

Brain Massage®: Show No. 933 Happy Mother's Day / CNN's Trump Campaign Ad / CA Reparations Is About As Smart as Newsome

Dr. Jerry Scheidbach

Original Air Date: 05.13.23

1 Segment.01 Hello. I'm Dr. Jerry Scheidbach, pastor of the
2 Lighthouse Baptist Church in Santa Maria, CA—and your brain
3 masseur—get ready for your brain massage.

4 Happy Mother's Day! Why Trump! The CNN Trump campaign
5 ad, trouble at Twitter, the Biden crime family corruption scandal,
6 Reparations in CA and racial harmony; the collapse of biblical
7 culture in church: modesty, family values like honesty, humility,
8 value for work, positive ambition, fierceness in defending the right
9 and kindness toward all.

10 Hey! It's time for your Brain Massage®!

11 [TRUTH]

12 Happy Mother's Day! Lighthouse Baptist Church is celebrating
13 Mothers this Sunday. You have not lived until you've attended a
14 Lighthouse Mother's Day! Haha! But really — come on out to hear
15 one of the most exciting messages on the importance of
16 motherhood ever. What Mom did GOD pick to elevate to the
17 status of BLESSED ABOVE WOMEN? Oh, that's easy, you say!
18 That would be Jesus' mother! Wrong! Come to the Lighthouse this
19 Sunday, May 14, 10:45 and find out.

20 Why Trump! I understand Bongino is taking some heat from
21 listeners because he is endorsing Trump and not DeSantis. I'm with
22 Bongino on this! Absolutely, it's Trump!

23 The CNN Trump campaign ad. Did you see it? It's a, uh, what do
24 they call something that is outrageously fun — a hoot! (Not sure
25 why; do you know? It's a sound transcribed into a word
26 phonetically and is used as a noun to identify the sound an owl
27 makes, replicated in some musical instruments. Yet it's also used to

28 identify a raucous sound made by a horn, or a steam whistle.
29 Anyway, no more time for this —.)

30 Did you catch the CNN interview? Kaitlan Collins, for CNN,
31 conducted the interview. It happened in New Hampshire.

32 The audience was comprised of Republicans and undeclared voters
33 who plan to vote in 2024.

34 I think they thought they had Trump on the ropes — but he
35 bobbed around their punches like Muhammed Ali standing in the
36 corner of the ring, taunting Michael Dokes' and slipping 21
37 punches in 10 seconds—couldn't get a glove on that pretty face.

38 Trump dropped CNN like Foreman dropped Michael Moorer in
39 1994 — and that was a major come back situation too — ten years
40 after Ali outlasted the power puncher — Yeah, I think CNN
41 thought they'd get a Phantom Punch and Trump would go down
42 like Sonny Liston in the rematch with Cassius—but instead they
43 got COME BACK GEORGE!

44 I can't find this video anywhere — CNN is so embarrassed by it,
45 they are going bury this deeper than the JFK assassination
46 documents—this thing is hidden better than the Lost Ark, it's
47 whereabouts more secret than the identity of the man in the iron
48 mask, the location of Genghis Khan's tomb, the graves of Antony
49 and Cleopatra, the identity of Jack the Ripper, the Lost Island of
50 Atlantis, the secret of how Tutankahmun died; CNN will keep the
51 secret more closely than the greatest mystery in modern history:—
52 the original recipe for Kentucky Fried Chicken!

53 What do you make of this? CNN invites the lion into their chicken
54 coop. Trump said they made him a deal he could not refuse. No
55 kidding! The audience was packed with Trump voters, and Kaitlyn
56 was throwing raw meat at Trump. Of course, she thought she was
57 baiting him into embarrassing himself — but he literally devoured
58 every question and — some one said this was over at Hello! He

59 commanded the stage, the conversation, turned every attack on
60 him into a decisive win for him. His counter punches were so spot
61 on, that silly lady could do little more than blink while she counted
62 the little birdies floating around her head.

63 Why should we continue supporting Trump even though courts
64 have routinely dropped outrageous verdicts against him? You
65 heard his answer on this, right? The righteous is bold as a lion —
66 his boldness in charging against this woman's story speaks volumes
67 — look, he set it up beautifully. Her story — Trump walks into
68 some store, they meet, and chemistry fires, this is her story, and she
69 goes with him into a dressing room to get it on! Really? Trump
70 asks, what kind of woman meets a man in a store and ends up in
71 the dressing room with him in what ten minutes? I feel bad for her
72 husband. And it just went on like that throughout the CNN town
73 hall.

74 In order to take these allegations seriously, you have to trust the
75 courts, the FBI, the New York DA, Washington DC judges — who
76 trusts the DOJ today? Oh, and a woman whose testimony is that
77 she got all excited when meeting Trump and within a few minutes
78 had him in a dressing room. Trump says, I don't know this woman.
79 But I learned about the name of her dog, or cat — vagina! Who
80 names their pet that? So you see what I mean! No one living on this
81 planet today is buying the left's character assassination of TRUMP,
82 he has survived it all and at this point, we are simply not listening
83 anymore. Okay! Six years of Russia, Russia, Russia, fake dossier,
84 baseless impeachment 1 and 2, and the man is still standing—and
85 looking better and stronger than ever!

86 With all he did for this country during the most outrageous
87 ongoing, I mean unrelenting political coup attempt marshaling all
88 the powers of media, weaponizing the CIA, the DOJ, with its FBI
89 — and the courts — and yet through all of that, he gave us the best
90 economy ever, the most secure borders ever, the greatest advances

91 in peace in the middle east ever, and a full term without going to
92 war, and the most effective use of the American Sword of justice
93 abroad ever — sent Mr. Soleimani to his reward! No wars! Moved
94 the US Israeli embassy to Jerusalem. Look—this man can get it
95 done. Besides all that, WE TOTALLY OWE IT TO JUSTICE AND
96 WHAT IS RIGHT.

97 Anyway, here is my take on the CNN Trump campaign ad: their
98 ratings are tanking — I mean, seriously folks, with all their
99 coverage, it's pathetic! They had ratings up there with FOXes the
100 FIVE for the first time since, swell, actually, since ever. Also, I
101 think they thought they had Trump cornered where they could
102 actually make him look bad to his own crowd. They know in order
103 to beat him, they are going to have to find a way to put a wedge
104 between him and his base. They are so desperate; they actually
105 hoped he would provide at least one take out from the Town Hall
106 they could use to hammer him. But also, I think they want to
107 reconnect with Trump's base going into this election cycle — they
108 want access to his audience.

109 One guy complained at CNN for giving Trump their audience —
110 you've go to be kidding me! What audience? Oh no! This was
111 about getting access to Trump's audience.

112 Thanks to Pastor Jerry Cook, for sending that video to me,
113 otherwise, I would not have been able to see it. By the way, Pastor
114 Cook has an awesome radio show, Politics & the Pulpit airs on
115 Wednesdays, I think it goes live at 2 PM, on The Hometown
116 Station.com (AM 1220 and FM 98.1.).

117 Anderson Cooper is furious and telling viewers they would be right
118 to no longer tune in to CNN. I think it's backfiring on them, like
119 everything else they try to do to take Trump out.

120 Trouble at Twitter: Elon has decided to concentrate on providing
121 ethical guidance for his Twitter company but turn the operation

122 over to a new CEO. Many are concerned about his pick: former
123 NBCUniversal add chief, Linda Yaccarino.

124 Bongino played a video/audio clip of her speaking to what
125 appeared to be a board meeting, or some team meeting, or maybe
126 some clients — I did not see the video but, but I heard the audio.
127 Yaccarino was explaining her intention to double down on efforts
128 to expand on progress they've made toward advancing inclusivity
129 — and some other wokeist jargon! Bongino is very concerned that
130 Elon is making a huge mistake. Maybe!

131 Then we learn she holds a chair in the World Economic Forum
132 operation — I understand she guides, or is involved in their
133 advertising. Yikes!

134 So, I'm looking at her Twitter page and the first thing I notice is a
135 notice that "You're unable to view this Tweet because this account
136 owner limits who can view their Tweets."¹ But, I'm looking at the
137 Tweet — at least I'm looking at a Tweet tagged with this message?
138 What does the Tweet that I can't see say? "If we abandon our
139 history, how can our children learn from it? How can we teach
140 them to be curious and invite them into productive discussion and
141 debate? Can we really raise them to be independent and innovative
142 thinkers?" Hmm. Nothing to disagree with there.

143 I scrolled through her Tweets and it's mostly benign. It does not
144 appear to be woke driven. Here is another where she is
145 interviewing Elon and then Tweeted: "We can all agree ... this
146 freedom of speech, deserves a bit more reach." Hmm! Do we have a
147 liberal here who still believes in free speech?

148 So, in my opinion, the jury is still out on this! The Bongino cut is
149 disturbing, but I can't find it in order to get a fuller contextual
150 setting!

151 But you've heard me speak to the fact that Satan always tries to join
152 you while he is setting you up for destruction! The Bible speaks of
153 those that "crept in unawares."² Remember, a full blown witch, a
154 sorceress, tried to land the "advertising exec" job with the Apostle
155 Paul — really! Read about it in Acts 16:16-19. She ended up losing
156 her powers when Paul cast out the devil that possessed her. That
157 was bad for the business of those that used her, and it brought
158 some problems for Paul. Hey, don't forget, after Satan tried and
159 failed to have Christ killed as a baby in Bethlehem, later, he
160 attempted to negotiate a settlement — he offered to hand over to
161 Jesus what He came for — the kingdom of man, held by Satan
162 under the power of death — yeah, did you know Satan once held
163 the "power of death"? Read Hebrews 2:14. What? You want me to
164 read it? Sure — it's telling us that Jesus took on flesh and blood,
165 speaking of the incarnation, "that through death he might destroy
166 him that had the **power of death**, that is, the devil." So the Devil
167 had, past tense, the power of death, by which he held the kingdoms
168 of this world in his power — read Matthew 4:8-9, and Luke 4:5-7.
169 Anyway, the point is, it's a basic strategy of Satan to first attempt to
170 destroy you outright, and if he can't get to you because GOD's
171 hedge is too strong, his next angel is to attempt to join you! So,
172 watch out Elon!

173 Hold on through the break! I'll be right back.

174 Segment.02 Hello. Welcome back! I'm Dr. Jerry Scheidbach, pastor

176 lighter, lighting the lamps in the church belfry arch, signaling the
177 enemy is on the march, an enemy that would steal from us our
178 liberty.

187 The Biden crime family corruption scandal: Senators Grassley and
188 Comer received "legally protected and highly credible unclassified
189 whistleblower disclosures" that the FBI is sitting on a document
190 created or modified in June of 2020, that proves, with smoking gun
191 type proof, that Biden was on the take from foreign nationals and
192 the FBI buried it. Grassley and Comer demanded the documents
193 be turned over to their committee investigating this matter, and
194 wanted a report on what the FBI did about this. Instead, the FBI
195 sent a six-page letter raising several objections and concerns
196 regarding the committee's request.³ ⁴ They are playing games, as
197 usual — the information is "incomplete" and "must protect
198 sources" —" so we know the file exists, and we know the FBI is
199 stonewalling. This is tantamount to admission the Biden family is
200 involved in influence peddling schemes and taking big money, 10
201 millions and more, from foreign nationals. It's a massive cover up.
202 But we are not talking about that right now; we are talking about
203 the CNN Trump ad.

204 Tyrus, the big guy on Gutfeld's show, he is sharp, made a very
205 astute observation, one I did not notice anyone else bring up. It is
206 interesting that the news breaking out on the Biden Crime Family
207 operation is reaching critical mass—some new evidence released by
208 Comer tightens the noose around not only Hunter's neck, but the

209 Big Guy too!⁵ You know who the "big guy" is, right? A business
 210 partner from inside the Biden influence peddling enterprise,
 211 named Tony Bobulinski, told us is Joe Biden, and that he was
 212 getting a 10% share in the influence peddling scheme?⁶ See also ⁷ —
 213 ! But what are we talking about? — The CNN meltdown over
 214 Trump schooling the schoolgirl. But, as it happens consistently —
 215 every time the wicked dig a pit for the righteous, they fall in. That's
 216 a biblical principle—read about it in Proverbs 26:27; 28:10;
 217 Ecclesiastes 10:8. And, here is another example: never forget that
 218 wicked Haman was hanged on the very gallows he had built to kill
 219 a righteous man.

220 Hey, what's with the Reparations in CA and racial harmony. I'm
 221 getting short on my time here, and I've addressed the issue of
 222 reparations before. You can go to my website — brainmassage.net,
 223 search reparations, and you'll be treated to some great insight into
 224 this issue. First, it's unjust to hold the children accountable for the
 225 sins of their fathers. Ezekiel 18, read the entire chapter — this was a
 226 grievous error in Israel just before they were destroyed: read the
 227 entire chapter, but here is one verse that summarizes God's
 228 position on this — "The son shall not bear the iniquity of the
 229 father, neither shall the father bear the iniquity of the son: the
 230 righteousness of the righteous shall be upon him, and the
 231 wickedness of the wicked shall be upon him."⁸ It is unjust to fine
 232 people who never owned slaves to pay people who were never
 233 slaves because the fathers of some people own slaves, and the
 234 fathers of some people were slaves.

⁸ Ezekiel 18:20

235 I have occasion here to mention Tyrus again — he is a successful
236 black wrestler — he spoke to this issue a while back and pointed
237 out that his reparations is paid in full — he got to grow up in
238 America and enjoy wonderful opportunities so that if he applied
239 himself, he could enjoy success as a FREE AMERICAN. I thought
240 that was right on!

241 But when you actually look into this whole slavery issue, it's
242 stunning what comes out. A great thinker, a brilliant man, Thomas
243 Sowell, speaks to this stuff often. I heard an interview in which he
244 point out that he has a book case, and entire book case dedicated to
245 books on slavery. He said, the sad fact is slavery has been a
246 universal institution for thousands of years. And yet, with
247 reparations in the US, we are looking at it in one country, with one
248 people — and that's not right! He is an expert on this subject, he
249 said Western Europe is the ONLY PLACE IN THE WORLD
250 WHERE THERE IS NO SLAVERY. And yet, that's the place these
251 wicked people attack on this all the time. Sowell said, "The number
252 of whites who were enslaved by the Barbary pirates in North Africa
253 exceeded the number of Africans enslaved in the United States and
254 in the American colonies before that—put together. But nobody is
255 going to North Africa to ask for reparations, because nobody is
256 going to be fool enough to give it to them."

257 So, where are my reparations? Where are yours? This is nonsense,
258 and Sowell said it's intentionally stupid. And insulting! It suggests
259 that the problems we see in some black neighborhoods and some
260 demographics are under the control of White America. It's all until
261 white people do something there is nothing we can do. It's a dodge
262 from responsibility. He points out that the problem is spiritual; it's
263 moral and cultural. The big racial crisis in America is the moral
264 free fall collapsing our culture into chaos.

265 Folks, the truth is Black communities were doing much better
266 before liberal white guilt started being manipulated into reducing

267 these families to dependents. Candace Owens once remarked on
268 the New Plantation — run by white liberal masses. She was right!
269 That's what has happened. White liberals, like racist Joe Biden,
270 Nancy Pelosi, Feinstein, and the rest of them. Hillary and Bill are
271 the most racist devils in America today. A lot of this started in a
272 strategy session with Lyndon Banes Johnson, but no time for that
273 right now.

274 I intended to move from this point into a discussion about the
275 collapse of biblical culture in our churches: modesty, family values
276 like honesty, humility, value for work, positive ambition, fierceness
277 in defending the right and kindness toward all. I'll be incorporating
278 this point into my message Sunday and it's an eye opener. Hope
279 you'll accept my invitation!
