GEORGE SANTOS — EARLY SANTA CLAUSE FOR THE DEMS? /
WHITE LUNG DISEASE-MORE RACIST THAN COVID!

Original Air Date: 12.02.23

Segment.01 Hello. I'm Dr. Jerry Scheidbach, pastor of the Lighthouse Baptist Church in Santa Maria, CA—and your brain masseur—get ready for your brain massage.

“You-vill-own-nothingk-and-be-happy” Klaus Schwab’s mentor, and the man we can thank for the rising of the Red Dragon — the CCP threat — Henry Kissinger — died Thursday, 11/29/23. A century plant that only just began to show its bloom passes as his CHINA legacy of China begins its fruit bearing season.¹

George Santos, Republican Congressman representing New York’s 3rd and the very first openly LGBTQ member of Congress was expelled from the House on Friday (12/1/23). So, what makes him so special? I mean beyond being only the sixth Member to be expelled from the House in its 234 year history.

Trump derangement syndrome just mutated in Judge Arthur Engoron (EN-MORON) into Machiavellianitis with a twisted Samson complex. Apparently, literally, “they” will bring down the entire country in order to stop Trump from running in 2024.

Former VP of Pfizer keeps sounding the warning, and blowing the whistle — few are listening.

Let's see how much of this we can cover today! Friends, it's time for your Brain Massage®.

[TRUTH]

George Santos, Republican from New York's 3rd, has the distinction of being the very first openly LGBTQ member of Congress, just earned another distinction: he was expelled from the House on Friday (12/1/23) and now he joins an elite select group of Members to be expelled from the House in its 234 year history.²

This requires a 2/3 majority and this tweet says CA Republicans switched in time to make it happen: Kevin Kiley (Heritage score H-82%),³ and Calvert (H-82%). I did not do the math on this, but glanced over the roster of Ayes and Nays and this looks right! Here is the roster.⁴

Take a look at some of the Republicans who objected to the ouster: and voted to keep him: Gaetz, TX (H-84%) [IBID], Issa, CA (H-83% in current session, lifetime score 67%),⁵ our Speaker, Johnson (H-84%) — to get a measure of what this Heritage score means, understand that the average is 89%; Ron Johnson and Wesley Hunt score 100%, Johnson's colleague from LA, Clay Higgins, scored 100%, Hern, of OK, scored 98%. You like Josh Hawley? Good, he scored 100%. Get the idea? You wondered why I'm a tad less enthusiastic about our new Speaker than many. But,

it turns out he is more conservative than Jim Jordan, so! We did good! Besides, he is an openly CONFESSING CHRISTIAN.

Okay, here is my take on this. The guy is a scumbag, I think everyone knows that. But the fact is, he is no more so than plagiarist, little-girl-hair-sniffing, showering with daughter, money laundering through multiple shell companies, with his hands so deep in Xi's pockets Xi's hands are on his scrawny neck — between 2014-2019 alone the guy racked in 15 million from foreign companies and nationals⁶ — he's a LYING sack of decalcifying bones (we've documented 16 times that he has lied about his knowledge of his family's finances alone⁷— and I'm talking about TRAITOR Joe Robinette Biden, current usurper-in-chief. Happily, our new Speaker is taking aggressive action to impeach that fellow,⁸ and that must be done even if it does play to the agenda of the left to get rid of their migraine and allow them to inject Newsome!

Charlie Kirk has a good question. Congress won't impeach Mayorkas whose failed border policies are destroying America allowing the CCP to embed multiple thousands of Communist troops in our country; they can't even censure "brother lover" Ilhan Omar, "magic stock picker" Nancy Pelosi, or Maxine "I have my whole family on the payroll" Waters, not to mention her violent calls for conservatives to be harassed and bullied by her constituents; or "Genocidal Tlaib" or the goof ball that pulled a fire alarm as some sort of act of protest, Jamaal Bowman, I think that's the guy; or Menendez indicted for receiving bribes, even Fetterman says if you are going to oust Queer boy, you are a hypocrite if you don't oust Menendez —if anyone says, well, these allegations are denied, and the indictments have not yet been tried, I remind you

that's also true one Donald Trump — watch it! Is this laying the ground work for the Dems to push for Trump to be disqualified from running for office only because he has been indicted?

Would you be surprised if the Deep State uses this argument?

Trump derangement syndrome just mutated in Judge Arthur Engoron (EN-MORON) into Machiavellianitis with a twisted Samson complex.⁹ Of course Machiavellian politics is the Deep State's playbook for subversion and corruption — actions guided by one thing, achieving an immediate end without regard for any moral code — treachery and violence are all permissible as means to acquire political power.¹⁰

Did you hear the latest coming down from the judge in the effort to charge Trump with defrauding a bank by fudging his loan documents to misrepresent the value of his property to secure the loan. The Bank Executive running the bank they allege was defrauded by Trump testified in open court that he personally verified what was important to the Bank in the application, said the valuation of the property was not unusual, but was a common practice in securing loans, that his bank was NOT DEFRAUDED — so the Judge reimposes the first amendment infringing gag order on Trump, and I think I read on the Executive forbidding him to speak of it publicly¹¹ — this judge must be removed from the Bench.

These people are destroying the rule of law in America. They are desperate, like Samson, in possession of enormous power, but blind

and groping about to find a way to get revenge, they'll bring the entire Constitutional Republic to crash and burn — they don't care at all about the rule of Law or the protection of our liberties. It's the Samson complex with a twist—the twist is the god they are serving. Samson, at least, served the GOD of Abraham, Isaac, and Jacob — this judge bought the devils lie and thinks he is god.

Talk about miscarriage of justice — the Truth is catching up to the lies regarding J6.¹² That's the way it is, you know. The lie always gets a head start. It circles the globe before TRUTH gets its shoes on. But though it takes a bit for Truth to get up to speed, when it does, JUDGMENT COMES SUDDENLY AND ACTS SWIFTLY.

Remember when Trump said “they” had destroyed the J6 deposition videotapes? And persona interviewing him mockingly denied it! Well, guess what? You guessed it! Representative Loudermilk has confirmed that “all videotapes from Jan 6 Committee depositions are gone.¹³ Yep! GONE! Like Hillary's emails. Poof! Gone!

It's also coming out that the FBI's involvement in the Deep State staged MAGA insurrection was deep indeed. When you track the threads of communications alleging possible violence, or an occupation of the Capitol on Jan. 6th, guess what? You find out that those messages were led by members of the groups that proved to be FBI agents that had infiltrated the group.¹⁴

They are in on this up to their neck! By “they” I mean the leadership of the FBI and the Doegs that participated in it, along with the Saul's guard that stood by, watched, and did nothing.

It's in 1Samuel 22 — Saul wanted to kill David because he knew David would become king instead of his son. Saul accused the high priest of aiding David, and order the priest to be killed. His own guard refused, so a dog named Doeg volunteered and killed the priest. Though the guard refused to murder the high priest, they stood by while Doeg did the deed. Well, judgment comes upon those who did the deed, and those die nothing to stop it!

Friends, I'll need to go to break! Hold on! I'll be right back!

Segment.02 Hello. Welcome back! I'm Dr. Jerry Scheidbach, pastor at the Lighthouse, your brain masseur, and Paul Revere's lantern lighter, lighting the lamps in the church belfry arch, signaling the enemy is on the march, an enemy that would steal from us our liberty.

White Lung disease, another blessing from China!¹⁵ Remember when COVID hit, how hard they worked to keep it from being called the CHINA FLU, or the CHINA VIRUS — they would destroy free speech in this country in their effort to spin the story around their LIES. Well, now everyone admits COVID was manufactured in the Wuhan Lab with Fauci and his buds facilitating the whole thing — but NOTHING IS DONE. They fight against the truth getting out there and yield an inch, a foot, a yard, and finally the whole ten, but when it comes to the end zone, that's where they intensify the resistance and, have you noticed, these things just never quite get RESOLVED all the way. The DEEP STATE finally concedes and stops trying to control the story once it become old news and everybody simply becomes cynical and forgets about it.

They did the same thing in Arizona when that was being investigated. They fought against every effort to get to the truth — and they were pushed back over and over, and I said, way early on, they will reluctantly yield until it comes to the routers. You'll never get the routers. They will die on that hill, and the price to get the routers will be a scorched earth, or Samson's "final solution." At that point, the weak truth seekers will quietly walk away.

Same thing with the Wuhan Lab — they have given up trying to block us from talking about it but they will NEVER ALLOW AN INVESTIGATION TO RUN IT DOWN — they don't want to deal with the repercussions of the consequences for what they allowed to happen — like the corporations were too big to fail, many involved in this are too big to allow justice to be done on them. They buy the lie that the price for justice in this matter would be too high! So people high up either get scarred off, bought off, or wussed off!

Start digging! Here is what is coming up! First, it's not a new pathogen, it's a confluence of pathogens.¹⁶ A confluence of several common lung diseases — how much you want to bet the vaccine compromised immune VAIDS is making vaccinated people hyper susceptible to multiple viral attacks all at once?¹⁷

Get this article, "Innate Immune Suppression by SARS-CoV-2 mRNA vaccinations."¹⁸ This article explains it; it's technical medical stuff but I've read the article and if you pay attention, you'll see it. Many very reputable doctors, like Peter McCullough (follow his

work and check out his newsletter¹⁹) have warned us multiple times that the vaccines compromise our immune system.

I remember reading and listening to once world renown virologists sounding the alarm way early on about the danger of introducing a vaccine too early in a pandemic—they explained how and why doing so would compromise immunity of the general public.

I also read articles and did research on the danger of masking and social distancing contributing to the same phenomenon. In nature, we are exposed to stuff all the time and our body is designed to respond and adapt — if you isolate people from their environment and from that regular exposure, their immune system sort of goes to sleep. Then when a next epidemic comes along, they can't fight it off and their immune system is overwhelmed.

Get ready for the mandaters²⁰ facilitating the CCP attack on America! Fauci knew all this — he rejected masks as a meaningful way to “stop the spread,” then changed his mind. He said that was because he did not want a run on masks to deprive them from health care workers. In other words, the little imp admitted he lied to the American people in order to manipulate them. So why even before any of this, did he tell Sylvia Bruwell she did not need to wear a mask because it would not help keep out a virus? So when were you lying Mr. Fauci? How about we don't follow liars or listen to liars — how about we do our own research.

Here is a book that examined 964 scientific papers and articles on the subject and it turns out that what western science has said for the past 100 years is still TRUE — masks are ineffective as a public measure to control the spread of something so small as a virus.

¹⁹ https://petermcculloughmd.substack.com/p/pfizer-periodic-safety-update-report?publication_id=1119676&post_id=139312306&isFreemail=true&r=1v2nge

Even the “studies” that presented evidence supporting mask use did not establish efficacy against something so small as a virus particle. When it comes to larger droplets — those studies did not bother to check out how quickly the droplets desiccate, that means evaporate! Almost IMMEDIATELY!. And they did not even bother to research the efficiency of natural filtration as compares to the size of particles the masks can capture — and if they did, they would see that natural filtration is exceedingly more efficient and effective than the masks. And if they had bothered to study the dynamic of droplet dispersion, capture and evaporation, and accumulation of ejecta on the mask — THEY WOULD UNDERSTAND WHY THOSE WHO DID DO THIS RESEARCH CALL THEM FACE DIAPERS.

I’m telling you, the masks are not merely a benign emotional crutch. They are made to be used for short durations, and exchanged regularly. And even then, they provide a virtual zero difference, and even if you used them perfectly all the time, THEY STILL DON’T HELP. and over time will more likely contribute to infection than protect you from it. Read chapter five of my book, and it will blow your mind! Natural filtration! God’s designed a better system and one that is much more dependable.

Okay, I’ll need to begin the wrap for the show today!

Former VP of Pfizer keeps sounding the warning, and blowing the whistle — few are listening.²¹ I’ve seen several of his warnings and if he will keep it up, his message is making impact and it will finally break through.²²

Here his latest warning: Former vice president at Pfizer, Dr. Mike Yeadon: "You have to be brave now". "We're in the middle of the biggest crime in history. It's global. It has the intent of control,

"If you comply with this tyranny, it will end with the loss of your liberty, and probably your life. That's what's going to happen if you and everybody else choose to do nothing at all.”²³
