

Brain Massage®: Show No. 947 The Inexorable March of Truth & Trump
Indictment No. 4 / $2+2=4$ Not Racist, but $2+2=5$ is White?

Dr. Jerry Scheidbach

Original Air Date: 08.19.23

1 Segment.01 Hello. I'm Dr. Jerry Scheidbach, pastor of the
2 Lighthouse Baptist Church in Santa Maria, CA—and your brain
3 masseur—get ready for your brain massage.

4 Pray for the release of the Pelosi-Biden J6 political prisoners. Here
5 is an article revealing the depth of their wickedness, holding J6
6 Christian prisoners of conscience in isolation for 5 months at a
7 time in a closet that looks like it can't be larger than 8 x 5 feet, if
8 that!¹Here is a picture that should break your heart!

9 A NATIONAL DISGRACE: January 6 prisoner Ryan Samsel pictured in the closet room he was held in for 5 months in isolation.

10 At least one Republican in Georgia has some grit! State Senator
11 Colton Moore to launch hearings to look into the outrageous
12 indictments handed down by the GA District Attorney Fani Willis,
13 in her transparent effort to interfere with the 2024 election, and he
14 wrote a letter to inform to the weak, spineless, cowardly and
15 craven, pathetic and pusillanimous, timid and traitorous, gutless

16 Brian Kemp who met with the devil when he went down to
17 Georgia and struck a deal for power; but now finds he can't fiddle
18 his way out of it. But Kemp's not worried, he is confident the rest
19 of his fellow Republican namby-pamby, milksop, sissy peeps will
20 hold out against truth and judgment and LAW and ORDER just
21 long enough to keep Trump out and the Deep State intact!

22 But you can't withstand the in•ex•or•able march of TRUTH —
23 hear the steady pounding the boots of judgment getting louder as
24 they get nearer and more and more patriots join the march! Justice
25 has removed her blindfold, checked the scales, found you wanting,
26 and set the point of her sword upon the apple of your filthy necks
27 — all of you! Biden, Pelosi, Kemp, Fani and the rest. You are a pack
28 of liars, and thieves, unjust, with no fear of God before your eyes,
29 wicked rulers that make the righteous groan under your constant
30 abuse of power; and upon the AUTHORITY invested in me as an
31 AMBASSADOR FOR CHRIST I deliver a message from
32 KINGDOM HEADQUARTERS — "all liars will have their part in
33 the lake which burneth with fire and brimstone," and that is at your
34 SECOND ENCOUNTER WITH DEATH (Revelation 21:8). As
35 you approach your first encounter—I warn you, if you do not take
36 this opportunity to repent, and you want to go on in your service
37 that defeated Devil, in Georgia or anywhere else, then I'll make the
38 delivery — like Paul delivered Hymenaeus and Alexander, so I
39 deliver you to Satan that you will learn not to blaspheme by your
40 impious speech against the righteous, your lies against the TRUTH,
41 your defamation against liberty, and justice, your false accusations
42 against patriots, Trump being one among millions upon whom you
43 intend to burn your brand by your lies and then sacrifice them on
44 the altar you have raised right there in Washington DC in service
45 to your gender blended, goat headed pedo-Baphomet to whom you
46 feed our children to be devoured in the perverted lusts men and
47 women without natural affection. You liars, calling the good evil,
48 and the evil you call good. You project your own guilt and shame

49 on the righteous: you call them what you are, insurrectionists,
50 betrayers of your oath, oppressors against the poor people, White
51 Supremacist.

52 Here is a FoxNews segment showing the correlation between truth
53 breaking through the Dam of Media LIES holding back the flood of
54 truth that is ever building putting increasing pressure on the Dam
55 the Deep State controlled media has constructed, playing their
56 puppets before the dumbed down people, puppets like Barr, played
57 like a Marionette — watch that toad, croak his green bile² against a
58 man whose shoes he is unworthy to polish, which shoes will one
59 day step on him like the bug he is, screeching about Trump going
60 too far, crossing a line, and declaring he will be convicted — as his
61 eyes retract to help push the tasty thought morsel into his throat—
62 that's what frogs do, you know, their eyes retract into their mouth
63 to help push their food into their throat—don't believe me? Read
64 this.³ Now, you have to watch close when Barr does it 'cause it
65 happens so fast, and all you'll notice is a faint flash and flicker in
66 the eye as he delights in the expectation—and if you want to know
67 what exposes this particular Deep State toady, it's simple, it always
68 is, by the way, have you heard the Deep State Toady say a word
69 against the Biden Crime family? Of course not — that would be
70 interfering with an election. You are a disgrace Mr. Barr. And
71 deserving of every epithet of disgust and loathing I can craft against
72 you! Be cursed for your treason!

73 Back to the FoxNews segment, one where they get it right! Showing
74 that Biden uses the strategies of Satan — Redirect attention to your
75 opponent with outrageous ACCUSATIONS —

76 Every time revelations broke loose from Deep State control and got
77 to the public about the Biden family and Laptop revelations,
78 indictments followed.

79 March 16, news breaks that the Bidens received millions from a
80 CCP controlled energy company, two days later, March 18, Trump
81 gets word he will be indicted in New York on allegations he paid
82 hush money to the whore, what's her name? On April 4, as
83 expected, Bragg announced the first indictment against Trump,
84 just as the news of the Biden family receiving multiple millions of
85 dollars from the CCP energy company begins to get public
86 traction.

87 Then, on June 7, news breaks about bribery allegations in which
88 Biden accepted bribes for using his influence to benefit a Ukrainian
89 Oligarch, the ten million dollar bribe from Burisma, remember, the
90 recording of the Burisma owner saying 5 million for one Biden,
91 and 5 million for another, that's June 7, next day, June 8, Trump is
92 indicted over the classified documents, Mar-a-Lago stuff.

93 Then July 26, revelations emerge involving the Hunter plea deal —
94 a plea deal that guaranteed Hunter could face NO CHARGES FOR
95 ANY THING BROUGHT UP AGAINST HIM IN THE FUTURE,
96 even things NOT YET BROUGHT BEFORE THE COURT, a plea
97 deal entered into by the government's prosecution on this case —
98 yeah, well, a decent judge caught that, exposed it, and it fell apart.
99 So, July 26, this story exposing the Bidens breaks out and on the
100 next day, July 27, the media starts beating their cans, and stomping
101 their feet, and clapping their hands to get our attention —
102 screaming about Jack - the ripper - ever look at that guy — he looks
103 like a godfather hit man — the special prosecutor, should say
104 government's special persecutor, adds charges to the case against
105 Trump. July 26 a Hunter story breaks, July 27 and indictment is
106 announced.

107 Next, Devon Archer testifies on the Hill and unloads damning
108 testimony against the Biden, testifying Joe Biden was on more than
109 20 phone calls with Hunter Biden's business partners—so what
110 happened to I know nothing about Hunter's business dealings, we
111 never talk about it? Well, this breaks on July 31, the very next day,
112 August 1, the Mob Boss' best boy Jackie furthers his intrusion and
113 interference in the 2024 election by indicting Trump for the J6
114 case—accusing him of inciting the riot in an attempt to interfere
115 with the 2020 election.

116 Then, on the morning of August 14 the GOP released the
117 transcripts from an FBI Agent involved in the Hunter Biden
118 investigation, in which the agent corroborates whistleblower
119 testimony that the Secret Service tipped off Hunter and he was
120 never interviewed. Later that SAME DAY, August 14, Fulton
121 County DA Fani Willis, in her obvious effort to interfere in the
122 2024 election, announces her charges against Trump and 18 others
123 in a conspiracy to interfere with the Georgia 2020 election probe.⁴

124 This is political theater at its worst! And it is so obvious, many
125 traditional democrat voters are getting very angry and turning
126 away from the DEMONCRAT PARTY. Listen to this former
127 Democrat loyalist warning the Democrat overlords of the Tsunami
128 of revolt that is building against them: INSERT. 44 seconds.

129 Okay my friends, hold on through the break; I'll be right back!

130 Segment.02 Hello. Welcome back! I'm Dr. Jerry Scheidbach, pastor
131 at the Lighthouse, your brain masseur, and Paul Revere's lantern
132 lighter, lighting the lamps in the church belfry arch, signaling the
133 enemy is on the march, an enemy that would steal from us our
134 liberty.

135 It is impossible to keep up with the news cycle these days. I'm
136 offering a livestream version of the Brain Massage show on

⁴ <https://twitter.com/bennyjohnson/status/1691811053003293101?s=20>

137 Tuesday, Thursday and Saturday nights, usually at about 9 pm, and
138 we visit for about an hour. I've been working toward this for a
139 while, and it's time to formally announce — we are still using
140 Facebook livestream, but we will be including Rumble probably
141 within about a month. And we'll see where it goes from there.

142 The livestream is called Comfort & Counsel for the Present
143 Distress, or C&C for short. If you want the link to join in, let me
144 know and we'll get it to you. In fact, I'll include you on the list of all
145 who get notified I'm about to go on and that email notification will
146 include a link to the livestream. It's a more relaxed format, and
147 there is some limited opportunity for interaction — we are
148 working on being able eventually to take calls and all that, but give
149 it some time. I hope you'll join us during the next livestream
150 presentation of the Brain Massage *live*.

151 As you know, Physician Sarah Green and I teamed up to publish
152 Let My People Breathe! Unmasking the Mask Controversy With
153 Science and Scripture. She verifies the science side of the book, and
154 I have a doctorate in Theological Studies with literally thousands of
155 hours handling the Scriptures. The book answers two questions
156 about using masks to "stop the spread," or "curb the spread," or
157 offer protection against transmission of or contagion by any virus
158 borne disease—including COVID. It's coming baaaaaack — and
159 they are already sending signals that they want to put the dirty face
160 diapers back on our faces, so you need this book to be prepared. IF
161 YOU ARE GOING TO CONSENT TO THIS NONSENSE, AT
162 LEAST GIVE INFORMED CONSENT! And all of you business
163 owners that listen to the Brain Massage, and there are literally
164 hundreds of you out there, PLEASE GET THIS BOOK, READ IT,
165 AND AT LEAST BE INFORMED ABOUT THIS BEFORE YOU
166 GO ALONG WITH THE NAZIS TRYING TO COOP YOUR
167 BUSINESS INTO PARTICIPATING IN GOVERNMENT
168 OVERREACH.

169 The book answers two questions and answers both definitively. Do
170 masks work? That's the science part of the book and after 964
171 scientific articles were examined, producing over 800 pages of
172 notes comparing the studies against what the science actually says
173 about this, the definitive answer is NO! Now, so that you can make
174 up your own mind, I provide extensive citations for every fact
175 asserted. My opinions premised on those facts are my own. You'll
176 make up your own mind. But at least LOOK AT THE FACTS. And
177 for those who want to do a DEEP DIVE into this, my research
178 notes, including links and a copy of every one of the 964 studies I
179 examined in my research, is available for \$100. That's 800 pages of
180 my own study notes, a copy of every article examined, a
181 chronological table showing how the consensus changed and
182 developed during the COVID pandemic under the influence of
183 government bias — it's a huge amount of data that has to be
184 downloaded in several zip files — right now you can get it for a
185 25% discount, \$75.00 at booksatdbp.com. Go into the bookstore
186 and find the SUPPLEMENTAL Material for Let My People Breathe
187 and process your order.

188 Would you like to have access to all that information for FREE?
189 Okay. Buy the book! There is a code in the book you can use to get
190 all that for free. If you get the book, get the code, and give it away
191 to friends, be sure to tell them you stole the material from Pastor
192 Scheidbach. Haha!

193 Let me tell you that chapter five is worth the price of the book —
194 Natural Filtration Versus the Masks. It's going to be a mind-
195 blower.

196 The second question answered by this important book is what does
197 the Scripture say about a God fearing Patriot's responsibility to
198 cooperate with government mandates.

199 The statement on the Bible's recognition of true science will
200 surprise your unbelieving friends. The clarity you are going to get

201 on questions like what are the limits of human government, and
202 how do we know when to stand our ground against government
203 intrusion into our natural rights? The biblical basis for objecting to
204 the government intrusion into our medical choices, showing that
205 our body does not belong to the government, that God appointed
206 to the individual responsibility to steward the body, that giving that
207 to government is literally to put government in the place of GOD.
208 When I walk you through what the BIBLE really teaches about the
209 limited role of government, that government is not over GOD, that
210 as a matter of fact, the APOSTLE PAUL TOLD US TO WRESTLE
211 AGAINST *powers*. If *powers* used in Romans 13 means the same
212 thing to Paul as *powers* used in Ephesians 6:12-18 — the same
213 *powers* he told us to reverence and obey in Romans 13 he told us to
214 WRESTLE AGAINST in Ephesians 6 — and yeah, same word!
215 There is a time to obey and a time to resist! I explain that in this
216 book.

217 So you see, this little book 140 pages, is huge in content and
218 addresses concerns related to masks, of course, but the
219 implications go way past the mask debate.

220 Let My People Breathe! Unmasking the Mask Controversy With
221 Science and Scripture is available everywhere books are sold. Right
222 now you can get a 20% discount by going to BookLocker.com.
223 Some of you are very familiar with my bookstore, so you can get to
224 BookLocker.com from there. Go to booksatdbp.com, click on the
225 book cover you see featured on the home page, and when you click
226 on the link to buy the book, you will be directed to BookLocker
227 where you can get your 20% discount.

228 Sarah and I interviewed with Andy Caldwell introducing our book
229 on Monday this week and I think it went very well! Sarah
230 mentioned something I touch on in the book but do not develop—
231 maybe in the reprint I'll focus on this more. The reason the

232 government is pushing this mask thing is becoming increasingly
233 obvious.

234 They used the COVID thing to close down the schools—many are
235 telling us this had a huge negative impact on their education. Some
236 of us would argue it might have been a blessing; it forced parents to
237 become aware of what was going on in their children's classrooms.
238 So that, I think backfired on them. Anyway, the public education
239 system in America left teaching our children to prepare them to
240 think critically a long time ago, and turned to training them to
241 think communally. They have been and continue to program our
242 kids to hate individual freedom, and to favor communism—or
243 collectivist freedom. The kids are taught not to think individually,
244 but to think communally — to implicitly trust government
245 institutions and accept their authority as absolute. This was
246 reflected in Fauci's statement that to question him (a representative
247 of the collectivist government establishment structure) is to
248 question science itself. The hubris, the excessive arrogant
249 assumption of absolute authority, is disturbing, but more than that,
250 it is dangerous!

251 To control people, you must keep them stupid. To keep them
252 stupid, you must separate them from any dependency on natural
253 reason, common sense, you must cause them to doubt their own
254 ability to reason, you must distort their perception of reality so that
255 reality can't be trusted to inform them.

256 Fauci, who said the randomized controlled trial (RCT) is the gold
257 standard of scientific research on questions of causation, that is,
258 what causes this or that event — and in the past has admitted not
259 one RCT supports the claim that the masks he recommends
260 protects anyone from contagion or transmission of a virus borne
261 disease, now tells everyone to wear masks. But he has not pointed
262 to the study that changed his mind. So we are no longer depending
263 on real science — we are taking our instructions from scientists,

264 not from science. This is called *scientism*. It's like a religion! It
265 governs by dogma based on institutionalized doctrines reinforced
266 by the authority of priests — wearing white smocks, and a surgical
267 mask. To get people to accept this sort of don't think about it just
268 do it culture, they have to make people stupid, they have to break
269 you away from natural reason, they have to get you to doubt facts
270 that are apparent in nature. They will brook no competition for
271 your loyalty. YOU must think what you are instructed to think!

272 That's where this $2+2=5$ thing comes in. Presently, they are trying
273 to argue that it's racist to insist $2+2=5$. Go here and watch this
274 exchange where the question is raised whether this is a real thing—
275 and the answer is, yes, it's a real thing. People are seriously arguing
276 that $2+2=4$ is racist, and imposition upon everyone of a frame of
277 reference that is rooted in white culture, and therefore to insist on
278 it is associated with White Supremacy. But let the Brain Masseur
279 give you the historical background to this. I'll have to sum up!

280 George Orwell, as many of you know, wrote the book 1984 in
281 which he envisioned a dystopian society organized around the idea
282 of subordinating individuality, submerging it entirely into
283 conformity to STATE mandated groupthink! You are not allowed
284 to think anything the State does not tell you to think. The
285 antagonist pressures the Mr. Smith to give up trusting his own
286 perception of reality, and yield to believe whatever the STATE tells
287 him reality is. He holds up four fingers and tortures Smith until he
288 finally says he sees five. He wants the subject to ask how many is it,
289 and when the STATE tells him how many fingers are help before
290 him, then that's what he believes. He does not know until the
291 STATE tells him what to think.

292 Here is some background you'll find interesting.^{5 6} The question
293 was first raised in literature in 1652, a philosopher was pondering

⁵ 947.0.4-2 + 2 = 5 - Wikipedia https://en.wikipedia.org/wiki/2_%2B_2_%3D_5

294 "natural knowledge," and argued that the proposition that $2+2=4$ is
295 a fact embedded in nature itself and cannot be denied without
296 denying nature. He was right! But then, as people began developing
297 unnatural affections, they began question natural knowledge.
298 Through desire a man having separated himself seeketh and
299 intermeddleth with all wisdom (Proverbs 18:1).

300 The exact expression, $2+2=5$ was found in the title of a book of
301 absurdities in 1895, and it showed up again in the 1920 art
302 manifesto by a poet. But before this, in 1884, a French author wrote
303 Gilbert and Sullivan's Princess Ida, in which the princess despises
304 "the narrow minded pedant [that] still believes two and two make
305 four." This fictional character asserted women can make five, or
306 three, or seven, or five and twenty from $2+2$.

307 That peculiar flexibility of mind is only possible when the person,
308 the soul, is disconnected from reality, from nature.

309 Here is an excerpt from a 19th century novel title Seraphita, 1834,
310 "Thus you will never find, in all Nature, two identical objects; in
311 the natural order, therefore, two and two can NEVER MAKE
312 FOUR, for, to attain that result, we must combine units that are
313 exactly alike..." I'd like this guy to work for me. I will show him a
314 dollar and say, I'll give you all of these that I have in the bank for
315 cleaning my car. And after he has labored to clean my car and
316 comes to collect, I will hand him the dollar I showed him. When he
317 objects that he worked a few hours expecting to get more than one
318 dollar, I explain that's all of this dollar that I have, no two are alike,
319 so!

320 But I have to work toward conclusion here, let's wrap it up with the
321 POINT. $2+2=4$ comes from NATURE not from anybody's skin
322 color. $2+2=5$, however, now that's a white thing. All these people
323 arguing for $2+2=5$ are whiteys. No black person is that stupid,

324 unless they've been living on the white man's plantation called
325 liberalism for a few generations, and they've been fooled by White
326 Supremacists into thinking in terms of "colored folks," versus
327 "white folks." Yeah, it's all coloreds and whites again. And who
328 came up with that? WHITE LIBERALS who want to divide the
329 nation into racist divisions — and once they succeed, just like that
330 young lady said, she knows what they'll do when they get Trump,
331 they are coming for us all!

332 So, I'm with her! You indict, we gonna vote. You indict, we gonna
333 vote. You indict, we gonna vote — FOR TRUMP!
