1 Segment.01 Hello. I'm Dr. Jerry Scheidbach, pastor of the

4 The Durham drop—a bomb, or a Bomb, or a ticking time BOMB!
5 Biden Bucks—the family business, cashing in on foreign influence
6 peddling, the digital dollar, and replacing the EYE OF
7 PROVIDENCE with the eye of Osiris; Doctors cannot be forced to
8 kill their patients; Kari Lake pressing her claims; Schiff to be
9 thrown out of Congress for Treason; Wray facing articles of
10 impeachment for targeting Pro-Lifers and Catholics (interesting
11 prophetic insight there), DeSantis to announce, and the collapse of
12 biblical based culture in America began and continues in the
13 CHURCHES. Oh, and the Bilderbergers are meeting in Lisbon
14 involving from 120-130 of the world's most powerful and
15 influential leaders, in the most secret Bilderberg meeting EVER!
16 We will focus on the Durham Report and Biden Bucks and touch
17 on the rest.

18 It's time for your Brain Massage®!

19 [TRUTH]

20 Let me clear the table so we can concentrate on the main entre.

21 Kari Lake was not the only conservative robbed of a legitimate and
22 honest election—the Attorney General race was rigged also—and
23 the person responsible was none other than Kattie Hobbs, the
24 former AZ Secretary of State, now Usurper AZ Governor who stole
25 the office from the people of Arizona who gave it to Kari Lake.
26 Anyway, conservative Abe Hamadeh supposedly lost to radical
27 Democrat Mayes—Abe had reason to call foul, sued, and in court
28 this past week, critical evidence supporting Abe's case was

29 uncovered. Kattie Hobbs held back evidence of problems in the
30 Pinal County election and it is believed this will make a difference
31 in the AZ Attorney General race of 2022.

32 Meanwhile, Kari continues to press her case forward in court. Kari
33 said, "They dragged us to Hell and we are standing and fighting
34 back." Three whistleblowers have stepped forward to testify that
35 130k ballots that failed to pass signature verification were counted
36 anyway. Logs show that 11 signature verification workers approved
37 170k signatures at a rate of 0 and 2.99 seconds with a 99.7%
38 approval rating. Well, that's just impossible!

39 CA Doctors cannot be forced to kill their patients. The CA
40 Attorney General, Medical Boards, et al, have been ordered by the
41 Central District Court to stand down on actions against any CA
42 doctor that refuses to participate in Euthanasia — the murder of
43 elderly, or mentally troubled.¹ A great victory for LIFE — against
44 those who choose death.²

45 McCarthy removes Schiff and Swalwell from the Intelligence
46 Committee³—ya think? Schiff to be thrown out of Congress for
47 Treason.⁴ House Speaker McCarthy "has called for the immediate
48 expulsion and possible prosecution of Rep. Adam Schiff for
49 committing crimes of treason against the United States." [IBID]

50 FBI Director Christopher Wray is facing articles of impeachment⁵
51 for targeting Pro-Lifers and Catholics (interesting prophetic insight
52 there). And the latest offense—FBI refuses to turn over document
53 revealing Biden accepted bribes from foreign governments while

54 serving as Obama's VP.⁶ The House Oversight Committee
55 demanded FBI release this document, and the FBI did NOT SAY
56 IT DOES NOT EXIST — they simply refused, claiming concern
57 about exposure of FBI assets! So MJT has filed articles of
58 impeachment against Wray—some Dems are citing a few favorable
59 mentions of Wray in the Durham Report for taking steps to clean
60 up the FBI—but that was window dressing. Wray either releases
61 this document or faces final exposure as a Deep State operator!

62 DeSatan says he is going to run — that chances for Trump are "not
63 great." Confirmed—he is a weasel! I hope this convinces you
64 Trump should NOT consider taking him as VP. I'm convinced the
65 whole FL thing is a ruse; let me be the first to call it! Enjoy it while
66 you can! I know Florida has traditionally leaned RED.⁷ But you
67 have to look closer—Florida has also always had a major RINO
68 problem. DeSatan—hey, remember, "Satan himself is transformed
69 into an angel of light"⁸ — so don't be surprised if his "agents" are
70 undercover—I want to know why DeSatan won't come out on the
71 2020 election,⁹ ¹⁰ why he avoids talking about the Dominion
72 machines, Mike Lindell asks why does DeSatan refuse to "touch"
73 the Dominion stealing machines¹¹—and has an interesting answer!

74 I agree with Lindell, DeSantis is a potential spoiler substitute for
75 Trump—the "never Trumper's" red herring, at least, at worst a
76 major CIA controlled opposition operation—probably ought to

77 read this.¹² There is nothing these people meeting in Lisbon right
78 now will not do to STOP TRUMP.

79 Okay, one more item to clear from the table — tell you what, I'm
80 going to address the relationship between the collapse of biblical
81 culture in the CHURCHES and the collapse of culture in America
82 during my Issachar Report Sunday night at 5 PM. So, let's turn our
83 attention to the Durham Report.

84 You've by now heard the reports of what is in the Durham Report,
85 how devastating it is for the FBI, especially, and some who've read
86 deeper, see the implications reach deep into the Deep State,
87 touching Hillary, and even Obama. So I'm not going to go there.
88 Clearly, this report PROVES what we have all known almost from
89 the beginning: the FBI, DOJ, CIA, in collusion with the MSM
90 (CNN, ABC, MSNBC—all the major print media, FB, and Twitter),
91 colluded together to, 1. get Hillary in, and when that failed, 2. to
92 execute a coup against a sitting President, and when that failed, 3.
93 to blatantly steal from the people their right of consent—they stole
94 the 2020 election. So, that's what the Durham Report shows
95 happened. I'm going to look at another aspect of this—the
96 expectations that were encouraged by many on the deep right to
97 believe the Durham Report would be our salvation!

98 Some of you remember how many encouraged us to believe
99 Durham was our "great hope." Visions of Durham dropping
100 indictments on the heads of Hillary, Comey, Brennan, even
101 Obama—speculating how these would look in orange jump-suits,
102 paraded before us all, shut behind bars—where they belong!—
103 inspired many on what I sometimes call the deep-right; those that
104 do the deep dive into the SWAMP exploring the ongoing
105 conspiracy to take the dominion by force. So, briefly, first, no one
106 who understands even the broad outlines of biblical prophecy can

<https://www.theguardian.com/us-news/2023/apr/28/ron-desantis-guantanamo-bay-allegations>

107 doubt such a conspiracy is in play: the ANTICHRIST spirit is
108 active in the world attempting to push forward the Satanic agenda:
109 the ONE WORLD GOVERNMENT, complete with a MAN OF
110 SIN dictator, a total surveillance state controlling access to markets
111 by technology embedded in a "mark" called the "mark of the beast,"
112 the outbreak of massive global war in which 1/4th of the world's
113 population will be wiped out (that's roughly 2 BN people, folks).¹³
114 Then in a second wave, another 1/3 of the planet's human
115 population will be wiped out, which amounts to another 2 BN
116 people.¹⁴ That's half the world's present population. Bill Gates, eat
117 your heart out! He has called for a 15% reduction,¹⁵ on a
118 population of an estimated 9 BN,¹⁶ so that's a meager 1.35 BN. Of
119 course, if you believe the Georgia Guidestones were commissioned
120 by eugenists with Rockefeller money—one being William Gates,
121 Bill's father, well, the Guidestones call for a reduction to a
122 population ceiling of 500 million — that would mean 7.5 BN
123 people would have to be eliminated. But what I'm getting at here is
124 that, 1. Satan, who is prince of the power of the air, the spirit that
125 works in the children of disobedience, and he is all about total
126 extinction of the human race; and 2. those under his influence are
127 manifestly driven by the same agenda — there is a Devil who wants
128 you dead, and that devil has human agents presently at work to do
129 exactly that.

130 Biblical prophecy supports the so-called "conspiracy theories" — so
131 we are not surprised when we see elements of these so-called
132 "theories" repeatedly turning out to be true and becoming part of
133 our history. Wake UP!

¹³ Revelation 6:8 " And I looked, and behold a pale horse: and his name that sat on him was Death, and Hell followed with him. And power was given unto them over the fourth part of the earth, to kill with sword, and with hunger, and with death, and with the beasts of the earth."

¹⁴ Revelation 9:18 " By these three was the third part of men killed, by the fire, and by the smoke, and by the brimstone, which issued out of their mouths."

134 But some among the deep right are not well informed in biblical
135 prophecy and they make mistakes, and while they should be more
136 careful, nevertheless, Durham didn't bomb, nor did he drop the
137 Bomb some expected — but he did place a ticking time-bomb!

138 I've said all along that if Durham showed his cards too soon, when
139 the wicked control virtually every American institution of power,
140 nothing would come of his report. There would be no indictments.
141 I speculated that was the reason he delayed release. Did he release
142 his report prematurely? I don't think so! I believe the Durham
143 report has been released exactly at the right time.

144 It requires a few months for the general public to digest something
145 like this. The release of this report now, allows the American
146 people time to digest its implications. Now all that is needed is
147 some major event that will galvanize the American people against
148 the perpetrators of this coup — who will then appeal to the
149 allegations included in the report to justify legal action against
150 these traitors. I think Durham's release is a signal! I think it signals
151 the beginning of the END of the CCP PROXY OCCUPATION of
152 America. Don't get too excited yet! Watch, and PRAY! But this is a
153 significant moment in our battle to reclaim AMERICA!

154 Okay, hold on through the break! I'll be right back!

155 Segment.02 Hello. Welcome back! I'm Dr. Jerry Scheidbach, pastor
156 at the Lighthouse, your brain masseur, and Paul Revere's lantern
157 lighter, lighting the lamps in the church belfry arch, signaling the
158 enemy is on the march, an enemy that would steal from us our
159 liberty.

160 Rickards, a financial guru, is promoting something he calls Asset
161 Emancipation to protect you from Biden's digital dollar agenda —
162 something he calls Biden Bucks. I think the Biden plan to launch a
163 CBDC — Central Bank Digital Currency — is intertwined with his
164 family criminal enterprise — and the connection there is, Biden is

165 an operative of the CCP, and his moves toward a Central Bank
166 Digital Currency is driven by his handlers in China. So, that's my
167 working theory. Let's take a look at this.

168 Let's start with the most recent revelations about the Biden crime
169 family operation. Jarrett, from Fox, said "the sheer magnitude of
170 Biden family corruption uncovered by the House Oversight
171 Committee can only be described as breathtaking."¹⁷ Jarrett would
172 modify his concern, and say, "Joe Biden may have jeopardized our
173 nation's security by selling out America for cold hard cash"; I
174 would say there is no maybe about it! Biden has committed treason
175 against his country. But you look at the evidence and then you
176 decide.

177 We now have documentation PROVING that the Biden family
178 raked in more than \$10 million dollars in foreign money. No, wait.
179 Hold on — I'm saying this we KNOW! This is not an "allegation."
180 More than 10 million "flowed like a river into more than 20 shell
181 companies and LLCs created for the Bidens' financial benefit."
182 [IBID] No one creates 20 "shell companies" unless they want to
183 play a shell game with ill-gotten gains. PERIOD! These documents
184 show that much of this money was "shuffled around various
185 accounts before it landed in the hands of nine members of the
186 president's family." [IBID] None of these companies are connected
187 with any business purpose—at least none that is revealed! What is
188 their business? That's a secret! This sort of thing is done for only
189 ONE REASON! These companies and the multiple accounts serve
190 to hide the money, and hide the money trail—but we found the
191 documents that uncover the fact that this money was funneled into
192 the pockets of nine members of the Biden family.

193 This evidence was gathered from "thousands of subpoenaed
194 banking records, wire transfers, and electronic transactions

¹⁷ 934.11.1-The explosive new evidence of Biden family's breathtaking corruption _ Fox News <https://www.foxnews.com/opinion/explosive-new-evidence-biden-family-breathtaking-corruption>

195 contained [or documented] in more than 170 suspicious activity
196 reports (SARs) that were flagged by banks and sent to the criminal
197 division at the Treasury Department." Biden attempted to block
198 release of these documents, but the House Oversight Committee
199 forced his hand. And that's not all! This, it turns out, is only the tip
200 of the iceberg: "There are still more documents to be examined,
201 suggesting that the Biden profiteering could far exceed the millions
202 of dollars already tracked."

203 Finally, much, actually, MOST of this money came from China.

204 And, the plot thickens, as they say: an FBI insider whistleblower
205 revealed to the House Oversight Committee the existence of an FBI
206 generated FD-1023 record (it's a report created by the FBI that
207 serves as part of an investigation) and this one details "a bribery
208 scheme involving then-VP Biden and a foreign national." It
209 involved the "exchange of money for policy decisions." This is
210 exactly the sort of thing the Demoncrats were trying to pin on
211 Trump, and failed. Turns out, it was BIDEN who was involved in a
212 criminal scheme with a foreign national — and now, FBI Director
213 Wray is refusing to release this document — oh, so the document
214 exists, but Wray refuses to release it.

215 Again, this only establishes what we already knew! Biden is a
216 bought asset of the CCP, and Ukraine, and Russia, by the way! He
217 is a puppet president, acting in the interests of the Chinese
218 Communist Party.

219 So, next, China has launched a digital Yuan, a programmable
220 digital currency.¹⁸ ¹⁹ They are already using it to their social credit
221 score system and using it control the behavior of the Chinese

¹⁸ 934.6.2-People's Bank of China Plan for Digital Yuan <http://www.pbc.gov.cn/en/3688110/3688172/4157443/4293696/2021071614584691871.pdf>

222 people.²⁰ ²¹ China can easily control what you can buy, when, and
223 how much. Lately, the Chinese Communist Party banned 23
224 million Chinese citizens from purchasing travel tickets based on
225 information they gathered with their "social credit" system.²² So if
226 you resist the coercive control of the communists in China, they
227 can simply cut you off from your money. It's fully implemented in
228 a few provinces, but the plan is to go countrywide with this.

229 Enter their Communist asset in America, Joe Biden. On March 9,
230 2022, Biden signed Executive Order 14067.²³ ²⁴ Section 4 of that
231 Executive Order lays out his instruction to various related
232 departments to begin preparations for creating a digital dollar — a
233 Central Bank Digital Currency. Here is the text of EO 14067,
234 section 4.²⁵ Yes, I have read it. Of course, Snopes says this EO will
235 not replace the U.S. dollar with trackable digital currency.²⁶ But
236 here are my notes on that EO and on Rickards report on the
237 significance of this order.²⁷ When you read my notes, you'll see why
238 what Biden is doing IS IN FACT laying down the ground work for
239 transitioning us to a digital currency comprised of "programmable
240 tokens," after the pattern already tested and beginning to be
241 implemented in China, and Russia, too, by the way!

242 In fact, Rickards tells us "more than half the countries in the world
243 and almost 90% of central banks are testing or exploring digital
244 currency right now."²⁸

245 While this cannot happen in the U.S. until our Legislature passes a
246 law to implement this transition to a digital currency, such a law
247 has been introduced.²⁹ And private companies in the U.S. are
248 already busy getting ramped up to provide a programmable digital
249 currency for the U.S.^{30 31} AOC is talking to the Federal Reserve in
250 hearings over this.³² One representative of the Fed excitedly talked
251 about private citizens engaging directly with the Federal Reserve,
252 and no longer requiring the middleman, the Banks! Our
253 government will become our bank? Is this a move to wipe out
254 private banking? The ultimate centralization of control over all
255 money, and controlling your money, TOTAL SURVEILLANCE
256 AND CONTROL OVER YOU!

257 It's called *spyware currency*.

258 The Bilderbergers are meeting, right now, in Lisbon, Portugal.³³

262 most powerful and influential money, media, military and
263 government people in the world are gathered in a super-secret
264 closed door meeting to discuss — well, according to one, "we will
265 talk about everything." Hmmm! If any such gathering took place
266 for 130, let's say, famous athletes, or actors, to talk about something
267 so secret they went to great lengths to hide in secrecy—virtually

268 every media outlet in America would be crawling all over this
269 peppering them with questions about the meeting, why the secrecy,
270 what are you going to be talking about, and so on.

271 But in times like these, 120-130 of the most powerful and
272 influential people on the planet gathering to have a super secret
273 meeting, and no one is interested. Members of the MSM are
274 included in the meeting, by the way. But NO COVEREAGE!

275 Karl Schwab will be there; in fact, he is on the "steering committee"
276 for this group. Karl Schwab is chairman of the World Economic
277 Forum, a famous one world globalist, who wants to chip all
278 humans to track them like you do your dog, who wants you to own
279 nothing, and be happy, remember that one? His prophet is Harrari,
280 the guy who talks about hackable humans, and promotes his vision
281 of Transhumanism. I'm surprised no prophecy whore has
282 suggested Karl is the antichrist and Harrari his false prophet. Karl
283 Schwab is on the steering committee of this Bilderberger meeting,
284 and lately in an interview said that in the new world that he
285 envisions "we must accept transparency, and I will even say total
286 transparency. Banking secrecy—everything, is going to be
287 transparent, and you have to get used to it; you have to behave
288 accordingly. It becomes, how should I put it, integrated into your
289 personality, but if you have nothing to hide, you shouldn't be
290 afraid." This says the man participating in a super secret meeting of
291 some of the most powerful and influential people in finance,
292 military, politics, and media — a total news black out, hiding
293 behind closed doors, to, as one member put it, talk about
294 "everything."

295 So, to summarize: Biden will bring us into the one world
296 government, and China intends to be the superpower controlling
297 it. But it's not going to work! Not so long as we are here. No time to
298 flesh that out right now, join me for our Comfort & Counsel
299 livestream visit and I'll go into it with you. Suffice it here to say,

300 JESUS IS KING and HIS SPIRIT is PRESENT IN THE EARTH —
301 and where the SPIRIT OF THE LORD is there is LIBERTY. His
302 Spirit is present to HOLD BACK the ANTICHRIST as long as His
303 PEOPLE are present. WE CAN STOP THIS — and I believe GOD
304 has encouraged me to believe this latest effort to finish NIMROD'S
305 TOWER will fail. In fervent prayer the morning after I completed
306 my research into this, God directed me to Psalm 21. Especially
307 versus 11-13.

308 "For they intended evil against thee: they imagined a mischievous
309 device, *which* they are not able *to perform*. Therefore shalt thou
310 make them turn their back, *when* thou shalt make ready *thine*
311 *arrows* upon thy strings against the face of them. Be thou exalted,
312 LORD, in thine own strength: *so* will we sing and praise thy
313 power."
