Original Air Date: 12.16.23

**Segment.01** Hello. I'm Dr. Jerry Scheidbach, pastor of the Lighthouse Baptist Church in Santa Maria, CA—and your brain masseur—get ready for your brain massage.

Proverbs 29:2 ¶ When the righteous are in authority, the people rejoice: but when the wicked beareth rule, the people mourn.

What we have taught our enemies!

Will Truth catch up to the lies before the lies lead us to hell? It's a race, and it appears TRUTH is the Tortoise, and the rabbit is the lie.

Building Nimrod's Tower—the Globalists in my lifetime have never been closer to realizing Nimrod's dream. So, where are you in this battle? Are you building the stage for the Beast — or keeping the Beast in its cage.

Okay, my friends; it's time for your Brain Massage®.

[TRUTH]

What we have taught our enemies!

We've taught them that they can capitalize on our ignorance and use it to divide and conquer us!

For example, did you know that white Republicans were lynched along with blacks? Here is a report from the Tuskegee [Tus-KEY-Gee] University Archives Repository, which boasts it houses the most complete record of Lynchings that occurred in the U.S. from 1882 to 1968. “During this time, 4,743 people were lynched —

including 3,446 African Americans and 1,297 whites.<sup>1</sup> The Southern Democrats considered anti-slave Republicans to be radicals and lynched them too.

What group does the racist Democrat Party provoke today's black youth to hate? The party that died to oppose slavery, that's who. When ya' gonna wake up? [ DYLAN]

Ever heard of Thomas Sowell? He is a black American that loves the truth — Jesus talked about those who love truth and those that hate it. Thomas Sowell is a man that loves the truth. Sowell published *The Thomas Sowell Reader*, and in it he included a chapter titled “Twisted History.” In that chapter he points out that “the most astonishing [fact] to an American today is that, although slavery was a worldwide institution for thousands of years, nowhere in the world was slavery a controversial issue prior to the 18th century. People of every race and color were enslaved — and enslaved others. White people were still being bought and sold as slaves in the Ottoman Empire, decades after American blacks were freed.”<sup>2</sup>

He points out that slavery was accepted as a norm world wide until the 1700s, and then only in Western countries — where Christianity was the driving force of cultural influence. With all the moral outrage directed at whites today for something virtually no white today ever did or would ever condone — Sowell asks why when National Geographic published an article revealing that millions of people are still enslaved around the world right now — there is zero moral outrage about “slavery”? [IBID].

It's simple! The slavery issue is not about slavery! It's about agitating racial hatred! And the purpose of that is to divide and conquer this nation. [INDERT DYLAN]

We have taught our enemies that they can manipulate us to hate each other so long as they can keep us ignorant, and ill-informed!

But let me enlighten you! They can only deceive people who want to be deceived. People don't need to know something is true before they will believe it! They only need a reason to believe it!

Jesus said people don't refuse facts, and truth, because they can't see the light of truth in the facts — the reason they reject facts or are dishonest in the way they use them, is because they hate light and prefer darkness. This is in John 3, by the way. In the same speech He gave where He explained Christmas to us — where He said, “For God so loved the world that He gave His only begotten Son, that whosoever believeth in Him should not perish but have everlasting life” (John 3:16). Only a few verses down, He explains why people reject this wonderful truth, why they reject the LIGHT He sent into the WORLD that would show us the way to PEACE, and LOVE for our fellow man.

He said the reason people refuse the LIGHT OF TRUTH He sent to us on Christmas Day, His gift of “On Earth peace, good will toward men” through His SON, Who is the way, the TRUTH, and the LIFE, the TRUTH that Jesus said would bring FREEDOM, with His PEACE and LOVE — I mean, why would anyone reject this gift? I know, it's weird! But Jesus explained it. He said it is because they love darkness more than light?

Who would love darkness more than light? Who would love to live in hate! Jesus explained it; He said they love darkness more than light because their deeds are evil. They hate light because it exposes the truth about their behavior! That's what He said — He said those who do evil hate the light and refuse to come to the light because they don't like being exposed to the truth about their behavior —

“lest his deeds should be reproved” (John 3:20). The SPIRIT was sent into the world specifically to REPROVE the WORLD; that’s why they hate Christians, because the SPIRIT of CHRIST is in them. These people hate Christ, refuse to submit to Him as their LORD because He disapproves of their behavior — so they invent their own righteousness, they create their own “moral code” and then go about judging everyone else and condemning everyone else based on their private notion of right and wrong. But it’s a system that is intentionally designed to justify defiance against GOD, our Creator — and invariably, it ends up putting them at odds with NATURE itself — so they hate the CREATOR and in defying His righteousness they end up defying nature.

The bottom line is that many people love doing things that violate the bands and cords of Christ — the restraints of Christ, and genuine Christianity, that expose their behavior as sin, as transgression against the laws of our CREATOR!

In short, it’s actually very simple. They want to commit adultery, because they like it. For them, sex is recreation! So they invent a new standard: It’s until boredom do we part! Or it’s until I decide I don’t like you anymore do we part! Or it’s until we grow apart that we part! The whole “for better or for worse” thing is a joke. For some, it’s until I find someone richer that we part, or till I find someone prettier that we part, or — well, you get the idea! Marriage is a restraint, a law of GOD that limits sex to one exclusive relationship — and that’s why the wicked rage against it — and why, ultimately, as Christianity loses influence in culture, it will be broken and cast aside — that’s right! The Bible says the day will come when they will forbid to marry — Oh, and command to abstain from meats — both things are under attack right now!

Marriage is only one example. People hate Christianity because they hate the restraints — they hate the bands and cords of Christ.

They want to fornicate, they want to lie, cheat, steal; it gets them what they want; it feeds their lusts. They feed a desire for power when they can dominate others, or revenge against those that dominated them when children, or young adults!

They nurture and feed their hatred for GOD and man when they violate nature; they actually feel empowered by defying their CREATOR; they enjoy it, that's why they do it! It's what they love. They angrily shake off all restraints against whatever impulse they want to serve — and they do this without regard to what evils come into the world through those behaviors, heedless of the people that are hurt, or the peace that is lost; so obsessed are they with having their will unshackled by any restraints they willingly sacrifice their own freedom, and steal the freedom of others.

These are the easiest people to deceive and to control — because all you need is a lie that they want to believe, or that you can give them a reason to believe. Like money, for example! People will believe a lot of really dumb stuff for money. They will believe a lot of nonsense to feed a need to belong, or a need for acceptance, or approval. And all along, all of their needs are met by GOD through the LORD Jesus Christ when we live in submission to the BANDS and CORDS of CHRIST — His restraints actually keep you FREE — when you break from the bands and cords of Christ, you come under the tyrannical control of evil doers.

So the mystery of Biden is actually very simple. People support Biden because he is crook, a liar, and a traitor; and so are they! They are thieves, liars, and selfish children of belial — and they protect their own. But they can't openly defend a thief, and a liar, and a traitor, so they ignore the truth about him and believe whatever lie they are fed to protect them from being confronted with the REPROOF of the TRUTH about what a colossal error they have made to support such a wicked man.

And at the same time, they hate TRUMP because they hated the LIGHT he shines on their evil deeds. Most especially, they hate the people that gravitate toward TRUMP — truth lovers are attracted to Trump. And that's because he says what he means, and means what he says. The people who love truth tend to love Trump. The people who hate truth, tend to love Biden, or Hillary, or Obama — you know, the LIARS, the THIEVES, the TRAITORS against America as founded — who hate Christ and Christianity —

And this also explains why when you say Merry Christmas to some people, they get sullen, angry, offended.

It's really very sad! God gave His Son with an offer of peace on earth — demonstrating His good will toward men. If we bow the knee willingly now, we can have the promise of peace and good will toward one another. Who would not want that? Well, Jesus explained it to you. So now you know. [INSERT DYLAN]

Hold on through the break! I'll be right back! Merry Christmas!

**Segment.02** Hello. Welcome back! I'm Dr. Jerry Scheidbach, pastor at the Lighthouse, your brain masseur, and Paul Revere's lantern lighter, lighting the lamps in the church belfry arch, signaling the enemy is on the march, an enemy that would steal from us our liberty.

Will Truth catch up to the lies before the lies lead us to hell? It's a race, and it appears TRUTH is the Tortoise, and the rabbit is the lie.

It seems that lies always get a head start!

A lot of damage can be done by a lie before TRUTH breaks through and straightens it all out!

For example, consider the hundreds of patriots who will spend their third Christmas behind bars away from their families because of the LIES told by lovers of darkness MSM LAP DOGS FOR PELOSI (CA), SCHIFF (CA), CHENEY, RASKIN, AGUILAR

(CA), MURPHY, LURIA, KINZINGER, LOFGREN (CA) — no other state represented by more than one liar — CA provided four.<sup>3</sup>

Now that some more of the J6 video footage has been released, thank you Speaker Johnson — but, hey, Mr. Speaker, don't the AMERICAN PEOPLE DESERVE, HAVE A RIGHT TO KNOW IF THERE WERE FBI PLANTS IN THE CROWD AND WHAT THEY WERE DOING? Why are you going along with this business of editing out all the evidence that the FBI were a party to the conspiracy to agitate the protestors — like some of the Capitol Police did when, without provocation, fired rubber bullets into the crowd, and lobbed smoke grenades into the crowd — or like when the Capitol Police, or at least persons representing themselves to be CP, stood behind barriers while protestors gathered on the other side, and when the crowd backed up, one encouraged a protestor to move the barrier and come on through, and when he refused, some CP threw smoke grenades into the back of the crowd forcing them to move toward the barriers, then CP removed a barrier to let people through, and then began to attack some who came through — or the video of CP waving protestors into the building over an article headlined CP DID NOT WAVE PEOPLE INTO THE CAPITOL BUILDING —

You know I had some qualms about Speak Johnson that arose from his acceptance speech when he received the gavel; and you also know I've given him the benefit of doubt and strongly supported his actions thus far, but, what about that? Why are these guys so hesitant to get aggressive for JUSTICE and openly work to free the J6 political prisoners?

Makes me wonder. Why are the videos coming out so slowly, and why would the Republicans be okay with hiding the identity of FBI agents —? How about just put a blur over their faces, and in the blur have FBI in the circle over the blurred out face — LET US

SEE THE EVIDENCE YOU ARE TRYING TO HIDE THAT FBI AGENTS WERE EMBEDDED IN THE CROWD — and let's FIND OUT WHY!

Now this comes up today. WHY WON'T THESE COWARDS GET TOGETHER AND USE THEIR MAJORITY TO TAKE CARE OF BUSINESS?

THERE IS NO REASON THE DEFENSE BILL SHOULD INCLUDE FUNDING FOR VIOLATING THE CONSTITUTIONAL PROTECTION OF OUR INALIENABLE RIGHT OF PRIVACY IN OUR PERSONAL EFFECTS — WARRANTLESS WIRETAPPING IS A DIRECT VIOLATION OF OUR GOD GIVEN AND CONSTITUTIONALLY PROTECTED RIGHTS — why don't you guys separate that issue out of the Defense Bill and vote on it separately?

You were all ready to strip away efforts by God fearing Patriots to remove ABORTION FUNDING FROM A MILITARY DEFENSE BILL — WHAT'S THAT DOING THERE? EFFORTS TO REMOVE LGBTQ SURGERIES — SEX CHANGE OPERATIONS — FROM A DEFENSE SPENDING BILL — GIVE ME A BREAK! WHAT IS THIS NONSENSE.

WERE YOU CAREFUL TO MAKE SURE ALL THE MEN WHO GET PREGNANT WILL HAVE PRENATAL CARE??? YOU PACK OF MOROONS!

SO, keep abortion, diversity [the whole pronoun enforcement foolishness] an tranny RIGHTS — to make you a participant in their insanity affirming their psychotic break from reality — Let's KEEP all that JUNK in there, over the protest of the SANE MEMBERS of Congress — so let's REMOVE every effort of the sanity squad who wanted this junk removed from a DEFENSE SPENDING BILL — but let's LEAVE IN THEIR FUNDING FOR SECTION 702 OF THE FOREIGN INTELLIGENCE SURVEILLANCE ACT — WHICH ALLOWS THE FBI TO SPY
