Original Air Date: 06.24.23

1 Segment.01 Hello. I'm Dr. Jerry Scheidbach, pastor of the  
2 Lighthouse Baptist Church in Santa Maria, CA—and your brain  
3 masseur—get ready for your brain massage.

4 The collapse of culture; it's something I've had on my list of things  
5 to talk about for a while, and we keep running out of time before I  
6 get to it — so, let's get to that today.

7 The Chinese are coming! Yeah, proof positive young Chinese men  
8 of fighting age are crossing our borders and evidence that this is an  
9 invasion. Ever hear of Michael Yon?

10 THIS SHOULD GET YOU INTO YOUR PRAYER CLOSET:

11 Bill Gates is traveling around the world right now meeting with  
12 foreign leaders regarding “health.” Oh, and a company he owns has  
13 received FDA approval to produce synthetic Chicken.

14 Two current trends that mark our movement into the end game of  
15 prophecy: forbidding marrying and commanding to abstain from  
16 meats.

17 Let's see, yeah, that'll get us started.

18 It's time for your brain massage.

19 [TRUTH]

20 Just returned from a Bible Conference for Solid Rock Baptist  
21 Church in Bellflower. The topic was why should believers hang on  
22 to their Authorized Version — aka, the King James Bible. I  
23 preached 13 messages on this topic and we had a fantastic time at a  
24 great church with a great pastor and his family.

25 And, by the way, please let me remind you to pray about  
26 contributing to the Sarah Green Legal Defense Fund. Sarah is a

27 medical professional, a PA, who took a courageous stand during  
28 the COVID *plandemic*. Bucked the “system” prescribed Ivermectin  
29 and saved more than 2000 lives. Your beloved brain masseur was  
30 one of them.

31 She is having to defend herself against allegations filed with the  
32 Medical Board and she has had to hire attorneys to defend her  
33 license to practice medicine in CA—we need her here, and she  
34 needs our help with the ever mounting legal fees.

35 Please make your check payable to Sarah Green, in the memo put  
36 LEGAL FUND, and send it to Sarah Green, 671 W. Teft Street,  
37 Suite 9, Nipomo, CA 93444. If you did not get that, just call the  
38 Brain Masseur at 1.805.314.2114 and let me know you want the  
39 address.

40 Okay, let's get started.

41 [GET READY FOR YOUR BRAIN MASSAGE]

42 THIS SHOULD GET YOU INTO YOUR PRAYER CLOSET:

43 Bill Gates is traveling around the world right now meeting with  
44 foreign leaders regarding “health.” Oh, and a company he owns has  
45 received FDA approval to produce synthetic Chicken. Yeah, they  
46 cultivate the tissue in a lab and I understand, like everything else,  
47 “it tastes like chicken.”

48 Do you want some chicken that was made in a laboratory by a guy  
49 who said he thinks the world is overpopulated and we should  
50 reduce the population by something like 10%. *Here you, take a bite;*  
51 *tastes just like chicken.* Uh, I'll pass!

52 This is the guy who told us, right out loud in front of God and a  
53 very enthusiastic audience that he was encouraged to believe his  
54 vaccines could help reduce the population and lessen the threat of

55 global warming!<sup>1</sup> And a Nigerian climate scientist has scolded  
56 Gates and Soros for using his country as their own private "climate"  
57 laboratory to "test their radical theories."<sup>2</sup>

58 So you have one of the richest, most powerful men in the world  
59 trotting about the globe with population control on his mind!  
60 Hmmm.

61 Of course, another way to control population growth is to  
62 encourage LGBTQ agenda and Transhumanism which includes an  
63 effort to produce babies outside of marriage — well, I guess that's  
64 been going on for a while now, but you know what I mean. They  
65 want to contrive a way to procreate without male to female union.  
66 Oh, and another way to do this is to replace women with robots!<sup>3</sup>  
67 What's with this deep hatred for women — trannies hate women,  
68 want to displace them by taking their place. Now we have these  
69 wicked people wanting to replace them with robots. Now they  
70 want to eliminate the role of women in procreation.

71 There are two current trends that, according to the Bible, mark our  
72 movement into the end game of prophecy: forbidding marrying  
73 and commanding to abstain from meats. How do they prepare  
74 society to accept the idea of banning marriage! Well, first, make it  
75 virtually meaningless, and then break down any notion of parental  
76 rights, break down the family by encouraging sex outside the  
77 marriage bond, then find a way to produce progeny without male  
78 female union, and simply eliminate the role of women in society —  
79 it's getting crazy friend. But that would be how to prepare people  
80 for simply outlawing marriage.

81 California is busy pushing the LGBTQ agenda. California Moves  
82 Toward Giving Therapists Unconditional Power To 'Emancipate'  
83 12 Year Olds From Their Parents, by Susannah Luthi, June 22,  
84 2023. Let's read a bit of this.

85 "California Democrats on Tuesday advanced legislation to let  
86 mental health professionals remove children from their homes and  
87 place them in state custody without parental consent.

88 "The Senate Judiciary Committee approved **Assembly Bill 665** on a  
89 party-line vote. The bill would allow poor children as young as age  
90 12 to check into state-run youth shelters on the unconditional say-  
91 so of a therapist or counselor.

92 "Ahead of the vote, dozens of Californians passionately testified  
93 against the bill, variously condemning it as 'emancipation of 12  
94 year olds,' 'heinous,' and 'dangerous.' But the bill's authors  
95 dismissed the concerns as 'misinformation' and 'lies.'"

96 Right! Anything the dictators on the left disagree with is  
97 *misinformation* and *lies*.

98 Wiener, probably the leading advocate for cramming LGBTQ  
99 ideology down the throat of the normals — I did not misspeak;  
100 homosexuality, and the whole gender confusion thing is abnormal  
101 — it's against nature. And that's a simple scientific FACT! If you  
102 need GOD to explain that to you, He does — in Romans 1:26-27.

103 Anyway, back to Wiener, he said, "This bill protects children. It  
104 makes children safer. It makes children healthier." No, Mr. Wiener,  
105 your Bill makes children less safe in California! This bill strips  
106 away another layer of DIVINELY ORDAINED protection for  
107 children—this bill is the latest evidence that the government,  
108 especially in California, has become predatory and our children  
109 their prey — this bill, and this entire movement is turning into the  
110 greatest danger our families and our children face today!

111 So one signal that we are moving into the end game of the end  
112 times is the attack on family as God defines it. Oh, and as our  
113 California Constitution defines it too, by the way. Remember Prop.  
114 8. But the Left has never let the Constitution stand in their way!

115 The second signal that we are moving into the end game of the end  
116 of the kingdoms of men on this planet is the command to abstain  
117 from meats. So, how do you do that?

118 Well, you start by teaching an entire generation of children that it's  
119 cruel to shoot Bambi! Slowly encourage the idea that killing  
120 animals for food is like cannibalism. It is curious, if you know the  
121 backdrop to the whole war between good and evil, that Satan, the  
122 arch-enemy of GOD and of man, is identified with the animal  
123 kingdom — he is depicted in the Bible as an OX and a GOAT —  
124 the BAPHOMET is a goat headed gender blended man/woman  
125 and represents Satan, whose proper name is Lucifer.

126 Did you know that? *Lucifer* is the name Jerome used to translate  
127 the word used in Isaiah 14:12 to identify Satan, which Ezekiel  
128 called the "covering cherub" (Ezekiel 28:16). The word used in  
129 Isaiah is Heyalhel — and, by the way, it's not HALEL. Most  
130 "modern versions" assume the word is Halel, which means to shine,  
131 and used to speak of praise. It's an unusual word, in fact it is found  
132 only here, in Isaiah 14:12 and nowhere else in the Bible or in  
133 Hebrew literature. It looks a lot like Halel, but if you look closely,  
134 you'll see it's not. In fact Strong recognized this. He did what  
135 everyone else does and assigns the word to Halel, but then, being  
136 honest, he adds another assignment to Yalal — and that's a verbe  
137 that means to HOWL. When you sort it all out, it becomes clear  
138 the unique word is a Hebrew version of what we call a gerund, only  
139 changed by adding the letter Hey to make it a proper noun — Hey-  
140 yalal — so it would mean *howling one*. Satan is not any sort of *light*  
141 *bearer*, meaning of the Latin derived English word *Lucifer*, except  
142 as a creature that transforms himself into an "angel of light"

143 (2Corinthians 11:4). And the sort of *light* he brings is no light at all,  
144 but darkness — it's the sort of light that blinds the minds of men  
145 from the true light of TRUTH. Jesus spoke to this when He warned  
146 those whose eye is evil — like Bidens — ever notice how black his  
147 eyes are getting? It's eerie! Jesus warned, "If thine eye be evil, thy  
148 whole body shall be full of darkness. If therefore the light that is in  
149 thee be darkness, how great is that darkness" (Matthew 6:23).  
150 Anyway, the reason the Authorized Version used the English word  
151 *Lucifer* to translate the name for Satan in Isaiah 14:12 is because the  
152 word had no translation, it was Satan's proper name, and by the  
153 time of that translation, the English name for Satan was *Lucifer*,  
154 therefore, they used the English word that was the name of Satan to  
155 translate the word in Isaiah that was used as the name for Satan.

156 Anyway, Satan, who was once the PRINCE OF THIS WORLD,  
157 according to Jesus, Satan was prince of this world (John 12:31;  
158 14:30; 16:11) and in this world he is identified with the Ox and the  
159 Goat — and with dirty birds, and so on — he hates mankind  
160 because God gave to man what Satan coveted — the image and  
161 likeness of GOD — read Isaiah 14:12-17 and you'll see it right  
162 there, he boasted, "I will be *like* the Most High." God rejected his  
163 boast, because God resist the proud and gives grace to the lowly.  
164 Jesus said He saw Satan fall like lightning — and what God did  
165 was He took dirt, made man, and gave to lowly man His image and  
166 likeness — and He put the Earth and all the animals under man,  
167 and Satan hates mankind and wants to put man under the animals  
168 and destroy mankind off the planet.

169 Jesus came and defeated Satan, and "cast" him out — now Satan is  
170 no longer the prince of this world, he is the prince of the power of  
171 the air, the spirit that works in the children of disobedience  
172 (Ephesians 2:1-2). This hatred for mankind is coming from Satan  
173 — the Devil, and the Bible says the children of disobedience, who

174 reject JESUS AS LORD, and DENY THE LORD GOD, are by the  
175 DEVIL "taken captive by him at his will" (2Timothy 2:26).

176 That's where all of this is coming from. He hates mankind and  
177 wants to destroy the male and female design of GOD. Why?  
178 Because that's the image of GOD — God created them in His  
179 image and after His likeness, "male and female created He them."  
180 So Satan wants to destroy that!

181 So one way to know we are moving into the end of the end times is  
182 the seducing spirits that are swarming right now destroying the  
183 family.

184 The other thing is this trend toward "commanding to abstain from  
185 meats."

186 BREAKING: US regulators approve the sale of chicken made from  
187 cultivated cells, the nation's first "lab-grown" meat - AP. Gates  
188 owns the company producing this — and, like I said, Gates is of the  
189 spirit that hates mankind and wants to eliminate him. You've heard  
190 about his "experiments" in Africa resulting in women being  
191 sterilized?<sup>4</sup> <sup>5</sup> So, maybe it's not a great idea to be eating food  
192 created by Gate's company in a lab?

193 All right! Hold on through the break! I'll be right back!

201 invasion. Ever hear of Michael Yon?<sup>6</sup> He is a Green Beret, retired,  
202 who is very active in documenting military activities. He is  
203 especially interested in American Military operations in Panama,  
204 in what is called the Darien Gap.<sup>7</sup> I watched an interview with Yon  
205 by Adams, of Brighteon,<sup>8</sup> in which he reports eyewitness and  
206 documented proof the US Military is facilitating Chinese spies  
207 entering the US under the cover of the flood of migration across  
208 our porous borders. Myorkas visited this migration staging area  
209 used by the Chinese to smuggle their spies into the US — Biden  
210 claimed this was shut down, but that's a lie. Yon says he has eyes on  
211 this! He also reports of a camp being set up in Texas that can hold a  
212 200,000 man army—and the money being used to fund all this, it is  
213 suggested, is being skimmed off the billions we are sending into  
214 Ukraine. I don't have the sort of evidence that I need to go all in on  
215 this — but here is the point — we know for a fact Myorkas went to  
216 this migration staging area in the Panama, we know Chinese  
217 officials are meeting with Chinese migrants and given them money  
218 and instructions — this is documented by Yon — we know these  
219 Chinese nationals are entering the US and, according to Yon, a  
220 Green Beret, with experience in this stuff, these guys are Chinese  
221 spies. This along with other reports of thousands of military age  
222 men crossing the border and disappearing in the US — it's all very  
223 troubling.

224 Okay, look, if I don't go to the collapse of culture thing, I won't get  
225 to it again today. It's something I've had on my list of things to talk  
226 about for a while.

227 American culture used to reflect Christian values and mores. This  
228 has all but totally collapsed in America.

229 I talked to a fellow pastor this morning about the collapse of  
230 culture in our churches. He was very helpful.

231 I think there is a distinction to be made between manners and  
232 customs and those aspects of culture that are reflective of a people's  
233 morality, and values. Of course, manners and customs can be  
234 reflective of mores — but not in the same way! In the twenties,  
235 most gentlemen wore a coat and tie virtually any time they went  
236 into town; and ladies were in dresses all the time. They would even  
237 slip on their gloves before going shopping — we have relaxed  
238 significantly over the decades — now people show up in public in  
239 their Pajamas — so, maybe it went a bit too far. But some changes  
240 in manners and customs have been for the better, I think.

241 So what I'm talking about is the collapse of Christian morals  
242 manifesting in a culture that now reflects a pagan, even an occult  
243 set of values and beliefs more than Christian values and beliefs.  
244 Public displays of sensuality have gone beyond common sense —  
245 twerking, for example — to name only one of many that could be  
246 presented. And violence! Torn pants — I saw this lady, probably in  
247 her mid forties, wearing pants that were so torn up it looked like  
248 she was likely to walk right out of them.

249 But even these things are more or less superficial — when you get  
250 to the core changes in our culture, it's very disturbing. Cheating on  
251 tests, remember that, you don't hear a lot about it now, but for a  
252 while this was news — now it's not news anymore. Lying, and  
253 stealing! These things are expected, and even encouraged in our  
254 culture today. Children being insolent toward the aged — we were  
255 shocked at the brutal treatment some elder men and women were  
256 exposed to — but, guess what? That too has already become  
257 something not particularly noticed; it's becoming a common  
258 occurrence in some areas.

259 But there are other ways we see this happening. CHRISTIAN  
260 Culture is misunderstood and misrepresented by many who call

261 themselves Christian. We'll only have time to touch on one quick  
262 example. The issue of gun control! What the world expects of  
263 Christians is actually the opposite of a biblically defined cultural  
264 value regarding arms. Watch!

265 Former U.S. Senator for Missouri from 2007-2019 DEMONCRAT  
266 Claire McCaskill says "Jesus would not support 'everyone walking  
267 around with weapons of war.'"

268 This is because Jesus was a PEACEFUL MAN, and she said, "I  
269 believe very firmly that Jesus would be shocked at what our  
270 country is allowing to happen."

271 She was talking about bearing arms, and expressed the belief that  
272 Jesus would not support the possession of guns.

273 Of course, their understanding of Who Jesus is comes from the  
274 world and not from the WORD. Jesus told His disciples to get "a  
275 gun" boys! Luke 22:36-38

276 Luke 22:36 Then said he unto them, But now, he that hath a purse,  
277 let him take it, and likewise his scrip: and he that hath no sword, let  
278 him sell his garment, and buy one.

279 Luke 22:37 For I say unto you, that this that is written must yet be  
280 accomplished in me, And he was reckoned among the  
281 transgressors: for the things concerning me have an end.

282 Luke 22:38 And they said, Lord, behold, here are two swords. And  
283 he said unto them, It is enough.

284 Isn't that interesting! There are many more examples. The world's  
285 opinion about how Christians should behave is far removed from a  
286 biblical culture. They think Christians are not supposed to "judge,"  
287 for example. But Jesus never taught any such thing. He told us to  
288 not judge according to appearance, but to "judge righteous  
289 judgment" (John 7:24). When Jesus said, "turn the other cheek," it  
290 was not in the context of submitting to criminal behavior, or

291 encouraging it. How absurd! Some wicked man rapes your wife so  
292 you give him your daughter; or you stand by until he does it a  
293 second time? That's the opposite of what Jesus taught! We are to  
294 resist the devil, not assist him. And we are to execute wrath upon  
295 evildoers. This has become a huge problem.

296 Many Christians get their idea of how Christians are supposed to  
297 behave from the world instead of from the WORD.

298 Consequently, biblical culture has collapsed in the church before it  
299 began to disappear from our culture.

300 Okay, I'm already very late with my posting of this show — got
