THE GREAT TAKING / THE GREAT AWAKENING!

Original Air Date: 01.06.23

Segment.01 Hello. I'm Dr. Jerry Scheidbach, pastor of the Lighthouse Baptist Church in Santa Maria, CA—and your brain masseur—get ready for your brain massage.

The Great TAKING and Florida's Surgeon General call for a halt on COVID-19 mRNA vaccinations. Some interesting developments on the ELECTION front and, of course, the latest episode in the Epstein chronicles — It's time for your Brain Massage®!

[TRUTH]

Adapted from William Cullen Brant's poem: "Truth, crushed to earth, shall rise again. The eternal years of God are hers. But LIES, wounded, writhes in pain, and dies among its worshippers."

You've heard of the "great reset"? Prince Charles was the chosen spokesman to announce the Karl Schwab World Economic Forum plot to take over the world, and confiscate all personal wealth¹ so that, as he put it, "you will own nothing, and you will be happy."² They hoped to get more out of the COVID-19 *plandemic* than they did, but they are not discouraged, the WEF reports there is still plenty of anxiety and fear out there to drive their plan to use the "sustainable growth" mantra to herd humanity into their total surveillance 15 minute cities (or cages), with a chip in your hand you'll use to buy or sell with their controlled Global Digital Currency controlled by their social credit system by which you are

rated by the “government” for acceptable behavior upon which your access to your money is determined —

You’ll walk into a store, collect your goods in your basket, wave your hand over the scanner and sweat it out wondering if your social behavior has been sufficiently acceptable to the all seeing EYE which watches “every move you make” — remember that tune, written by a band called, you ready for this, they were called the POLICE, yeah, they wrote EVERY MOVE YOU MAKE, I’LL BE WATCHING YOU! (Art can be so prophetic) —

[INSERT I’LL BE WATCHING YOU (SHORT)]

— anyway, the EYE will decide whether or not to APPROVE your purchase. “They” are already getting you ready; you scan your card and wait to be APPROVED!

We think nothing of it now — but that’s because we don’t live under the Chinese Communist Party yet! There, the Chinese people live like slaves to the PARTY, and in some sectors their behavior, which is closely monitored, is evaluated by what the government has decided is politically correct and therefore acceptable behavior, and if the citizen has not, according to their owners, been a well behaved little communist slave, then when they present their ID to purchase, say a train ticket, they are DENIED access to their funds.

But not to worry! This is only a temporary denial — the Chinese masters are WATCHING, and the slave can amend his or her ways by a series of Acceptable Behaviors, until, finally, they get their social credit score back up to ACCEPTABLE STATUS and are granted access to their own money again — but, actually, all the Chinese people know “they own nothing,” and they had better “be happy,” because there is a camera somewhere by which BIG BROTHER, the all seeing EYE, is WATCHING YOU! —

[INSERT “I’ll be watching you!”]

We'll see how it goes in November. If Biden wins — you won't have to wait too long, the Chinese are becoming desperate and need to get a bail out from their economic and population declining woes! But, if Trump wins — we'll push them back a few decades.

The Great TAKING is something only a very few are talking about although it's been in the making since the early 1960s. I dealt with this thoroughly on a recent Brain Massage® LIVE visit — Thursday night, go to [rumble.com](https://www.rumble.com) and search Brain Massage® LIVE, or my last name SCHEIDBACH, and you'll get a more detailed explanation of this. To summarize, the idea is that the Central Banks concocted a scheme whereby they would seduce the world into living under debt which allows the banks to collateralize the wealth of nations — once they get virtually all we own tied down as collateral for all we owe, they can spring the trap and in an instant transfer take everything you own away from you.

The biblical principle here is that the borrower is servant to the lender (Proverbs 22:7). When God favors a nation, it will be a lender nation and not a borrower nation - read Deuteronomy 28; it'll blow your mind and help you understand what the Devil is up to in the details driving the national debt. He always uses GOD'S LAW to entrap man — God made a law that if you eat of that tree, you will be forever separated from the tree of life and so die. (By the way, did you know that sin does not kill us — separation from the tree of life is the reason men die. Remember, God said if He did not remove the tree of life from men they would live forever. Really! Read Genesis 3:22-23 and pay attention!³

³ Genesis 3:22 ¶ And the LORD God said, Behold, the man is become as one of us, to know good and evil: and now, lest he put forth his hand, and take also of the tree of life, and eat, and live for ever:

Genesis 3:23 Therefore the LORD God sent him forth from the garden of Eden, to till the ground from whence he was taken.

Genesis 3:24 So he drove out the man; and he placed at the east of the garden of Eden Cherubims, and a flaming sword which turned every way, to keep the way of the tree of life.

Anyway — Satan used this law to gain the power of death over men.⁴ But Jesus came to take that power away from him, and to give eternal life to those who believe on Him [IBID]. “For God so loved the world that He gave His only begotten Son that whosoever believeth on Him should not perish but have everlasting life.”⁵

Well, Satan knows that God has said the borrower is servant to the lender — so if he can manipulate men into debt to the children of disobedience — because, you know the Bible does provide for lending and borrowing among brethren — but if you borrow from an unbeliever you become a servant to an unbeliever — to make America a servant to China, he seduced the children of disobedience to lead this nation into indebtedness to China and you are seeing the results of this right now. Biden is SERVANT to the CCP, likewise something like 30 Senators also — and many hundreds of Attorney’s General, and Governors, and District Attorneys — owned by CCP or by that Devil Soros — they are the servants and Soros and Xi are their masters — and they must do their master’s bidding. That’s why there are betraying this country — that’s why we are governed by traitors who are literally slaves to Satan.

You wonder why Baphomet, the current image of Satan worship, is making an increasingly stronger appearance in our culture over the last few decades — where now you have a city in Ohio, or was it Illinois, let’s see, yep, Illinois, in Springfield — a “baby Baphomet” was displayed at the Capital next to a Christian Nativity display

⁴ Hebrews 2:14 ¶ Inasmuch then as the children are partakers of flesh and blood, he also himself likewise took part of the same; that through death he might destroy him that had the power of death, that is, the devil;
 Hebrews 2:15 And deliver them who through fear of death were all their lifetime subject to bondage.

⁵ John 3:16

during Christmas⁶ — so, what does Baphomet have to do with Christmas? Absolutely nothing! Well, he did try to have the Christ-child murdered! So!

Anyway — like I said, I explain the Great TAKING scheme to use the national debt to collapse America into bankruptcy and what is the collateral for the public debt? The personal property of the public — that's when, all of a sudden, your government gets all “WE THE PEOPLE” — when it comes to the consent of the governed, they sort of forget about that — when it comes to spending your money, they tend to forget about that — but you watch, when the government fails to pay the massive interest on their massive debt — it'll be all “WE THE PEOPLE” — it will be all, we are in this together; and that's when you, the individual tax payer, will be left HOLDING THE BAG!

It has happened before, during the collapse of economy in the 30s —the life savings of millions over night: 9,000 US banks failed, and 7 BN was wiped out from depositors assets — note, not “bank assets,” the DEPOSITORS lost, and so they concocted the FDIC, Federal Deposit Insurance Corporation (note, corporation — more on that later) but this outfit received premiums from the banks that are used to protect depositors from bank failures. Uh huh! But if you have a general collapse of the banks, guess where the FDIC gets its money — it BORROWS IT, from whom — the CENTRAL BANKS — privately owned central banks receive FEDERAL RESERVE NOTES, which are instruments of indebtedness to the BIG BANKS — the Rothschilds, and Rockefellers — they “loan” the money against the collateral of public credit — meaning, TAXES — the power of the government to TAX is the collateral that secures the loans — you are in a trap folks!

And some say it's about to be triggered. A total collapse of the economy allows the GREAT RESETTERS to affect the GREAT TAKING which allows them to move forward on their GREAT RESET PLAN of total globalization — now, I think the reason they hate Trump is they know all this will all be STOPPED in its tracks if we get TRUMP into office.

Hey, I'm long on this segment — Israel had an economy and political system that was fully decentralized where only when the nation was threatened did God raise up a national leader to guide them to fight off an oppressor. But the people wanted a government like the rest of the world and clamored for a King! God believes in the consent of the governed and gave them a king but warned them that if they chose a centralized form of government, the government would take, take, take, take, take, and take — he will take your sons to work his fields and fight his wars, he will take your daughters, and your best fields and vineyards and oliveyards, use them to reward his servants, to buy their loyalty, he will take your best workers, and your best tools, and tax your wealth — Samuel warned the people that this sort of TAKING government can only TAKE and can only give what it TAKES from someone else — it's a wicked and vile system that is built on sand and cannot stand. Samuel say “you will cry out in that day because of your government ...” which you chose — and he warned that because you chose to be protected by government, provided for by

government, and turned from GOD to government — when you cry out in oppression, HE WILL NOT HEAR.⁷

Man, you better cry for mercy — come to the Lighthouse this Sunday AM and hear the message you need for this situation we are in and know what to do before it's too late. Starts at 9:30 and 10:45.

Hold on through the break! I'll be right back.

Segment.02 Hello. Welcome back! I'm Dr. Jerry Scheidbach, pastor at the Lighthouse, your brain masseur, and Paul Revere's lantern lighter, lighting the lamps in the church belfry arch, signaling the enemy is on the march, an enemy that would steal from us our liberty.

Florida's Surgeon General called for a halt on COVID-19 mRNA vaccinations. Some interesting developments on the ELECTION front and, of course, the latest episode in the Epstein chronicles. We'll get to as much as we can.

How about Joseph Lapedo, Florida's Surgeon General, calling out the FDA on the vaccine scam. The fight is on, O Christian soldier!

7 Read about this in 1Samuel 8:11-20

1Samuel 8:11 And he said, This will be the manner of the king that shall reign over you: He will take your sons, and appoint them for himself, for his chariots, and to be his horsemen; and some shall run before his chariots.

1Samuel 8:12 And he will appoint him captains over thousands, and captains over fifties; and will set them to ear his ground, and to reap his harvest, and to make his instruments of war, and instruments of his chariots.

1Samuel 8:13 And he will take your daughters to be confectionaries, and to be cooks, and to be bakers.

1Samuel 8:14 And he will take your fields, and your vineyards, and your oliveyards, even the best of them, and give them to his servants.

1Samuel 8:15 And he will take the tenth of your seed, and of your vineyards, and give to his officers, and to his servants.

1Samuel 8:16 And he will take your menservants, and your maidservants, and your goodliest young men, and your asses, and put them to his work.

1Samuel 8:17 He will take the tenth of your sheep: and ye shall be his servants.

1Samuel 8:18 And ye shall cry out in that day because of your king which ye shall have chosen you; and the LORD will not hear you in that day.

1Samuel 8:19 Nevertheless the people refused to obey the voice of Samuel; and they said, Nay; but we will have a king over us;

1Samuel 8:20 That we also may be like all the nations; and that our king may judge us, and go out before us, and fight our battles.

I'll be summarizing my comments on this but I want you to know I've read all the documents cited in the correspondence between Lapedo and the FDA. Also, I have that correspondence available to you in my notes. You can download them from my website: brainmassage.net.

The Surgeon General of Florida sent a letter to the FDA asking for answers to 12 questions he believed were important for the FDA to answer if they hoped to restore confidence in the integrity of that government organization, and in the medical establishment generally. I'll go over them in a minute.

In this press release from the Surgeon General's Communications Office, titled: *Florida State Surgeon General Calls for Halt in the Use of COVID-19 mRNA Vaccines*,⁸ Surgeon General Dr. Lapado updates Floridians on his efforts to get the FDA to answer his questions. He summarizes his concerns as follows:

First, the discovery of “billions of DNA fragments per dose of the Pfizer and Moderna COVID-19 mRNA vaccines. He explains this is compounded by the presence of lipid nanoparticle complexes (particulate matter smaller than 1 micrometer, which is 1 one thousandth of a millimeter) and Simian Virus 40 (SV40) which could enhance the invasion of the DNA debris into the human cells — now, all of this is concerning, but what Lapedo focused on was that the FDA provides guidelines regarding the use of DNA vaccines that include concern about the possible impact on cells, transforming a healthy cell into a cancerous cell, destabilization of chromosomes, and concern about something called biodistribution that could affect unintended parts of the body including the blood the heart, the brain, the liver, kidney, bone marrow, ovaries/testes,

lungs, and the lymph system, the spleen and even the injections site.⁹

Dr. Lapedo received a response, which I read carefully, I agree with the doctor's assessment that the FDA's written response did not point to any DNA integration assessments addressing the risks the FDA noted as possible concerns with an injection that included DNA particulates. They offered a blanket dismissal of the concern, but did not provide any studies addressing these concerns.

It's just like these government bureaucracies today to dismiss you with some blanket statement like: "we've looked into that and find no reason to be concerned." I listened to Tucker's interview with Epstein's brother about whether the pervert hung himself or was strangled. All the evidence suggests he was strangled, but in response to every question, all we hear is, "After a thorough investigation we have concluded he hung himself." If you ask, oh, okay, let me see the investigation documentation — you get, "The department of Justice conducted a through investigation and concluded it was a suicide." Well, government, servant of the people, THAT'S NOT GOOD ENOUGH. Let's see the investigation.

DONE!

That's what Dr. Lapadeo is getting from the FDA. "We looked at this and find it to be safe." Okay, let's see the studies. We looked at this and found that is it save. OH, and don't forget effective: safe and effective. Sort of like the FBI telling you, don't worry, we are taking you some place that is safe.

Dr. Lapedo explains, "The FDA's response does not provide data or evidence that the DNA integration assessments they recommended themselves have been performed." He said, "in addition, they

obfuscated the difference between the SV40 promoter/enhancer and SV40 proteins,” which, Lapedo tells us, are distinct elements. I read that in the FDA response. They repeatedly dismissed Dr. Lapedo’s concern about the Simian Virus being present in the Pfizer and Moderna shots by referring to the SV40 protein — which the specified each time they referred to the presence of the Simian Virus in the vaccines — tacitly admitting it’s there, but attempting to divert attention by denying the presence of the proteins. In other words, FDA did not satisfy the question about concern the DNA present in the vaccine could integrate into sperm or egg gametes (‘GAM-eets). Because the FDA required assessments for DNA integration have obviously not been done, but were arbitrarily set aside by the FDA, Dr. Lapedo believes these vaccines are not appropriate for use in human beings. [IBID].

For a list of the twelve questions Dr. Lapedo presented to the FDA, see Dr. Lapedo’s first letter to the FDA, here.¹⁰

Let’s close with a quick look at the elections.

They are going insane — and while that might be entertaining in other circumstances, right now it’s actually very concerning. We need Trump back in a bad way! And these people are so totally threatened by him they will literally do anything to stop us, the God fearing America as founded PATRIOTS from getting ANY REPRESENTATION in government.

¹⁰ 967.17.4-Lapado First Letter to FDA RE COVID-19 Vax Saftey floridahealth https://www.floridahealth.gov/_documents/newsroom/press-releases/2023/05/20230510-florida-department-of-health-letter-to-fda-and-cdc.pdf

Jack Smith, a frequent flyer on Lolita Express airlines — if you get my drift, is the joker thug trying to get Trump convicted, for, well, anything — right now he is trying to get him charged for insurrection, trying to overturn the 2020 election¹¹ — when the people he represents have spent Trump's entire first term trying to overturn the election of 2016 — and you know what, I'm passed having my head feel like it's about to explode over this and settling into the reality that we are dealing with DEVILS who care absolutely nothing for truth, or justice — they hate GOD and CHRIST and CHRISTIANS who actually ascribe to the RULE OF CHRIST IN THE EARTH — period! We are dealing with rank DEVILS. They are Satanic—just understand that and address the matter accordingly. Quit expecting these devils to care about truth or justice, or fairness, or waiting for them to show any sort of conscience. The only repentance you'll likely see from these people is that of Esau or Judas — Esau's lament is the best you can hope for. Unless you are hoping for these Judases to hang themselves — but I think in this case, they'll take the whole country down to a crash and burn before they allow CHRISTIANS to regain the leadership in America — but that's the only way we come out of this with our FREEDOMS in tact.

So far, Jack isn't getting Jack from the courts and let's hope justice prevails and the whole thing falls back on him — that he hangs in the gallows he is trying to build for Trump, along side all those he is working for — Biden, Hillary, Obama, and the rest of them.

As for Trump's name showing up on the Epstein list — once again, what these yahoos thought would prove to be an embarrassment for Trump turns out to be another opportunity to put on display the better parts of his character.

Turns out he was never seen on the Island. Turns out he is known to have kicked Epstein out of once of his clubs.

¹¹ <https://twitter.com/JackPosobiec/status/1743004118040387694?s=20>

Turns out a detective looking into the Epstein sex trad business testified of all the people he contacted about Epstein, Trump was the only one who called back, and willingly cooperated, and provided very helpful information allowing the detective to build his case against that low life. Trump testified he had no respect or regard for that low-life Epstein. On the other hand, want to know who has gone into hiding in view of the coming release of names included in the Epstein Islanders club? Yep! Bill Clinton. Scuttled off across the border into Mexico — you can be sure he hopes Trump does not win — he and Hillary both. Whoever makes the orange jumpsuits go ahead and put a Hillary name tag on one and a Bill tag on another.

Gotta go! Come on out Sunday, 9:30 AM for my new Bible Study and 10:45 for a relevant message regarding what must be done to GET GOD ON OUR SIDE. Come on men — take the lead and bring your family to CHURCH.

I have lit the lamps in the Church belfry arch and now you let me know if you see them.
