Impeachment — A Trick Or A Treat? / The Mask-Vax Wars Reprised!

Original Air Date: 09.30.23

Segment.01 Hello. I'm Dr. Jerry Scheidbach, pastor of the Lighthouse Baptist Church in Santa Maria, CA—and your brain masseur—get ready for your brain massage.

The impeachment hearing — that sound you hear sounds like sawing and hammering — are they building a gallows or a box?

Is the CCP funding the Demoncrats?

Funding Wars — more money for Ukraine no matter what happens with budget negotiations — McConnell declares this is the number one priority of “most Republicans.” Really?

Apparently, like the CA Vampire Gavin *Gruesome* — McConnell does not prioritize concern about Biden's crimes against America — as a traitor — ole Benedict Biden — or sex trafficking, that's somewhere way down his list — or LGBTQ Straight bashing! [Here is what Gruesome Newsome had to say about LGBTQ violence against straights. [Insert clip].]

And they're back! Threats of the return of Mask and Vaccine mandates are percolating — why we must take a stand! COVID 2.0 — are we going to fall for it again? Fool me once, shame on you; but fool me twice?

My friends — it's time! For your BRAIN MASSAGE®!

[TRUTH]

The impeachment hearing — that sound you hear that sounds like sawing and hammering — are they building a gallows or a box?

In politic-speak, putting someone in a box positions them so their movement is limited to choices that play to the advantage of their

enemy. The theory is that the Biden Impeachment positions the Republicans so that they are damned if they do and if they don't. And either way favors the Demoncrats, who are building the box.

The theory is that the Dems want Biden impeached so they can off load him and turn the nomination over to Michael Obama — rumor has it, Gavin Gruesome will be her VP — and the theory is that Obama intends by this to extend his “presidency” into a fourth term (Biden was his third), and perhaps even into a fifth, so he can finish the dreams of his father, the “transformation of America.”

The part about the Dems wanting to replace Biden with Michael is pretty well established, and its also established that Gavin has aspirations for the VP Mansion on the Observatory Grounds where he can perch like a vulture eying the WHITE HOUSE.

So, did McCarthy fall for a trap here — or did he get maneuvered into “the box”?

These things are so complex multiple motivations and agendas, some with many similarities and others that are virtually opposite in objective, can be active at the same time so that several features of what we watch being played out are common to several different agendas. It looks like it's all pulling around one central plan and agenda when it just happens to be the case that the pursuit of the several different agendas often involve many features in common with the others. At the end, however, usually, only one prevails!

Anyway, the question is whether McCarthy is playing into the Demoncrat's hands, and I say no! Here is the biblical principle — we do what is right to be done without attempting to second guess ourselves over what might happen when we do!

Biden actually must be impeached — allowing his injustice to go unpunished does no service to justice. We cannot allow the wicked to box us in so we fail to do what is RIGHT for fear of how it will

make us look — or over bully like threats of repercussions. Just DO WHAT IS RIGHT!

But they will say it's tit for tat — if it's tit for tat, don't do it. If it would be the right thing to do without a threat of appearing to seek revenge for what they did to Trump — then you do the right thing! Trust the American people to sort it out — and TRUST GOD to vindicate TRUTH!

Why must Biden be impeached? The DEEP STATE must be exposed, their operators must be brought to JUDGMENT.

Consider what we KNOW FOR SURE now about Biden:

We know that until an impeachment is initiated no Congressional hearing is going to have the power needed to get to the bottom of all these allegations.

We know that the Biden family and their allies brought in at least 20 million from foreign sources, including Hunter Biden's business associates in CHINA, RUSSIA, and UKRAINE.¹

We know Biden interacted somewhat extensively with Hunter Biden's business partners while he was VP. Which means Joe Biden lied—and that's a real shocker coming from a known plagiarist.

But the American people might be a bit slow, they are not as dumb as the Demoncrats believe — 61% believe Joe was involved in his son's business dealings. 53% of Americans believe Joe was involved with his son in an illegal influence peddling scheme. (IBID.)

We know from sworn testimony by the founder and CEO of Burisma, Mykola Zlochevsky, that he paid Hunter and Joe each 5 million dollars each for their services getting the Ukrainian prosecutor off his case! He revealed this back in 2016 to a paid FBI informant — he said he was coerced into paying 10 million in bribes to the Bidens “in exchange for VP Biden's help ousting

Ukrainian prosecutor Viktor Shokin. You've all heard that story, right? It's the one Biden is caught on video admitting — he actually tells us how he got the guy fired. Mykola has audio recording of Biden and Hunter to back up his testimony, along with damning financial records.

We know millions came in to the Biden family from 23 countries through various shell companies set up to serve this purpose.

We now know that Biden's Delaware home was listed as the beneficiary address for two bank wires Hunter Biden received from CHINESE nationals in 2019. The House Republicans posted a complaint on their social media page saying: "It is the height of media malpractice that NOT a single second was spent on @TODAYshow, @GMA (good morning America), @CBSMornings discussing the revelation that Joe Biden's Delaware home was listed as the beneficiary address for two bank wires Hunter Biden received from Chinese nationals in 2019."

We know that Hunter referred to his father's political position as the BIDEN BRAND and that this was the family's "only asset."

We now know that Hunter Biden, in an email, signed off on a Burisma memo to the Ukrainian prosecutor who replaced Viktor Shokin warning the new prosecutor not to continue further investigations into Burisma, and he went on to write, "Moreover it is imperative that allegations of criminal activity made to the media about Burisma and/or Mykola Zolchevsky come to an end."

We know that Joe and Hunter rode to China on Air Force II, while serving as Obama's VP, and that he met with Hunter's Chinese business partner in Beijing.² Biden later wrote college recommendations for the children of his son's business partner.

² <https://nypost.com/2023/09/12/heres-what-the-biden-family-business-scandal-impeachment-inquiry-would-look-like/>

We know Biden twice dined with Hunter’s Ukrainian and Russian business partners. Everybody knows the 10% kickback Hunter talked about in an email to “the big guy” is a reference to his then VP father.

Hunter is heard on a recording explaining to a business partner “I am sitting here with my father and we would like to understand why the commitment made has not been fulfilled.” And get the aggressive tone Hunter can take when he is angry about not getting his bribe money: “Tell the director that I would like to resolve this now before it gets out of hand, and now means tonight. And, ..., if I get a call or text from anyone involved in this other than you, Zhang, or the chairman, I will make certain that between the man sitting next to me and every person he knows and my ability to forever hold a grudge that you will regret not following my directions.” — Well, it “paid off.” Within ten days, 5.1 million was paid to the Biden family — and this according to transfers reported in a 2020 report from Republican led Senate committees.

And we know the Justice Department is working like the Tyrant’s protectors — they barred tax investigators from looking into geolocation data to place the two men together — but Hunter took care of that for us. Photos on his laptop — which everyone now knows is NOT RUSSIAN DISINFORMATION — the photos show Hunter was at his dad’s Wilmington Delaware home that day the deed was DONE — they were together in this bribery scheme!

These are real crimes, real high crimes and misdemeanors — this is the sort of thing Presidents are SUPPOSED TO BE IMPEACHED FOR — and not for winning an election that was rigged for Hillary, not for doing such a great job as President it made everyone all the way back to Reagan look like pikers — but actually, worse, like gangsters serving their own interests and not the interests of the American People.

In other words, we know what we've known all along 'bout Biden, he is Benedict Biden and deserves to be set before a firing squad.

So, I think that sound you hear is not the construction of the box the left imagines they are building for the Republicans, but the gallows that will be used to execute the judgment of righteousness indignation against these wicked people!

Not sure what the plan is if they run Michael Obama with Gavin Gruesome — but you know what they say about rats — Biden 1 or 2 will sing like a canary if the left tries to double-cross them. So what's left? We are all concerned about assassination attempts on Trump — I think we need to consider the very real possibility the target will be the Benedict Bidens — but will they will have to take out the entire family — the ENTIRE FAMILY WAS IN ON THE TAKE! I mean money was sent to each one!

That's what you get when you let the CCP buy a political party and about half of another one. James O'Keefe, formerly of Veritas, now with O'keefe Media Group, looked into ActBlue (a Democrat Party fund raising organization) and discovered that 60% of ActBlue donations came from CHINA. Friend, the Chinese Communist Party is literally FUNDING THE DEMOCRAT PARTY, and is a majority owner of the Republicans too: McConnell, for example.

I'll need to conclude the first segment. Funding Wars — more money for Ukraine no matter what happens with budget negotiations — McConnell declares this is the number one priority of “most Republicans.” Really?

Apparently, like the CA Vampire Gavin *Gruesome* — McConnell does not prioritize concern about Biden's crimes against America — as a traitor — ole Benedict Biden — or sex trafficking, that's somewhere way down his list — or LGBTQ Straight bashing! Here is what Gruesome Newsome had to say about Trans violence against straights. [Insert clip].

Segment.02 Hello. Welcome back! I'm Dr. Jerry Scheidbach, pastor at the Lighthouse, your brain masseur, and Paul Revere's lantern lighter, lighting the lamps in the church belfry arch, signaling the enemy is on the march, an enemy that would steal from us our liberty.

McConnell prioritizes funding for Ukraine over anything else — over sex trafficking, over the border crisis, even over taking care of American workers — Rand said, “If there's a shutdown, US government workers will NOT be paid, but Ukrainian workers will be paid — by the US tax payer. There's nothing in the Constitution that allows for spending like this on another country. It violate every precept of the Constitution.”³

It also violates a biblical principle extending from 1Timothy 5:8 — if you don't prioritize providing for your own, you are a scoundrel, a backstabber, and derelict — well, the Bible puts it this way, **YOU ARE WORSE THAN AN INFIDEL.**⁴

And they're back! Threats of the return of Mask and Vaccine mandates are percolating — why we must take a stand! COVID 2.0 — are we going to fall for it again? Fool me once, shame on you; but fool me twice?

Here is an ABC news story: “Nearly half of all adults in the United States plan to get the newly recommended COVID-19 vaccine, according to results from a survey released Wednesday.”⁵

Here is the background on this vaccine—well, who has time for that? But I mean, with regard specifically to the one they are trotting out right now, no, too much, I'll have to sum up.

³ <https://twitter.com/iluminatibot/status/1707119419921727669?s=20>

⁴ 1Timothy 5:8

Back in the throes of the vaccine hesitancy battles, when they were trying to force doctors with real experience and training who were telling the truth about these mRNA tech jabs, pointing out the dangers and anticipating the side effects — all called conspiracy theorists who have all been proved TRUE, by the way — the FDA colluded with the Pharmacy companies to get past the full FDA approval hurdle.

It was believed the unwillingness of the FDA to give full approval to the shots contributed to the resistance of the public to the vaccine. What the people did not understand is that it had nothing to do with FDA reluctance — the FDA have been shilling for the Pharmaceuticals for a long time. The reluctance was because Big Pharma wanted the shield of emergency use authorization to protect them from what's coming—Nuremberg 2.0 baby!

Just like Dr. Stella Immanuel asked — who is going to hold these liars like Fauci responsible for hundreds of thousands, and even millions of DEATHS that could have been prevented with early prescription of HCQ and Ivermectin? Follow closely class.

Anyway, they contrived a way to sort of say FDA approved the BioNTech jab without saying it — literally, FDA sent a letter to the CEO of Pfizer, and a link to it in my book, and a copy of it in my archives, available free to all who buy the book, and the letter says FDA grants a continuation of the emergency use authorization for BioN-Tech Pfizer shot, and grants approval of another vaccine called COMIRNITY — but this was not yet available in the US, and the FDA outlined specific things that had to be done before it could be used in the US. So, this is already weird — we approve COMIRNATY contingent upon the completion of some very specific trials.

The MSM ran with this announcing the FDA had approved the COVID VACCINE — everyone picked up the message they intended, the COVID vaccine was FULLY APPROVED BY THE

FDA. It worked, sort of. Thousands went to get the shot believing it now has full approval — and some in the medical establishment played along, saying FDA “approved” the shot — not stipulating it was a continuation of the emergency use authorization, that the one FDA approved was not at that time available in the US, and could not be until it met certain conditions stipulated in the “approval letter.”

Following this? Now, the FDA knew this is how the letter was being reported on, but never clarified the truth about their letter. They just let it ride — why? Because THAT WAS THE PLAN! I believe “they” intentionally contrived a way to manipulate the people so they could make it sound like the COVID shot they were taking was FULLY FDA APPROVED —without ever actually saying it.

They are LIARS! One thing you can depend on from liars is this — THEY LIE!

So why should you believe them now? And why don't we just go ahead and believe our eyes — we see the rise of SADS. I remember when I learned about SIDS — freaked me out. Now we hear about SADS — sudden adult death syndrome.

You've got Obama and Fauci, all masked up, encouraging everyone to take their babies to get a shot.⁶ This website only speaks of the shot approved for 12 and older. But if you click on the Product Safety link, you are taken to Pfizer's page that is all about BioNTECH — however, if you look close, you will find the word COMIRNATY at the end of a list of SYNONYMS for the official name of the vaccine: Pfizer—BioNTech Covid-219 vaccine Tris-Sucrose XBB.1.5 Variant.

All the synonyms for this vaccine are BioNTech Covid-19 for 12 and up, BioNTech Covid-19 for 5-11, BioNTech Covid-19 ages 6 m

⁶ <https://www.cvdvaccine-us.com/12-up-yearsold/overview?gclid=3p.ds>

through 4 years old — then at the bottom, under TRADE NAME IT'S COMIRNATY. Use one time in this document.⁷

So what were they trying to pull with the FDA approval letter? Confusion, obfuscation — I remember some news outlets saying COMIRNATY was the same thing as the BioNTech shot — but the truth is, the trade name is supposed to be Comirnaty, the official or technical name of the shots are consistently called BioNTech Covid-19 followed by whatever special formula is described.

The point is you cannot trust these people.

The medical establishment has lost credibility with anyone paying attention to all of this. The Lancet Study that “proved” Hydroxychloroquine (or HCQ) was not only ineffective to treat COVID but was dangerous was proved to be a lie, a Richard Horton, editor in chief of the Lancet admitted it and said it was a “monumental fraud.”⁸ Fauci referred to this article as part of his argument against using HCQ. [IBID. footnote 127]. He never publicly acknowledged the study was faked and retracted by Lancet. All the government connected establishment medicine men used this study to prohibit use of HCQ and pharmacies used it to refuse filling prescriptions calling for it based on this study—often specifically citing the study—EVEN AFTER IT WAS RETRACTED. Do you not see how MONUMENTAL THIS IS — God could not have done a better job exposing this if He had formed the clouds of heaven into a message across the sky — THEY ARE LYING TO YOU! Look, don't blame GOD. He exposed them over and over and over — so many, perhaps even so many listening to me right now, simply refused to LISTEN.

They lied, people died!

Pfizer wanted to hide the results of their early tests because the KNEW THEIR SHOT caused clotting, they knew their shots caused myocarditis, THEY KNEW IT, and the doctors were lied to — and now ministers of DEATH, OBAMA and FAUCI team up, in their MASKS — the lying hypocrites — both of these wicked men were seen in public at parties during the height of the “pandemic” WITHOUT A MASK ON — but here they are posing for a camera and telling you mothers to trot your toddlers down to the FREE CLINIC to get their SHOT! You are crazy to believe these people.

Obama is saying, get advice from someone you trust, your medical practitioner, your pediatrician, they will tell you it's safe and effective. The two most notorious liars in my lifetime giving you advice about your CHILDREN'S HEALTH. You've got to be kidding me!

Yeah, I guess they will. The same doctors who told you masks protect against transmission and contagion — liars.

Look, if you are going to ask anyone to wear the face diaper — at least be INFORMED. At least look at the data! Look at the argument from people who have never lied to you —.
