of Edwards, Luo avoided
137 Schaeffer, and I find it curious he omits McDowell—and literally
138 hundreds of others whose brilliance could only be gainsaid, or
139 ignored, by the likes of such a puny mind as Luo. No, really!

140 So that's his explanation for how the churches have brought the
141 nation to such a dangerous place. I can certainly attest to the failure
142 of the churches, and to their contribution to bringing us to the

143 maw of hell itself — but like all liberals today, Luo has it exactly
144 backwards. He says the problem is the church "obsessing over
145 biblical inerrancy." But it is precisely because the church has
146 dismissed the authority of CHRIST and HIS INSPIRED and
147 PRESERVED WORD that it has lost its authority in this world.
148 Removing itself out from under the AUTHORITY of its HEAD,
149 CHRIST, Who, after all is identified "In the beginning" as "the
150 WORD" — which WORD is the TRUTH — it is because the
151 church moved out from under the WORD as truth and
152 subordinated the word to the WORLD instead of REPROVING the
153 WORLD by the WORD — when the church removed itself out
154 from under the absolute AUTHORITY of the SCRIPTURE of
155 TRUTH, it lost its divine AUTHORITY to wield the SWORD OF
156 THE SPIRIT, which is the WORD of GOD —!

157 And I noticed that it's right here that Luo actually makes about
158 three very excellent observations worthy to be considered by
159 Christ's churches today — it's just like the devil to plant his most
160 devastating lie right there, in the middle of three truths, he hides
161 his MOST CRITICAL LIE.

162 Jesus placed His churches in the earth to be the HOUSE OF GOD,
163 the PILLAR AND GROUND OF THE TRUTH — JESUS IS THE
164 TRUTH, He is the WORD, and His Scripture is the SCRIPTURE
165 OF TRUTH — and by His Scripture we are to REPROVE THE
166 WORLD, that is, we are to correct it, to instruct it in the way of
167 Christ's RIGHTEOUSNESS — but the churches have, generally,
168 cast the WORD into the street — presuming to elevate the mind of
169 man above the mind of GOD.

170 Let me tell you, Patriot, the reason we cannot get equity to enter
171 into our culture, the reason judgment and justice are removed
172 from us. Isaiah tells us. Here it is — "Judgment is turned away
173 backward, and justice standeth afar off: [WHY?] for TRUTH IS
174 FALLEN IN THE STREET, AND EQUITY CANNOT ENTER."

175 Isaiah 59:14. I've already gone over time for this first segment. I
176 need to take a break because I need to sell some books — and you
177 need to buy some! Haha! But really! If you don't have God's War
178 go to wherever you buy books and get it. Go to
179 www.godswar2020.com and you'll find several ways to get the book
180 — from Barnes & Noble, Amazon, anywhere you buy books you
181 can get the digital version for only 10 dollars and you'll get it right
182 away! I'll be right back!

183 Segment.02 Hello. Welcome back! I'm Dr. Jerry Scheidbach, pastor
184 at the Lighthouse, your brain masseur, and Paul Revere's lantern
185 lighter, lighting the lamps in the church belfry arch, signaling the
186 enemy is on the march, an enemy that would steal from us our
187 liberty.

188 I have one more point to make about the article written by New
189 Yorker's editor lambasting Evangelicals as responsible for bringing
190 America to the brink, and characterizing them as ignorant and
191 anti-intellectual: *The Wasting of the Evangelical Mind*. It is the
192 most, well it's actually obscene — truly offensive, repugnant to any
193 reasonable mind! Why do I say that? This guy represents
194 Christians, I mean Bible believing Christians, as being
195 disconnected from reality, at war with the mind, or with intellect!

196 This guy, Luo, the editor for the New Yorker, the guy responsible
197 for the content of his magazine, he has the audacity, the
198 impudence, the outrageous effrontery to say we, Evangelical, or
199 Bible believing Christians, are anti-intellectual, in opposition to
200 reason and out of touch with reality.

201 Okay — let's take a look at some of the content he passes on for
202 inclusion in the New Yorker, over the last year or two, Luo has
203 presented the following articles in the New Yorker:

204 “The Folly of Censoring ‘Joyland,’ a sublime film about family.”

205 This movie depicts queer love against the backdrop of a Pakistani

206 household. The author says the story that is told in that movie
 207 “feels as familiar as our families are to us.” April 12, 2023
 208 Mohammed Hanif.⁹ The film won Queer Palm prize for best
 209 LBGTQ, queer or feminist theme movie at the festival (Cannes
 210 Film Festival).¹⁰

211 “‘Yellow Jackets,’ and the problem of women eating one another.”
 212 “The new season of the Showtime series offers a twist on a tradition
 213 that stretches back to Melville, treating cannibalism as a kind of
 214 love language.” April 10, 2023 Tyler Foggatt.¹¹ A fellow survivor of
 215 a plane wreck died, and during the cremation of Jackie, a snow
 216 bank fell on the smoldering body — the smell of barbecued Jackie
 217 triggered a feeding frenzy among the other all female survivors — I
 218 think one of them said, “I want some meats,” and another said,
 219 “Yeah,” and looked at a fellow survivor and said, “she looks fresh.”
 220 But when the snow fell on the smoldering barbecued body of
 221 Jackie, another said, “Looks like meat’s back on the menu, girls.”
 222 And they went at it like a swarm of piraña. I added that!

223 Here is another gem published in the New Yorker: “An experiment
 224 in queering fine dining, at HAGS.” “At the East Village restaurant,
 225 opened by a queer couple, the menu, offered as a three- or five-
 226 course tasting, leans cerebral.” March 24, 2023 Hannah
 227 Goldfield.¹²

228 Here you go, “The possibilities for experiencing queerness through
 229 food are rich.” The restaurant featured a “Homo Hand Salad.”
 230 Have you ever heard of a Hetero-Burger? How about a Straight-
 231 Salad? No! Only these homosex crazed people are so obsessed with
 232 sex they can’t eat a hand salad, it must be a “homo hand salad.”

¹² [931.2.3-An Experiment in Queering <https://www.nzequestrian.org/an-experiment-in-queering-fine-dining-at-hags/>]

233 Another: “Masha Gessen on the war against trans rights” “The
 234 right’s fixation on gender reminds the writer of Putin’s Russia,
 235 which targeted L.G.B.T.Q. people. Gessen explains why the
 236 message of rolling back social change is powerful.” March 13, 2023
 237 Gessen.¹³ You've got to be kidding me! We are fixated on gender?
 238 Beginning to get my point? This guy is telling us the Evangelicals
 239 have no "mind"?

240 “What became of the Oscar streaker?” “After Robert Opel dashed
 241 naked across the stage in 1974, he ran for President and settled into
 242 the gay leather scene, in the orbit of Robert Mapplethorpe and
 243 Harvey Milk.” Jan. 30, 2023 Michael Schulman

244 And, here you go, “The Victorian Reformers Who Defended Same-
 245 Sex Desire.” “Confronting severe legal and social sanction, they
 246 sought to change the culture. A scholar and a novelist return us to
 247 a hinge of history.” Jan. 16, 2023 Nikhil Krishnan

248 And “The Queer Children’s books targeted by Conservative
 249 Lawmakers.” “Jessica Winter surveys a genre of literature that is
 250 being banned across the country, and considers what its removal
 251 from school libraries could mean for young people.” December 28,
 252 2022 by Jessica Winter. The "right" is banning books? No! The
 253 RIGHT is not saying you can't print or publish these vile perversity
 254 indoctrination curriculumms — they are saying, you keep your
 255 warped view of gender and sexuality AWAY FROM MY
 256 CHILDREN. Yet Luo would SUPPORT THROWING PATRIOTS
 257 PROTESTING AN ELECTION INTO JAIL and suppress the free
 258 speech of any raising questions about the election, and restrict the
 259 free speech of any objecting to the LGBTQIA+ lifestyle or agenda.

260 These queers target our children, suppress our free speech,
 261 encroach on our liberties and have the pugnacious impudence to
 262 accuse us of "book banning" because we don't want them shoving

¹³ [What about the Transgender WAR against all our rights? 931.2.4-The Transgender War Against Human Rights <https://thefederalist.com/2016/02/23/the-transgender-war-against-human-rights-science-and-consent/>]

263 this perverse nonsense on our children. I'm done with these crazy,
264 Looney tune moral perverts twisting everything around as if we are
265 attacking their rights when they daily trample all over ours.

266 Here is another article in the New Yorker: “My year in queer
267 spaces.” “As schools banned books and state legislatures passed
268 anti-trans bills, bars offered something holy.” Dec. 15, 2022 Bryan
269 Washington. Objecting to schools using certain books to teach our
270 children is not "book banning." Can you believe the wicked people.
271 Hey, what about the BIBLE, you demented people are just
272 infuriating. You BAN THE BIBLE — you BAN THE NAME OF
273 JESUS — a kid can't even wear a hat that says MAGA — which
274 means MAKE AMERICA GREAT AGAIN — and you dare talk to
275 me about my concern you don't use a book that describes
276 homosexual acts that are obscene, vile, and DANGEROUS?
277 NO! NO! and NO! You're not doing this. We are done!

278 Okay, another Luo approved article for the New Yorker: “A
279 counterculture chronicler gets his due.” “A Brooklyn Museum
280 retrospective of Jimmy DeSana’s erotic, compulsive, gender-fluid
281 work makes a case for his ongoing relevance.” Dec. 22, 2022 Vince
282 Aletti.

283 The New Yorker pushes homosex, a life threatening lifestyle that
284 cuts life expectancy almost in half of NORMAL people! Yeah!
285 There is NORMAL and abnormal! Normal is what conforms to
286 nature. Abnormal is what goes contrary to nature. Homosex is
287 AGAINST NATURE.

288 Anyone with half an ounce of sense knows that; but just in case you
289 need a little help from the CREATOR, He tells you straight up in
290 His WORD — this behavior is UNNATURAL! Romans 1:26.

291 But, Luo, who implies, although I think it HONESTLY can be said
292 he plainly says it, Bible believing Christians are ignorant rubes that
293 are anti-intellectual, and yet he advocates sympathy for those who

294 claim men can be women, women can be men—that gender is
 295 decided by the individual, that men can call themselves a woman
 296 and invade women's athletics taking unfair advantage over women
 297 in their sports events — it's disgusting! We must STOP
 298 TOLERATING THIS NONSENSE.

299 “A son and his mothers reimagine ‘suspria’” “With his series ‘The
 300 Mother of Sighs,’ the queer photographer Robert Hickerson shows
 301 his parents that horror can be as freeing as it is obscene.” October
 302 31, 2022 Eren Orbey. So, why is it that something like "horror can
 303 be freeing as it is obscene" is something connected with "queer
 304 photographer" — I'm just saying! Do you ever see someone's sexual
 305 orientation attached to EVERY SINGLE THING THEY DO, EAT,
 306 OR SAY? It's a perversity of obsession!

307 Okay. Listen! Why are LGBTQIA+ (what's with the +? What's +!
 308 Are you a +? I'm asking for a friend — his name is Tucker Carlson,
 309 and he wants to know!) But what I want to know is why are
 310 LGBTQIA+ers so angry! I mean, there's angry, and there is so
 311 *angry*. You saw it! I appears "they've" decided it's really not a good
 312 idea call up the Queer army to go out against the STRAIGHT army
 313 since most straight men have weapons for self defense, are usually
 314 pretty skilled in their use, and totally ready to use them in defense
 315 of their families. Not a good idea to start talking trash about taking
 316 up arms against the NORMAL PEOPLE! Yeah, normal is what
 317 conforms to NATURE — abnormal is what is at WAR WITH
 318 NATURE.

319 And that's why the LGBTQ—look, that's another thing. I'm getting
 320 tired of this LGBTQIA+ — it's all queer! They call it queer, and
 321 that's what it is — it's very queer! It's a word! It means "strange;
 322 odd." That's the first meaning. The second is "homosexual.
 323 Denoting or relating to a sexual or gender identity that does not
 324 correspond to established ideas of sexuality and gender." So, there
 325 you go! Every one of the letters in this LGBTQIA refers to queer

326 sexual behavior. I think I'm just tired of these demented—in the
327 sense of the second meaning: "driven to behave irrationally..."
328 whether it's due to anger, distress, or excitement, or whether it's
329 due to a perverse ideology that advocates for behaviors that are
330 queer, ABNORMAL, UNNATURAL!

331 I'll have to give my update on Human trafficking, the next
332 plandemic—Nimrod rising! A confirmation of what those of us
333 who are of the Evangelical mind already knew: Fauci lied and
334 millions DIED!¹⁴

335 Finally, the effort to destroy Tucker will backfire! Will Tucker's
336 departure from FOX be the media earthquake that finally takes
337 down the entire MSM establishment media empire? We'll see! I
338 hope so! Friend, I've got to go! It's 4:25 AM, I'm exhausted. I need
339 to get at least two or three hours sleep before I start my day
340 tomorrow. It's been a very, very long day!
