THE THREE PRONGED ATTACK ON OUR LIBERTIES / THE DANGER
OF COMBINING LYING SCIENTISTS WITH DANGEROUS WEAPONS

Original Air Date: 09.01.23

Segment.01 Hello. I'm Dr. Jerry Scheidbach, pastor of the Lighthouse Baptist Church in Santa Maria, CA—and your brain masseur—get ready for your brain massage.

According to Georgia Representative, Barry Loudermilk, (R), chairing the current Republican led J6 committee, the former Democrat run committee gave the White House some of the J6 footage. Loudermilk has asked Biden to turn the evidence over to the Committee, which has legal jurisdiction, but the White House says they will do so only after they have redacted the video.¹

A Super PAC, “Ron to the Rescue,” has pulled away from DeSantis and turned to Trump. Will Ronny drop out? Not likely!²

How is Idalia shaping up? Is Florida's tropical storm another Directed Energy Weapon attack, like the one on Maui? (Yeah, stay tuned)

A New COVID strain just in time for Election 2024.³ Update on COVID Returns — will this latest Godzilla horror movie end like that last one?

Operation Lone Star is in full swing. Texas is partnering with a few sister states concerned about the border problem, and teamed up to do something about it.

And, of course, I've got to weigh in on the latest revelations concerning the Biden crime family. Turns out the National Archives have well over 5000 emails from Joe Biden to Hunter and others using a variety of pseudonyms to mask his identity. Some of these emails show Biden not only knew about Hunters influence peddling enterprise but that he was running the operation.

The rising of the Beast! Evidence is mounting supporting the “conspiracy theory” that a massive effort is underway to impose a total control society on Americans.⁴

Okay, my friends; it's time for your Brain Massage®!

[TRUTH]

Representative Barry Loudermilk, R-GA, is Chairman of the current Republican led J6 committee. He learned that the White House was given some of the J6 footage—apparently in an effort to hide it from Republicans. Louderman, in his official capacity of the Congressional Committee that has legal jurisdiction over the J6 investigation, and therefore a RIGHT to the evidence, has asked Biden to turn these videos over to the Committee. I know this will shock you, but the White House says they will do so only after they

have redacted the videos.⁵ Are you not just getting so tired of these people? I think Sarah Palin is right — they want to provoke a Civil War, they want to maneuver the American people into a position where they feel there is no civil recourse to redress their grievances so they can incite an armed resistance. But that is a mistake!

They are conducting what's called a “soft coup.”⁶ A major part of this involves election interference, the stealing from the American people their RIGHT OF CONSENT. Look for my upcoming new book, ELECTIONS OR SELECTIONS: STEALING The People's Right of Consent, where I clear away the smoke so you can see the smoking gun evidence, that it is the Democrats that are neck deep in Election interference, as if you needed any further proof than what your own eyes can see daily; and that, in fact, the RIGHT OF CONSENT is a biblical doctrine — that GOD HIMSELF established and Himself honors the RIGHT OF THE CONSENT OF THE GOVERNED. Because this right is endowed to us BY GOD, and not a privilege granted to us by government, we must RISE UP AND TAKE OUR ELECTIONS AWAY FROM GOVERNMENT CONTROL, and my plan for that will stun you — it's not unlike the OPERATION LONE STAR plan where some states got together, circumvented the Federal government altogether, and stepped in to address the border crisis in Texas—and they are getting it DONE!

Make no mistake about this — the persecution of TRUMP is all about election interference and the protection of Biden's “most extensive and inclusive voter fraud organization in the history of

American politics”⁷ — of course he did not mean to say that on national television, but he did! Most of the Deep State media claimed he was taken out of context; that’s nonsense. He was explaining why in the face of overwhelming evidence Trump had the popular support of the American people he expected to win. This was his explanation. USA Today was at least more honest about it, admitted Biden was not taken out of context, but explained that he “misspoke.”⁸ Yeah! That’s an understatement. Here it is. Keep in mind he is explaining why he had confidence he would win the 2020 election.

[INSERT 23 seconds here—“Secondly, we are in a situation where we have put together, and you guys did it for our adminis...the. Of course he did not mean to reveal what we now know they did! It’s like some unwritten spiritual law — God will force the wicked to reveal themselves through their own filthy mouths!

I’m coming to the end of my first segment, and I want to touch on something I intend to develop more later. Another feature of the soft coup was explained to European Union Doctor Meryl Nass testified before a European conference in July of 2023 explaining the World Health Organization’s proposed Treaty is part of a “soft coup” — an effort to bring the world under a totalitarian government without the use of arms. She showed how the

How hard would it be to have added the word *prevention* after *voter fraud*? I think this was. clear case of Divine Intervention forcing the truth from this man’s wicked and deceitful heart.

perpetrators of this coup are using the “pandemic” to cower people into giving up their rights. Sarah Green has medical training and founded Central Coast Alternative Therapeutics & Rejuvenation, her office is in Nipomo, you can go to ccatr.us to connect with her and get help to prevent or treat the planned upcoming NEW COVID attack. Sarah is a contributing author with me on my newest book, *Let My People Breathe, Unmasking the Mask Controversy With Science & Scripture*; she will be submitting an article to our blog explaining how the mask mandates serve no medical purpose at all, but that they are used test how far the American people will go toward giving up their personal rights and freedoms. The masks identify publicly who are the COMPLIANT, ready to surrender to TOTAL STATE CONTROL and who are the RESISTANCE — who will stand up to their bullying, intimidation, and LIES to defend their liberty. You wear a mask — you are either totally ignorant and ill informed — and those are just the sorts of people DEEP STATE TYRANTS need to crush our LIBERTIES. Take off that stupid mask. SCIENCE says they don’t work, and read chapter five of my book, you’ll learn that in fact they make it worse for you.

It’s a three pronged attack: First, theft of our right of consent through election interference; Second, bullying and intimidating ignorant people with lies to promote fear in order to make them compliant with mask mandates and using the COVID scare to manipulate people into accepting outrageous violations against election laws facilitating the theft of the people’s right of consent — Trump has been back and forth with this, we were all taken aback at first; but as early as Feb. of 2020, he said the coronavirus was the Democrats new “hoax.”⁹ Yesterday (August 31, 2023) he blasted the “fearmongering” over new COVID strain, claiming “left wing

lunatics” were trying to bring back lockdowns and mask mandates to steal election 2024.¹⁰ And the third prong, and it all works together, this one is the effort to digitize your money.¹¹ Heritage Foundation conservative think tank says this is a government “power grab.” Read this article! It will get you started toward realizing the infrastructure for the future “mark of the Beast” is being put in place right now and the time to resist this, the time to WRESTLE AGAINST THE POWERS is right now, while we have some little strength remaining, while we have some little voice remaining, while the SPIRIT OF CHRIST is still present to RESTRAIN the spirit of antichrist —

Gotta close out the first segment — the prophesied one world government BEAST is attempting to rise from the multitude of waters, a biblical allusion to the masses — and this is world wide! The attack is three pronged. First, take away the people’s natural right of CONSENT — it happened in Venezuela, is a relatively recent example, Ukraine, where a Deep State coopted CIA conducted what are called “color revolutions” to overthrow governments and install puppet regimes loyal to the Globalists.¹² ¹³ ¹⁴ That’s where they worked out the system to perfection and now they are conducting a color revolution on the big prize: America. The ultimate objective is to enslave mankind, then condition them

to live like their zoo animals, under their total control, where they will control population size — the antichrist spirit hates humankind and wants to exterminate those they cannot enslave.

A fourth prong is the depopulation agenda. Steal their right of consent, beat them down with fear into a superstitious, hysterical subservient class who do not think critically or independently but are conditioned to think communally, take control of their money through a digital currency they can totally control, establishing ubiquitous surveillance and control over your money so they decide what you can or cannot buy or sell — mark of the beast stuff — constrain your movements, herd you like their cattle, and begin culling out the undesirables, the non-compliant. Will you STAND AGAINST these “powers,” or will you grovel at their feet like slaves?

The BIBLE calls us to STAND — and to WRESTLE AGAINST these powers. And friend, if you want to argue that *powers* refers to governments in Romans 13, then you’d better be consistent and admit the same exact word, *powers* means the same thing in Ephesians 6. There is a time to submit to the ordained POWERS and there is a time to WRESTLE AGAINST the POWERS, and that’s when they are operating outside the DIVINELY PLACED limits of their ORDAINED AUTHORITY.

That’s what they are doing right now, and NOW IS THE TIME TO RESIST, and the call does not come a day too soon! RESIST!

Hold on through the break; I’ll be right back!

Segment.02 Hello. Welcome back! I’m Dr. Jerry Scheidbach, pastor at the Lighthouse, your brain masseur, and Paul Revere’s lantern lighter, lighting the lamps in the church belfry arch, signaling the enemy is on the march, an enemy that would steal from us our liberty.

Now we hear that “McCarthy’s guy,” whoever that is, is going to vote on whether to hide the J6 videos from the American people—

that comes to us courtesy of Tom Fitton, of Judicial Watch, as he left a censorship court hearing on the release of all J6 video.¹⁵ Remember, back in 2021, McCarthy stood boldly behind a COVID mask, the mark of the Deep State slave, and said “Trump ‘bears responsibility’ for the Capitol attack,”¹⁶ but generously favored “censure over impeachment.” You can trust him if you want to! If it makes you feel better. Keep the pressure on him! RELEASE ALL J6 SECURITY VIDEO to the PEOPLE to whom that property BELONGS. We have a RIGHT to know the TRUTH about J6!

I understand a Super PAC, “Ron to the Rescue,” has pulled away from DeSantis and turned to Trump. DeSantis claims his campaign never embraced the group and announced they are glad they pulled away.¹⁷ His campaign spokesman claimed they out raised Trump in the last quarter. That’s not likely! Trump’s political coin increases with every indictment.^{18 19 20 21} Although liberal hack pub Politico reports that his latest indictment showed that trend ebbing downward.²² It did not spike “as much” as before. Look, he is adding tens of thousands of new donors with each of these — what is clear is that the undecided vote has decided and all that’s left for the demons are the 30% of die hard communist voters, who would really love an opportunity to vote for Mao, or XI, yeah, that’s who they want. demanding schools inform them when their child initiates gender change identification at school.²⁴ No doubt under the influence of some woke teacher's or other school official's encouragement.

How is Idalia shaping up? Another Directed Energy Weapon attack, like the one on Maui? (Hehe!) Fact Checkers are out in force calling the emerging narrative that a DEW (Directed Energy Weapon) was used in Maui, just another conspiracy theory,²⁵ which, of course, is the strongest evidence so far that it's probably true! doing this! Shooting short burst intensive lasers into the atmosphere, creating condensation, then following this with a lower intensity longer duration burst that scatters the condensation, creating rain.²⁹ Think about this!

We have 1,600 scientists signing off on a document that declares “No climate emergency” — asserting the whole thing is a hoax.³⁰ Which tells us science has been coopted by wicked people who want to advance a political agenda with fake science. Further evidence of this is seen with the mask hoax — everybody knows, CDC knows, WHO knows, Fauci, well, at least he used to know, until he got marching order from his China handlers, that’s an informed opinion, by the way; but he did tell a government official masks wont protect you from viral infection, the virus is too small and passes through the material, and when he flip-flopped and was challenged to explain, he said he follows the science, but when asked what science can he point to showing a 100 years of western scientific consensus regarding masks was proven false, you only get a bunch of rambling, with an empty stare from those liar’s eyes— watch him! He never pointed us to any scientific study proving masks were effective to protect from contagion of transmission of viral infection. LIES! Climate change LIES — perverting science into a political tool — so what will these sorts of political activist liars do with real science? You think they would not use real “climate change” science — 200 trillion watt lasers to manipulate weather phenomena to create some handy-dandy useful disasters — you know, the kind you never want to waste?

Combining lying scientists who will use fake science to manipulate and control people with seriously dangerous scientific advances is a formula for some serious trouble!

Morality MATTERS, Character COUNTS, Honesty is STILL THE BEST POLICY — we need a revival to TRUTH, JUSTICE, we need a revival of the old fashioned AMERICAN WAY — we need to get rid of these communists and bring back real PATRIOTS — we need TRUMP!

So much to talk about, so little time. I'll have to close.

Lord willing, I'll pick up from here Saturday night. I want to talk about Election 2024 and the New COVID strain just in time for Election.³¹ I want to update you on the RETURN of COVID and listen, reach out to our beloved physician, Sarah Green, go to ccatr.us and arrange to meet with her about what you can do to protect yourself and your family from the RETURN OF COVID. Will this latest *Godzilla horror movie* end like that last one? Hmm. The COVID began in Wuhan, and in The Return of Godzilla, or was that Godzilla and Kong? anyway, Godzilla dies in Shanghai? Interesting! Gu-si-lah — practicing my Chinese; yeah, that's Chinese for Godzilla.

And I want to talk about Operation Lone Star in full swing in Texas; sister states coming in to team up with Texas and do something about the border. And we are not surprised to find out, like anything else, get the Feds out of the way and what needs to be done gets done! Just like Reagan used to say, government doesn't solve the problem, government *is* the problem! Get the bloated anti-people government out of the way and let the people take care of it.

And, of course, I've got to weigh in on the latest revelations concerning the Biden crime family. Turns out the National Archives have well over 5000 emails from Joe Biden to Hunter and others using a pseudonym, yeah, a fake name, to family members talking about Hunter's influence peddling enterprise. If there is a RICCO case to be pursued by a JUSTICE department, it's not Trump and the rest of us who opposed the phony 2020 election.

It's Biden's conspiracy with crime family members to sell influence to foreign states for personal gain. Not an honest effort to raise questions about a stolen election — you know, like the Democrats did back in 2000 and almost every time Republicans won. Here is a list of 150 times Democrats denied election results when Republicans won.³²

And I've got some more to say about the rising of the Beast! Evidence is mounting that supports the “conspiracy theory” that a massive effort is underway to impose a total control society — a trust no one culture — a digital currency with an implanted chip allowing government to track your every move and control access to your own money. At least part of Schwab's prophecy will come true; you will own nothing; but the other part is highly questionable. I don't think “you will be happy.”³³
