

Brain Massage®: Show No. 932 AI Under Control, or In Control? / A Christian's View of the Coming War With China.

Original Air Date: 05.05.23

1 Segment.01 Hello. I'm Dr. Jerry Scheidbach, pastor of the
2 Lighthouse Baptist Church in Santa Maria, CA—and your brain
3 masseur—get ready for your brain massage.

4 Cinco De Mayo — yeah, no one does that anymore! Here you go,
5 AI was used to generate President Trump's indictment and jury.¹
6 Now, that's bizarre! The article also talks about a new development
7 in censorship — proactive censorship. Getting ahead of stories
8 now, "they" censor identified MAGA supporters in advance of
9 newsbreaks and use their AI magic to throttle their voice.

10 I thought Mike Crispy made an interesting observation when he
11 pointed out the obvious — we are being driven into war with
12 China by the CCP-planted-Manchurian-American-President —
13 yeah, the family that has business ties with both Ukraine and China
14 are beating the war drums for Ukraine and China.²

15 Mike Gill's story is an interesting one—allow me to introduce you
16 to Mr. Gill — not the Calvinist theologian, another guy, a
17 whistleblower that, apparently, discovered the hub of Deep State
18 funding operations, and he found it in his own home state of New
19 Hampshire.³

20 Ron DeSantis signs a bill in Israel to combat hate crimes to protect
21 his Jewish constituents in Florida? That's a bit odd, I thought! Let's
22 take a look.⁴

23 So what we've known all along is now something everyone knows
24 for sure, and yet it appears, no one cares: "Records show funding
25 for EcoHealth was funneled to the Wuhan Institute of Virology
26 Research to Create Coronavirus Mutants."⁵ Heads up on the
27 coming second wave bio-attack, what you should do to prepare,
28 and why you should not panic!

29 Okay, my friends! It's time for your Brain Massage®!

30 [TRUTH]

31 Lots of talk about AI (Artificial Intelligence) — but no fear! Biden
32 has appointed the perfect person to head up a task force to address
33 those concerns. He picked the person that is without any question
34 the best human counterpart to artificial intelligence — she is the
35 most artificial person ever, and has zero intelligence — enter VP
36 Kamala how-do-you-say-it Harris.

37 Musk wants more control — but someone on the five, I forget who,
38 warned if we do not develop AI, the CCP and the Rooskies
39 certainly will. This might be a case where developing a novel virus
40 would be a good idea.

41 Maybe we can adopt a play from the Fauci handbook on hiding
42 illegal gain-of-function research from Congressional prohibition
43 and oversight by calling it something else, and then redirect
44 funding through a proxy organization, like EcoHealth Alliance, to
45 continue work on a mutated virus bioweapon while claiming he

46 was only trying to get ahead of evolution to anticipate the next
47 pandemic.⁶ Hmmm!

48 But really, maybe this would be a case for developing a computer
49 virus that would make any AI generated doppelganger⁷ or AI
50 generated voter (hehe — yeah, did you hear they are creating
51 voters by AI these days?), vomit putrid green guck, and start
52 vibrating so hard it flings the guck all over anyone looking at it!
53 Now that would require some advanced animation algorithm
54 programing; but Musk could do it! Right?

55 Was AI used to generate President Trump's indictment and jury. I
56 understand that on April 4, 2023, we had the first AI prosecutor
57 indict someone. From Tore, "President Trump's Indictment and
58 Jury Was AI Generated.⁸ "April 4, 2023, is going down in history
59 because not only did the first AI prosecutor prosecute a human,
60 but it was also the first time that a former President of the United
61 States was indicted too, and it happened by AI!"

62 Well, I have good news. Someone already thought of creating
63 software that can detect AI generated content. Get it at the
64 GPTZero website. Only, this checks text content, I don't know if it
65 works on videos. Maybe, I have not had time to work with it. Here
66 it is if you want to come out and play.⁹

67 About the allegation that Trump's indictment was generated by AI
68 — "Alvin Bragg's office used a custom version of Compas to 'FIND
69 SOMETHING,' according to sources." [IBID]

70 Will AI eliminate bias in judgments? No! Actually, it turns out that
71 "even the most 'sophisticated' AIs can inherit the racial and gender
72 biases of those who create them." In fact, AI will have the biases

73 without the mitigating function of conscience that can make
74 adjustments on the fly, or in the moment responding to a virtually
75 infinite array of external data and internal intuition.

76 And what about the fact that the people using the AI might be
77 nefarious — see the movie yet? I'm looking for it!

78 Tore warned Roger Stone that DC courts use AI-driven software
79 with predictive analytic algorithms to "help prosecutors select a
80 jury pool that is most likely to provide the verdict they seek"
81 [IBID]. A new form of stacking the Jury? — a preemptive jury
82 tampering technique. Like preemptive censorship—only in this
83 case, it's preemptive guilt! A great tool for the Demoncrat's desire
84 to transform America from a society committed to innocent until
85 PROVEN guilty to GUILTY until Declared GUILTY — yep! Not
86 even guilty until proven innocent! Just GUILTY!

87 Many using this claim it will save lots of money! So, if the objective
88 is no longer justice, but saving money, just run the entire judicial
89 process through your algorithm, and in seconds, you can handcuff
90 your selected guilty party and dispense with him, or her, by
91 whatever pronoun they desire!

92 Let's see, yeah, I have a minute. Let's talk about the upcoming war
93 with China.

94 I thought Mike Crispy made an interesting observation when he
95 pointed out the obvious — we are being driven into war with
96 China by the CCP-planted-Manchurian-American-President —
97 yeah, the family that has business ties with both Ukraine and China
98 are leading the beating of war drums for Ukraine and China.¹⁰

99 Don't you find that interesting? We given 118 BN dollars to
100 Ukraine and they are out of munitions — so they need more!

¹⁰ 932.0.1-Mike Crispy — Hunter, CCP War, Ukraine https://frankspeech.com/video/war-looms-hunters-business-partners?trk_msg=AO7IQOVFR91KB660KPP0UQR298&trk_contact=H8PH5JBB1C7VVSH2B6183CS59C&trk_sid=Q37AU3TPOV5Q71RTOEVVD1TSR4&trk_link=8A4T3ULV1P4K58M4M91DVDJMC8

101 Maybe Biden can get his Taliban buddies to ship over the 85 BN
 102 dollars in munitions he left in Afghanistan when he pulled out like
 103 the coward he is—withdrawing the military before he ensured all
 104 civilians were safely evacuated! You know, 85 billion here, and 118
 105 billion there, pretty soon we are going to be talking about some
 106 serious money, Mr. no-blank-check McCarthy!

107 I know, maybe we can talk the Deep State into releasing a few
 108 hundred billion of the 932 Billion dollars of laundered Cartel
 109 money they have stockpiled in New Hampshire:¹¹ more on that in a
 110 moment.

111 Anyway, CCP are posting animated visual videos of a "simulated
 112 strike" on Taiwan. It was posted by CCP military's Eastern Theatre
 113 Command.^{12 13}

114 The US, meanwhile, is making preparations for war.¹⁴ Congress
 115 conducted a war game scenario exploring what would likely
 116 happen if CCP attacked Taiwan—conclusion: "United States Fails
 117 to Stop Chinese Invasion of Taiwan in Congressional War
 118 Simulation."¹⁵ All deterrence efforts failed! This provoked a call to
 119 "arm Taiwan to the teeth."

120 It is certainly true, isn't it, that elections have consequences! And
 121 stolen elections produce the worst kind of consequences. Our
 122 children and our treasure is going to be sacrificed on the altar of
 123 saving the globalist's empire, control, and agenda! And we did not
 124 even get to exercise our own privilege of right of consent!

125 I need to go to break. The US has positioned military bases all
 126 around China's southeast and a few in the southwest, and off the
 127 coast — I think I counted above 30 assets in place right now! Not
 128 sure how many the CCP has positioned off our east and west coasts
 129 right now — Biden is a CCP asset, and the family business is tied
 130 closely to Ukraine—and don't buy the foolishness that the
 131 Democrats long love affair with Russia is over — here is what you
 132 need to understand. The Democrat Party is Antichrist — they
 133 want all vestiges of Christian America gone—what better way to do
 134 it than to deliver the US to the Chinese Communist Party. But,
 135 here is the thing about war I don't think they understand. Hold on
 136 through the break; I'll be right back.

137 Segment.02 Hello. Welcome back! I'm Dr. Jerry Scheidbach, pastor
 138 at the Lighthouse, your brain masseur, and Paul Revere's lantern
 139 lighter, lighting the lamps in the church belfry arch, signaling the
 140 enemy is on the march, a n enemy that would steal from us our
 141 liberty.

142 A nuanced understanding of war: "The LORD is a man of war: the
 143 LORD is his name" (Exodus 15:3). Many times, Scripture describes
 144 God's involvement in the wars of His people. The Sovereign over
 145 all creation, has appointed the SWORD to the work of executing
 146 wrath upon the evildoer (Romans 13:1-6), and identifies those
 147 charged with wielding that sword as a "minister of God" (Romans
 148 13:4). The idea that God is aloof to the affairs of nations, or that He
 149 does not take sides in national conflicts, is not only false, but also
 150 ludicrous! (Foolish, unreasonable, so out of place as to be amusing,
 151 ridiculous.)

152 He gives "the kingdom" to whatever nation He chooses — and, by
 153 the way, that's Heaven's New Testament policy: Jesus said to the
 154 scornful heirs of the kingdom that "the kingdom of God shall be
 155 taken from you, and given to a nation bringing forth the fruits
 156 thereof" (Matthew 21:43).

157 And every parable describing the kingdom of GOD, like those in
158 Mark 4 and the kingdom of Heaven in Matthew 13 — described as
159 the same thing by Jesus in the Gospels. Anyway, the point here is
160 that if you read these parables, Jesus describes the kingdom of
161 GOD as activity of GOD on the EARTH — not one of these
162 kingdom of God or kingdom of Heaven parables describes God's
163 activity IN HEAVEN. It's God's KINGDOM rule active in the
164 EARTH TODAY.

165 That sword He gave to government, well, it's under HIS
166 ORDAINING AUTHORITY, commissioned by Him to execute
167 wrath against EVILDOERS on the EARTH in the WORLD THAT
168 NOW IS.

169 There is the world that now is, and then there is the world to come.
170 Jesus is RULER of BOTH. Have ye never read, after Jesus rose from
171 the Dead He declared, "All power is given unto me in heaven and
172 in earth." Matthew 28:18. And get a load of this verse: Jesus is
173 seated at the right hand of the THRONE of GOD, "Far above all
174 principality, and power, and might, and dominion, and every name
175 that is named, not only in this world, but also in that which is to
176 come..." (Ephesians 1:21).

177 The same one that said He would give "the kingdom" to a nation of
178 His choosing is the one who ordained the sword of vengeance, and
179 RULES over HEAVEN and EARTH right now and forever.

180 He uses His sword to bring chastisement upon His own, and wrath
181 upon the wicked. I don't have time to lay it all out for you, get my
182 book, GOD'S WAR — it's a comprehensive apologetic for
183 Christian involvement in every facet of social and political life in
184 this world right now — but get this. Jesus told His disciples to get a
185 sword (Luke 22:36) — and the idea that believers are supposed to
186 be pacifists is contrary to sound doctrine! It took me a long time
187 through much study of Scripture to finally see through all the

188 nonsense lies that Satan uses to neutralize Christian involvement in
189 this world, but God's word is CLEAR on this. We are kings and
190 priests unto GOD, ambassadors for CHRIST Who currently
191 REIGNS from Heaven above over every kingdom of man. We are
192 full participants in HIS WORK on earth, including the work of
193 executing wrath upon evildoers. Believers not only are biblically
194 allowed to participate in the use of HIS SWORD of the SPIRIT, the
195 WORD of GOD; but also fully authorized to be active in the use of
196 the sword of civil justice.

197 And here's the thing. I'm almost out of time. But the fact is, GOD
198 uses the SWORD of vengeance to execute His wrath against
199 tyrants—you can read about that all over the BIBLE.

200 There is a revelation of the mysterious workings of GOD in
201 2Samuel 24 with 1Chronicles 21. Let me explain, no, it'll take too
202 long; I'll sum up! (Yeah, a bit of Princes Bride there!) If you read
203 these passages closely, here is what you see. While men are busy
204 pursuing a wide array of motivations, some evil, some good, and
205 devils are busy pursuing their machinations to advance their evil
206 purpose, the fact is, through it all, and over and above it all, GOD
207 IS WORKING IT ALL OUT TOWARD SOME GOOD END. We
208 must pray God will wrest the sword of vengeance out of the hands
209 of these wicked and unreasonable nut jobs running this country
210 right now before we end up in war with anyone, much less going
211 up against the combined forces of RUSSIA, IRAN, CHINA, and
212 the several other countries that are aligning with CHINA right now
213 — but whatever happens — let us pray and TRUST that THE
214 SCHEMES OF MEN AND DEVILS WILL FAIL and the overall
215 purpose of GOD will PREVAIL — I trust God will turn this to the
216 deliverance of America from the hands of these wicked people, and
217 deliver the Chinese from the wicked oppression of Communism.

218 I will hope this can be accomplished peacefully — but we know
 219 how it is with these wicked people — "I am for peace: but when I
 220 speak, they are for war" (Psalms 120:7).
