

Brain Massage®: Show No. 937 With Guo, I Call For the Chinese Communist Party to Return Governance to the People / Voting Machines, Digital Currency, The All Seeing-Eye

Dr. Jerry Scheidbach

Original Air Date: 06.10.23

1 Segment.01 Hello. I'm Dr. Jerry Scheidbach, pastor of the
2 Lighthouse Baptist Church in Santa Maria, CA—and your brain
3 masseur—get ready for your brain massage.
4 I'm on vacation, enjoying some down time, de-stressing, and
5 celebrating our 50th anniversary. My assistant pastors are covering
6 my pulpit this Sunday — I'll be back in the saddle beginning this
7 coming Wednesday at 7 pm, with some very important
8 developments in our ongoing war between the SPIRIT of JESUS
9 CHRIST against the spirit of antichrist over the future of liberty in
10 America, and the world. So, let's relax a little. Shall we?
11 Years ago, we created the bumper for this show, "Persons listening
12 to this show, should experience varying degrees of Euphoria, and
13 might radiate a warm glow of truth from their entire being. This
14 phenomenon sometimes lasts hours after a typical brain massage.
15 If you are listening with another lights on listener, and they begin
16 to glow, don't be concerned, this is a phenomenon normally
17 associated with Pastor Scheidbach's patented brain massage
18 technique, and merely means the truth has set them free."
19 By the way, "patent" is used here not in the sense of some
20 recognition by any secular government authority, but as
21 recognized and licensed from the KINGDOM AUTHORITY OF
22 CHRIST!
23 So, where did the Brain Massage thing come from?
24 When I was professor of theology at my undergraduate alma
25 mater, I walked up on a group of my students gathered at the
26 classroom door before class. I overheard one of them say, there's
27 Scheidbach; it's time for our brain massage. I was intrigued. When

28 we got settled into class, I asked the men about the comment.
29 Laughter rolled across the class of something like 30 students, and
30 one explained, "Yeah, your classes are like getting a brain massage."
31 Another piped up and said, he sometimes he felt like his brain just
32 got bludgeoned. A few others laughed in agreement—so we chatted
33 a bit about it and I must say it was very rewarding to hear my
34 students express their satisfaction with my lectures and how
35 although they were challenging, they found them helpful to grow
36 in their understanding of Scripture. From then on, when I started
37 my class, I would often say, "Okay boys, it's time for your brain
38 massage."

39 I began using this for my radio show way back — I think pretty
40 close to the beginning, which goes back to about 1998-1999. When
41 9-11 happened, the format changed dramatically and became what
42 you all know and love as The Brain Massage® show. I would often
43 tease about how I was about to massage the gray matter,
44 stimulating the norepinephrine neurotransmitters to leap the
45 synapse gaps stimulating insight — and so on! Some of you might
46 remember that. I talked about loosening the knots in your head
47 that impede clear thinking, and on and on! It was fun! But that was
48 before matters got so serious, and for some years now there has
49 been less and less time to play around with my time on the show.

50 Now, the backstory to my INTRO and then later, the SCIENCE OF
51 THE BRAIN MASSAGE.

52 Some listeners from Lompoc came to visit the Lighthouse about 15
53 years ago. After the service, they approached me to tell me this
54 story. I trust I'll remember it correctly! They were driving together
55 to do some grocery shopping, and caught my show on their
56 radio—this is when I aired on Tuesday leading in to the Dr. Laura
57 show. They were stunned to hear a preacher talking like I do on
58 secular radio, and got excited! They testified they could not stop
59 listening, and pulled into the parking lot stall at their store, and

60 could not leave the car, both were transfixed by the message.
61 According to their testimony, they sat, listening in silence, and
62 when it was over, they looked at each other and noticed they were
63 glowing with excitement. Well, thinking about their testimony, I
64 hammered out the SCIENCE of the BRAIN MASSAGE.
65 Here it is!
66 [THE SCIENCE OF THE BRAIN MASSAGE]
67 Thank you, all of you that have encouraged this effort over the
68 years. Regularly, we receive testimony from listeners here in our
69 Santa Maria community, and from as far south as Solvang, west as
70 far as Lompoc, and north as far as San Luis Obispo, encouraging us
71 in our effort to bring biblical insight into political-social issues.
72 The Lighthouse is going to host a LIGHTS ON BANQUET —
73 many of you probably remember when we did that once every year
74 a while back. In view of the important upcoming election, 2024, we
75 are going to host a special LIGHTS ON BANQUET — with our
76 special drawing for the GOD AND GUN CLINGERS HOME
77 DEFENSE KIT — a beautiful genuine-leather bound Bible and a
78 GUN — maybe we'll go with an AR this time! We'll see! We've
79 done an AR, a Mossberg shotgun, I think we gave away a
80 Winchester double action once, a few handguns too. We also lay
81 out an excellent meal, Santa Maria style Tri-Tip with all the fixins
82 — prepared by some Santa Marians who understand how Santa
83 Maria trip-tip is supposed to be seasoned and prepared — along
84 with a desert prepared by Emily and Bree, amazing bakers. Also, I'll
85 present a live Brain Massage show. We have planned it for
86 MONTH, 2024.
87 I'll let you know when we open registration. You will want to
88 register early; seats are limited.
89 Okay, let's start your massage!
90 [TRUTH]

91 J6 Political Prisoners must be released! No government so inept,
92 and lazy they can't do the simple work of rounding up who placed
93 the alleged "pipe bombs" has any business investing so much
94 aggressive work in rounding up grandmothers who attended a
95 perfectly legal protest. Now that the videos have been released, WE
96 KNOW WHAT YOU DID, nasty Nancy! You purposely refused
97 Trump's recommendation to send in National Guard, and
98 deployed your own Capital Police, who WAVED THE
99 PROTESTORS into the Capital — *waved them in!* And now your
100 FBI is, like hounds, scouring surveillance video for any face they
101 can match to a name and address, and going after them — oh,
102 except for one. Mr. Epps — literally caught on camera inciting the
103 crowd to enter the Capital — agitating them — Mr. Epps, whose
104 face appeared on the FBI "most wanted" and then, mysteriously,
105 disappeared, and so we wonder, was he an FBI plant — but we are
106 told, "Mr. Epps" is not associated with the FBI — SO WHY IS HE
107 NOT SITTING IN A CELL NEXT TO ANY ONE OF THE
108 OTHER 1000 PEOPLE facing riot charges — HOW DARE YOU,
109 nasty Nancy — call the J6 protests "dangerous," and an
110 "insurrection," when you arrogantly looked down your nose at those
111 of us concerned when Antifa and BLM were burning buildings,
112 and killing people — all while the Capital Police, and the FBI, and
113 the DC city police are so inept, or debauched, incompetent, or
114 debased, amateurish or compromised, simply useless, or just plain
115 evil—to BOTHER GETTING TO THE BOTTOM OF WHO
116 PLANTED THE BOMBS — NANCY! Who planted the bombs on
117 J6 — by far the most aggressive and concerning event of that day
118 — WHO PLANTED THE BOMBS, Nancy; hey Bowser, DC
119 Mayor, who planted the bombs at the Capital on Jan. 6? Where are
120 they! What has been done to apprehend these dangerous people?
121 Hey Christopher "Lost his" Wray — WHERE ARE THE PERSONS
122 RESPONSIBLE FOR PLANTING THE BOMBS AT THE
123 CAPITAL DISCOVERED ON J6?

124 No government so incompetent can be trusted with something so
125 vital to our peace and liberty as JUSTICE. Resign today!

126 And while I'm at it — Julian Assange, and Miles Guo must be
127 exonerated as heroes of FREEDOM — JOIN THE CALL to BRING
128 DOWN THE DEEP STATE and the CCP.

129 For years now, I've been praying GOD would drop the HAMMER
130 of HIS WORD upon the Satanic stronghold of the RED DRAGON
131 INSPIRED CCP over the Chinese people. Why anyone here ever
132 thought it was a good idea to engage with the Chinese Communist
133 Party in trade, or in anything else, while turning a blind eye to the
134 torture they inflicted, and continue to inflict, upon Christian
135 people, and other unthreatening groups they identify as "terrorists,"
136 because they disagree with Xi, or with Communism — the liberals
137 howled about buying diamonds mined by slave labor in Africa —
138 but they are totally okay with taking CCP money knowing they are
139 supporting a regime that holds more than 1 million political
140 prisoners, they deport dissidents to concentration camps, they
141 deny freedom of conscience and religion, they impose coercive
142 population control including forced abortions and sterilization,
143 and involuntary implantation of birth control. From our own US
144 Department of State site (www.state.gov), you find the following
145 assessment of the CCP abuse of human rights:¹ (I highlighted those
146 chargeable against the US)

196 Often I have opened my atlas to China, laid my hands over that
197 land, and wept for the Chinese people to be FREE. Since 2008 or
198 thereabouts, when the DEEP-STATE-DRAGON was spotted
199 swimming in the DC SWAMP,^{20 21} I have been praying GOD
200 would destroy the Satanic stronghold that supports the antichrist
201 spirit that pervades our government. When I get back to my pulpit,
202 I'm bringing a message on the DIVINE promise I'm claiming for
203 my country, and why I think GOD will INTERVENE to save this
204 once great nation under GOD.

205 Okay, hold on through the break. I'll be right back!

206 Segment.02 Hello. Welcome back! I'm Dr. Jerry Scheidbach, pastor
207 at the Lighthouse, your brain masseur, and Paul Revere's lantern
208 lighter, lighting the lamps in the church belfry arch, signaling the
209 enemy is on the march, an enemy that would steal from us our
210 liberty.

211 In segment 1, I posited a question: why would the Deep State
212 shadow government operating in America want to cow-tow to the
213 Chinese Communists? Here is the answer, plain and simple: they
214 are a pack of Communists, Marxists, and they are working for
215 China to bring America to its knees to their Chinese masters. Not
216 on my watch!

217 Tucker's first Twitter-cast pulls down 27 million views in first four
218 hours of posting, as of D-Day, he hit 75 million. Or was that the
219 day after D-Day? Heh, heh! Way to go Tucker! Next, I hope he
220 brings out the newest revelations about Biden's influence peddling
221 scheme while VP. Yeah—we have what some are calling the
222 smoking gun evidence that Biden was personally involved in
223 setting up the Ukraine operation — the "big guy" was "hands on"!²²

224 ²³ (Looking at the Biden mug shot used for this article (Ibid, FN
 225 22). Don't be fooled by the pathetic, innocent lost little boy game—
 226 you are being played. This man is a devil! He is full of hatred, and
 227 spite for anyone that gets in his way! He is full of Satan!)

228 Funny thing happened at PBS lately. During airing of Biden's
 229 commencement address at the Air Force Academy, suddenly, the
 230 PBS feed switched to Trump talking about mail-in-voter fraud, and
 231 warning that elections have consequences.^{24 25} What are the
 232 chances that someone oopsed that one? Probably the same chances
 233 that Biden got 81 million votes in 2020.

234 Millions of Americans now believe Democracy is in danger in
 235 America, and most believe fraud impacted the election in 2020.²⁶
 236 This is in large part thanks to heroes like Mike Lindell, David
 237 Clements, and Joe Oltmann. And now Steve Bannon is weighing
 238 in.

239 David Clements (the election integrity "HAMMER") gets on War
 240 Room with Steve Banon, and demolishes the myth that
 241 conservatives can win in 2024 if only we will go all in for mail in
 242 ballots and harvesting. Charlie Kirk and company has been duped,
 243 or they are duping conservatives with hopium! The very thing
 244 Charlie attacked others for.

245 As Oltmann says, almost daily, you cannot out vote the machines.
 246 The evidence for the machines being central to the election fraud
 247 scheme, the one that Biden said was the most sophisticated ever —
 248 yeah, he said that — but playing his buffoon act, his "I'm too pitiful

250 any attention.

251 Watch 2000 mules — pay attention: the machines cannot be
252 connected to the Internet, it's impossible — yeah, well, the
253 machines can be connected to the Internet but they aren't because
254 that would be illegal, to PROOF POSITIVE the CCP has been
255 connecting to our voting machines. We know votes have been
256 manipulated within the machines.²⁷ Dude — come on, Man! No
257 body does that little dance, *the machines cannot be connected*, to
258 *the machines could but would not be connected* because, you know,
259 that would be wrong — to crickets when you ask why then does the
260 manual for Dominion provide instructions how to connect, and,
261 by the way, WHO WOULD MAKE A VOTING MACHINE
262 VUNERABLE TO BEING HACKED AND MANIPULATED?
263 These jokers re LYING THROUGH THEIR IMPLANTS. But they
264 need the machines to pay off political assets, like Pence.

265 Traitor-Pence to throw his "hat into the ring." He figures if Biden
266 can pull it off! Besides, "they" owe him big time for playing
267 ignorant and helpless to DO WHAT WAS RIGHT TO BE DONE
268 on Jan. 6 — let me ask you a question. If you are told you have a
269 job to do, and that is to certify the vote tallies collected from the
270 States, and then say, the only option you have is to make the
271 certification — you are a rank, foul, stinking liar and you know it!
272 That would be the stupidest thing to give a person the job to certify
273 and essentially say, you are nothing but a rubber stamp, you have
274 no choice but to certify. There is an express provision for raising
275 legitimate questions and calling on the College to pause while those
276 questions are addressed — there is even precedent for this! Pence is
277 a liar! He wanted to go all the 25th on President Trump but did not
278 think those pushing for it were "tough enough." Here is a clip of
279 Pence receiving an email calling on him to invoke the 25th, and he

 282 is a weasel! But the Deep State needs him, or someone of his low
 283 character that they can control! And, he did do them a big favor,
 284 you know. So!

285 Tedros, one of Nimrod's puppets, introduces Digital Vaccine
 286 Passports,²⁹ and the plan to use this technology to bring everyone
 287 under the oppressive surveillance of the EYE — the World Health
 288 Organization plans to usurp power over all sovereign nations in
 289 the event of a *plandemic*, that the Communist at the UN can
 290 declare!³⁰ Of course, all the "Fact Checkers" assure you there is
 291 nothing to fear, Biden is not signing over US Sovereignty to the
 292 World Health Organization. And everybody is lining up for that
 293 one who believes Biden got 81 million votes, more than Obama,
 294 more than Hillary — more than TRUMP, whose rallies drew tens
 295 of thousands compared to Biden's which drew tens — !!!! Trump is
 296 the only President in something like forever that got 10 million
 297 more votes in his second run than in his first. ONLY A MORON

 305 it was small pox. It was ravaging the world! Our leaders made NO

306 PROVISION for any suspension of human rights during a

308 Have you heard about the Executive Order Biden signed to move
309 forward with plans to convert us to a digital currency?³³ This very
310 easily is turned into a tool for surveillance, watching every move
311 you make that involves any financial transaction.

312 Maybe it's a good idea to listen to the Brain Masseur. He is the guy
313 that said voting machines would one day be coopted by wicked
314 people who will use them to steal elections. I said that in 1974,
315 when Direct Recording Electronic Voting machines were
316 introduced into use for elections in CA.^{34 35} You won't be surprised
317 to discover CA led the way into using the first optical scan system
318 for ballots in America — it was called "mark-sense ballots" and
319 introduced in Kern City, CA in 1962, or was that 1964? That was
320 not exactly a computerized system for voting — but it opened the
321 door. By 1974, we went into computerized voting, and I called it!
322 Listen! If the US goes to a digital currency, it's only a matter of time
323 before "they" start using it for general surveillance. We will follow
324 China, who is already connecting their digital currency to their
325 social credit scoring system.

326 You've seen on the dollar bill the capstone with the all Seeing Eye
327 floating over the unfinished pyramid — was this an intended, or
328 perhaps an inadvertent prophecy that "they" would watch us
329 through our currency?

330 Hmm, I sense a message developing on this coming to the
331 Lighthouse very soon!

341 I'm on vacation, enjoying some down time, de-stressing, and
342 celebrating our 50th anniversary. My assistant pastors are covering
343 my pulpit this Sunday — I'll be back in the saddle beginning this
344 coming Wednesday at 7 pm—and like John came in the "spirit and
345 power" of Elijah — I'm coming home in the spirit and power of
346 NEHEMIAH! Heheh.

347 Where did the Brain Masseur come up with the LIGHTS ON,
348 LIGHTS OFF thing?

349 Thank you, all of you that have encouraged me over the years.
350 Regularly, we receive testimony from listeners here in our Santa
351 Maria community, and from as far south as Solvang, west as far as
352 Lompoc, and north as far as San Luis Obispo, encouraging us in
353 our effort to bring biblical insight into political-social issues. When
354 I travel, I am always happy to meet people who catch our show
355 online through our podcast.

356 There are lights-on listeners, and lights off listeners. Where did
357 that come from? In the very early days, I did the show live. Once I
358 got excited about a point I was making and said, "that should get
359 the lights on out there." The station got a bunch of calls from
360 people listening while driving saying, "tell the preacher I've got my
361 head lights on" — they received several of these and so I started

362 using that in my show: LIGHTS ON, or LIGHTS OFF, give me a
363 call. Well, we are going to host a LIGHTS ON BANQUET — but
364 even lights off listeners are welcome!

365 In view of the important upcoming election, 2024, we are going to
366 host a special LIGHTS ON BANQUET — AND we'll include our
367 popular drawing for the GOD AND GUN CLINGERS HOME
368 DEFENSE KIT, Pat at Pat's Automotive here in Santa Maria has
369 provided for this special drawing in the past — a beautiful genuine-
370 leather bound Bible and a GUN — maybe we'll go with an AR this
371 time! We'll see! We've done an AR, a Mossberg shotgun; I think we
372 gave away a Winchester double action once, a few handguns too.

373 We also lay out an excellent meal, Santa Maria style Tri-Tip with
374 all the fixins — prepared by Lou Silva of Have It Wired, an original
375 Santa Marian who understands how Santa Maria trip-tip is
376 supposed to be seasoned and prepared — along with a desert
377 prepared by our own Emily and Bree, amazing bakers. And, of
378 course, I'll present a live performance of the Brain Massage show.
379 We have planned it for 2024.

380 I'll give you the dates and let you know when we open registration.
381 You will want to register early; seats are limited.
