Brain Massage®: Show No. 959

Are You Enjoying Your “Secular” America? / Restoring the Right of Consent

Original Air Date: 11.11.23

Segment.01 Hello. I’m Dr. Jerry Scheidbach, pastor of the Lighthouse Baptist Church in Santa Maria, CA—and your brain masseur—get ready for your brain massage.

Thank you — all who have served! It’s Veteran’s Day weekend. And Happy Birthday to the US Marine corps — don’t say Obama never taught me anything! Did you ever wonder if he was really that stupid or if he was sending one of his subliminal messages — calling the Marines a corpse? Nah! That does not make sense, He was that dumb!

War Time propaganda is revving up — but we do have some really cool stuff to use for killing people and breaking things.

Update on the Comer investigation into the Biden crime family.

The secularists are freaking out that a real Christian has just moved into third place for the Presidency — why do they hate Mike Johnson.

And along the same line of thought — why does the “world” hate Israel? Update and perspective on Israel’s war on Hamas terrorists.

The Left’s reaction to the manifesto of a Queer mass murderer is very, well, queer.

Woah — this is good news! Wait till you hear what’s coming down on the Election Integrity front.

VAX attacks on Americans continue — but signs of hope are appearing: calls for Fauci to face criminal charges

Be prepared to fight them in our streets! Sadly, it might take that to finally slap America out of her long sleep!

Okay, my friends! It's time for your Brain Massage.®

[TRUTH]

War Time propaganda is revving up — but we do have some really cool stuff to use for killing people and breaking things. Superlatives are always wrong—except when you say superlatives are *always* wrong. But even that is not always true — you can't overstate the glory and praise of our LORD JESUS CHRIST — which actually proves the rule that superlatives are always wrong. Think about it!

So you understand when I say *Everybody is talking about WWIII*. I mean everybody whose engaged in this conversation and includes the complete set of *whoever is*.

We've been engaged in WWIII for a long time. Ask the RAND corporation think tank — but because it's irregular warfare we have not noticed.¹ Mao declared war on America but you would be hard pressed to find the exact quote. He referred to America as his “most respected enemy.” And vowed one day to conquer America by the HAMMER of COMMUNISM. But Nixon shook his hand, for a whole minute, and assumed that. made everything okay — we know how Judas' kiss went down! It's taken a while, but it's out in the open now! China has declared war on America! FoxBusiness: “Chinese Communist Party has ‘declared war’ on American workers” here.² The Hill, “China has declared information warfare against America — Biden must respond vigorously,” here.³ Politico: “The Pentagon Is Freaking Out About a Potential War With China:

I did a show a while back exposing secretly recorded conversations between high ranking CCP military officers laying out their plans to attack America. Remember the surveillance balloon they sent to scout out some key military installations across the U.S., and the reports that CCP military bases are operating across our northern border with Canada, that CCP military exercises have been conducted on our border with Canada for some years now with the approval of Trudeau; and that recently we’ve had reports of Chinese military infiltrating into the US through our broken borders: Newsweek: “Is China Sneaking Military Personnel into the U.S. Via Border? What We Know,” here.⁸ Don’t trust Newsweek? Neither do I, so, here you go, how about American Military News? “Video: Military-age Chinese males entering US through Mexico: Report,” here.⁹

And guys whose opinion I respect, like Bongino, and Tucker, are warning us the fight will likely be in our own streets.¹⁰ Tucker sees the Biden administration and the puppeteers pulling his strings are gearing up for actual war against MAGA Americans triggering Civil War that will be waged in our streets, yeah, check it out right here.¹¹ & ¹² & ¹³

So, friend, you need to be prepared to fight them in our streets. Is this what it will take finally to wake up America! Are we going to have to fight a new Revolutionary War — will we have to DEFEND OUR DECLARATION again, in order to secure protections of our inalienable rights recognized in our Constitution?

And while all this is developing, we have a buffoon in the White House — and not just a bungling buffoon, but a wicked, lying, treasonous bungling buffoon.

Update on the Comer investigation into the Biden crime family.

First, we now know that credible informants have been alerting FBI Field Offices all across the country, about the Biden's criminal money laundering activity for the past 15 years! And Representative Comer, Chairman of the House Oversight Committee, now has proof that the multiple shell corporations set up by the Bidens have funneled money directly into Joe Biden's personal bank account.¹⁴ Subpoenas have been issued demanding

Comey said, “They can’t dodge my questions when their own bank records are sitting right in front of them.” [IDIBD]

Comey has demanded the appearance of Hunter, his uncle, that is, Joe’s brother, James, and Rob Walker.¹⁵

To give you some scope of the allegations, here is a statement from the House Oversight Committee: “According to **financial records obtained**¹⁶ by the House Oversight Committee, the Biden family set up over 20 shell companies – most of which were created when Joe Biden was Vice President – in a concerted effort to hide payments from foreign adversaries. The Biden family, their business associates, and their companies received over \$24 million from foreign nationals over the course of approximately five years – including millions of dollars from China, Russia, Ukraine, Romania, and Kazakhstan. The Bidens and their associates made complicated financial transactions to conceal the source and total amount of money they received from foreign nationals and companies.” [IBID]

Much of this 24 million came to Biden via Ukraine and the CCP. The enemy owns the Presidency — Lincoln famously said no intercontinental power would ever destroy America — that if America is to be destroyed, it will be destroyed from WITHIN.

Okay, I need to wrap up the first segment and deliver the point!

Right now, the secularists are freaking out that a real Christian has just moved into third place for the Presidency — why do they hate new House Speaker Mike Johnson?

They have “accused him,” of having not reported a checking or savings account in his name for the seven years he has been in Congress.¹⁷ The reason he has not reported any checking or savings accounts is his balance does not meet the reporting threshold — something insider trading Pelosi, and Schumer, and influence peddling Biden, and the rest of the moneyed elite don’t understand. In other words, for the seven years Johnson has been in Congress, he has not used his position to rip off the American taxpayer, or taken any bribes, or received any dirty money from big corporations, like big Pharma, or the CCP money laundered through 20 different contrived shell corporations to hide it. Here are no less than ten articles raising “serious questions” about Mike Johnson’s financials based entirely on the fact he does not make enough money to meet the threshold requiring he report a checking or savings account.

They are freaking out!

The latest accusation will blow your mind! Rolling Stone accused Johnson for not watching pornography, and went into detail about him entering into an accountability agreement with his son regarding what they watch on the Internet. You should read the article, linked here.¹⁸ It’s unreal! You begin to realize these people are so perverted they actually think it’s perverted to not be perverted.

Contrast Mike Johnson with Biden, and Hunter, and Clinton, and...well you get the idea.

Now, here is the point. They are screaming about Mike Johnson being a Christian Nationalist, here,¹⁹ and here,²⁰ and here,²¹ — now, this one really cracks me up — Rolling Stone is appalled that Mike Johnson flies the APPEAL TO HEAVEN flag outside his office door — FOLKS, THIS IS THE FLAG GEORGE WASHINGTON DESIGNED AND UNDER WHICH HE FOUGHT THE ENTIRE WAR FOR OUR INDEPENDENCE. I have a sticker of this flag in one of my preaching Bibles. This tells you everything you need to know for me to make my point.

The “secularization” of our Christian nation under GOD has been going on for many decades — almost a century now! And we have pretty much ignored it. We have even bought in to some of the rhetoric used to advance the SECULARIST AMERICA propaganda — you can’t “legislate morality,” and Christians do not belong in “politics,” and keep your “Christianity” out of politics, and some other nonsense that has convinced many Christians that America is a secular nation that has no connection to the CHRISTIANITY of its founding — culminating with Obama’s declaration the “America is no longer a Christian nation” — “no longer,” an admission that it once was.

And so how is it working for you? How do you like your new SECULAR AMERICA? How do you like the forced Queering of our children, the Marxist Socialist policies stripping away one after

another of our inalienable RIGHTS as HUMAN BEINGS — how do you like this wicked, godless, God hating AMERICA AS FOUNDED hating little girl hair-sniffing — let's normalize gender confusion, let's normalize pedophilia, let's encourage perverse obscene homosexual displays — while ginning up hatred for so-called white people, calling them the privileged class to gender envious class hatred and trigger unstable gender confused people like that Tranny.Audrey Hale who revealed in its manifesto that the reason it went on a rampage targeting white Christians was to KILL THE PEOPLE BIDEN TARGETED — WHITE PRIVILEGED KIDS. Biden, you and your fellow “secularists” killed those kids with your constant targeting of WHITE CHRISTIANS.

You pack of miserable fools — you wanted a godless America, well, baby, you got it!

No sir! It's time to get genuine Christianity back in power in this country and the sooner the better.

Hold on through the break! I'll be right back!

Segment.02 Hello. Welcome back! I'm Dr. Jerry Scheidbach, pastor at the Lighthouse, your brain masseur, and Paul Revere's lantern lighter, lighting the lamps in the church belfry arch, signaling the enemy is on the march, an enemy that would steal from us our liberty.

Let My People Breathe! Unmasking the Mask Controversy With Science and Scripture — chapter five is worth whatever you end up paying for this book!

By the way, on the Let My People Breathe book page you can sign up to receive our free newsletter keeping you updated on news related to masks and vaccine mandates, and offering articles of interest written by me or Sarah, like what does the Bible say about mask mandates and our Christian responsibility to obey every ordinance of man? The article is called THE RULE OF LAW and I think you will find it very interesting.

My next book to be released — well, I can't give a date yet — it's titled ELECTION OR SELECTION: The PEOPLE'S RIGHT OF CONSENT — where I expose the whole voter fraud business, and it's a business, and a crooked one at that. I show that the principal that government receives its just powers from the CONSENT OF THE GOVERNED is a Bible doctrine — and the old DIVINE RIGHT OF KINGS doctrine is NOT SUPPORTED BY THE BIBLE.

The wicked idea of the divine right of kings comes from the lie that every person who holds power holds that power by the WILL OF GOD because no one can have power the GOD DID NOT PLACE INTO POWER. It's a perverse assumption related to God's Sovereignty that because God is all powerful nothing can happen that He does not allow and so all that happens is His will.

Well, here you go! God told Israel how to appoint king in Deuteronomy 17. They disobeyed His instruction and appointed kings that did not qualify according to Deuteronomy 17.

When these kings led Israel away from GOD and into sin, God rebuked them and He said, “They have set up kings, but not by me. They have made themselves princes and I knew it not” (Hosea 8:4).

God said, “They set up kings.” And He said they did it without Him. He said, they set up kings, but NOT BY ME. He said they made princes, rulers, and, He said, “I knew it not.” This did not mean He was not aware of it! He just made mention of it. It means He did not approve, He did not acknowledge these princes.

This actually reveals that even GOD acknowledges the power to govern requires the consent of the governed. It also shows that it's entirely possible for a people to put someone into power that GOD DID NOT APPROVE — not everyone holding positions of power in our government are intended by GOD to have that power.

Most of our government is in that case AND THAT'S WHY WE ARE IN SUCH A MESS.

In America, as in other once free countries, like Venezuela. Do a search and you'll find not one so-called main stream media outlet will present any article raising questions about elections — every article will be why claims of voter fraud are unfounded, baseless and so on. Go to BBC and you find a willingness to look candidly at the issue.²² Or Brazil, or Venezuela — these countries will talk about massive voter fraud skewing elections — but American legacy media is government controlled media and they will not report the truth about elections. They are in on it!

Including FOX News, by the way! I mean the company — they were complicit in the 2020 steal, sent the green light signal with FOX News calling Arizona for Biden waaaayyy early — strangely, oddly, weirdly early. If Fox called AZ for Trump, that was a signal it was not going to go for Biden, and informed the fraud system to

²² 959.27.5-Vote rigging/ How to spot the tell-tale signs - BBC News <https://www.bbc.com/news/world-africa-37243190>

stand down. If Fox called AZ for Biden, that meant it's all go — a signal to the fraud system to go full bore on the steal.

That's my read on this! It will come out one way or the other! Just be patient.

Voting machines in “several districts in Pennsylvania” were shut down when they were discovered to be flipping votes.²³ One Northhampton County local news reported “several voting machines in multiple districts across Northhampton County are down due to “votes getting flipped and not recording properly.”²⁴ ²⁵

Flipping votes! Only American media and politicians can't see it!

In Italy, Italian Intelligence together with U.S. sworn testimony confirms the 2020 U.S. Presidential Election was stolen from President Trump.

You might remember the Italian connection and the satellite hacking story! I'll read a post to you that overviews that story told back in 2020 only a few days after the election was stolen: “Italian Intelligence along with U.S. sworn testimony confirms the 2020 U.S. Presidential Election was stolen from President Trump. Satellites being controlled from Italy added votes to Biden to defeat Trump. Joe Biden is not the lawful U.S. President.

Leonardo Aerospace, Defense and Security along with a U.S. State Department employee, the CIA, Italian Citizens and a Dominion Employee were all involved in the fraudulent stealing of the U.S. 2020 Presidential Election.

Joe Biden, once installed as the unlawful President of the United States, orders Mateo Renzi the Former Prime Minister of Italy to take down the current Prime Minister of Italy Giuseppe Conte. This is done by paying off Conte with millions of dollars in cash to keep him quiet.

U.S. Federal Prosecutor John Durham has in his possession documents of evidence that shows Barack Obama illegally moved \$400 Million dollars in cash on pallets through the Dubai Embassy with the help of the Italians. They stole \$400 Million dollars from America and put the money into a Merrill Lynch account in Geneva Switzerland. (I think this is indicated as evidence of a payoff arranged by Obama to keep this guy quiet???)

Those involved in these atrocious crimes have murdered five Italian government officials in March alone to cover up their crimes.” (You don’t remember the weird thing with Italian government officials getting offed? I remember that. But I watch this sort of news and I don’t expect that you would.) Go here to listen to the sworn testimony.²⁶ You need to listen to this testimony from Maria with Nations In Action, an organization devoted to transparent government, transformative politicians, trustworthy parties and truthful media. Italian Secret Service received information from Arturo’s girlfriend (he calls her his wife because they’ve been together so long). Her uncle is in Italian Secret Service, and she reported to him that Arturo, her boyfriend, had come home and said, “I’m not sure why we are stealing America’s election. They go to Leonardo to investigate. Leonardo Arturo confesses. The Italian Intelligence resources reached out to Nations In Action on November 18. They said something happened, we are watching a coup do tat in the US. Now, I don’t have time to run through all of this, but you should go here and listen to the whole thing.²⁷

Now, back to America, Fulton County hired some lawyers to defend against allegations the officials participated in voter fraud — which takes it way past John Shmuck voting twice!

Becker News: “Trouble in Fulton County? High-Powered Defense Attorneys Move to Withdraw Amid Questions About 2020 Ballots.”²⁸

These attorneys represented in a criminal case against Teresa Crawford,²⁹ and Aaron Johnson, [IBID] both Democrats on the Board of Elections in Fulton County charged with mismanagement of the election in Fulton County. The Attorneys, high powered super Lawyers, the kind only the limitless pockets of tax payer funded government can afford to retain, had quit — they withdrew from the case. Here is their filing to withdraw.³⁰ The reason given by the attorneys is concern about questions raised over the ballots used in the 2020 election. The questions have to do with MISSING BALLOTS.

But there is no voter fraud involving election officials — that’s all a conspiracy theory.

The Georgia election scandal is outrageous: 2,056 Felons voted; 66,248 voted who were under the age of 18; 2,423 were unregistered; 1,043 used a PO Box, that’s illegal to get an absentee ballot sent to a PO Box; 4,026 voted past the registration date; 10,315 were DEAD; 395 voted in two states, and 15,700 had moved

from the State but voted in Georgia's election. And as Leah Rain said, that's just the itty bitty tip of the iceberg.³¹

Here are some helpful things being done to help with the 2024 election.

One, the RNC is finally waking up to this and taking at least SOME PREVENTATIVE ACTION. The GOP has election integrity staff deployed in MS and KY to watch the election in those states. "We're working hand-in-hand with our Republican partners and attorneys to ensure fair and honest elections."³² So, if you trust your MS and KY GOP, I guess you can feel good about that.

Here is a respondent to this Tweet (X) Robert Bruce Willsie tweeted, "Weren't we told that 'Election Integrity' staff were 'on the ground' in multiple swing states in 2020? Then they were told to leave because counting had stopped for the night and shortly thereafter the apparent shenanigans started."³³

But we are still concerned about the machines. Mike Lindell has deployed 300,000 volunteers to show up at polling stations with a device called a WMD — slow down, not a weapon of mass destruction — a Wireless Monitoring Device that detects wireless connectivity going on in any device in the vicinity of the monitor.³⁴

Business Insider, by the way, does not believe the CCP is evil. They like the Chinese Communist Party and the fact that they are critical of Mike Lindell's WMD strategy is one of the surest recommendations in favor of. using it. He tells us the device will not only detect wireless activity but also block it! That's Great!

Why would any election official object to a wireless monitoring device that can block wireless connection in a voting machine?

The monitoring device can be mounted on a drone from which it can detect and report in real time any Wi-Fi connection in any county and state election offices. Seems like these election officials would welcome this. Perhaps this could be an opportunity for them finally to PROVE once and for all that their machines are safe and effective — like the COVID mRNA so-called vaccine. Right!

The msm attack is intended to intimidate their 300k volunteers, many of whom are equipped with LOF's Wireless Monitoring Devices that detect hidden Wi-Fi networks connecting tabulating machines to the Internet IN VIOLATION OF FEDERAL LAW.

The media's assault on Lindell comes on the heels of the news last week that a Connecticut Judge TOSSED OUT THE RESULTS OF AN ELECTION BECAUSE SURVEILLANCE VIDEOS CAUGHT MULTIPLE INDIVIDUALS STUFFING ABSENTEE BALLOTS IN VOTING DROP OFF LOCATIONS.³⁵

Another STOLEN election was caught in New Jersey. This is a case involving the 2020 election of a Mayor for New Jersey. "NJ City Council Speaker Alex Mendez, with the help of his wife, stole mail-in-ballots in order to rig the 2020 election."³⁶

This served as basis for overturning the election and scheduling a new one. It also provides precedent for video evidence to be sufficient to OVERTURN AN ELECTION.

2000 Mules, anyone?

This case proves LINDELL WAS AND IS RIGHT!

I have to wrap the show — this is good news my friends — keep praying. Remember, one of the most righteous men who ever lived had to pray and fast for 21 days to overcome Satan's resistance to Gabriel getting God's message of the Seventy Weeks prophecy to him. That might be a bit inside for some of you, but you all can get this. Jesus said some sorts of devils can only be overcome by prayer and fasting — some devils are stronger than other, and we are up against some very stubborn satanic strongholds.
