Illegitimate Government — *No Oath Is No Joke* / The Makers of Custom —  
Biblical vs Humanist Culture

1 Segment.01 Hello. I'm Dr. Jerry Scheidbach, pastor of the  
2 Lighthouse Baptist Church in Santa Maria, CA—and your brain  
3 masseur—get ready for your brain massage.  
4 MISSING OATHS, and a CULTURE of LIES.  
5 I'm at 32k feet, examining the other side of clouds, returning from  
6 a visit to Ham's Ark Encounter and Creation Museum in  
7 Kentucky. If you have not been, make plans — it's awesome! If you  
8 have, and it's been a while, time to return! This is our second visit!  
9 It's our 50th anniversary! We'll go to Arizona next, and then to  
10 Monterey, before we return to settle back into our routines.  
11 This will be a special show—I'll discuss three things. First, the  
12 fascinating prophecy in Daniel that points to the transhumanism  
13 movement we see developing right now. Second, the illegitimate  
14 government operating in America right now — and I'm not only  
15 talking about a stolen election! Wait for it! And third, biblical  
16 versus humanist culture and why American culture is in the virtual  
17 toilet right now!  
18 It's time for your BRAIN MASSAGE!  
19 [TRUTH]  
20 I'll pick up on my examination of Trump next week! We discussed  
21 the LGBTQ thing last time. I'll address the "COVID war" and rush  
22 to vaccinate next. I said at the beginning of this "they" were setting  
23 a trap. These quacks knew the vaccine would not work, Birx said  
24 so. And there's more! They set Trump up to take the fall — but I'll  
25 show why it will fail! Haman built gallows intended for Mordecai,

26 but GOD had other plans. (That might be a bit inside for some of  
27 you, but I'll explain it next week.)

28 Today, I'm going to talk to you about something I think you will,  
29 or at least that you should find interesting, and deeply troubling at  
30 the same time. Some of you are hearing Trump say he will be back  
31 in the White House sooner than you think! Have you heard that?  
32 He has said it repeatedly, and most people, it seems to me, don't  
33 know how to listen to Trump. He means it!

34 We'll talk about the fact that the current regime in the White  
35 House is totally illegitimate, and without authority, and I'm not  
36 only talking about the stolen election — it's something else too;  
37 you'll be "not surprised"! Know what I mean?

38 But first, anyone who thinks the patriots have no plan to stop this  
39 train wreck orchestrated by the Deep State is mistaken. Whether  
40 the plan works, well, that's up to GOD!

41 I pray every day, and often through the night — no, really, through  
42 the night, and one of the things I pray a whole lot about is for a  
43 DIVINE INTERVENTION — a Tower of Babel level capital I  
44 capital N, T, E, R, V, E, N, T, I, O, N — a major reach of the HAND  
45 OF GOD from Heaven to Earth to shake down the latest version of  
46 Nimrod's tower—the globalists dream of a one world  
47 government—gathering the world together in defiance of GOD's  
48 LAWS, to throw off the bands and cords of CHRIST the KING —  
49 and GOD is COMING! The KING is COMING — and the Tower  
50 will be destroyed and the enemy scattered.

51 Karl Schwab and his false prophet, Haarrari Youvall, and their  
52 transhumanist *dream* of organic machines, humanoid-robots,  
53 promising the next evolutionary leap from mere humans made in  
54 the image and likeness of GOD to being little gods, fulfilling the  
55 promise of Satan, but actually enslaving mankind by their  
56 technocratic despotism, erasing the "God-gene," breaking the male-

57 female binary, and destroying family units, ending humanity as  
58 GOD designed it — it's going to fail!

59 They cannot "mingle" the "iron" with the "clay" — Daniel foresaw  
60 this attempt to mix the machine with the man. It was depicted in  
61 Nebuchadnezzar's dream image, when he noted the mixing of  
62 "iron" with "clay": "And whereas thou sawest iron mixed with miry  
63 clay, they shall mingle themselves with the seed of men: but they  
64 shall not cleave one to another, even as iron is not mixed with clay"  
65 (Daniel 2:43). It's a very enigmatical verse, but as I have taught over  
66 the years, some of these strange prophetic Scriptures will become  
67 increasingly clear to us as we approach fulfillment.

68 Iron, the chemical element of Atomic number 26, with the  
69 elemental symbol Fe, is, according to my onboard dictionary, a  
70 material "much used ... in manufacturing, especially in the form of  
71 steel." It is evident to everyone that machines are, in the main,  
72 manufactured from steel, and the prophecy is that "they" will  
73 attempt to combine this metallic humanoid with the fundamental  
74 element of organic biologic life — the seed of man — is  
75 represented by this business of "mixing iron" with the "seed of man.

76 But it will fail: "they will not cleave one to another," as a man and a  
77 woman cleave and become one flesh — they will fail to eliminate  
78 the DIVINE DESIGN of PROCREATION. They will fail to create a  
79 biologic machine. They will attempt it, and being deceivers, they  
80 will fake it, but they will not achieve it. They will finally get so far as  
81 to make an "image" talk, and demonstrate sentience—but it will be  
82 an illusion.

83 While Christ's SPIRIT is present to restrain the spirit of antichrist,  
84 "they" will not succeed to set up the image of the Beast, or construct  
85 their dark tower—WE ARE IN THEIR WAY! They know this!  
86 And their hatred of us grows—but though the gallows they  
87 construct are intended for us, GOD HAS ANOTHER PLAN!

88 More on this amazing prophecy from Daniel in an upcoming Bible  
89 study at the LIGHTHOUSE. I teach on biblical prophecy Sunday  
90 mornings at 9:30 AM.

91 Now, about Trump's repeated statement that he will return to the  
92 White House sooner than you think.

93 Biden officials are imposters who swear no allegiance to the United  
94 States: get a load of this interview on Brighteon with Atty. Todd  
95 Callender and assistant Lisa McGee.

96 Todd represents those disabled by the COVID vaccine. His  
97 organization is called Disabled Rights Advocates and his website is  
98 [dradvocates.com](http://dradvocates.com). His firm represents cases on the question of  
99 whether those receiving the vaccine become chattel, or property, of  
100 Pfizer, or Moderna??? Contact them through his web site:  
101 [dradvocates.com](http://dradvocates.com). Also go to [vaxchoice.com](http://vaxchoice.com), advocating for  
102 informed consent. Lisa researches issues related to informed  
103 consent and the Pfizer, Moderna, Johnson and Astra jabs.

104 In this interview, they reveal a finding that Attorney General  
105 Garland, Secretart Of Defense Lloyd Austin, do not have a loyalty  
106 oath on file. There is no properly filed record they have sworn  
107 allegiance to the Constitution of the United States.

108 If this is true, these officials are not legally holding power. You  
109 think it's a mere technicality that none of Biden's Cabinet members  
110 have a legally binding oath of office on file with the Federal  
111 Register?

112 The backstory: Todd and Lisa kept running into very strange  
113 things as they pursued research to support their cases filed to press  
114 the question whether these mRNA vaccine patents actually create a  
115 hybrid human that becomes property of the vaccine patent holders.  
116 Yeah, this is a real thing, and a legitimate legal question that is  
117 raised by the language of the patents held for the mRNA vaccines.

118 Some of this I brought to your attention a bit back.

119 After Todd filed against the Department Of Defense, his team  
120 noticed very strange conduct on the part of the DOD: for example:  
121 the DOD argues that the shots are outside public or civic scrutiny  
122 or jurisdiction because they are weapons, military “counter-  
123 measures,” against a biological attack.

124 As they pressed this, and the team became increasingly uneasy  
125 about the unconstitutionality of all of this, and the strong sense  
126 that persons in our own DOD were representing the interests of  
127 foreign governments, namely, China, were involved in treasonous  
128 activity, which would be a violation of the oath of office required of  
129 all Federal officers and military personal above a certain rank, Lisa  
130 decided to use the Freedom of Information Act (FOIA) to see  
131 whether or not Mr. Austin (Secretary Of Defense) had registered  
132 under the foreign agents registration act, and this led to an enquiry  
133 whether he had a valid oath of office on file.

134 The DoD stalled! It took nine months to get the information. So  
135 Todd and his firm were gearing up to sue, to compel the DOD to  
136 release these records, and "we received notice from Mr. Austin,  
137 and, astoundingly, the ENTIRE BIDEN CABINET effectively, to  
138 our very great surprise, we were notified that none ... have a valid  
139 oath of office on file. None had the affidavits of oath of office filed  
140 with the Federal Registry.

141 Todd explained that this is a violation of LAW: 5 USC 3331 and  
142 3332 — Not one of Biden's Cabinet members had a valid oath of  
143 office on file with the Federal Registry — they were ALL either  
144 defective or missing entirely.

145 Okay, so someone forgot to have their oath of office notarized —  
146 but the ENTIRE CABINET?

147 Todd said without this oath of office on file, there is no other way  
148 to prove there is a duty for this person support and defend the  
149 Constitution.

150 And of equal concern, without this duly filed, they have NO  
151 AUTHORITY TO serve UNDER THE CONSTITUTION.

152 This law comes out of the Civil War era.

153 The statute reads that if this is missing, if there is no NOTARIZED  
154 oath, or a sworn affidavit of oath of office on file, then ALL OF  
155 THEIR ACTS ARE VOID AB INITIO (that means, from the start).

156 They become ACTORS, without actual authority.

157 This includes the VP.

158 So Todd's firm filed a Writ of Quo Warranto — that is a demand to  
159 SHOW YOUR AUTHORITY.

160 When you ask an officer to show his badge, or you take his badge  
161 number, you are asking for proof of their authority to act.

162 Todd filed their complaint, their writ of quo warranto, with US  
163 Atty, Matthew Graves, assuming he had real authority to act. The  
164 reason they did not file with the US ATTY GENERAL, Merrick  
165 Garland, is that his oath of office is defective, not only is his oath  
166 not notarized, it shows no appointment date.

167 Then, by the time they sent this claim off to the US Atty, Lisa  
168 received notice that Matthew Graves also has a defective oath of  
169 office. It's like none of the se clowns have a bonifide oath of office  
170 — why? And why would the Federal Registrar be so neglectful and  
171 ignore this LEGAL REQUIREMENT?

172 BY THE WAY, THE US ATTY. GENERAL'S OFFICE IS  
173 RESPONSIBLE FOR PROSECUTING THE J6 POLITICAL  
174 PRISONERS.

175 HOW IRONIC that Oath Keeper founder and president, Rhodes  
176 was sentenced by these jackals to 18 years in prison for alleged  
177 crimes against the Federal Government.

178 Todd's firm decided to do everyone, and they began getting  
179 immediate push back. They testified they were sent on a rabbit  
180 chase. Very early on, they said, "we realized something is very  
181 wrong here."

182 Why would they not have their oath of office? Every appointee  
183 must file his or her oath of office with the federal registry either  
184 notarized or by an affidavit sworn under penalty of perjury. By law  
185 this must be done within 30 days of their appointment. Is this  
186 merely a dereliction of duty, or is this on purpose?

187 How serious is this? Well, apparently, it's of sufficient concern to  
188 them to want to stop letting this information get out to the public.

189 RECENTLY FOIA HAS CLOSED THE FEDERAL REGISTRY  
190 FROM FOIA REQUESTS. WHAT???? How can they do this?

191 Closed the door to protect the secrecy.

192 What about Trump's Cabinet? Todd and Lisa were told they could  
193 not grant access to those because they are archived for his library  
194 and they will be released when processing is completed. You've got  
195 to be kidding me?

196 As the team continued digging around, they discovered this is  
197 RAMPANT throughout the government. And after further  
198 research, they figure it probably goes back to 1963. In that year, the  
199 Communist Manifesto, called the Naked Communist, was read  
200 into the CONGRESSIONAL record. In that manifesto, the  
201 thirteenth agenda item of the Communist Party's plan to destroy  
202 America was to ELIMINATE the OATH OF OFFICE.

203 They do not want the conscience bound to any oath.

204 Later that year, Kennedy was assassinated — November.

205 Todd and Lisa claim they are finding this throughout the Federal  
206 Govt. — almost every key player in the Deep State does not have a  
207 legal oath of office on file with the Federal Registry.

208 Even in the military, officers O6 and higher are missing their oaths  
209 of office: in the military? Really?

210 Even the federal courts are affected. The Chief Justice of the US  
211 District Courts, James B. Siler, has a defective oath of office on  
212 file. Todd and Lisa say they are having a difficult time finding a  
213 court presided over by a judge who has a proper oath of office on  
214 file!

215 The most common problem is the oath is missing notarization, or  
216 sworn affidavit. In many cases the language of the oath is  
217 changed—did I mention that the language is a subject of statute,  
218 but they substituted in their own stuff; it's like they are adlibbing  
219 their oaths of office.

220 And, another "by the way," a ceremonial swearing in DOES NOT  
221 COUNT LEGALLY, IT'S A FORMALITY. So when Myorkas was  
222 challenged to present his writ of quo warranto — proof of  
223 authority — and the Federal Registry stalled, and his office  
224 hemmed and hawed — and they finally got a response — an AP  
225 article covering his swearing in ceremony — that does not count.  
226 The fact is, this Satanist has no oath of office on file with the  
227 Federal Registry—NONE!

228 Kamala swore them all in. Every one of them switched the wording  
229 on the verbal reciting; she used an incorrect, inaccurate oath. I  
230 think Todd said she made the oath a question rather than a  
231 declaration? Maybe it was Lisa.

232 Now, we know these people are incompetent — but is there no one  
233 anywhere in the Bureaucracy that knows what the rules are and is  
234 superintending this? Here is something I know about bureaucrats  
235 — they are bull dog fastidious about the "rules." Rules and  
236 procedure is their entire LIFE! They are also career minded! If you  
237 find a bureaucrat going squirrely with the rules, you have a  
238 bureaucrat protecting their career—from someone over them that

239 has an agenda! Bet on it! It's a sure thing. No way there is not one  
240 bureaucrat in the Federal Registry who is fully aware of this,  
241 irritated by it, but whose concerns are suppressed. They know the  
242 legal significance of a failure to file a proper oath of office. I'm done  
243 playing this "what a coincidence" game!

244 At what point does "coincidence" equal "criminal conspiracy"?

245 Todd said yeah, maybe one person maybe fails to get his or her  
246 oath notarized, and he suggests that however, when you have a  
247 pattern involving literally every key Federal appointee, extending  
248 into the military, then you begin to be concerned about treason, he  
249 reasoned: IF EVERYONE IS MISSING THEIR OATH OF  
250 OFFICE, THERE IS NO PROOF OF DUTY —

251 IT'S A DODGE — THEY CAN'T HANG FOR TREASON IF  
252 THEY NEVER DECLARED AN OATH, SO THEY CAN ONLY  
253 BE HELD ON IMPERSONATING AN OFFICIAL.

254 But, I have a couple of questions about this. First, I understand  
255 bureaucrats and bureaucracy — I've dealt with them and so have  
256 you. Every bureaucracy has persons specifically positioned to  
257 watch for exactly this sort of thing — a signature is missing, a  
258 notary is missing, an affidavit is missing, the language is wrong —  
259 these people are tasked with making certain every i is dotted and  
260 every t has a properly positioned cross bar. There is no way this  
261 many cases of sloppy record keeping goes this long unless it's by  
262 DESIGN!

263 I want people in uniform to understand that while they are  
264 working under an oath, those leading them ARE BOUND TO NO  
265 OATH.

266 So you have 1.4 million people ordered to take a jab. It was an  
267 illegal order. Someone not bound by any oath gave this illegal  
268 order.

269 Myorkas is engaged in acts of treason, and should be prosecuted  
270 and tried for treason — but, according to Todd, without an OATH  
271 of OFFICE, all you can get him for is impersonating an official.

272 Well, I suppose that's the argument they will use, but that won't  
273 work — remember Nuremberg, I was doing my duty did not cut it.  
274 Participating in human, weapons, and drug trafficking under color  
275 of law for the benefit of a foreign power is treason—period!

276 Okay, need to wrap up this point. If we can't get redress before our  
277 courts, where do we go — go to a state that IS LEGITIMATE.

278 Todd mentioned Col. Pete Chambers, in Texas, but the only Col.  
279 Pete Chambers I found is filing suit against the government for  
280 drumming him out of the National Guard because after  
281 experiencing vaccine injury himself, he warned fellow soldiers of  
282 the potential negative side effects of the vaccine.<sup>1</sup> So, I don't  
283 understand how this Col. Chambers could deputize someone to  
284 arrest these people. Frankly, this was something that caused me to  
285 pause and think, is this whole thing a red herring? It could be! It's  
286 that crazy out there.

287 But, according to Todd, the friends of our liberties are working on  
288 a way to begin challenging the authority of these renegade federal  
289 employees and start making arrests RIGHT NOW!

290 He sid, "We are going to find out who has the oath and who does  
291 not — we will NAME and SHAME."

292 Articles of surrender to China have already been drawn up in  
293 anticipation of a formal surrender to CCP. Do a search on Articles  
294 of surrender to China, and see what you get. Yikes! Here are a few  
295 articles you should read: "Should we surrender to China now to get  
296 it over with?"<sup>2</sup> "America surrenders to China."<sup>3</sup> "China is preparing

318 puts us on a self-destruct mode, exactly as planned in the  
319 Communist Manifesto I mentioned earlier.

320 Biblical culture is misunderstood and misrepresented by many  
321 who call themselves Christian. I'll have time for only one example.

322 Former U.S. Senator for Missouri from 2007-2019 DEMONCRAT  
323 Claire McCaskill says, “Jesus would not support ‘everyone walking  
324 around with weapons of war.’” I don't know if McCaskill claims to  
325 be a Christian, but she sure does like to use the Bible to support her  
326 wicked perverse notions — like same sex marriage,<sup>10</sup> and gun  
327 control.<sup>11</sup>

328 This is because Jesus was a PEACEFUL MAN, and said, “I believe  
329 very firmly that Jesus would be shocked at what our country is  
330 allowing to happen.”

331 Of course, their understanding of Who Jesus is comes from the  
332 world and not from the WORD. Jesus said God created man male  
333 and female, and commanded that the man would cleave to his wife  
334 — (Matthew 19:5). And Jesus told His disciples to get “a gun” boys!  
335 Luke 22:36-38

336 Luke 22:36 Then said he unto them, But now, he that hath a purse,  
337 let him take it, and likewise his scrip: and he that hath no sword, let  
338 him sell his garment, and buy one.

339 Luke 22:37 For I say unto you, that this that is written must yet be  
340 accomplished in me, And he was reckoned among the  
341 transgressors: for the things concerning me have an end.

342 Luke 22:38 And they said, Lord, behold, here are two swords. And  
343 he said unto them, It is enough.

344 However, some elements of biblical culture continue to prevail —  
345 and it's mostly in the area of NATURE.

346 The LGBTQ thing is just not taking hold in the general public, and  
347 not even among our youth.

348 Americans are not buying!

349 Here is a story of some boys a Lakeridge High School in Lake  
350 Oswego, OR that demonstrated their protest against placing  
351 feminine products in their designated restrooms.

352 They vandalized, repeatedly vandalized, these machines — In a  
353 message to the parents, the school wrote: “In the last weeks, we  
354 have been combating vandalism in the boy's bathrooms. Students  
355 have been taking the tampon dispensers down and placing them  
356 inside the toilets. We would like your help in stopping this form of  
357 vandalism.”

358 Oregon House Bill 3294 is called the Oregon's Menstrual Dignity  
359 Act. It passed into law in 2021. It requires all schools to provide  
360 “menstrual products in gender-neutral, male and female  
361 restrooms.”

362 Looks like we might have begun to cross the line into TEA PARTY  
363 reaction to these stupid, intrusive, insulting laws coming from the  
364 WOKE JOKE.
