ANNOUNCEMENT: Brain Massage® LIVE is on Rumble!¹ When I was a kid it, was popular to call a street fight a *rumble*. So, let's rumble! Brain Massage® LIVE is a long format version of the Brain Massage® show — We hope to be able to hire a tech guy who can also handle producing the show so pray with us. We are not in a

¹ <https://rumble.com/v3qgc31-brain-massage-live.html>

position to take any applications right now, just asking you to pray about this need.

Those of you who check out our Rumble channel will notice I was not sure we were broadcasting last night. That's because when I launched the livestream I got a notification: Do you want to continue WITHOUT RUMBLE? The only option was to stop streaming or continue without RUMBLE — so I said CONTINUE and assumed we were not streaming on RUMBLE. Today when I checked our Rumble channel I noticed the episode was posted, so??? I'll have to figure out what happened later — but I'm glad we did get on Rumble even if that notification totally threw me off!

So, we are still in the learning curve here. If you want the direct link to the Rumble channel, it's right here: <https://rumble.com/v3qgc31-brain-massage-live.html>. Or go to my Rumble account: <https://rumble.com/user/jscheidbach> . .

We are now streaming on FB, X, and Rumble. We had LinkedIn but it got dropped for some reason and the Fascists at YouTube have permanently banned me.

I offer the Brain Massage® LIVE every Tuesday, Thursday, and Saturday evenings and begin at about 9 PM. You can probably find me on any of these using @jscheidbach.

Okay, my friends — let's get started!

[HOW TO KNOW. with CALL]

Palestine and the Palestinians: understanding the Palestinian mindset — unlike Queer identity, this one is in their genes.

First, a quick primer on the word *palestine*.² The word *Palestine* is a derivative of Philistia - land of the Philistines. It identified the land

bordered by Syria to the North, Egypt to the South, the Med to the West and the Jordan River to the East. During the reigns of the kings of Israel, the land was called Israel. Only that part that continued to be occupied by the Philistines rejected the rule of Israel over the area was called Philistia — or Palestine. This controversy dates back to Joshua's invasion of Israel into Canaan, when GOD began the formal transfer of "the kingdom" to Israel.

A little background here you'll find interesting. You know about Nimrod's tower and his founding of Babel, which became Babylon? Recorded in Genesis 10-11. God had given to mankind dominion over the Earth's resources (see Genesis 1:26-27 and Psalm 8), and stewardship of His sword of judgment to execute wrath against evil doers (Genesis 9:6; with Romans 13:1-6). This goes with "the kingdom." It defines what that term means throughout the Bible.

Nimrod was the first man to establish a kingdom under him that was in defiance of GOD's rule in the earth. He was the first man to would be KING. Nimrod brought all mankind under his power and in direct defiance of GOD's command to spread out over the earth; Nimrod wanted to herd them all under his watchful eye — hence the tower depicted with the all seeing eye capstone in Masonic symbolism.

Was the founding of America an effort to resume building the Tower of Babel? Many Christians today think the pyramid in the great seal is a depiction of Nimrod's tower and the "all seeing eye" over it is a Masonic symbol of the New World Order.

The capstone depicted on our dollar indicates GOD as KING over mankind, it is the EYE OF PROVIDENCE.³ Providence alludes to GOD's interpositions on behalf of America.

³ 957.0.1-Eye of Providence on US Great Seal and Dollar Bill <https://greatseal.com/symbols/eye.html>

The designer of the seal explained his meaning: “the eye and the motto [Annuit Coeptis (ahnu’it ko’eptis), which literally means *He Who favors our undertakings*] allude to the many signal interpositions of providence in favour of the American cause.”⁴

As for the allegation this was a Masonic symbol associated with Osiris, or the one world government of Nimrod, see David Barton’s excellent book *The Question of Freemasonry and the Founding Fathers: Was America Founded by Freemasons?*⁵ The speculative masonry, or what came to be called Freemasonry was not introduced into that fraternity until the early 1700s.⁶ While this development is often credited for opening the door finally to Albert Pike, in the mid 1800s, to introduce full blown Occult-Pagan Baalism into the American Lodges, the fact is, in the early 1700s Freemasonry looked nothing like the occult version Pike introduced in his book *Morals and Dogmas*.⁷

The vast majority of the FOUNDERS were NOT members of the Masons— And the research I will cite here was conducted in earnest by members of that fraternity, no doubt in hopes to find

proof they were; instead, they continually found proof that they were not!⁸

The group that did the research is called the Masonic Services Association of North America. They examined original Masonic documents and history and concluded: “Sadly, Masons are sometimes counted among the gullible who repeat the tall tale ... often with a touch of pride. They may be guilty of nothing more than innocently puffing the importance of their fraternity (as well as themselves), but they’re guilty nonetheless. The time has come to state the truth plainly and simply.”⁹

Quoting Morse, *Freemasonry in the American Revolution*, p. 44-45, David tells us neither of the Adamses was a Mason. John Adams’ own writings declared “I am not, never was, and never shall be a Free Mason.” [Heaton. *Masonic Membership*, p. 109.] Neither was James Madison, nor Jefferson, no Hamilton, or Carroll, or John Jay.

So, first of all, Masonry was not then what it became under Pike; and second, only a small fraction of Founders “might have been” active Masons.

So the eye of Osiris used by the radical Freemasons following the heretic Pike is not the eye of providence adopted by Congress for the back of the Great Seal.

The Nimrodians want to replace the EYE OF PROVIDENCE with the EYE OF BIG BROTHER, universal government surveillance, and today they can achieve it through AI and the Central Bank Digital Currency (CBDC), which is explained by the Federal

One of the most dangerous movements against liberty right now is this digital currency scheme — it is already being used in CCP controlled China to control social behavior.^{11 12}

Okay, I did get off point there a bit — but when I chase rabbits I usually catch them and most folks enjoy the rabbit stew! So!

When Nimrod was defeated and his tower destroyed, all mankind was divided into smaller kingdoms, all of them following the pattern of Nimrod, setting up kingdoms with a human king. God began giving “the kingdom” to a nation of His choosing.

After GOD scattered mankind all over the planet, He settled “the kingdom” on the Amorites, and raised up a king priest in Salem — which is Jerusalem, by the name of Melchizedek (we learn about this in Genesis 13-14). Soon after the Tower incident, God called Abraham and promised to give him “the kingdom” (Genesis 12). God arranged a meeting between the then current holder of “the kingdom,” Melchisedek, and Abraham (Genesis 14). Then in the next chapter He explained to Abraham that the kingdom would not be transferred to his seed until the iniquity of the Amorites had

come to the full (Genesis 15:16). Meanwhile, the Canaanites, which included the Amorites and the Philistines who occupied Canaan in the 12 century — coming in from the Aegean, modern Turkey. The Philistines arrived in Canaan from the west and north of Canaan at about the same time Israel entered in through the East and South. Present day Palestinians assert their claim on the land by their ancient occupation — but they were no more indigenous to Canaan than were the Israelites. They were newbies too!

When Joshua led Israel into Canaan, the land between Syria and Egypt and bordered by the Med and the Jordan, they could not drive out the Jebusites, descendants of the Amorites that held Jerusalem — the city of Melchizedek. That city was not taken into Israel's power until David — while Israel clearly dominated the region all the years following Joshua's conquest, they never could take Jerusalem — the final piece of "the kingdom" fell into place when David made Jerusalem the capital of Israel.

During that entire history, the main opponent of Israel was the Philistines. God took the kingdom away from Israel and gave it to the Gentiles beginning with Babylon, then to Persia, then to Greece.

Alexander, founder of the Grecian Empire, worshipper of Satan, conquered all the kingdoms of the world and GOD turned them all over to Satan. It is the Greeks who named the region Palestine, the Greek word for Philistia — Satan opposed Israel's claim to her promised land, and to "the kingdom." He was Prince of this World, and inspired the creation of Palestine specifically to bar Israel's claim to the land.

But GOD sent His SON — Who conquered Satan, spoiled his house, took all the kingdoms from him into His own power, declaring ALL POWER (EXOUSIA) IS GIVEN UNTO ME IN HEAVEN AND IN EARTH — Matthew 28:18. He offered to restore Israel to her land and to her kingdom. She refused! He

turned to the Gentiles — and the Gospel of the KINGDOM finally settled in a land that brought forth the fruit of the KINGDOM TO GOD — America — was key to Israel reestablishing her nationhood, and under Trump, reestablishing Jerusalem as her capital. Now when America is strong, Israel is secure; when America is weak, Israel is troubled. We are connected! The Gentile nation that holds the kingdom does so as stewards to hold it until GOD is ready to return it to Israel. That will not happen until the times of the Gentiles are fulfilled—which occurs at the end of this world system, when Jesus returns and destroys all the kingdoms of the world.

So that's the deep background to this conflict many of you never heard before. This war between the Palestinians and the Israelites goes way back to what the Bible calls the "old hatred": listen to this verse from Ezekiel 25:15, Thus saith the Lord GOD; Because the Philistines have dealt by revenge, and have taken vengeance with a despiteful heart, to destroy *it* for the old hatred." That was written in the time Israel had just lost her kingdom; Satan did not waste any time to pounce on these events and reassert his people, the Philistines, to displace Israel from her land. God told the Israelites to remain, but they left; and this allowed the Philistines to reoccupy the land PROMISED TO ISRAEL.

If you listen to the Palestinians reason it's just like Satan. They send over 2500 missiles from Gaza into Israel without any warning, randomly killing civilians, men, women, and even children — beheading babies, raping women, and dragging them in the street till dead then laughing about it. All of that on October 7, Israel sends warnings into Gaza, leave or be killed! They get their act together, and send in fire power, to stop the attack and eliminate the threat; people are killed — and Palestine and all who are wicked satan inspired scream foul, and rebuke Israel, and condemn Israel — and when a rogue missfired missile lands on a Baptist hospital in

Gaza, everyone blames Israel for “targeting hospitals” and the Palestinian ambassador to the UK goes ballistic criticizing Israel and demanding the International Community condemn Israel for war crimes — but when interviewed by Piers and Piers simply tries to get this child of Satan Palestinian Ambassador to openly condemn the October 7, Hamas attack as a terrorist act, he refuses and starts harping about Piers declaring Israel is a terrorist country and why don’t you call Israel a terrorist country — which is nonsense. Israel has NEVER without warning launched any sort of massive attack on another country — Israel has only defended itself against these wicked perverted people —

And then it turns out the missile attack on the Baptist hospital was a misfired missile from Gaza, not from Israel — and that it did almost zero damage — I think I read it turned out to be no more than an auto insurance claim!

Yeah, here it is. I’m looking at this video, available to you here.¹³ The hospital is not demolished, the rooms are not destroyed, some were injured by shattered glass, and some cars were destroyed — that’s it! So, yeah, other than some wounded from glass, it turns out to be mostly an auto insurance claim.

Can you believe these people! They used this to whip up almost universal condemnation of Israel — and you should see the condemnation — it was loud, and angry, and full of self-righteousness — but the denunciations against Hamas? Not so! Against Hamas cooler heads said something to the effect, this is not a good way to behave now Palestinians. Let’s play nice!

This whole thing should never have happened. We, and I mean as a country, we allowed these wicked usurpers to steal the 2020 election, and this is what we get.

Wow; I've gone way over my time for this segment. I'll just go ahead and finish up.

You should have a more clear understanding of what this is all about. I might only add the hand of Ishmael into all this. Egypt is staying out of this, and on the side of Israel. But a lot of this poison in the old hatred comes from a son of an Egyptian woman whose name was Hagar. Abraham took his wife's counsel, took her handmaid, Hagar, and produced a child named Ishmael. Later, when Ishmael was about 18, Sarah had given birth to an heir from Sarah, named Isaac. Jealousy ruined it for Ishmael, and Hagar, and ultimately they were sent away from Abraham. Enmity grew between Ishmael and Isaac, at least until Abraham died; that might have brought them together, but we can't be certain. What we know is that Ishmael grew up to become a wild man whose hand would be against every man and every man's hand would be against him (Genesis 16:12). Ishmael mixed with the people of Canaan and mingled with them. This description fits them perfectly;

“And the angel of the LORD said unto [Hagar], Behold, thou *art* with child, and shalt bear a son, and shalt call his name Ishmael; because the LORD hath heard thy affliction. And he will be a wild man; his hand *will be* against every man, and every man's hand against him; and he shall dwell in the presence of all his brethren” (Genesis 16:11).
