

Brain Massage®: Show No. 943 The Vaccine-Election Intersection / The Trafficking-Adrenochrome Intersection / The Coming Purge!

Dr. Jerry Scheidbach

Original Air Date: 07.22.23

1 Segment.01 Hello. I'm Dr. Jerry Scheidbach, pastor of the
2 Lighthouse Baptist Church in Santa Maria, CA—and your brain
3 masseur—get ready for your brain massage.
4 Satan is a member of the Democrat Party! I have proof, right here
5 in my never to be nicotine stained fingers. Download my notes
6 today and see the documentation!¹ Thanks Andy!
7 The Trafficking Adrenochrome intersection: modern slavers and
8 the Elite drug of choice. Foe of sex traffickers everywhere,
9 President in Exile, Donald Trump hosts private screening of Sound
10 of Freedom.² That's the movie that exposes the evil of child
11 trafficking. So what's the trafficking adrenochrome intersection?
12 Let's see — the vaccine election intersection. Hmm, that should
13 be interesting.
14 And while we are on the election, take a look into what's going on
15 in the CAGOP—latest RINO effort to derail the Trump Train. I
16 understand Murkowski along with some other RINOS are
17 threatening to go Democrat—I'll help you pack your bags Lisa! The
18 Coming Purge!
19 And the censorship cover up conspiracy—Biden Admin barred
20 from attempting to influence social media, and the House is
21 shining the light on the obvious political motivation to use
22 censorship to cover up for corrupt political bosses.
23 Okay, my friends! It's time for your Brain Massage®!

25 Satan is a member of the Democrat Party! I have proof, right here,
26 the official response form from the AZ Democrat Party — "Hi
27 Lucifer, Satan, Arizona August Consolidated Elections are
28 happening Tuesday, August 1! ..." From "The Elections Center at
29 Rock the Vote." Headquartered at 80 M. Street, SE, Suite 100,
30 Washington DC 20003. I have a copy of the documentation here in
31 my notes. I'll post it with my notes on the website.

32 Thank you Andy Wilson, Kung Fu high kicker, and friend — he
33 sent this to me a few days ago! Who knew?

34 My only question is, I thought Satan joined the party when Obama
35 became their nominee! Remember, Mr. "America is no longer a
36 Christian nation ..."? Who wanted to *transform America* — he
37 never told us into what, but it was obvious he intended to
38 transform America into something that was NOT AMERICA!

39 Okay, let's look at the Trafficking Adrenochrome intersection:

40 Someone lately said the obvious out loud — why are all these
41 bizarre sex perverts we read about consistently Democrats? The
42 mass shooters are something like, what was that, 10 to 1
43 Democrats? Hmmm! Maybe Satan really is a Democrat!

44 Democrat State Representative candidate Matt Trowbridge was
45 caught red handed trying to meet up with a 14-year-old-boy —
46 check out the video here.³ The guy that busted him had him on
47 record working out the meeting. Among other perverse things,
48 Trowbridge said he wanted the kid to worship his — well, let's just
49 say distinguishing male body parts. What Would Jesus Do?
50 Remember last week? He'd be talking about rope and millstones!
51 He'd be telling Matt Trowbridge it would be better for him to hack
52 off his own foot, or hand, or pluck out his own eye that to offend
53 one of these little ones.

³ <https://twitter.com/ACTBrigitte/status/1679938486575431681?s=20>

54 A guy like that would be tarred and feathered back in the day! He'd
55 be locked up and delivered to the "justice" of the prison yards.

56 But today, ever since we as a culture decided it's okay to be gay —
57 right? That's "just another lifestyle choice," like choosing between
58 rural or city life, or surrounding yourself with Bach, Mozart, and
59 Beethoven as opposed to Ozzy Osborne, Jimmy Page, and Jimmi
60 Hendrix — what's that? I know these are the older rockers, the idea
61 is choice between classics, come on, catch up! Hahah.

62 Okay, how about a lifestyle choice between Jason Aldean's *Try That*
63 *In A Small Town*⁴ [INSERT MUSIC CLIP] — as opposed to, let's
64 say, a lifestyle choice reflected in the music and lyric of Eminem, or
65 Tupac, or Lil Wayne⁵ — I name three on that side because it would
66 take at least three city-sissies to handle that one country boy! Just
67 sayin'!

68 But since our culture, and I mean left and right, from top to
69 bottom, everybody, it seems, is all in a rage for normalizing what
70 the Bible calls UNNATURAL BEHAVIOR — and if unnatural then
71 abnormal — a behavior that brings with it not only God's
72 judgment, but also nature's curse! The world is competing with one
73 another for who can out do the other in identifying as gay friendly!

74 I understand human rights, and all humans have the same
75 inalienable rights, and anytime those inalienable rights are
76 infringed or encroached upon, we all should stand against the
77 violation, which would be true of any human.

78 Anyway, that's when it started! That's when the moral fabric of this
79 country started to just unravel. Check your Bible — the
80 progression is from knowing God and refusing to honor Him as
81 GOD, to the first unnatural thing—a man worshipping something
82 less than himself, and from there to changing the truth of GOD

83 into a lie, which leads to the perversion of natural affections,
84 descending into sexual confusion, men with men, and women with
85 women — and when a culture reaches this place, where it embraces
86 this unnatural confusion of the sexes, it's a free fall into moral
87 relativism that leads to anything goes, and the moral structure
88 degenerates until we are overrun with wicked perverts who know
89 what they are doing is worthy of death, and become blindly
90 dedicated to pushing their perversity onto everyone else—and
91 these people become obsessed (Romans 1:17-32).

92 Here is another one! Stacie Marie Laughton was elected as a New
93 Hampshire state lawmaker — a Democrat. He/she has been
94 federally charged with aiding and abetting the sexual exploitation
95 of 3-5 year old children at a daycare.⁶

96 And I'm sure you've by now heard of adrenochrome extracted
97 from adrenalin saturated blood, and also from baby flesh tissue —
98 Sandra Bullock talks about it to her friend, Ellen Degenerate —
99 huh, isn't that her name? DeGeneres! Isn't, that's what I said!⁷

100 Oh, that's just a conspiracy theory! Adrenochrome is not a thing!
101 Really? Why is Fauci's former government funded medical
102 institute, NIH, who was followed by his friend and colleague, Dr.
103 Collins, you know, the government institution that funded gain of
104 function research to produce the SARS-CoV-2 virus, yeah, that
105 group, now it's directed by Tabak, as the acting director, since
106 Fauci and Collins are up to their necks in Wuhan COVID scandal,
107 so, under Tubak, why is the NIH testing the effects of
108 adrenochrome on humans?⁸

⁶ 943.35.1-(3) Andy Ngô _ on Twitter_ _#Trans activist Stacie Marie Laughton was elected multiple times as a New Hampshire state lawmaker by Democrat voters. ⁷ 943.3.4-Bullock Speaks of Adrenochrome <https://www.facebook.com/watch/?v=10156654513182240> (2.50 in. Microneedling, pushes into skin — what are you pushing into the skin — an extraction from a piece of skin that came from a young person far far away and, DeGeneres interjects it's foreskin of a Korean baby — Sandra, the penis facial. The extraction is adrenochrome.

⁸ 943.35.2-(3) Lara Logan on Twitter_ _Well, well...what have we here_ The NIH testing the effects of adrenochrome on humans. So it's not a "conspiracy".pdf <https://twitter.com/laralogan/status/1681848164855234563?s=20>

109 I mean, if adrenochrome does not exist, isn't that sort of hard. And
110 if adrenochrome is extracted from adrenalin saturated blood or
111 infant tissue, where are they getting their test product? We know
112 they were humanizing mice a while back — combining human
113 genes with those of little lab mice.

114 And, of course, if they want to test the "good stuff," it has to be
115 infused with loads of adrenalin, and — well, there is a lot I don't yet
116 understand about this whole adrenochrome thing, but something
117 really turns on those Satanists who have historically performed
118 ritual human sacrifice that involved drinking the blood of their
119 victim. This adds some insight into the biblical prohibition against
120 drinking or eating the blood — it's all very interesting.

121 According to Caviezel, it makes you higher than heroine, makes
122 these people look far younger than they are, and another source
123 said it even has LSD like effects — so, many are calling this the
124 ELITES DRUG OF CHOICE. One said Adrenochrome is "an
125 immortality serum, obtained from the adrenal gland of living
126 children after they have been terrorized to get the highest levels of
127 adrenalin. It has LSD like qualities and is used in Satanic rituals by
128 monarchies, politicians, [like] Congressmen, Celebrities, CEOs and
129 [other] Elites. KIDS ARE THEIR DRUG." Picked that up from a
130 meme floating around out there, but the thing is, this is everywhere
131 right now and I've learned that when a story like this just hangs on,
132 for year after year, it almost always turns out to be rooted in truth
133 — you know, like the CIA assassination of JFK
134 conspiracy theory. Right? Yeah, you liars really blew that one!

135 What's with all these children disappearing? How is it that we have
136 lost 85k children that have crossed our borders — and we can't
137 account for them? And no one in power is asking about this, or
138 concerned about it. It's a question worth asking — is there any
139 truth to the incessant allegations that there is rampant child
140 trafficking going on and that these children are used for sex, labor,

141 and when they are done with them, some are tortured to saturate
142 their blood with adrenaline then killed to get their "FIX."

143 Maybe instead of using government resources to study what
144 adrenochrome does to humans, how about we use those resources
145 to get to the bottom of all this.

146 President in Exile, Donald Trump hosted a private screening of
147 Sound of Freedom.⁹ That's the movie that exposes the evil of child
148 trafficking. So is there a trafficking adrenochrome intersection?

149 At the Lighthouse, when Satan joined the Democratic Party under
150 the assumed name of Barrack Hussein Obama — we began to pray
151 earnestly that GOD would expose the evil hidden under the surface
152 in order to wake up God's people to see the truth about abortion,
153 the shedding of innocent blood, and the real dangers and
154 perversity of homosex—the two crimes against GOD and nature
155 that make a land sick, and trigger divine wrath upon a people.

156 And He began doing exactly that, and we continue in the exposure
157 stage — where He is calling his people to see what abominations
158 are being done —Ezekiel is the pattern set for us— He directed the
159 prophet to a wall and told him to dig in the wall, and Ezekiel dug in
160 the wall, and he found a door. Then God said, open the door, and
161 Ezekiel opened the door. And then God told Ezekiel to look inside,
162 and when Ezekiel looked inside he saw the priests and political
163 leaders of his country committing all manner of vile and wicked
164 abominations — Ezekiel was shocked! And God said to His
165 prophet, you haven't seen anything yet. And showed him more evil
166 that was going on in secret in his government. And God said, shall
167 not I judge for this?

168 God always puts His people through a time of exposure before He
169 judges and part of that is to give them a space to repent, so that if

⁹ 943.27.1-Trump hosts screening of Sound of Freedom, a hit with QAnon devotees _ Donald Trump _ The Guardian <https://www.theguardian.com/us-news/2023/jul/20/donald-trump-sounds-of-freedom-screening-golf-course-qanon>

170 we repent, if we humble ourselves and pray, and seek His face, and
171 turn from our wicked ways, He promises to hear from heaven,
172 forgive our sins and HEAL OUR LAND. God is directing certain
173 ones to dig here, and there, in this or that wall, and open this or
174 that secret door, and expose what is going on inside our
175 government.

176 First, we hear the rumors about children being trafficked for sex,
177 labor, and adrenochrome. We hear rumors about children being
178 the drug of perverted adults, especially among the so-called elite.
179 The rumors will not go away, they continue, and the digging in the
180 wall continues, and a door is found, and some more evidence is
181 exposed — Epstein, and Ghislain, and their list of clients include
182 royalty, and many persons of high positions of power in our
183 government, and others who are among the super-rich. Epstein
184 was seducing people in power into compromising perverse
185 behavior, capturing them on video and audio and then owning
186 them, making them an asset to the likes those shadowy operators,
187 still hiding behind closed doors, but we are coming, including
188 people in our own CIA, that use this power over political and
189 commercial power brokers to control them to advance their
190 antichrist globalist agenda. Yeah, that's the thing! We can't see it all
191 clearly yet — and we can only report on as much as we know —
192 and at this time, we are digging in the walls and finding these
193 hidden doors and we are hearing very suspicious noises behind the
194 doors, and reports from some who have been behind the doors —

195 But many devils guard the doors and make it difficult to get them
196 opened — you see an example of that with Hunter's laptop.
197 Powerful people protect that secret and will not allow us to look
198 inside — but as we keep digging, finally we are going to see what's
199 behind the secret doors and it's going to be appalling — all the
200 sounds and indications are that we are going to find out some
201 heinous crimes are being done to these children and THE

202 PERPETRATORS ARE GOING TO HAVE TO PAY FOR WHAT
203 THEY HAVE AND ARE DOING! Judgment is COMING!

204 GOD, break down the doors and expose all their wicked secrets!
205 TODAY!

206 We found out about some of what goes on in secret behind the
207 closed doors of the abortion industry — SELLING BABY BODY
208 PARTS — and see how they have responded so far to this exposure
209 — they have charged to kill babies right up to full term, and
210 according to ACLJ, Newsome has signed a bill that allows babies to
211 be killed up to 28 days after birth.¹⁰ They've been exposed, so what
212 do they do? They attack like trapped vipers.

213 We are beginning to see what is going on in secret behind the
214 government's involvement in child trafficking—beginning to see a
215 major part of what the "open borders" policy is all about — sex
216 slave inventory! It's all coming out! What will they do when fully
217 exposed? They will attack like vicious vipers. It's like that scene in
218 Sound of Freedom when that pervert has chosen his "chicken" for
219 the night, and Ballard, played by Caveizel, intervenes and takes the
220 kid from the pervert, and the guy asks Ballard, do you know what is
221 the most dangerous place to be — Ballard says, where, and the
222 pervert says, between me and my chicken. So, get ready!

223 Okay, need to take a short break. I'll be right back!

224 Segment.02 Hello. Welcome back! I'm Dr. Jerry Scheidbach, pastor
225 at the Lighthouse, your brain masseur, and Paul Revere's lantern
226 lighter, lighting the lamps in the church belfry arch, signaling the
227 enemy is on the march, an enemy that would steal from us our
228 liberty.

229 Let's see — the vaccine election intersection.

230 Peter McCullough, MD, took a stand during the COVID scam, and
231 he has been proved right! He was exposing the lies almost from the
232 start. Go to petermcculloughmd.com for a tremendous
233 information source and a resource for supplements to help deal
234 with the spike protein you picked up from COVID and then
235 supersized your exposure with the vaccines. It's taken me a while to
236 sort through all this, but I'm convinced it's all true. The COVID
237 virus was manufactured by our own government medical
238 establishment monsters, Fauci, Collins, Barric and Daszak — and
239 according to McCullough, in an interview with Jeff Dornik that I
240 viewed lately, Daszak is in Singapore right now, with NIH funding
241 working on another permutation of the COVID virus—there is a
242 reason they keep hyping another pandemic; it's because that's the
243 PLAN!¹¹ PLANDEMIC II. Get ready!

244 Another great resource is Mercola, so go to mercola.com for
245 another great resource — now Mercola branches out into a broader
246 spectrum of issues — both sites are very informative and helpful.

247 I went long in the first segment, so I'll summarize my comments
248 explaining the vaccine/election intersection.

249 Dr. McCullough discovered that the COVID shot increases risk of
250 cancer. He explained that SV40 is in the vaccines, and it is known
251 to be a cancer-promoting segment of DNA. I mean, what next? He
252 said, "what I'm telling you is the shots promote cancer through
253 SV40..."¹²

254 Perhaps you've heard bout McCullough's autopsy study—with a
255 team of qualified medical doctors, McCullough followed all the
256 appropriate protocols to conduct a study of the autopsies of those
257 who died vaccinated. They viewed 325 cases armed with the agreed
258 to consensus that the vaccines definitely cause blood clots. They

¹¹ 943.17.4-McCullough on Vaccines and TRUMP See <https://petermcculloughmd.substack.com/p/dr-mccullough-returns-to-the-jeff>

¹² <https://petermcculloughmd.substack.com/p/dr-mccullough-returns-to-the-jeff>

259 learned that 73.9% of these people died FROM THE VACCINE.
260 They were able to show definitive proof that the person died either
261 directly from the vaccine, or that the vaccine directly contributed
262 to their death. This was published on Lancet, the premier medical
263 journal, and it started going viral. 24 hours later, the study was
264 pulled down and Lancet explained it was because the methodology
265 used did not support the data. McCullough said, that's a lie. And
266 interestingly, Lancet did not post any rebuttal debunking the
267 McCullough study. Lancet is caught again — playing politics with
268 medical research.

269 McCullough explained that "they" (the cohort of corporations,
270 government interests and globalists), want everyone routinely
271 taking vaccines every six months. Why would they want that? Well,
272 it's not without a PLAN folks. Who wants it? WEF, Gates, et al.
273 What do they want? They are pursuing a goal of Transhumanism
274 — they want to create the next evolutionary leap into a
275 human/robot — that they can OWN AND CONTROL. But a paper
276 out there like McCullough's would dampen enthusiasm to go along
277 with their plan.

278 And McCullough said a great many other things worth your listen.
279 Here is the link to his interview with Jeff Dornik.¹³

280 But then McCullough hit the intersection and I was stunned, I hit
281 the breaks and almost activated the air bag. He said "Trump has a
282 lot to answer for." He said "Trump owes the country an apology for
283 not getting rid of Fauci, [and for] pushing vaccines into
284 production." He started saying RFK, on the other hand, gets it, but
285 he wants to litigate everything—600k died from this disease "by his
286 actions carried forward by Biden."

287 McCullough is blaming Trump for the vaccine related deaths.

¹³ <https://petermcculloughmd.substack.com/p/dr-mccullough-returns-to-the-jeff>

288 He did say, "Trump, to his credit, has been giving some fiery
289 speeches against globalism, that he intends to drive corruption out
290 of government, has a plan for homelessness," and McCullough said
291 he is acting "more presidential than the others."

292 This is what I've been saying almost from the time Trump trotted
293 Fauci and then Birx out to take over the pandemic response. This is
294 the first time I've heard my prediction come so fully into
295 fulfillment — Trump is being blamed by McCullough for
296 mismanaging the pandemic, rushing the vaccine into use, and I
297 would add, even allowing the military to move in and take
298 command. All of this is debatable, I mean, in terms of whether or
299 not turning something he believed was an attack from China over
300 to military response was a bad idea, or the argument about him
301 being placed in a box, where he had very little room to move in the
302 political environment of that time. We can debate that later.

303 But I'm telling you this is exactly what I saw coming. The wicked
304 MSM, the whole hate Trump establishment politicians and the
305 millions they feed with their policies—once it finally does come out
306 clearly that the vaccines are what we know them to be, and that is a
307 military bio weapon, used against our own people, they will
308 suddenly flip the narrative and it will all be Trump blew it,
309 mismanaged the pandemic response, and brought all this horror
310 on the American people. I don't think it will work, but you can be
311 sure that's what they will do — we should send signals out now that
312 we won't buy in to that, but Trump really needs to recognize that
313 these vaccines are not good. He needs to establish some response to
314 this issue because his base is going to want and is going to need his
315 answer. I hope, he is a very smart man, I hope he foresees this and
316 will get ahead of it, and be ready to slam any effort to make him
317 responsible.

318 Personally, I think in this matter the President was betrayed by his
319 military and by others close to him. But I don't have a lot of inside
320 information.

321 Okay, I've got to go. But there is one more thing I must bring to
322 your attention. A former high school and later college student of
323 mine is running for California Assembly on the Republican
324 platform. He is an excellent man. He is running for the 32nd
325 district, so none of us will get to vote for him. But I bring this up
326 because as you might expect, we communicate regularly, and he
327 lately informed me that our CAGOP had a plan to secretly pass a
328 bylaw that would purposely be used to bar Trump from appearing
329 on the ballot as a Republican candidate for President. These wicked
330 rascals were exposed, so now all committee members will have a
331 voice in the matter — but that's coming up at the end of this
332 month, and then it will be voted on in August. You need to call the
333 CAGOP and register your complaint about the effort to do this evil
334 thing behind closed doors, and then make it very clear to them you
335 are insulted they would arrogate to themselves the right to decide
336 for all California Republicans whether or not Trump should be
337 their candidate. This is wicked, it's a usurpation of the right of
338 consent; it's the same spirit at work in the Demoncrats who want to
339 put their wicked hands into the election to force it to come out
340 according to their will rather than simply trusting the voter to
341 decide. Rebuke this wicked spirit operating in the CAGOP.

342 Okay, I'll need to pick up the rest, Lord willing, during my Comfort
343 & Counsel livestream visit Saturday, Tuesday, and Thursday
344 evenings.
