Mandates Are Coming Again / The Rule of Consent

Original Air Date: 09.16..23

Segment.01 Hello. I'm Dr. Jerry Scheidbach, pastor of the Lighthouse Baptist Church in Santa Maria, CA—and your brain masseur—get ready for your brain massage.

Mask and Vaccine mandates along with lockdowns are coming back, along with questions about WHAT IS A CHRISTIAN PATRIOT TO DO?

WHAT IS THE AGENDA WITH THESE VACCINES, is it really only about Big Pharma profits? Is there a 5G connection that combines with the vax to set up a kill switch? Woah!

Let's talk about the inability of the RIGHT to execute wrath on criminals juxtaposed to the willingness of the wicked to use power aggressively to oppress the innocent. Why can't the RIGHT effectively address the WRONG?

What's with the attack on one of Russias submarine dry docks in Sebastopol by Ukraine, we are told, using British provided Storm Shadow Cruise Missiles, while the attack was apparently coordinated with US and NATO deployment of warships on Russia's Black Sea coast. Developments in the Ukraine—Russia drama are escalating toward world war!

The Lighthouse Interposition Project (LIP) will be launched soon. If I have time, I'll tell you a little about what's coming from the Lighthouse.

Okay, my friends; it's time for your Brain Massage®!

[TRUTH]

Mask and Vaccine mandates along with lockdowns are coming back along with questions about WHAT IS A CHRISTIAN PATRIOT TO DO? In 2020 we were pretty much caught off guard; we were not prepared to deal with all that was coming down with the CHINA-VIRUS, and mask “mandates,” followed by vaccine “mandates.” You did notice they hit you with the mask mandates first (here is a timeline¹); I think when they saw how many Americans were willing to go along with that, they were emboldened to push hard on the vaccine mandates.² (Of course, I know the vaccines were not released until after mask mandates, which were first “recommended” by the CDC April 3, 2020. After the Surgeon General, and Fauci, et al, constantly assured the American people that if you are healthy, you will not benefit from wearing a mask. It appears California’s Gov. Nusi led the way³ and was the first to issue a statewide mask mandate issued on June 18, 2020,⁴ a full seven months before Biden made it a federal mandate in Jan. of 2021.⁵

I guess he wanted to be the leader of the tyrannical American governors! A true — Trudeau clone! He has that same snobbish air and smug arrogant look, don't you think? Both these guys could be sons of Castro!

But the truth is in my new book, *Let My People Breathe! Unmasking the Mask Controversy With Science and Scripture*. It shows, with proof, that the masks our corrupt American medical establishment recommended and our corrupt political establishment required DO NOT PROTECT ANYONE FROM CONTAGION OR TRANSMISSION of any VIRAL DISEASE — especially something transmitted by a particle so small the SARS-CoV-2 virus.

Remember, that's what Fauci said to Health and Human Services secretary Sylvia Burwell in an email dated February of 2020. He did not start pushing masks on everyone else, except himself of course, we all saw the pictures—remember the one where he was standing there with his mask under his chin till he noticed a camera on him, then he quickly pulled it up over his lying lips and cocaine sniffing nose — well, okay, I don't have any evidence he uses his nose for much more than to stick it into the business of our personal and private medical choices, but have you seen him lately; I don't know this to be true but he looks like he has been doing some “self medicating.” I'm serious. Look at the interview he gave explaining why the Cochrane Review lately released that said there is zero evidence masks did anything to curb the spread or reduce the cases of infection—see it here.⁶ I just looked at it again — I don't know; I'm comparing it to how perky he looked back in 2020 and maybe the weight of all the death he has caused the tons of lies he has piled on his conscience adding to the weight of all those lives he is responsible for, refusing to acknowledge the efficacy of Ivermectin, and HCQ while simultaneously recommending everyone strap

masks on their faces, so that whatever droplet they might catch is held right up against their mouths to suck into their lungs when the droplet desiccates (evaporates) — I mean, that’s a lot of guilt tonnage to carry even for a guy whose conscience was damage hugely back when he was killing people with his remdisivir back during the Ebola trials. At least then Fauci did not have near dictatorial influence over the government medical establishment and could not so easily just call a meeting of key medical leaders and pressure them to sign on to a LIE in order to HIDE the evidence the SARS-CoV-2 virus was lab created in Wuhan! Read my book!

But, anyway, in February of 2020, Fauci held to the almost 100 years consensus of western science on the question of masks. But then he suddenly flipped, and in March or April he claimed he was “following the science,” and decided everyone must wear masks. But the rascal never told us what science he followed that moved him from masks don’t work against a virus because the virus is too small and will pass through the material of the typical mask you buy in a pharmacy, yep, that’s what he said to Sylvia, all the way to the opposite conclusion claiming there is benefit to wearing any sort of face covering, even a cloth mask — but he never showed us the science that changed his mind!

Of course, that’s because no such “science” exists! He is a liar. Go to our website, santamarialighthouse.org, click on the HOT TOPICS menu drop down and go to LET MY PEOPLE BREATHE, scroll down the page to the newsletters and read WHEN DID FAUCI LIE AND WHY IT MATTERS?⁷

steps just to read an article — VERY ANNOYING! Anyway, here is an article posted August 23, 2023: “Secret Letter to CDC: Top Epidemiologist Suggests Agency [CDC] Misrepresented Scientific Data to Support Mask Narrative.”⁸ “Documents recently obtained from the National Institutes of Health (NIH) suggest public health officials used inaccurate information and misrepresented medical research to advance their policy objective that masks prevent severe COVID-19 and virus transmission—despite opposing scientific evidence received from experts.” [IBID]

In November 2021, it turns out, CDC received a letter from Michael Osterholm, director of the Center for Infectious Disease Research and Policy at the University of MN, signed by seven colleagues, informing the agency it was promoting MISINFORMATION about masks, using flawed data, and apparently intentionally excluding authentic and reliable data that did not fit their desired outcome. These scientists with a conscience warned that the recommendations of the CDC “actually put an individual at increased risk of becoming infected with SARS-CoV-2.” [IBID]. Read chapter five of Let My People Breathe! Natural Filtration Versus Masks — oh yeah!

The take away from this whole experience is that we were LIED TO on PURPOSE. That we were lied to, there is simply no debate. Fauci actually admitted that he lied—he claimed it was for the public welfare—but he admitted that he lied. He lied for your own good. The science says he lied to your hurt! But whatever his motivations, in his world, you have to just go along with him because he tells you it’s for your own good. EVERY DICTATORSHIP FROM LENIN, TO STALIN, TO MAO sold their tyranny with the same line: it’s for your own good.

But Fauci never, not once, pointed to any scientific study that proved masks were effective against a virus borne disease. Not one! The only “authority” he referred to was himself — and he went so far as to claim to attack or question him is to attack and question science — he virtually said, “I am science.” It was one of the most surreal moments in the history of Congressional Testimony.^{9 10}

Look, my point is, fool me once, shame on you; fool me twice, shame on me! If you buy into this again, SHAME ON YOU! You have no excuse to be fooled again! Get my book, to it today.

Look, there is no way governments have any responsibility for our health care, or authority to govern our medical decisions. Your body was not issued to you by the government. Although, I understand that China is leading the way in creating gene-edited human embryos.¹¹ They are also monkeying around with animal-human hybrids — literally, creating the first human-monkey hybrid. Now you have an idea of where those weird creatures described in Revelation might come from — you know, the horses with a lion’s head and a serpent for a tail, that breathe smoke and brimstone.¹² Maybe they’ll imprint a bar code on these children indicating ownership by the CCP — well, they don’t have to do that. They already treat the people like branded cattle.

¹² Revelation 9:17-19, “And thus I saw the horses in the vision, and them that sat on them, having breastplates of fire, and of jacinth, and brimstone: and the heads of the horses *were* as the heads of lions; and out of their mouths issued fire and smoke and brimstone. By these three was the third part of men killed, by the fire, and by the smoke, and by the brimstone, which issued out of their mouths. For their power is in their mouth, and in their tails: for their tails *were* like unto serpents, and had heads, and with them they do hurt.

Anyway, your body is not government issue, it was issued to you from GOD—see Psalm 139:15-16.¹³ God appointed you the steward responsible for the care of your body—only YOU will be accountable for what you’ve done in your body whether it be good or bad.¹⁴ So your body belongs to GOD by right of creation, and if you are a believer, you body belongs to GOD by right of purchase—you body is not your own, it is the TEMPLE OF GOD, it is bought with a price.¹⁵ Any believer that abdicates their personal responsibility for the body God issued to them is surrendering what belongs to GOD to the government.

Your RIGHT TO BREATHE is not subject to the regulation of any other person on this planet — it is one of the most fundamental of all our rights, up there with the right to LIFE, and this masking thing also infringes upon our RIGHT TO LIBERTY, and the pursuit of happiness. The government must show an abundance of justification to infringe upon any of our rights — there is NO JUSTIFICATION for their infringing upon our RIGHT TO BREATHE — the argument that it’s to protect the lives of others is a LIE because the FACT is you wearing a mask is not only NOT PROTECTING YOU, it’s not PROTECTING ANYONE ELSE EITHER — read my book, “Let My People Breathe! Unmasking the Mask Controversy With Science and Scripture.” Not one of the 964 scientific article I examined provided any support to mask mandates as a way to curb or control the spread of any viral disease, including SARS-CoV-2, just like Fauci said before he realized he

Thine eyes did see my substance, yet being unperfect; and in thy book all *my members* were written, *which* in continuance were fashioned, when as yet *there was none of them.*”

had to cooperate with the CCP in order to save his own neck from the proverbial noose that is being fitted for his scrawny lying neck even now.

So, what's a PATRIOT to do?

Hold on through the break; we'll talk about it when I get back.

Segment.02 Hello. Welcome back! I'm Dr. Jerry Scheidbach, pastor at the Lighthouse, your brain masseur, and Paul Revere's lantern lighter, lighting the lamps in the church belfry arch, signaling the enemy is on the march, an enemy that would steal from us our liberty.

There are some things you need to understand about these government mandates. First, everyone, and I do mean everyone understands they are contrary to—well, everything we believe about liberty, personal sovereignty, and autonomy — contrary to all our notions of what it means to be FREE!

I remember learning something about this fundamental character of the American spirit when I was a new pastor. We needed a new Sunday School form for our teachers to report attendance, what offering was collected, whether there was any followup needed from the pastor for any of the students or their family, and so on. I quite innocently put the word mandatory on the form — honestly, I did not even think about the nuance — but I sure got a reaction. Americans don't like being told they have to do something, but something like this is particularly insulting. It insults our intelligence and our dignity. Free people will tend toward cooperation, so when you stick mandate on it, it immediately becomes suspect, and rightly so. If it really is a good idea to wear the mask, if they really do work to mitigate the spread of disease, then people can be trusted to have enough intelligence to figure that out and go along with the recommendation.

The reason Americans object to masking is because they know the mask does not work! They know it's nonsense. You have to wear a mask from the door to your table, then take it off at your table — nobody is so stupid they think the virus stops at the edge of your table. It's insulting, degrading, and humiliating and you are an idiot if you go along with it, and if you are a business owner, you are a coward that is more afraid of what the idiots will say about it, or what the government is going to do about it than you are committed, genuinely committed to the welfare of the customers you serve and that keep you in business.

What side are you on? Are you going to allow government to coop your business into becoming the enforcement arm of their wicked, freedom infringing policies. Like I said earlier, look, if you are going to go that way, at least get informed. Get informed before you impose these mask mandates on employees or customers — at least know that you are doing it because you are a coward and a traitor against the freedoms and liberties of your neighbors!

I went long in my first segment, so I'll need to wrap it up with this last point.

Everyone knows mask and vaccine mandates violate our Constitutionally protected inalienable rights endowed to us by our creator — not given to us by loan from the government.

They get away with this by claiming there is an emergency. No emergency gives government the right to strip away your liberties. Not even a real emergency! You trust the people to have the sense to see if there really is an emergency — government NEVER, NEVER, NEVER has the right to take away the liberties GOD GAVE TO EVERY ONE OF THOSE CREATED IN HIS IMAGE AND LIKENESS.

They don't have to prove to the people there is an emergency, they have no one to whom they are accountable for this — it's insanity to think you can give to any single person the power to decide we

have an emergency and then use that to summarily strip away your freedom and put you in cages, concentration camps called quarantine—no person, no governor or president, has the right to decide we are in an emergency and take away our rights — that’s exactly what Michelle Grisham did in New Mexico. They had some shootings, one or more that killed children, so she declared a state of emergency and declared the second amendment gone — all by her self, she denied to the people their constitutionally protected right to keep and bear arms. It’s so outrageous it’s beyond the pale — no debate, no deliberation among the people, she elevated her self to the status of a dictator and ruled on the basis of an emergency she contrived in her own mind that she could usurp the Constitution — New Mexicans are up in arms, literally — and she has a mess on her hands. BUT THAT’S ONLY BECAUSE WE HAVE THE SECOND AMENDMENT.

So no one denies mask mandates are an infringement against our liberties. They are excused on the basis of an “emergency.”

What does the Bible say? First, the Bible teaches that governments derive their just powers from the consent of the governed. But it’s also true that governments, and other bullies, derive their unjust powers from the passive consent of the governed. It operates like a natural law, like gravity! It just happens that way! You yield your rights, the government takes it and is empowered to take more. It’s the old give them an inch principle.

Government cannot take away any right you are not willing to give it. Trudeau, at first, talked about no one will be forced to take the jab, it was a strong recommendation only. Suddenly, he is like a tyrant, a dictator, forcefully demanding everyone take the jab and then, when it’s all over, he has the audacity to claim he never forced anyone, he never violated the people’s right to choose. I’m serious. He literally said that. I listened to some medical officials in Australia, I think it was the Aussies, a member of their parliament

questioning their Fauci equivalent. She was challenging this guys claim that they never forced anyone to take the vaccine. She clarified it for him, she said you made a rule that if they did not take the jab they would lose their job. So, would you like to take back what you said about not forcing people to take the jab. He sat their as cool and collected as you please and said he would not take it back, that be is confident he never forced anyone to take the jab, why? Because they had a choice.

So, here is my point! Passive consent is consent! Unwilling consent, is consent. And if you go along with this, you are empowering the government to take away more and more of your liberties. It stops now; at the mask!

Listen! We are in a fight for our rights! Governments get their power from our consent — and the only way to definitively refuse CONSENT is to REFUSE TO COMPLY! You must not comply!

I'll be explaining this some more in my pulpit this Sunday, come on by!

WHAT IS THE AGENDA WITH THESE VACCINES, is it really only about Big Pharma profits? There is a 5G connection that is alarming! Been watching this awhile, and new developments have

triggered me to alert you to a very real and disturbing possibility—wait for it!

Remember what Pelosi's House did when Stone ignored her subpoena? Or Navaro? Stone's house was descended upon by SWAT team and Navaro was dragged to jail, stripped naked, thrown into a cell — But when real criminals, like Christopher Wray, ignore Republican House led subpoenas, what happens? Nothing! Why? Let's talk about the inability of the RIGHT to execute wrath on criminals juxtaposed to the willingness of the wicked to use power aggressively to oppress the innocent.

What's with the attack on one of Russia's submarine dry docks in Sebastopol by Ukraine, we are told, using British provided Storm Shadow Cruise Missiles, while coordinated with US and NATO deployment of warships are on Russia's Black Sea coast. Developments in the Ukraine—Russia drama are escalating toward world war!
