

Brain Massage®: Show No. 938 You Are Not A Rock-Fish / Biden's Burisma
Burden Blowing Up In His Face / Those Who Delight In War - No More!

Dr. Jerry Scheidbach

Original Air Date: 06.17.23

1 Segment.01 Hello. I'm Dr. Jerry Scheidbach, pastor of the
2 Lighthouse Baptist Church in Santa Maria, CA—and your brain
3 masseur—get ready for your brain massage.

4 A Lights On Banquet is planned for 2024 — date to be announced.
5 In view of the important upcoming election in 2024, we are going
6 to host a special LIGHTS ON BANQUET — AND we'll include
7 our popular drawing for the GOD AND GUN CLINGERS HOME
8 DEFENSE KIT, Pat at Pat's Automotive here in Santa Maria has
9 agreed to help with this project — the winner will receive a
10 beautiful genuine-leather bound Bible and a GUN from Range
11 Master in SLO — We've given away an AR, a Mossberg shotgun; I
12 think we gave away a Winchester double action once, a few
13 handguns too. Maybe we'll go with an AR this time! We'll see! Lou,
14 of Have It Wired will be preparing the Santa Maria style Tri-Tip
15 dinner with all the fixins — Lou Silva is a native Santa Marian who
16 understands how Santa Maria trip-tip is supposed to be seasoned
17 and prepared — along with a desert prepared by our own Emily
18 and Ociel and Bree with 805_cookhouse, amazing bakers. Also, we
19 will add a new sponsor: Central Coast Alternative Therapeutics &
20 Rejuvenation, with Physician Assistant, Sarah Green, whose
21 faithfulness to her oath, and courageous stand was blessed to save
22 2000 lives during the COVID thing — Sarah services patients all
23 over the Central Coast, and has offered to join our team of
24 sponsors for the 2024 LIGHTS ON BANQUET — welcome
25 aboard! And, of course, your beloved Brain Masseur will present a
26 live performance of the Brain Massage® show. We have planned it
27 for 2024.

28 I'll give you the dates and let you know when we open registration.
29 You will want to register early; seats are limited!

30 It's great to be home. We had a great time celebrating our 50th —
31 started in Kentucky at the Ark Encounter — if you have not seen
32 this start making plans — it's awesome! Then we went to the
33 Grand Canyon South Ridge and enjoyed stunning views—it's really
34 impossible to capture the majesty of this place in a photo. You've
35 got to be there, and I recommend Yaki and Kaibab — where you
36 can get fully immersed in the Canyon scene. I did not have time to
37 follow Kaibab trail to the river — but I hiked down about a mile
38 past Ooh Ahh Point and back, a total of over 5 miles, all well within
39 two hours, never lost my legs and did not have to start short rest
40 breaks until about half way back up the trail — I didn't know the
41 squirrels are the most fierce creature in the canyon — no, really! So
42 when I sat in a bit of shade I found for a breather, and a squirrel
43 introduced himself to me, I didn't know any better than to
44 welcome the acquaintance, and chat a bit! The little fellow walked
45 up to me, literally sat down beside me like we were buds! We
46 exchanged a few words, he scampered to my foot and wriggled
47 about in the dirt there, looked up at me, and, very dutifully, looked
48 both ways before darting off across the path and into the canyon.
49 It's probably good that I did not have any food to share with him. It
50 might have gotten ugly! Like those cute little children in Galaxy
51 Quest¹ — you know, the cherub like children that draw you in with
52 a whole lot of cuteness, and then, when food appears, they become
53 "blue demons." That's what happens to these little Bob Ross cuties
54 on any Canyon trail.

55 Anyway, we wrapped up our journeys in Monterey for a few days
56 to wind down — enjoyed the aquarium, until, watching the feeding
57 event, the hostess started pushing the hey kids, *sex change is*
58 *natural — let me tell you about a fish that began as female, but*
59 *decided it would serve its interests better as a male* — what she did
60 not clarify is that THE FISH DID NOT NEED AN OPERATION

¹ 938.0.2-Blue Demons _ Galaxy Quest Wiki _ Fandom https://galaxyquest.fandom.com/wiki/Blue_Demons

61 — IT DID NOT REQUIRE ANY SURGERY — IT DID NOT
62 HAVE TO TAKE ANY HORMON THERAPY — Oh, and this
63 little distinction — hey kids, none of you is a hermaphrodite
64 ROCK FISH.^{2 3 4} It's like that Queer tripe about male Sea Horses
65 getting pregnant that got popular a while back — you know that
66 male Sea Horses carry their progeny in a sack designed by the
67 creator for this purpose.⁵ The female produces the egg and the
68 male the sperm, but the female deposits here eggs into this pouch
69 on the male rather than the male depositing his sperm into the
70 female. Once again, NO SURGERY or HORMONE THERAPY
71 required.

72 And here is something else — the Rock Fish, and all the other 499
73 species of fish that do this gender change thing, has it coded into
74 their DNA. It does not have to alter its DNA, got that? It's in their
75 natural DNA—the Sea Horse does not have to alter its DNA from
76 male Sea Horse to female Sea Horse. But in humans it's different,
77 like so many other things are different between humans and fish —
78 in humans, male and female distinctions are coded IN THEIR
79 RESPECTIVE DNA. No matter how many operations a guy has to
80 make himself appear to be a girl, HIS DNA SAYS HE IS MALE.

81 So, I guess the day some guy naturally transforms into a female—
82 right—he goes to bed a male, and when he wakes up, and heads to
83 the restroom, it's all like, what happened? Or the day some guy
84 discovers a pouch on his tummy, and says, what's this, and a
85 woman discovers a way to deposit her eggs into that pouch—well,
86 you get the idea—you understand what I'm telling you? Friend, if
87 you check the DNA of that dude, it will be seen IT'S NOT

88 HUMAN. Human DNA does not have this feature. It'll be
89 something created in a Wuhan Lab — or something! It'll be some
90 synthetic robot-human tranny thing! Like Biden's doppelganger!
91 Do they glue his ear lobes down for Biden 2 and then unglue them
92 for Biden 1? How do they do that? They trot out Biden one to make
93 Naziesque speeches about the danger of normal God-fearing
94 Patriotic Americans — fierce, formidable, menacing — then they
95 roll out the clown, the buffoon, the clumsy, empty eyed, pathetic
96 Biden 2 that no one pays any attention to, that everyone ignores,
97 dismisses as irrelevant—so he gets away with revealing stuff like,
98 well, you remember when he told us the Demoncrats had put
99 together the most sophisticated election fraud machine ever
100 contrived by man!

101 Anyway, a rockfish changing gender or a male Sea Horse carrying
102 progeny to term are not the only things different about rockfish
103 and Sea Horses from humans. A human male can no more become
104 a human female than a man can become a FISH!

105 But this sort of common sense based on real science does not come
106 up in a conversation with idiots! So, in the Spirit of Proverbs 14:7,
107 which says "Go from the presence of a foolish man, when thou
108 perceivest not in him the lips of knowledge" we left the aquarium.

109 Okay, so, what's on the agenda for today?

110 Biden's troubles just keep getting worse! The more "they" try to
111 burry Trump, the deeper they dig Biden's political grave. So, the
112 latest revelations exposing the Biden crime family!

113 And then, let's take a look how the world has successfully warped
114 Christian culture — yeah! The culture of many churches today is
115 literally defined by the world and not by the WORD. And, by the
116 way, there is serious danger this is showing up not only in the
117 outrageous examples of those "churches" that are inviting Drag
118 Queens to perform for their worship services and putting these

119 perverts in front of their Sunday School classes — this is a
120 phenomenon that's showing up in some Evangelical Churches that
121 would consider themselves "conservative."

122 Okay, my friend — it's time for your Brain Massage.®

123 [TRUTH]

124 Hmm. I got carried away with my trip report, I used too much of
125 my first segment time — so, let's go ahead with the break now, and
126 save what time is left here for the second segment.

127 Hold on! I'll be right back!

128 Segment.02 Hello. Welcome back! I'm Dr. Jerry Scheidbach, pastor
129 at the Lighthouse, your brain masseur, and Paul Revere's lantern
130 lighter, lighting the lamps in the church belfry arch, signaling the
131 enemy is on the march, an enemy that would steal from us our
132 liberty.

133 It comes out that Biden actually arranged to have Hunter put on its
134 board. A trusted FBI asset for 30 years informs us that Joe and
135 Hunter "coerced" Burisma founder, Mykola Zlochevsky, to pay
136 them 10 million dollars in bribes for *services rendered*.⁶ Apparently,
137 the *services rendered* involved arranging to have Ukraine Chief
138 Prosecutor Viktor Shokin fired and a prosecutor friendly to
139 Burisma put in office to take his place. Yeah, this is that deal Biden
140 openly brags about. You know Shokin was investigating Burisma,
141 and you remember that is the company Joe's favorite son, Hunter,
142 was hired at a cost of, what was that, over 80k a month?

143 So now we find out that the foreign agent who set this up with
144 Biden was, and perhaps still is, an agent of the Russian intelligence
145 service (SVR), and it turns out that he recorded his conversations
146 with Hunter and with Joe.

⁶ 938.11.1-FBI Source_ Bidens 'Coerced' Burisma To Pay \$10 Million In Bribes <https://thefederalist.com/2023/06/15/the-bidens-coerced-burisma-to-pay-10-million-in-bribes-says-credible-fbi-source/>

147 Senator Chuck Grassley offered some insight into this mess.⁷ He
148 was told about the existence of an FBI human source document
149 filed as FD 1023 — this is a form used by the FBI to document
150 testimony from a confidential human source (CHS). This
151 confidential human source revealed the Biden bribery game—a
152 scheme to provide political influence to assist Burisma in a
153 problem they were having with an aggressive Ukrainian
154 Prosecutor, named Viktor Shokin.

155 Director "lost-his" Wray was asked to release the document and
156 balked, and essentially refused. Grassley and Comer were about to
157 censure Wray for contempt of Congress, when Wray decided to let
158 Congress see the record, but would not release it to their custody.
159 The FD 1023 Wray showed to Congress was heavily redacted.
160 Now, this was an unclassified document to begin with—and it was
161 being revealed in private session to members of Congress in a
162 classified facility—why would this document need to be redacted?
163 The answer is obvious! They are doing everything they can to slow
164 walk this, to resist every step of this investigation, and yield only
165 what they absolutely have to — the only way this will get done is to
166 start axing these bureaucrats, like Wray, who think they are above
167 Congress and above the Law. (I am aware, by the way, of the theory
168 that Wray is an undercover Trump operative and these antics are
169 intended to protect his cover! Just so you know!)

170 It's beyond suspicious that on the same day this document was
171 reluctantly revealed but not surrendered to the Congress, the
172 Department of *in*Justice announced that President Trump had
173 been indicted and charged with 37 crimes relating to his alleged
174 mishandling of classified documents.

175 As long as Garland runs the DOJ, it will be the Department of
176 Injustice! The alleged "crimes" Garland alleges against Trump, are

177 the same things Hillary and Biden actually did commit. And,
178 Grassley complains, still, Congress is obstructed from getting to the
179 bottom of all this because the Biden Guard — the Deep State
180 apparatchiks — the Communists loyal to CCP and the Globalists
181 associated with the World Economic Forum — the people within
182 our government committing treason, and weaponizing our
183 institutions against the interests of the PEOPLE in service to
184 foreign interests, are the people Kash Patel is exposing in his
185 upcoming book: Government Gangsters. They tried to censor it,
186 but failed, and it's coming out! He NAMES names! He exposes who
187 are the rotten gangsters in our government, and exposes what
188 they've done, and explains what must be done to bring them to
189 justice: go to governmentgangsters.com. Some of these
190 Government Gangsters are holding Patel's manuscript and while
191 they are required to release it, they are slow walking this. Go to
192 governmentgangsters.com and push these crooks to release the
193 manuscript by buying an advance copy.

194 The foreign national involved in this Biden bribe scheme, an act of
195 TREASON, by the way, NONE DARE CALL IT ANYTHING ELSE
196 who wants to be HONEST — was none other than Burisma's
197 founder, Mykola Zlochevsky. And the whistleblower that exposed
198 all this was none other than his wife—who was lately found dead!
199 Yep — I think it was Appollo who suggested we start a suspicious
200 suicide list for Biden like we had for Clinton a while back —
201 remember that? All these enemies of Clinton found "suddenly and
202 suspiciously dead."⁸ The evidence includes 17 audio recordings, 15
203 between Zlochevsky and Hunter, and two with Biden.

⁸ 938.0.3-List of 71 Clinton Associates Who Died Mysteriously or Co... _ Minds.pdf <https://www.minds.com/newsfeed/1115257739767975936>

204 The information is trickling out, and as this continues the flow will
205 increase — the latest tidbit is that it turns out the Biden's coerced
206 Zlochevsky to pay the bribes.⁹

207 According to this confidential human source, Zlochevsky was
208 terrified Trump would instigate investigations into the Biden bribe
209 scheme, which was done during Obama's watch, by the way,
210 between 2015-2016.

211 US DOJ had copies of these recordings back in 2017 from a source
212 they considered "highly credible." And it turns out that Trump
213 knew about this, and knew that Biden had taken the bribes and was
214 on the take from Ukraine.

215 And here is what is really weird — you've heard of the Q drops,
216 often mistakenly referred to as QAnon. That's a misnomer — they
217 are Q drops, the Anon thing refers to those who were allowed to
218 post on the Q drops who were kept anonymous. Well this news
219 about Biden's Ukrainian bribe scheme brings Q back into the
220 conversation.

221 I looked into the Q thing deeply back in early 2021. I have a copy of
222 the complete Q drops—in fact, I did a show titled QAnon
223 Phenomenon. Go to brainmassage.net, click on Archives, and
224 search QAnon. You'll find it. Let's take a look at Q Drop number
225 4822.

226 Here it is, Q drop 4822 — from my own copy of the Q drops —
227 dated October 7, 2020 — that's before Jan. 2021 — right as the
228 campaign was reaching it's end game — and here is what you find:
229 “What happens if Biden became POTUS knowing he [through
230 Hunter +1] took massive amounts of bribes to change [LOOK
231 THE OTHER WAY] US policy towards Ukraine [IN FAVOR OF
232 UKRAINE]? Would Ukraine own and control the White House?”

⁹ <https://thefederalist.com/2023/06/15/the-bidens-coerced-burisma-to-pay-10-million-in-bribes-says-credible-fbi-source/>

233 What are we watching right now? Ukraine's president, Volodymyr
234 Zelenskyy, “owns” Biden. And, apparently, Biden is becoming
235 increasingly embarrassing, and an increasingly unnecessary
236 burden. Apparently, it has been decided to begin outing him. But
237 anyway ...

238 This Q drop demonstrates stunning prescience — and it baffles any
239 notion that this is not informed by some pretty serious intel!

240 Consider what is coming out — a trusted 30 years in service
241 informant comes across with these revelations re 17 audio
242 recordings made by the foreign agent who was working a BRIBE
243 scheme with Biden and Hunter — in which we are told the
244 Burisma CEO paid out a total of 10 million dollars to secure the US
245 VP’s assistance in getting a Ukrainian Prosecutor to back off
246 investigating Burisma — and the plan included getting Hunter on
247 the board, and Joe using the influence of his office to pressure then
248 Ukrainian president Poroshenko to fire Shokin.

249 Poroshenko attempted to get Shokin to back off the investigation,
250 but that did not work. So Joe threw down an ultimatum, fire the
251 guy or forfeit a Billion dollar influx of US dollars into Ukraine, and
252 bragged about it.¹⁰ See it here!

253 Now, all this happened while Biden was Vice President, the
254 bragging about it came later, but it happened during Obama's
255 watch and he knew about it—it remains to be seen if he profited
256 from it—but you are just now beginning to hear about all this, well,
257 many of you anyway—and yet Q drop no. 4822 dated October
258 2020 anticipated it! Even anticipated how Ukraine owns the White
259 House right now.

¹⁰ Hear Biden brag about this on a CFR (Council on Foreign Relations) panel on January 23, 2018:
<https://www.youtube.com/watch?v=VG0nAT9xOHk>

260 Those familiar with Trump's patterns of speech, how he phrases
261 thoughts, and expresses himself, will notice that the actual Q drops,
262 at the most prescient drops, sound a whole lot like Trump.

263 Listen to this: "What happens if Biden became POTUS knowing he
264 [through Hunter +1] took massive amounts of bribes to change
265 [LOOK THE OTHER WAY] US policy towards Ukraine [IN
266 FAVOR OF UKRAINE]? Would Ukraine own and control the
267 White House?"

268 And now look at what is being played out right in front of your
269 eyes.

270 This is the reason for the *timing* of this indictment and
271 arraignment — and it's the reason for it too!

272 But here is the real concern. And I'm coming up on my time limit,
273 so I'll have to wrap it up here.

274 Biden and the Deep State need WWII to divert attention from the
275 treason of the Bidens, Hillary, Obama, and a great many more —
276 who know they are about to get swept into the dust pan and
277 dropped into the trash — so they are desperate. They need a war to
278 galvanize Americans around a side issue so they can hide their
279 crimes in the smoke of a World War.

280 These crooks are aligned with those whose agenda has been
281 promoted in the smoke of war for many decades—even centuries
282 for some family dynasties. The Globalists have used WAR
283 repeatedly to push the world toward a one-world government, a
284 so-called, New World Order.

285 They want a federated union of western powers controlled by one
286 head that will dominate the geopolitical world—anticipating the
287 rise of the ANTICHRIST.

288 It's all about their hatred for GOD and for His Son, Jesus the
289 CHRIST, and Christ's disciples —

290 Satan accomplishes his purposes by stealing, killing, and
291 destruction — the three key elements of WAR! Those under his
292 influence DELIGHT IN WAR.

293 Those who are under the influence of the SPIRIT of JESUS
294 CHRIST delight in PEACE.

295 In Psalm 68, David, who was a man of war, cried to GOD “scatter
296 the wicked that delight in war.” He was a man of war, he shed a lot
297 of blood, but he never delighted in war. He said, "I am for peace:
298 but when I speak, they are for war" (Psalm 120:7).

299 Jesus warned us there would be wars and rumors of them. But this
300 is a prophecy, not a declaration of heaven's policy. Heaven's policy
301 for the earth was declared at Jesus' birth: "On earth peace, good will
302 toward men" (Luke 2:14). But since the beginning of sin, violence
303 and war has agitated the hearts of the wicked. It is way of satanists
304 — to advance their cause through war.

305 Pray with me that the wicked holding this country hostage to the
306 prince of the power of the air will be scattered before we are
307 dragged by them into the destruction, heart ache, and misery of
308 war!

309 Pray that the “sword” God commissioned to execute wrath on evil
310 doers (Romans 13:1-6) will be delivered out of the hands of these
311 wicked men in America, these Government Gangsters, who
312 “delight in war.”

313 Pray it is returned to the hands of the righteous, and that they will
314 be bold to turn that sword against the wicked for judgment to
315 restore justice in the land, and in the earth.

316 I believe God will intervene but I don't know how far the wicked
317 will push this before that happens.
