Spiritual Medium Exposed for Raping Women And Selling Babies

Dr. Jerry Scheidbach

Original Air Date: 08.12.23

1 Segment.01 Hello. I'm Dr. Jerry Scheidbach, pastor of the
2 Lighthouse Baptist Church in Santa Maria, CA—and your brain
3 masseur—get ready for your brain massage.

4 Update on the killer jab! The continued abuse of God's sword of
5 vengeance—FBI raid the home of and kill a man accused of
6 threatening Biden. Michigan voter fraud debacle continues to stalk
7 the demoncrats who pulled it off. Some new developments in the
8 demoncrat child trafficking business model, and Best Buy has been
9 outed as anti-white and anti-Christian. Okay! I'll take up that
10 gauntlet. Let's see if our Santa Maria store is buying into that
11 nonsense. And how long they last if they do! It'll be very
12 instructive. Well, my friends, it's time for your brain massage!

13 [TRUTH]

14 Hey, I'm going to start with this Best Buy story! It's a store I use
15 quite a lot, and the news is very disturbing.

16 Best Buy came under heavy fire a few days ago after revelations
17 they have a company policy forbidding whites from participating
18 in management training programs in the company: "'Time to Bud
19 Lite Best Buy'_ Best Buy faces blowback for leadership training
20 program that excludes white applicants"¹ — OKeefe exposed a
21 memo that circulated in Best Buy "highlighting the company's
22 professional development program for employees who 'identify as
23 Black, Latino, Hispanic, Asian or Pacific Islander'" [IBID]. This
24 started back in 2022. One woman came up with the catchy call to
25 action: "Time to Bud-Lite Best Buy."

¹ 946.19.1-"Time to Bud Light Best Buy'_ Best Buy faces blowback for leadership training program that excludes white applicants _
Washington Examiner <https://www.washingtonexaminer.com/news/time-to-bud-light-best-buy-best-buy-faces-blowback-for-leadership-training-program-that-excludes-white-applicants>

26 Well, right on the heels of this fire-bomb story, O’Keefe Media
27 Group (OMG) posts a story that exposes Best Buy as bigoted
28 against Christians.² I’ve linked the post here, so you can watch it.
29 Here is some of the content of that video. A whistleblower from
30 within Best Buy reached out to O’Keefe with audio recordings of
31 his manager, a guy named Mike Hirsch, at a Best Buy in
32 Jacksonville, FL, who is heard saying LGBTQ flags were
33 appropriate work environment displays in their Geek Squad office,
34 BUT CHRISTIAN CROSSES, or Bibles displayed on employee
35 desks, WERE NOT!

36 The employee complained to his manager that if we can display all
37 the LGBTQ stuff, why aren't crosses allowed to be displayed.
38 Hirsch is heard saying, "they're not the same." When asked how
39 not, the answer was you are free to choose your religion, that's a
40 belief system, that's a cultural...and the employee cut in, so if I
41 have cultural beliefs why can't I put my stuff all over the wall?
42 Answer, because you are choosing to believe in Christianity, or
43 Muslim, or whatever, you choose that. So the argument is that
44 LGBTQ don't have a "choice" to accept or reject that lifestyle and
45 the ideology that goes along with it!

46 So, we are back to the "born that way" argument! The problem with
47 that argument is that "nature itself" says no — nature says men are
48 for women, and women for men, nature says there is male and
49 female. Nature establishes the NORMS. What deviates from the
50 norms established in nature is abnormal, and contrary to nature.
51 Nature rejects the behaviors associated with homosex with diseases
52 that are destroying them, cutting the life of the average active
53 homosexual to about half that of normals.

54 When affections become perverse, and unnatural, a biblical
55 principle kicks in: "Through desire, a man having separated
56 himself, seeketh and intermeddleth with all wisdom" (Proverbs
57 18:1). Perverse affection alienates abnormal people from normal
58 people, unnatural from natural. Those, whose desires are perverse,
59 become obstinately obsessed with finding arguments to justify their
60 perversity. So they come up with arguments to justify what they do
61 and an entire ideology is created — an entire system of philosophy
62 is constructed — complete with an apologetic to defend the system.

63 But here is where there is a major break away from your typical
64 religious belief system — these people are militant and want to
65 FORCE their ideology on everyone else.

66 Get a load of what Larry Fink, BlackRock CEO said about this.³ I've
67 linked to the video so you can view it yourself. Here are some
68 excerpts from this video of BlackRock CEO — by the way, you do
69 know BlackRock is a globalist business, totally connected with
70 Schwab's World Economic Forum, and at the forefront of the effort
71 to build Nimrod's Tower, totally on board with the whole "you will
72 own nothing, and you will be happy," thing; totally on board with
73 the ESG standards set by the Satan worshippers behind that
74 globalist cabal! Here is an article explaining the ESG scoring
75 system.⁴ It's all about FORCING businesses to MANIPULATE
76 desired behavior from the people. The fascists have found a way to
77 coop businesses to be their agents of social change in communities.
78 Here is what Larry (the) Fink (by the way, the perjorative *fink* was
79 not originally used to identify someone who ratted someone out—
80 you know, squealed, you know, informed on them. It was used to
81 speak of a despicable person, and usually, well, at least since
82 cartoonist Ed 'Big Daddy' Roth, a Fink is depicted as a "green or

³ 946.3.2-illuminatibot on Twitter_ _BlackRock CEO and his demonic pals all over the world think freedom is over and that we must serve them. It's all about slavery and forcing you to comply by any means necessary! <https://twitter.com/iluminatibot/status/1689293641582329857?s=20>

83 gray, comically grotesque and depraved-looking with bulging,
84 bloodshot eyes, and oversized mouth with sharp, narrow teeth."⁵)

85 Okay, here is what Fink had to say: he was talking about the fact
86 BlackRock, that controls something over a trillion dollars of
87 investment money, has certain investment qualifications — and in
88 answer to that, he said, "well, behaviors are going to have to
89 change." He said, we are asking companies, "you have to force
90 behaviors." When you watch it, you begin to notice the features of
91 the Fink start to appear, it's subtle, you have to look close, but ...
92 hahah. Anyway, he goes on, "at BlackRock we're forcing behaviors."
93 He boasted BlackRock added "four more points in terms of diverse
94 employment ..." what he means is BlackRock increased their ESG
95 score by four points by focusing on hiring diversity classified
96 people, like LGBTQ and so on — from non-white, and non-
97 Christian groups. And he says, effectively, you will be punished if
98 you don't go along with the goals to push out white Christians. He
99 says, with a smirk, if you don't go along with this, "your
100 compensation will be impacted, you see ..." and he repeats this,
101 "YOU HAVE TO FORCE BEHAVIORS."

102 Do you understand that all this nonsense going on in smaller
103 companies, like Best Buy, it's being FORCED on them to FORCE
104 on their employees to ultimately FORCE ON YOU a change in
105 behaviors?

106 This is Satanic. It's the way of Satan! Jesus said that since John the
107 Baptist, the devil and his minions "take the kingdom of heaven by
108 force." It's in Matthew 11:12 and many Christians just don't
109 understand this. Get my book *God's War* — it will explain it all to
110 you. But, quickly, the expression *the kingdom of heaven* is not
111 talking about God's rule over heaven only! Every parable of the
112 kingdom of God or the kingdom of heaven in the Gospels

⁵ 946.0.2-Define FINK.jpg <https://boards.straightdope.com/t/use-of-fink-as-pejorative-in-olden-times/566748/5>

113 describes God's sovereign policy and program for His rule ON
114 THE EARTH TODAY. Not one describes activity limited to
115 Heaven. The wicked want to displace God from His rule on the
116 earth. They can't do that, of course, so they attempt to bring men
117 under their power (exousia—authority) and turn them against the
118 power (authority) of GOD.

119 They do this by FORCE. God's way is to give you a choice! "Choose
120 you this day whom ye will serve..." (Joshua 24:15). Satan pretends
121 to be all about choice, but he is actually all about control!

122 The children of obedience have obeyed the Gospel command to
123 repent — and that means turn FROM THE POWER (authority) of
124 DARKNESS to the LIGHT — obviously, to the POWER, or
125 authority, of the LIGHT — and the verse clarifies this means to
126 turn FROM SATAN to GOD (Acts 26:18). These have confessed
127 that JESUS IS LORD, believed He arose from the dead, conquering
128 death and hell, taking from Satan the power of death, emancipating
129 all mankind from Satan's power, and CALLED ON JESUS' NAME
130 TO SAVE them from the WRATH that is coming, and we think
131 SOONER rather than LATER, upon this world for its rebellion
132 against the RULE of CHRIST over HEAVEN AND EARTH. See
133 Psalm 2.

134 The children of disobedience have refused to confess Jesus is
135 LORD, they have refused to yield to the TERMS OF SURRENDER
136 laid out in the GOSPEL, repent and believe on Jesus Christ, turn
137 AWAY from Satan, turn TO GOD — instead, they continue as
138 children of the devil, they are content to live under the tyranny of
139 Satan exercised upon them through dictators who FORCE YOUR
140 BEHAVIOR to conform to their way — and you notice that in
141 every case, the CHANGE they demand is AWAY from GOD's
142 WAY and into SATAN'S WAY!

143 Schwab recently put governments world wide on notice to prepare
144 for "billions of 'social credit prisoners' anticipated in the wake of

145 arrests to follow implementation of their planned social credit
146 score system, modeled in CCP controlled China. In fact, "they" are
147 already creating a blacklist of persons they deem unfit for society,
148 and assigning a social credit score to them on their cell phones so
149 that when the net is completed, they can begin going after these
150 people, arresting them, and placing them in concentration prisons
151 — to "reeducate them," and that failing, eliminate the useless
152 eaters.⁶

153 Well, I managed to use my entire first segment discussing this —
154 but you need to go to Best Buy, or next time you are in Best Buy,
155 you need to challenge them on this matter. They are free to choose
156 against Christ, and adopt patently racist policies or bigotry against
157 whites, and YOU GET TO CHOOSE WHERE YOU WILL SPEND
158 YOUR HARD EARNED DOLLARS.

159 Hold on through the break; I'll be right back!

160 Segment.02 Hello. Welcome back! I'm Dr. Jerry Scheidbach, pastor
161 at the Lighthouse, your brain masseur, and Paul Revere's lantern
162 lighter, lighting the lamps in the church belfry arch, signaling the
163 enemy is on the march, an enemy that would steal from us our
164 liberty.

165 Again, by the way, I organize my segments and subsegments so
166 that I conclude each with some commentary on the thing that is
167 most concerning to me, but so often I find that when I get started
168 on a topic, well, let's just say I have a lot to say about these things,
169 and I end up being unable to get to the main thing I wanted to
170 discuss with you. So, I'm going to jump into the new developments
171 in the demoncrat child trafficking business model.

172 Oprah's spiritual healer is a guy named Joao de Deus — translates
173 to John of God. He is a medium, Oprah published an article

⁶ 946.3.4- WEF Orders Govt's To Prepare for BILLIONS of 'Social Credit Prisoners' As Spy Bills Enacted Around the World - The People's Voice <https://thepeoplesvoice.tv/wef-orders-govts-to-prepare-for-billions-of-social-credit-prisoners-as-spy-bills-enacted-around-the-world/>

174 explaining mediums in her *Oprah Daily*.⁷ The article explained
175 mediums "bridge the gap between the living and the dead." It's
176 called necromancy in the Bible and its forbidden — it's the way of
177 Satan, and it's contrary to the ways of GOD. Children of
178 disobedience dabble in this sort of thing; God's people avoid it!
179 Anyway, in 2012, Oprah travelled to Brazil to interview this
180 medium, and called him "inspiring," and encouraged women to
181 seek him out for help. Well, it turns out the guy is a flaming pervert
182 and likely a murderer.

183 Here is the article: "Oprah's Spiritual Healer, Sentenced to 99 Years
184 For Rapping Girls, Accused of 'Baby Trafficking.'"⁸ He was found
185 guilty for rapping "hundreds of women and young girls."
186 Hundreds! Young girls — minors! He is a pedo sex pervert — that
187 connects you with your dead auntie. And if he is in the mood,
188 while he is at it, he just might rape you too!

189 Now it turns out he was also involved in child trafficking! And
190 there is a bizarre twist to his operation. The children he sold to
191 childless couples were "farmed" in Brazil. "Young girls were held
192 captive in remote farms where they were forced to produce babies -
193 before being murdered ten years of giving birth." [IBID]

194 I wonder how many of these babies were spawns of John?

195 I thought it was interesting that this broke in 2018 and the story
196 went world wide in 2019 — we have been praying specifically for
197 this sort of thing to be exposed. We knew it was going on, and we
198 wanted the whole world to see it! The people who exposed this
199 testified they just became weary of covering for this wicked
200 operation. Prayer changes things! It matters! It makes a difference!

202 The continued abuse of God's sword of vengeance? —FBI raided
203 the home of and killed an armed Utah man accused of threatening
204 Biden.⁹

205 The case against this 75 year old whose neighbors all testified was a
206 great guy who would never do anything like this, is damning.
207 Wow! According to this man's social media page, he was a Jekyll
208 and Hyde — posting pics of him decked out in camo, sporting
209 serious ARs and talking about blowing a hole in the forehead of
210 Garland, threatening to take out the "Buffoon in Chief" threatening
211 to blow away an FBI agent appearing on his property to interfere
212 with his free speech. No wonder the FBI was ready to shoot when
213 they approached this guys house in Provo, Utah.

214 None of his friends seemed to be aware of his social media persona.
215 So, that's a bit strange, right! He had no local friends on his social
216 media page?

217 Anyway, raise your hand if you have a little difficulty trusting the
218 FBI these days! Wow! The hands went up so fast it created a
219 windblast that nearly knocked me over! Haha!

220 I did notice that none of the evidence provided is such that could
221 not have been manufactured by the FBI and planted on this guy.
222 And there won't be any trial! Right! I mean the shooting officer will
223 be the subject of some investigation, all done internally, by the FBI,
224 of course.

225 Do you see what you have done, Mr. Biden, Mr. Garland, Mr.
226 Wray, and the rest of you? We'll see — we are praying the wicked
227 in the FBI will be exposed and the righteous vindicated. I think the
228 entire FBI should be closed down. I have no confidence in that
229 department, Congress should defund it yesterday!

230 I've got to close. But before I do, one more thing. I'll provide a very
 231 interesting update on the vaccine quandary—well, that's
 232 uncertainty over what to do in a perplexing circumstance, there is
 233 no question about what you should do — refuse the jab! But I'll go
 234 over it fully this Saturday night during my Comfort & Counsel
 235 livestream visit. Right now, in closing, get a load of this.

236 According to MSM, "Nobody ever said the Vaxx would stop the
 237 transmission of Covid Virus." O, really? Well, looky who they are
 238 calling "nobody"¹⁰ — the worlds foremost expert on vaccines, Bill
 239 Gates (ha!), CDC Director Rochelle Wallensky—vaccinated people
 240 "don't carry the virus, don't get sick," here is Marks, Director of
 241 Biologics Evaluation & Research at FDA, getting vaccinated can
 242 protect you from getting seriously ill and spreading infection; J&J
 243 CEO, guarantee of protection is 100%, Biden, you won't get
 244 COVID if you get these vaccinations; Fauci with his usual clever
 245 avoidance of actually saying anything says get the vaccine STOP
 246 COVID; Rachel Maddow, we now know the "virus stops with every
 247 vaccinated person." But behind the scenes, the US FDA actually, in
 248 writing, admitted, "the data are not there to assess the effect of the
 249 vaccine against transmission." And Janine Small, president of
 250 International Development Markets, for Pfizer, asked did you
 251 know the effectiveness of the vaccine to stop transmission before it
 252 was released, admitted, "NO! We did not know."

253 Want to know what nobody on the left ever said about the Vax?
