CROSSING THE LINES / ALIENS AND “SPACE” SHIPS

Original Air Date: 11.04.23

Segment.01 Hello. I’m Dr. Jerry Scheidbach, pastor of the Lighthouse Baptist Church in Santa Maria, CA—and your brain masseur—get ready for your brain massage.

It’s time for your Brain Massage®! [TRUTH]

I’m going to talk to you about aliens and spaceships; so, let’s do a touch and go on top news stories:

Israel takes out another Hamas commander as fighting in Gaza escalates, and the US House of Representatives, under the Leadership of the new Speaker, Mike Johnson, passed the Israel Aid package bill without attaching it to another increase in financial support for Ukraine!<sup>1</sup> So far, it’s promise made, promise kept!

Way to go, Bibi! Netanyahu says NO to Biden’s cease fire<sup>2</sup> — even though the phony Biden tried to fool him by calling it a “pause.” Hey, Biden, put some real pressure on those vile baby murdering terrorists to release the hostages. But then, perhaps that does not move a man who believes it’s a good thing to behead babies while they are in the womb.

So what about the latest effort to silence TRUMP? NY Atty General, Letticia James has dragged the President and his family into court

forcing him to defend himself against a charge of fraud alleging he overvalued his New York properties in loan applications.

In case you have not been following this, it's an obvious farce.

First, the loans Trump secured were all paid back in full with interest. So no one was defrauded.

Second, if this idiot thinks Wall Street Bankers and lenders do not check their loan documentation, she is stupid! No bank is going to let go of millions of dollars in loans unless they are confident the properties set forward as collateral are actually of sufficient value to cover their risk! The woman is scary stupid — and what I mean is you add dumb to evil people and give them the kind of power she wields as the NY State Atty, you get this kind of human rights abuse of an American citizen! What a Maroon!

And third, as I understand it, testimony was given in court today (Friday) showing Trump UNDERVALUED the properties. His brand alone could as much as triple their value.<sup>3</sup>

So one of his attorneys, Alina Habba (the name is Algerian), in a short presser on the steps of the NY Court, went off on failed and bitter Gubernatorial candidate Letticia James, who landed the NY State Atty General job promising to persecute Trump on behalf of the STOP TRUMP AT ANY COST campaign, garnering plenty of Deep State support and money—anyway, Trump's atty called Letticia out publicly for the FRAUD she is perpetrating on Trump, the American people and the citizens of New York.

Those wicked God hating, America despising, Constitution defying, human rights denying, demon possessed children of disobedience are trying to STEAL the voice of the American people —“they” always rule contrary to the will of the PEOPLE.

You know who “they” is, right? They hate justice and judgment and equity, they pervert the law into a political weapon, they care for nothing but power, and to protect it, they will glibly destroy their own house, like the foolish woman, she plucks down her own house with her hands (Proverbs 14:1).

Just like little boys who are would-be-tyrants, like Newsome, who, as Mayor of San Francisco, defied the WILL OF THE PEOPLE OF CA and issued marriage licenses to homosexual couples in direct defiance against the VOTE of CALIFORNIANS who voted to limit marriage to the union between one man to one woman. Newsome imagines himself to be THE LAW, he is above the WILL OF THE PEOPLE.

So we should not be surprised that as Governor, Newsom defied the will of the people of CA who in 2016, voted to keep the Death Penalty, but bully Newsom defied the people of CA abusing his authority by halting capital punishment in CA. He was, rightly, accused of arrogance in the article: *Gavin Newsom’s Death-Penalty Overreach*,<sup>4</sup> of defiance of the voters,<sup>5</sup> and despite for the victims of 737 “stone cold killers,” in a Trump Tweet, [IBID], by the CAGOP of San Diego County of *thwarting* the will of the CA voter,<sup>6</sup> and by Los Angeles Times’ George Skelton of *kissing off* CA voters in the article *Capitol Journal: Gov. Gavin Newsom is developing a bad habit: ignoring the will of voters.*<sup>7</sup>

Then, surprise, surprise, a poll shows up two weeks after the avalanche of bad press that was obviously contrived that according to this other Times article “*suggests ... his moratorium might be more inline with public sentiment than maybe even he suspected.*” [IBID]

Uh huh! Ask the more than 500,000 Californians that have fled the state in the last two years alone!<sup>8</sup> And ask the way more than 700 thousand who who fled between April of 2020 and July of 2022. Are you ready for this, “the number of those leaving California surpassed the number of people moving in by MORE THAN 700,000.”<sup>9</sup> That is astounding! Friend, the 700 thousand is not the gross number that left, although it is gross; it’s the net, after adjustment is made for those who came in!!!!

Anyway, while Gruesome Newsom is preening for dictators in China trying to look presidential not even aware Xi Ji made him look like an unwelcome cockroach, getting back to the only US President Ji has respected, Donald Trump, here is an encouraging headline: “Judge Aileen Cannon SCOLDS Jack Smith In Fiery Order.”<sup>10</sup>

This is the Judge overseeing the President’s election interference — what’s that? No, I don’t mean Biden; not yet! He will be brought up on charges for election interference, but not yet. I mean the bogus trial Biden has ordered against Trump — excuse me; if you keep interrupting me — I know you want me to get it right! What is it? Well, maybe you don’t know that Biden ordered this hit job on

Trump, but know it the same way I know 2 and 2 are four — simple logic. The same way everyone knows Nixon “ordered” the “Watergate” break-in, the same way we all knew the CIA plotted and assassinated JFK, the same way ... okay, right! It’s a plausible allegation that has not yet been proved but every intelligent human being knows what’s going down here.

So the Biden Department of inJustice appointed special counsel Jack Smith, leading the Biden administration’s scandalous attack on Trump’s campaign in an open and obvious effort to interfere with the 2024 election, is trying to get a court to rule Trump interfered with the 2020 election — we need to expand on what Bongino calls the Bongino rule — whatever the Democrats are alleging is a revelation of what they are doing — to a rule of law, that whatever the Democrats are alleging Conservatives are doing is admissible in court as a CONFESSION OF WHAT THEY ARE DOING OR HAVE DONE. Anyway, the latest effrontery against justice by Mr. Smith is an effort to get the court to allow him to withhold certain documents obtained from Mar-a-Lago that are being used in evidence against him in the court!!!! I know!

Thankfully, this crossed a line for judge Aileen Cannon, and she rebuked Mr. Smith soundly!!! [IBID].

Talk about “crossing lines.” I’m looking at a picture of a young female field hockey player who plays for Swampscott, MA Big Blue Athletics — they played Dighton-Rehoboth, MA. The Swampscott team has a male player, he is wearing Jersey No. 2. He knocked the teeth out of the mouth of a Dighton-Rebhoboth female player — he could have killed her.

All the “lines” are being erased. The line between male and female is gone; and with it went the line between justice and injustice. A guy can play on a girls team if he decides he is a girl. The wicked, slack-jawed traitor and oath breaker Merrick Garland can appoint a special prosecutor to trample all over Trump’s civil and

Constitutional rights if he decides it's an act of justice to make sure his boss, Biden, gets elected. In a society where gender is what you decide it is, justice also is whatever you decide it is!<sup>11</sup>

A word on CHINA:

When I watched Xi greet Newsom it was so obvious he had zero respect for the little would-be dictator; clearly it was an annoyance to even be in the room with the CA governor; really, Ji's body language and visage was all like why am I meeting this guy! I'll bet whoever got paid off for arranging that meeting is going to hear about it! Anyway, did you know Xi Ji Ping - pong had Winnie the Pooh banned in China? Yeah! The Chinese people were comparing Xi to Winnie and he did not like that! So that's what you do when you are a real dictator, you have the awesome power to ban Winnie the Pooh - must have made Xi feel like a real man — no doubt Newsom is taking notes.

But something is happening in China. The COVID restrictions were especially onerous and stringent — and the ban on Winnie, well, that was too much! That crossed a line. On Halloween, in Shanghai, the Chinese people took the opportunity to dress in costumes that mocked the authorities in China.<sup>12</sup> The people went to the streets in costume depicting State Health Officials mocking the COVID test swabs in nostrils of a costumed Dinosaur; making a mockery of the COVID lockdown measures. Some others were wearing Winnie the Pooh costumes, wearing death masks with a COVID edict hanging over his face, one in a costume mocking the surveillance state of CCP controlled China — it was all lots of fun till the police showed up and busted up the party — they did not show us any state violence, but that's Shanghai, and as you know,

the city has a long history of using deceptive tricks, intimidation, and violence to turn free people into slaves—you've heard of being Shanghaied? The CCP has Shanghaied China!

Oh, and don't let RFK fool you, or Shanghai your vote — he was and really is all in for the “green new deal: speaking of AOC's Green New Deal he said, “I think the green new deal is important, it's good, we ought to be pursuing it,” And “I believe we should use market mechanisms like carbon taxes ...”<sup>13</sup>

Hold on through the break, my friends; when I get back we will talk about extraterrestrials and space ships! What does the BIBLE say? I'll be right back!

Segment.02 Hello. Welcome back! I'm Dr. Jerry Scheidbach, pastor at the Lighthouse, your brain masseur, and Paul Revere's lantern lighter, lighting the lamps in the church belfry arch, signaling the enemy is on the march, an enemy that would steal from us our liberty.

I received a link to a video of a guy purporting to have received the testimony from a former black ops CIA agent who worked within the CIA in a division so secret not even the President was read into their activities; they had zero civilian oversight, and zero accountability to civilian government — in other words, they conducted their operations with total, he called it, absolute autonomy.

This particular operative, who called himself Joseph Spencer, described how he was recruited and trained to become what he said the CIA called a “Man in Black.” Now wait, don't start snickering — how many old Syfy's have you watched and noticed the striking parallels to what's going on in this country right now! Just sayin'. Don't stop listening! This gets really interesting!

<sup>13</sup> 958.27.5-RFK endorses AOC's Green New Deal <https://t.co/qbRrpvHf02> / X

He talked about being drugged with LSD, heroine, mescaline, sodium-pentothal<sup>14</sup> — in other words, they pretty much fried his brain; I suppose they gave him some other more serious training, but this is all he mentioned. He tells us he was assigned to work with the collection of alien technology and enforcement and protection of the Eisenhower Treaty with the Greys—remember, that’s what the UFOLOGISTS call the extraterrestrial beings from another unnamed planet who travel here by space craft, abduct humans to conduct experiments on them.

Mr. Joseph Spencer tells us when he went to the academy he discovered about 1/3 of the recruits were alien/human hybrids — and he could identify them by the fact they had no white in their eyes. All black! But then a picture of one of these hybrids had spooky, weird eyes, but there was some white, so! Many such inconsistencies show up in these stories, by the way!

The purpose and mission of the space invaders varies but that is accounted for by the testimony of one who said they will tell you anything to get what they want from you, but at the end of the day, they want the population of the planet to be brought down to about 800 million — that’s something like a 95% reduction in the population of planet Earth.

You can go here to view the under 15 minute video.<sup>15</sup> And this article has a lot of other links you might enjoy looking at.

This basic narrative has been around for a very long time: beginning with “we are not alone”; to space aliens seeded the earth with humanoids, and claim to be our “Creator.” It goes in different directions from here: Earth is a farm tended by space aliens who harvest energy from the release of anguished souls in death. This is

<sup>14</sup> <https://pubmed.ncbi.nlm.nih.gov/34198331/> For correct spelling of sodium pentothal and its use.

<sup>15</sup> <https://humansbefree.com/2021/11/men-in-black-operative-exposed-the-alien-agenda.html>

how they explain suffering; our suffering enhances the energy released to our “creators” when we die — the Greys, you know, the triangle shaped faces with large foreheads and very thin chins, with long lanky bodies — about 6’ to 7’ — with arms so long their fingertips reach below their knee caps — they usually have three fingers and a thumb, long nails, you know; you’ve seen the pictures.

They flit about in space ships that zoom through space at speeds of light and come from other planets, usually from another universe; sometimes from another dimension. Another inconsistency.

So long as we are useful to them, and feed them sufficient human energy, they will have an interest in keeping us, much like a farmer keeps his crops; you know.

But for some reason, not explained, they want a huge crop reduction; they want the population to be reduced by 95%, and the deal that has been made between the government elites and the Greys is that we will carry out this population reduction. That’s why AIDS was invented in a Lab; Fauci was not mentioned directly, but he does look rather like a lizard man; maybe he is a hybrid human/alien.

Of course, this is odd, how the AIDs thing impacted the Gay community almost exclusively — and continues to be a gay lifestyle affliction, along with many others, by the way. It was so exclusive to the homosexual community it was at first named GRIDS — Gay Related Immunodeficiency Syndrome. But according to Spencer, actually, AIDS was designed to reduce the general population. It worked so well, they plotted to make a super flu bug, and that turned out to be COVID —

There really was nothing particularly new here, at least I’ve heard various versions of the same narrative many times before.

It's all discussed in the Alien Plot, or, he called it, the Alien Agenda. Here is the article.<sup>16</sup>

In short, Mr Spencer, actually, it flips at the end and you realize the guy you are watching is reading the testimony of someone else, anyway, Spencer is represented as testifying of personal encounters with the Greys (a name given by UFOlogists to the Aliens they claim entered into a Treaty with American President Dwight Eisenhower in 1954. The agreement was that in exchange for advanced technology, to give us military superiority, we would keep quiet about the existence of the aliens among us and allow them to abduct humans for experiments without interference.

So they are having trouble getting population growth under control, after all their efforts, it just keeps growing. So they need total world or global control — CCP China is the model — so finally, they can simply set a limit on age and kill of the excess population — a sort of FINAL SOLUTION for global overpopulation.

One of the technologies we have is holographs that are so profoundly real looking you cannot distinguish them from reality. According to Spencer, the plan is to have population under control of a one world government by 2030. And in 2024, they are going to launch a major world event that will collapse all the nations into a global government. A huge holographic illusion of a massive space invasion will be projected in the sky. Of course, holographs can't do anything kinetically. So physical aircraft equipped with highly advanced missiles and other ordinance will be hidden within the holographs. These will attack all the major cities of every country in a coordinated assault. The people of the world will believe we have been invaded by aliens from space and taken over and enslaved by the aliens.

<sup>16</sup> 958.0.2-The New World Order Agenda is the Alien Agenda - Humans Be Free <https://humansbefree.com/2015/10/the-new-world-order-agenda-is-the-alien-agenda.html>

A one world government will emerge with the power to totally control all Earth's resources, and use force to control all mankind deciding everything for them, including when and how they will die.

Okay, here is the thing. A whole lot of this nonsense is true — there is a plot to depopulate the planet, the elites are fully invested in that plot. But the overall narrative is nonsense. However, there is a great deal of truth here.

For example, there are spirit entities that are attempting to invade the planet and take over mankind, and use them to implement and carry out the will of their leader in the Earth that are malevolent against mankind and desire to reduce the population to a sufficient number to serve as slaves to these entities that they can control absolutely. These spirit entities are called devils and their master is the DEVIL.

There are also benevolent spiritual entities that are present to resist this effort on the behalf of the TRUE CREATOR of mankind, the GOD and FATHER of our LORD JESUS CHRIST. The leader of these spirit entities is none other than the HOLY SPIRIT who inhabits believers and works with and through them to resist the Devil and his devils and the humans they occupy and control.

These spirit entities do use ships to travel through space. Ezekiel saw the CHARIOT of GOD; Elisha helped his servant see what he could see, the angels of GOD surrounding Dothan protecting them from the Syrian army — and what he saw was a ring of chariots of fire protecting them.

So there are extraterrestrial beings also, creatures that have a correspondence to those that live on earth but they are extraterrestrial — they originate and exist off this planet, but can visit this planet. There are horses in heaven, and creatures called Cherubim, with faces and hands, and wings — those assigned to the THRONE OF GOD have four faces, a lion, an ox, an eagle and a

man. These all correspond to creatures on the land and air of the Earth. None represent the creatures of the sea. Well, it just happens that there is another Cherub, that was called the covering cherub, and it is identified as Lucifer, which is Satan, and that creature is called Leviathan in Job 41; Psalm 74:14; 104:26; and Isaiah 27:1. He is a sea creature—and at one time it was among the four that surround the throne, only this one covered it. He also is the creature that covets dominion of the Earth and to be an angel of light, usurping the place of GOD in the lives of mankind —

He wanted the image and likeness, but GOD gave it to man, so Satan desires to subordinate man out from under the TRUE GOD and make man a servant of him —

So, isn't that interesting. You see, there is not a single story line man has ever conceived that did not originate in the BIBLE. Did you know there are seven basic plots in literature.<sup>17</sup> Some say six.<sup>18</sup> Every one of these crazy space alien stories are betrayed at some point as lies — some where they will give it up; like when they claim these being are mankind's creators, stuff like that. But not one of these narratives are original — every one is created from story-line threads pulled from the BIBLE and woven into a fabricated “yarn.”<sup>19</sup>

I'm going to address this Sunday morning during my Adult Bible Study: 9:30 AM at the LIGHTHOUSE. Come on by, have a cup of coffee on me, enjoy some worship with us and let's get into this more deeply. My messages this Sunday are going to be relevant, and essential for every believer who is seeking a DIVINE
