HILLARY CALLS FOR FORMAL DEPROGRAMMING OF MAGA
AMERICANS / DON'T BE A PROXY FOR THE CCP

Original Air Date: ##.##.23

Segment.01 Hello. I'm Dr. Jerry Scheidbach, pastor of the Lighthouse Baptist Church in Santa Maria, CA—and your brain masseur—get ready for your brain massage.

Trump to run for Speaker? (Interim Speaker ordered Pelosi out of her office forthwith — sent her an eviction notice!) Hillary is considering reprogramming for what she calls “MAGA cult members.” Newsome injecting himself beyond his authority, again! This time meddling with the PEOPLE'S RIGHT OF CONSENT. Genital mutilation industry rooted in love of money. Well, I guess Biden thinks it's time now to “BUILD THE WALL.” And then this note from ANON, I'll call it WHAT TIME IT IS! And I'll tell you for sure, I don't think its time to get another VAX.

Okay, my dear friends, it's time for your BRAIN MASSAGE!

[TRUTH]

Trump to run for Speaker?¹ It's true! As late as yesterday, Trump talked like he was up for it — planned to travel to DC and said if they invited him to take the gavel, he would oblige.² But then, only a few hours later, he endorsed Jim Jordan. [IBID] So that blew over rather quickly! I remember when there was a lot of buzz about Trump taking the gavel from Nancy — some were even going so far

as to make that a “prediction.” It would have been fun to watch Nancy hand the gavel to Trump — but, alas, it was not to be, mon cherie. (I think *cherie* means sweetheart, or dear one — mon cherie, my sweetheart —! Sometimes my brain supplies rhyme where I don’t need or want it! Of course, the Spirit uses a similar expression when speaking of the saints: “my beloved.” Okay, so it’s a French version of *my beloved!*

According to House “rules,” so long as Trump is under indictment for felony charges carrying the potential sentence of two or more years, he is barred from holding office! It’s against the rules.³ But the rules are not laws — they are not enforceable and they have not been enforced consistently. Anyway, at this point, it’s a moot case: Trump has thrown his endorsement behind Jim Jordan.

Scalise is singing the I can get consensus — no! I don’t think the guy that would attend a David Duke rally, and claim he is Duke without the baggage, is someone with some weights in his bag already — I think Jim Jordan is a much better known quantity. I’m with Trump on this one; I’m for Jim.

Interim Speaker ordered Pelosi out of her office forthwith — sent her an eviction notice!⁴ The Interim Speaker from North Carolina no sooner picked up the Speaker’s gavel than he sent an eviction notice to Pelosi. He wrote: “Please vacate the space tomorrow, the room will be re-keyed.” Now that’s a pretty good start to his temporary job as Speaker.

Can you believe this? Listen to Hillary ⁵

[INSERT Hillary Calls For Deprogramming MAGA Cult — AUDIO—51 seconds]

Can you believe this woman. Where do you start with the lies and distortions? I've watched this witch develop from the young atty who was fired by her boss, Jerry Zeifman, a life long old-school democrat, that still had some conscience remaining, believed it was wrong to LIE in order to advance a political agenda — Hillary Rodham, at the time, was on the committee to impeach Nixon, and Zeifman fired her and refused to give her a recommendation — he was asked why he fired Hillary and he said, "Because she was a liar!" He said she was an unethical, dishonest layer." Her boss said, she "conspired to violate the Constitution, the rules of the House, the rules of the committee and the rules of confidentiality."⁶ What did Hillary, Marshal, Doar, and Nussbaum conspire to do? They conspired to deny Richard Nixon the right to counsel during the investigation. She had already begun to drink deeply from the poisonous Alinsky's cup — she already had dedicated her soul to the LIE and the FATHER OF IT — like her mentor, Saul Alinsky dedicated his book, "Rules for Radicals" to Lucifer, Hillary volunteered to be a mistress of darkness.

You just heard her say she thinks the MAGA cult members need deprogramming!

Her "little tail of extremism waving, you know, wagging the dog of the Republican Party as it is today! The MAGA extremists take their marching orders from Donald Trump, who has no credibility left, in any measure, only in it for himself, he's now defending himself in civil actions, and criminal actions, and when do they

break with him?” — There is the agenda, folks! That’s their target — always has been. YOU!

Because, you know, at some point, you know, maybe there needs to be a formal deprogramming of the cult members, but something needs to happen.”⁷

You heard it, with your own ears folks! Out of the abundance of the heart the mouth speaketh — you can almost see the green sulfur puff like foul clouds from her mouth belched from the hellish fiend she serves. If you listen, and especially if you watch, Hillary is clearly signaling where they are willing to go with this argument between the right and the left. They are willing to brand Americans that care about America as founded, that want prosperity for all Americans, that want America to be GREAT AGAIN — they will brand these people a terrorists.

They are conditioning you to think of free speech as a weapon of war—well, they have indeed weaponized free speech. They are at war against every tenet of liberty we have cherished in this country: free speech, freedom of assembly (churches are non essential lock them down), freedom to redress government with our grievances (J6 protesters still sitting in jail, without bail or trial, for almost three years), freedom to question authority, freedom of conscience (you will not only recognize LGBTQ rights, you will afford to them special rights and privileges, special access to our children, you will not only tolerate their lewd and evil behavior, you will celebrate it, and you will participate in their delusions) and they will deny to us a free press, the government will presume to tell us what is true; talk about giving the hen house to the care of foxes — like Herod, whom Jesus called a fox, these politicians greedily salivate over the power to control what we hear and say — to keep us in their hen houses till we are plump for their slaughter — they have replaced the old wicked doctrine called the DIVINE RIGHT OF KINGS

⁷ <https://twitter.com/theblaze/status/1710119355244011829?s=20>

with the DIVINE RIGHT OF GOVERNMENT OFFICIALS — they think they are “right” because they have power — they think “might makes right,” but we will remind them of what Abraham

Lincoln affirmed, that RIGHT MAKES MIGHT! And the auxiliary truth: RIGHT MAKES FIGHT! I’ll conclude my first segment from some words from Thomas Jefferson: from Larson’s book, “The Essence of Jefferson,” page 38, “What country can preserve its liberties, if its rulers are not warned from time to time, that this people preserve the spirit of resistance? Let them take arms. The remedy is to set them right as to facts, pardon and pacify them. What signify a few lives lost in a century or two? The tree of Liberty must be refreshed from time to time, with the blood of patriots and tyrants. It is its natural manure.

Beware! As Bongino explained, the prisoner’s dilemma⁸ the prisoner fears personal harm and so hesitates to band together with fellow prisoners and charge the guards whom they vastly outnumber. But this changes when the prisoner suddenly realizes they outnumber the guards, and learn to what extent they can trust one another to stand with them. Many are putting up with this only because they don’t know who is on their side — this is where the church comes in — actually, one of many places. I’ve got to go to break. Hold on through the break; I’ll be right back.

Segment.02 Hello. Welcome back! I’m Dr. Jerry Scheidbach, pastor at the Lighthouse, your brain masseur, and Paul Revere’s lantern lighter, lighting the lamps in the church belfry arch, signaling the enemy is on the march, an enemy that would steal from us our liberty.

They weaponize the DOJ with the FBI investigating Trump voters, literally treating them under the rules that were used for handling

terrorists — using the same tools they used against ISIS — turning the weapons of justice against innocent American citizens.

The DEEP STATE ESTABLISHMENT uses proxies to extend their Unconstitutional overreach into the lives of private citizens — they are testing our compliance — to test our level of resistance — something Jefferson talked about. when he said “What country can preserve its liberties., if its rulers are not warned from time to time, that THIS PEOPLE PRESERVE THE SPIRIT OF RESISTANCE?”⁹

I know that most of my audience are professing Christians. You have regard for the Bible. Come on out to our GAP Conference, October 16-17. Monday night, 7 PM we begin — David Daniels, who worked along side of Jack Chick of Chick Publications for many years and carries on Jack’s ministry today — he will be our featured guest and we’ll be presenting TRUTH concerning the BIBLE — answering a lot of questions regarding the KJV debate — you are invited.

If you have not got *Let My People Breathe*, stop by our church bookstore, or go to our website and order it today. Chapters 12-14 powerfully explain the role of government in the lives of believers.

We must stand in opposition to tyrants, to wicked rulers, and evil leaders. There is no example given in the Bible of believers cow towing to wicked rulers. The opposite is true.

If you are not a Christian, would you be interested in understanding why tyrants hate Christianity? They will tolerate some other religions, but they all hate Christianity.

There is a reason the Spirit said, in Psalm 2, “The heathen rage, and the people imagine a vain thing ... the kings of the earth set themselves, and the rulers take counsel together (THEY CONSPIRE), against the LORD, and against His anointed

⁹ Larson, Margin A. *The Essence of Jefferson*, Joseph J. Binns, Publisher, Washington - New York, 1977, p. 38

(MESHIACH — Messiah, or CHRIST), saying, let us break their bands asunder, and cast away their cords from us” (Psalm 2:1-2).

The Bible teaches that the kings of this earth are commanded to “kiss the Son, let He be angry, and ye perish from the way, when His wrath is kindled by a little.” (Psalm 2:12).

You see, from the perspective of Christianity, Jesus is LORD, not Biden, or Newsome, or Pelosi — and HE IS AN AUTHORITY OVER THEM, and we are each one KINGS and PRIESTS unto GOD, with SOUL LIBERTY, RIGHTS endowed to us from our CREATOR AND NOT BEQUEATHED TO US BY THEIR LARGESSE — they demand an allegiance we cannot give them, they demand a subservience we reserve only to OUR GREAT AND ONLY POTENTATE SOVEREIGN KING — we have NO KING BUT JESUS, and no LORD BUT CHRIST.

We bow not our knee to their idols, our knee is not theirs to command, our necks not their to yoke. We are FREEMEN in CHRIST, and our FREEDOMS ARE WARRANTED BY THE TRUTH, which makes us FREE.

They don't like us because the spirit that operates in them knows what Spirit works in us. The prince of the power of the air, the spirit that works in the children of disobedience knows the SPIRIT IN US, the children of obedience to CHRIST, who name the name and depart from iniquity — who come under the power and authority of a LORD other than them — and a LORD that is OPPOSED TO THEM.

They get it. Even if many Christians do not.

When the devils read Romans 13 they know exactly what it is saying. It took the Romans a little while to figure it out, but they finally heard what Paul was saying!

All power (authority) is ordained by GOD — which puts all authorities UNDER GOD's authority.

The ordained powers are charged to execute wrath against evil doers, and reward the righteous.

The devils know what is meant here, even if many Christians are blinded to it. Every devil knows that evil is defined within the BIBLE where the charter of power is given. Every devil knows that the righteous are defined likewise by biblical precept and principle.

They know this passage says no government authority that operates contrary to GOD is legitimate in the earth today. They know what the BANDS of CORDS of CHRIST are and they hate them.

The Bands and CORDS of Christ's rule in the earth are HIS WORD and HIS SPIRIT. And these work together in perfect unity MAKING MAN FREE and REPROVING THE EVIL DEEDS OF WICKED MEN.

The reason they hate genuine Christianity is that genuine Christianity has made allegiance of CHRIST above any man — and no man can rule them OUT FROM UNDER GOD.

I need to conclude — listen. I challenge every business man listening to me, every City Councilperson, our Mayor, every medical professional — don't become a proxy to the wicked godless CCP controlled shadow government usurping our government agencies and extending the oppressive policies of the Chinese Communists into our land, infringing upon our Constitutionally recognized liberties — don't let Beijing attack the citizens of our city using you as a proxy in their war against America.

Stand up to this effort to take America under Tyranny. Our FREEDOMS meant something to those who fought and died to protect them — I'm almost glad my father-in-law is not here to see this, and my good friend, John Bullock — resting content in Heaven in the arms of Christ — glad he is not here to see what has been done to his beloved America—the country he fought for at great risk to his life during WWII.

And now Newsome is injecting himself beyond his authority, again! This time meddling with the PEOPLE'S RIGHT OF CONSENT.¹⁰

How dare that scoundrel, that wicked ruler — when Mayor he despised the will of the people of this State and granted same sex marriage licenses contrary to the LAW and he would dare to threaten Christians who oppose his wicked laws. May GOD judge him. I turn him over to Satan peradventure he will learn to humble himself under the KING JESUS CHRIST. And that he will learn not to blaspheme using Scripture to promote the murder of the unborn infant in the sanctuary of a mother's womb. Remember that? And now he will arrogantly interfere with the PEOPLE'S RIGHT OF CONSENT by forbidding them to hand count ballots.

He must protect the machines that protect his power in this state — I've said it over and again, that is the hill these devils will die on — and bless GOD, I mean to imply the double entendre — that is the hill upon which their hold on California will finally DIE.

Expose the voter fraud, and theft of the people's voice in their vote.

Newsome NEVER REGARDED THE VOICE OF THE PEOPLE OF CALIFORNIA — and I have no regard for his voice. He has no authority from GOD, what authority he has he has stolen — he is a thief and a liar like his father.

We must get a genuine and honest election in this state, and then we will see where CA truly stands. I think CA is TRUMP COUNTRY.

I'll have to address Tucker's exposure of the Genital mutilation industry, that it is rooted in love of money.¹¹ And Biden's sudden

flip on the immigration issue: so now he thinks it's time now to "BUILD THE WALL."^{12 13}

But let me read this note from ANON, I'll call it WHAT TIME IT IS!¹⁴

WHAT TIME IS IT?

Received from Joanie Green, a member of the Lighthouse, I asked who wrote it and she has not got back to me yet!

So, I guess I'll have to call him, or her, Anon. But ANON has got it RIGHT ON!

Understand what time it is in America:

What time is it when...

- A citizen that loves his country, served it free of any charge for four years as President, is being prosecuted by Biden's regime + multiple state level Democrats for bogus charges sometimes on made up laws.

- Every agency in government has been weaponized to investigate @elonmusk because he's trying to level the playing field online to empower citizens

- Newsweek just broke the story that the FBI is both investigating Trump voters and treating them like terrorists by using the same types of tools they used against ISIS

- DHS and CISA used proxies to censor influencers like me and @charliekirk11 for opposing Democrats too effectively

¹⁴ 954.0.1-WHAT TIME IT IS

- Grandma's (including one with cancer) who thought they were allowed in the Capitol after police waved them in were thrown in prison over January 6th despite zero violence
- Soros DA's are releasing pedophiles and criminals to carry out record crime
- Over 7 MILLION illegal immigrants have entered our country under Biden — Only 14 states have populations > 7.4M
- Schools are grooming kids about so called social justice, gender identity and sexual topics (including books with porn in them) while hiding all of it from parents
- [• People fear saying they vote Republican despite Republicans winning the 2022 popular vote because they know they can lose their jobs over it or be ostracized
- [• Doctors are giving kids sex changes with the full support of the White House including on children of our troops]
- Doctors lose their licenses over disagreeing with the narrative of the Democrats
- [• Banks, Big Tech and online transaction services have banned prominent influencers for the crime of being conservative
- [• Inflation and interest rates are destroying our economy in ways that we'll be dealing with for over a decade]
- [• 80-90% of Congress represent their own interests and lobbyists instead of people
- Big Tech companies manipulate what the public sees to sell the Democrat's narrative

[• Soldiers were fired by the thousands for being conservatives who didn't want the COVID jab — They even denied chaplains religious exemptions

- You are ostracized and punished [People are put through public struggle sessions] if [they] you say men can't be women

[• The DOJ and Democrat DA's are deploying lawfare to bankrupt prominent Trump officials and supporters — "the process is the punishment"

[• College kids won't get into schools if they express any conservative views and many will be failed in classes if professors find out they're conservative

- Parents were treated like terrorists by Merrick Garland and the DOJ for protesting school boards over COVID and the sexualization of children

- Professional programs to become doctors and nurses are adding steps to screen for ideology to eliminate conservatives: Many do it in sneaky ways (doctors do this with requirements to get the COVID vax in order to get a residency)

- Some states passed laws to take custody from parents who don't affirm the new gender identity of their kids and even legalized kids running away to their state to get an abortion or sex change

- BLM and Antifa members received multi million dollar settlements after burning down cities with riots and looting for a year because they're modern day brown shirts that the Democrats had to reward to ensure they do it again in the future

Our future is closer to Russia under Stalin, Cuba under Castro, China under Mao or Venezuela under Maduro than we are to the ideals of our

constitution. We're living through the intentional destruction of the country we know and love. Why? Because communism never becomes reality without chaos, destruction and separating kids from their parents.

America won't survive unless CHRIST'S DISCIPLES figure out who they ARE and how to use the POWER of the KEYS of the KINGDOM to EXERT CHRIST'S AUTHORITY IN THIS WORLD NOW I ADDED THAT! But indeed, tis true that [Republican] Conservatives [politicians] must get serious and recognize how far down the road to hell we are going. It's not time for Fox News hits where you get the one liner off that you hope to fundraise off of. It's not time for another hearing that goes nowhere. It's time to use EVERY lever of power you have to crush these new age communists and yes I mean communists.

It's time to be ruthless.

And I'll tell you for sure, I don't think its time to get another VAX.¹⁵ I have lit the lamps in the Church belfry arch and now you let me know if you see them.
