

Brain Massage®: Show No. 941 Sound of Freedom - Adrenochrome / A Lesson From Persia / The Rise of the Beast!

Dr. Jerry Scheidbach

Original Air Date: 07.08.23

1 Segment.01 Hello. I'm Dr. Jerry Scheidbach, pastor of the  
2 Lighthouse Baptist Church in Santa Maria, CA—and your brain  
3 masseur—get ready for your brain massage.

4 Jim Caviezel — The Count of Monte Cristo, The Passion of the  
5 Christ — decided some time back to tell the inside story on child  
6 trafficking. He partnered with Tim Ballard to release the film  
7 Sound of Freedom, and it appears this movie is bringing attention  
8 to child trafficking in a big way.<sup>1 2 3</sup> It's also being used to bring  
9 attention to something called Adrenochrome. What's that? Well, to  
10 get started, here is an article that calls it bunko, which in today's  
11 awakened environment all but proves it's not!<sup>4</sup>

12 Before 1979, Iran was known as little-America in the Middle East.  
13 The country enjoyed American liberties with a Constitution that  
14 was practically a copy of ours with one difference — no second  
15 amendment. I'll tell you a short story about a little girl named Anni  
16 Cyrus, and the "moral of the story" will interest and inspire you!

17 The "Tower builders" are getting panicked and this time they might  
18 just go full berserker! The one-worlders are marching forward with  
19 their agenda — constructing the Beast's infrastructure for his rise  
20 to power.

21 The LIGHTS ON BANQUET is scheduled for 2024 — and I have a  
22 date: Friday, April 19, 2024. REGISTRATION WILL OPEN IN

40 Okay my friends, it's time for your Brain Massage!

41 [TRUTH]

42 Jim Caviezel — *The Count of Monte Cristo*, *The Passion of the*  
43 *Christ*, TV series *A Person of Interest* — and others, decided some  
44 time back to tell the inside story on child trafficking. I remember,  
45 not long after *Passion*, which was released in 2004, Jim went viral  
46 with a post revealing his own personal experience related to the  
47 connection between child trafficking and the adrenochrome thing!  
48 I could probably find the link to that social media post I saw but  
49 don't have time because I mentioned it in a show I did back then.  
50 It's impossible to find that video clip today — have you noticed  
51 that if you search the Internet for certain topics, after about four or  
52 five searches you start getting really bogged down with increasing  
53 latency? Then you change up the search, removing the "sensitive"

54 terms, and viola — it's back to speedy Gonzales. I really miss ole  
55 Speedy!

56 Anyway, I remember it vividly! Jim was being interviewed and he  
57 was talking about this adrenochrome thing, and was asked if he  
58 witnessed it. He explained he had not witnessed the torture of the  
59 children or their murder, or the draining of their blood for the  
60 substance, but he heard their screams. He said it's something that  
61 haunted him, and more recently, as recently as during an interview  
62 with Steve Bannon on War Room!<sup>5</sup> Jim has claimed that multiple  
63 sources, that he can only say are anonymous whistleblowers from  
64 inside some of our three letter US institutions have confirmed this  
65 to him, confirmed this is being done. What?

66 Well, understand that it's all a conspiracy theory, a lot of rumblings  
67 from the *netherworld of news*, you know, the unpredictable rumor  
68 seascape of what are dismissed as *conspiracy theories*. Declared to  
69 be so by the same people that told us the one about Hillary and  
70 with the assistance of Obama, the FBI and the CIA attempting a  
71 coup against a sitting President by falsely accusing Trump of being  
72 a Russian agent, and colluding with Russia to steal the election  
73 from Hillary, or the one about Hunter's laptop revealing secret  
74 deals between Biden and foreign powers being all "fake news,"  
75 Russian disinformation, upon the authority of a letter signed by  
76 not less than fifty former government intelligence officials,<sup>6</sup>  
77 remember that one? Or that bit about Biden selling policy favors to  
78 foreign powers, like China, and Ukrainian Oligarchs, and stuff like  
79 the COVID virus was released from a lab in Wuhan, China, or that  
80 the CCP has been paying Biden millions for, well, let's just say,  
81 "services rendered," so, tell me Mr. Lib — how many so called  
82 conspiracy theories concocted by your media darlings have to be

83 proved to be TRUE CONSPIRACIES before you start WAKING  
84 UP to the fact you are being LIED TO constantly?

85 You understand what I'm saying? I'm talking about all those  
86 "conspiracy theories," the ones that keep turning out to be TRUE  
87 CONSPIRACIES — well, out there in that netherworld of  
88 conspiracies, there is this story that keeps coming up — it just  
89 keeps bobbing up to the surface, you know, like a bloated body  
90 bobbing up and drifting ashore, like yet another Russian energy  
91 executive who was found washed up to shore—another Putin ally  
92 who mysteriously disappeared<sup>7</sup> — it's getting to be almost as  
93 dangerous to be a Putin ally as it is to be a witness in a Clinton  
94 scandal! (Here is a list of 71 of those.<sup>8</sup>) But that's just another  
95 conspiracy theory! Like my favorite, John F. Kennedy was  
96 assassinated by our own CIA! (DROP BOMB EXPLOSION  
97 EFFECT) That's another one that just would not go away! TRUTH  
98 is stubborn that way.

99 This adrenochrome thing just wont go away! It just keeps coming  
100 back up, with more and more detail being revealed along the way.

101 And, so, understand, I'm simply relating the conspiracy to you,  
102 that's all, I'm simply letting you know about what these particular  
103 "conspiracy theorists" are saying—they are telling us that many of  
104 these children being sacrificed in these bizarre satanic rituals and  
105 then drinking their blood is about injecting a chemical called  
106 adrenochrome that is, I think Jim said, 10 times more potent than  
107 heroine, and has a sort of "mystical quality" that makes you look  
108 younger, isn't that how it goes? Yes, yes, that's it! That's the  
109 conspiracy theory! And the torture inflicted increased the  
110 adrenaline that produces a high concentration of this chemical in  
111 the blood — so that's the point of the torture. And the problem is

112 supply for the demand — you need a constant supply. That's where  
113 the child trafficking part of this conspiracy comes into play.

114 The trafficked children are used first as sex slaves, and when they  
115 are worn out, and used up, they given over to these Satanists who  
116 terrorize them in order to increase production of adrenaline in  
117 their blood, before they are "sacrificed" ritually, and their blood  
118 taken and injected by these fiends of hell — but of course, then  
119 there are the more enlightened ones who bypass the whole Devil in  
120 a robe with a knife thing and just torture the children, then collect  
121 the by syringe from the base of their limp neck and spinal column,  
122 while dead, of course, I mean, they would not be so cruel as to  
123 extract this while they were alive.<sup>9</sup> The elites have a name for this  
124 "cocktail youth elixer" — Ambrosia!

125 Or they just mass-produce the stuff — you know that a product  
126 that brings such a high profit like this is going to inspire some  
127 industrious entrepreneur to find a way to increase production,  
128 right? So, Jim tells us he spoke to government agents who said a  
129 barrel of body parts of children, which include blood,  
130 Adrenochrome and all the parts that are in the mothers' womb  
131 goes into a plastic barrel that is sold for 77k per barrel and shipped  
132 to Bio labs in Ukraine and elsewhere ... It's all right here in this  
133 article accompanied by a video of Jim relating this to Bannon.<sup>10</sup>

134 Anyway, Caviezel plays the part of former Homeland Security  
135 agent, Tim Ballard, in this film Sound of Freedom. It tells the story  
136 of Ballard rescuing a trafficked little girl, and it's described by Jim

137 as like TAKEN, have you seen that one? It appears this movie is  
138 bringing attention to child trafficking in a big way.<sup>11 12 13</sup>

139 Its wide reception is shocking the lefties: 10 million dollars in  
140 revenue from presale. Sound of Freedom topped Disney's opening  
141 of their new Indiana Jones at the box office.<sup>14</sup> It is stunning the  
142 ragers, the Christ hating band breakers—hitting them like a 50k  
143 volt taser shot to the groin<sup>15 16</sup> — here is one guy writing for "We  
144 Got This Covered," name is Wayt, who simply could not get his  
145 head around how a movie like this, using actors like Caviezel,  
146 could compete with Disney using actors like Ford.<sup>17</sup> He calls the  
147 studio releasing the film, which is Angel Productions, by the way, a  
148 "faith-friendly" production company. He compares Sound of  
149 Freedom's release to 2600 theaters to Disney's "more widely  
150 marketed *Indiana Jones and the Dial of Destiny*," and Wayt claims  
151 Sound of Freedom got close to Indiana Jones — but all other  
152 sources say Sound of Freedom not only kept up with the Jones' but  
153 beat Disney! When it comes to cost of production — Wayt does  
154 not bother telling us what Disney spent, but only that Angel  
155 Productions invested 14.5 mill, and said, "they'll have to pay that  
156 back to their investors." As if the money Disney invested in their  
157 film does not have to be recaptured from sales. Oh, it gets even  
158 more obvious.

159 He admits the film has achieved the coveted A+ CinemaScore, but  
160 adds, dismissively, "although that's pretty common for a faith-

161 based title."<sup>18</sup> Really? Thank you! By the way, this is something  
162 we've known for a long time — the general public LIKE FAITH  
163 BASED FILMS.

164 After pointing out scandals he warns [hopes] will hurt the movie in  
165 the long run, Wayt gets to the problems with using an actor like  
166 Caviezel, saying: "There's also Caviezel himself to worry about. The  
167 actor has been pushing unsubstantiated conspiracy theories while  
168 doing press for the film, including that liberals are trafficking kids  
169 to obtain the chemical compound adrenochrome."<sup>19</sup> Well, Caviezel  
170 never said *liberals* are the ones doing this stuff, Wayt, so, what do  
171 you know that we don't? Why would you assume only liberals do  
172 this? Or assume we think only liberals would do this sort of thing?  
173 Of course, when you consider what liberal ideology looks like  
174 today, I guess it makes sense a liberal would make that assumption.  
175 Hmmm?

176 Well, Wayt says, "Our take is that none of this will harm the  
177 movie's performance, because the people who want to see a film  
178 produced under a faith-based banner are going to see it regardless  
179 of what the media says."<sup>20</sup> Isn't this interesting? And it's also typical.  
180 Here is another liberal who simply cannot hear what he is saying.  
181 True! The Faith-based population has pretty much tuned out of so-  
182 called mainstream media. So, Wayt has some advice for faith-based  
183 studios — "If faith-based studios are interested in having longer  
184 holds at the box office, they might consider refusing to back  
185 projects that star actors who think Pizzagate was real."<sup>21</sup> Oh, I  
186 forgot that one. Another "conspiracy theory" that just went go  
187 away! Like that thing about our own CIA being directly involved in  
188 the assassination of an American President — John F. Kennedy,

214 You know, before 1979, Iran was known in the Middle East as  
215 little-America. The people enjoyed American liberties with a  
216 Constitution that was practically a copy of ours with one difference  
217 — no second amendment. Let me tell you about an American  
218 named Anni Cyrus who grew up in the Islamic Republic of Iran.

219 Anni was born in 1983. She was born into an Islamic country  
220 where it was legal for a man to marry a girl child at ANY AGE, and

221 consummate the marriage at 9 years old or older. Of course, that  
222 bit about Muhammed's 9-year-old wife is just anti-Islamic  
223 propaganda. I know! But, that's the law in Iran, so. Anni's father  
224 was a Sheik, a cleric on level above an Imam. A Sheik actually made  
225 law; the Imam only enforces and teaches it. Her mother was a very  
226 active Muslim woman that taught the other Islamic women how to  
227 live under obedience to the laws of their religion. Anni had a very  
228 strong will. When she turned 13, she was partying with friends,  
229 singing loud in public, wearing nail polish — all crimes punishable  
230 under Sharia law. This was a constant embarrassment to her family  
231 — so daddy sold her to some man for \$50 dollars and a month's  
232 supply of Opium. The family was not poor; daddy did not do this  
233 for the money. He did it to get rid of the shame his daughter  
234 brought to the family.

235 I worked among the gypsies for about four years in South Gate.  
236 How that came to be is a great story I'll relate another time. Before  
237 I understood Gypsy culture, I attended a meal with one of our  
238 members, Steve Thomas. When the meal ended, the floor was  
239 cleared and the young girls, children, were brought out to dance  
240 for our entertainment. The dances were folk type dances,  
241 traditional Gypsy dances for children and I noted nothing  
242 untoward at all, it was actually very charming. I was enjoying the  
243 whole thing when suddenly, what turned out to be the father of one  
244 of the children, jumped in front of me, excited, pointing at me and  
245 shouting, 5250 — 5250! I was totally confused, and my host, Steve,  
246 groaned and shook his head, and kept saying, Oh pastor! I asked  
247 him what was this guy talking about? He told me he was offering to  
248 sell his daughter to me for 5250. Of course, I was shocked; but,  
249 5250 — I said, he wants to sell his daughter for \$52.50. Steve  
250 laughed, the daddy was not laughing, Steve said, no, \$5,250. I told  
251 Steve you know I'm not going to buy any child at any price —  
252 getting pretty alarmed. So it took Steve at least 20 minutes to  
253 explain to this — I won't call him a father — to explain that I was a

254 guest in his home and a Gaizho — which to the Gypsies meant I  
255 was a stupid Gentile, and he did not want to sell his daughter to a  
256 lowly Gaizho! It all got sorted out! Thank God. That child was not  
257 more than 9 years old, probably younger.

258 Anni was sold to this Islamic man and suffered what amounts to  
259 sexual molestation for two years. When she was fifteen, her  
260 grandmother took pity on her because it was clear either her father  
261 or her husband was going to kill her. She arranged to have Anni  
262 Cyrus — interesting namesake—Cyrus was the first king of the  
263 Persian Empire — but, anyway, she arranged for Anni to be  
264 smuggled out of the country. She remembers asking if her  
265 grandmother knew these men, grandma said no! She asked if she  
266 would be safe, grandmother said maybe! Grandmother said you  
267 will 100% be killed by your father or your husband, at least with  
268 these guys, you have a 50/50 chance to survive.

269 And the moral of the story is that culture reflects our faith. And a  
270 corrupt faith creates a corrupt culture and every corrupt culture  
271 feeds itself on the weakest among us, and especially on the  
272 children. Children are not safe in a corrupt culture; and the reason  
273 children are the target of all this evil is that we as a nation have  
274 turned out back on our biblically based Christian culture. The  
275 ONLY religion, the ONLY FAITH, that protects the weak, and that  
276 values the women and the children and sacrifices to protect them.  
277 It begins with the cultural attitudes toward conception and human  
278 life.

279 The other lesson is that freedom is only one generation from being  
280 lost, and that one of the most important bulwarks against tyranny  
281 is an armed Republic. Iran, at that time, had a Constitution nearly  
282 identical to ours with ONE EXCEPTION — no second  
283 amendment. WE MUST NEVER SURRENDER OUR  
284 INALEINABLE DIVINELY GIVEN RIGHT TO KEEP AND

285 BEAR ARMS. Turn this around now and retake every inch we have  
286 already given away to these liberty thieves.

287 Okay, time to move toward a close for today. Be in church  
288 tomorrow for messages that will blow your mind as  
289 LIGHTHOUSE continues to assault Satanic strongholds from  
290 which Satan continues to attack our liberties.

291 The "Tower builders" are getting panicked because we are starting  
292 to push back. This time they might just go full berserker! The one-  
293 worlders are marching forward with their agenda — constructing  
294 the Beast's infrastructure for his rise to power. If you are familiar  
295 with Bible prophecy concerning the end of this world, you know  
296 that a one-world leader will arise the Bible calls the BEAST, the  
297 ANTICHRIST, and the man of sin. He will demand all mankind  
298 conform to his image—worship and bow down to it. He will take  
299 total control over your power to buy and sell, making you wear the  
300 "mark of the beast," and his policies will include forbidding to  
301 marry and commanding to abstain from eating meat. You know he  
302 will compel mankind to worship the environment, to bow down to  
303 worship nature on one hand — but defy nature on the other. You  
304 will be compelled to worship nature in the environment, but you  
305 will be forced to deny your own nature. And you will be compelled  
306 to sacrifice your children, your entire family, to the BEAST.

307 Nimrod began this work — the work to create a culture that is  
308 antichrist, anti GOD, that would defy GOD and worship a human  
309 leader instead, and follow that human leader in a war against GOD.

310 Read about it in Genesis 10-11.

311 Okay, get a load of what's coming down with today's TOWER  
312 BUILDERS, the men today who are continuing the work of  
313 Nimrod, trying to created the TOWER of REBELLION against  
314 GOD, who are leading the people in the mantra: "let us break their  
315 bands asunder and cast away their cords from us" (Psalm 2).

316 The World Economic Forum is the leader of the modern tower  
317 builders. Schwab is the founder and leader of that forum. It is  
318 dedicated to bringing the nations and large corporate leaders  
319 together to help build a one world government that is controlled by  
320 them. Schwab recently explained that "Fashion will be abolished by  
321 2030."<sup>22</sup> He said every human being will be in a uniform — the  
322 uniform will be gender-neutral, and everyone will look the same.  
323 Individuality will be destroyed! It's the same thing Mao did in  
324 China — he forced the women to shave their heads and forced  
325 everyone to dress in a manner the accentuated their community  
326 identity and deemphasized their individual identity. This is what  
327 communism does — it destroys individuality and forces everyone  
328 into identifying only with the HUMAN LEADER.

329 Charles Schwab has been talking about a cashless society.<sup>23</sup> The  
330 Beast will take over control of all buying and selling — a digital  
331 currency allows the government to control what you buy. I've  
332 linked a video of a representative of the WEF explaining what  
333 benefits come from a digital currency, and among those benefits,  
334 the government can more easily block things it deems less desirable  
335 like, say, ammunition."<sup>24</sup>

336 Gates is a WEF man, and he wants us all to quit eating meat. He  
337 wants to promote the idea that eating meat is cruel and bad for the  
338 environment.<sup>25</sup> Recently, the FDA approved the sale of LAB  
339 GROWN MEAT, bio-engineered meat products — can now be  
340 sold in restaurants and market shelves, and I understand from  
341 what I'm reading here that they have removed the requirement that

342 the public be informed when they are buying bio-engineered meat.  
343 They don't have to put this on their labels.

344 We were in a store this past week, I picked up a candy bar to  
345 examine whether it was 85% cocoa, that's what Becky likes, so I was  
346 checking it and noticed it said made from bio-engineered material.  
347 I read that label outloud and tossed it back onto the shelf and said  
348 no way am I going to eat any bio-engineered candy or food.

349 That's why they don't want to put it on the labels folks. YOU  
350 DON'T GET TO HAVE A VOICE IN ANY OF THIS!

351 They are pitching this to our kids as stopping cruelty to animals —  
352 soon Congress will introduce a Bill, it'll be called the BAMBI  
353 PROTECTION ACT — just kidding.

354 They are building the TOWER, but come Sunday to learn how we  
355 have the power to bring down their tower. GOD does not need to  
356 come do it — in fact, He arranged for US TO DO IT and we had  
357 better get on the job!
