Betrayed & Played? / Who Will Save U.S.? / Why I Support Trump!

Original Air Date: 01.13.23

Segment.01 Hello. I'm Dr. Jerry Scheidbach, pastor of the Lighthouse Baptist Church in Santa Maria, CA—and your brain masseur—get ready for your brain massage.

Did you know that our three branches of government are reflected in the prophet Isaiah's declaration in Isaiah 33:22, "For the LORD is our judge (the Judiciary), the LORD is our lawgiver (the Legislative), the LORD is our king (the Executive); he will save us." Only when these branches are the LORD's will they function properly on behalf of the people. Otherwise, they become instruments of tyranny! Need proof? I didn't think so!

[PAUSE]

Betrayed and Played! Let's talk about what Congress can and can't do.

What has Trump taught us? The thing that is fundamentally wrong with our government right now!

The government has formed an alliance against the People: the interests of the government no longer serves the interests of the people, nor does the government serve at the pleasure of the people.

Why I support Trump! He loves America as founded, he gets it, government has become the enemy of the PEOPLE and promised to give the power back to the PEOPLE, he has a proven track record of keeping his promises and getting the job done, and he OPENLY ACKNOWLEDGES the GOD OF OUR FATHERS and the LORD JESUS CHRIST.

Okay my friends, it's time for your Brain Massage®,

[TRUTH]

Betrayed and Played! Are we being served by Mike Johnson? Most of the time, I think Johnson is doing a good job. But sometimes he makes me nervous.

The first time I got nervous was during his acceptance speech when he received “the Gavel”! It seemed to me he was making way too much of a point about the need to “come together,” and “work together,” and all that nonsense. Come together to “do what”? Come together for the sake of whose interests? And you can no longer play the game, for America’s interests! Which America are you talking about — let’s start there! Which America?

The America founded by the Father’s of our nation looks almost nothing at all like the Obama-nation we are living under right now. I understand the roots of the Obama-Nation go well beyond him in our past—I get it, Wilson was our first Communist President, in the idea that government is the answer to every social need—he pushed for government to go after corruption in the corporate world, to end poverty, and to accomplish this, and other social reforms, he worked to encourage increasing centralization of power in the Executive, to form a top down hierarchy in which behind the facade government against corporate interests he was laying the foundation for a marriage of the government with corporate America which evolved into what we have today — a tyrannical corporate complex protected by their “hired guns” — the United States government’s full power to impose its will on the people. The combination of big Corporations and government power to protect their interests, and protect them from the plebes — by controlling elections — has led to the mess we have right now.

Government no longer represents We the PEOPLE — it represents THEM THE CORPORATIONS.

We have an identity crisis in this country! Not only in the confusion that has risen over gender distinctions, which is bizarre,

who cannot see that God made us Male and Female — should be obvious to anyone grounded in reality. But the identity crisis goes beyond that absurdity! It's seen in the weird bipolar-like behavior of those who talk about saving America from the likes of Trump and his followers who regularly trash America as systemically racist. Why save that?

Isn't it weird how hatefully Progressives talk about America while posturing publicly as being all about saving America. The strange paradox of a black man kneeling during the National Anthem in protest against an Anthem sung to a country he refuses to leave because of the freedom he has in this country to kneel in protest to its Anthem! The odd, almost surreal bipolar image of an openly Queer politician protesting against the US supporting Israel against a Muslim country that attacked her! A country that would execute homosexuals publicly. Or Tlaib setting a Palestinian Flag outside her Congressional office door showing solidarity with a people who, if she lived among them, and dared to set an American flag outside her door would drag her out into the street and cut her head off.

I saw a Meme of a Tlaib or Illhan dressed in Burkah head wrap with the message, I came to America where I enjoy free speech, and I'm using my free speech to turn America into a country that would deny my right to free speech. You see what I mean?

But this identification confusion does not only affect, or shall I say, infect, the Communists, Marxists, Atheists, Secularists, and the rest of the *ists*. There is identity confusion among God fearing patriots also.

Many patriots serving in our Government now confuse the Government with PEOPLE. For example, you are hearing, and if you've paid attention, you've heard it for a while, that our military serves "the government." We see movies where soldiers are

challenged to make grave sacrifices for their “government.” Are willing to do this for “your government”?

Really? Why would anyone die for the “government”? The “government” is institutionalized tyranny unless “the government” is of, by, and for the PEOPLE.

Our loyalty oaths are to a CONSTITUTION which organizes and limits GOVERNMENT. Our Constitution, together with its amendments, serve as chains to limit, and restrain government.

The American Constitution, in particular, is indicative of the BANDS and CORDS of Christ — three branches of government, Judiciary, Legislative and Executive — are represented in CHRIST’S RULE over Heaven and EARTH.

I mentioned it at the outset of the show today: Isaiah 33:22, “The LORD is our Judge, the LORD is our lawgiver, the LORD is our king: He will save us.”

See the difference? Government is not our judge, lawgiver, or king. GOD IS! When this nation acknowledges JESUS CHRIST AS KING, and aligns our three branches UNDER GOD — so that the LORD is our Judge over the entire Judiciary, and the LORD is our Lawgiver over the entire Legislature, and the LORD is our King, over the entire Executive — then our government is functioning within the limits of its ORDAINING AUTHORITY — Romans 13:1-6.

All POWER is ordained by GOD. All of it. The Judiciary, the Legislative, and the Executive — all POWER — this word *power* translates the Greek word that speaks of authority, or, the right to rule; Jesus said all of it was given to HIM. Jesus Christ is the LORD God incarnate — GOD manifest in the FLESH — He is the ordaining authority over “government” — government is only legitimate in so far as it is UNDER GOD, and aligned under GOD’s ordaining authority. Only *power* ordained by GOD is recognized as

a legitimate *power* in the Earth. For He said, “there is no power but of God.” So, any one exerting a power that is not of GOD is NOT A POWER.

It’s similar to how the Bible refers to gods and then insists there is only ONE TRUE GOD.

The Scripture acknowledges there are “gods many, and lords many” (1Corinthians 8:5). And yet repeatedly asserts there is only ONE GOD. Consider this as one example: “Is there a God beside me? yea, there IS NO GOD; I KNOW NOT ANY” (Isaiah 44:8). And yet the Bible refers to many gods by their names: Chemosh, Milcom (also Moloch), Ashtoreth, a goddess, by the way — are these actually gods? The answer is no! “For though there be that are CALLED GODS, whether in heaven or in earth, (as there be gods many, and lords many,) but to us there is BUT ONE GOD ...” (1Corinthians 8:5-6a).

So it is that though there be many *powers* in the Earth, there is only ONE *POWER* — the only KING that has the DIVINELY ORDAINED RIGHT TO RULE is CHRIST. We RECOGNIZE NO OTHER KING.

Only those “governments” that align under CHRIST have any legitimate authority. Those that are “called powers” are to be RESISTED by us, not ASSISTED. Ever read Ephesians 6:12-“For we wrestle ... against powers.” If we are told to be subject to the *powers* in Romans 13:1 and then told we “wrestle against *powers*” in Ephesians 6:12, by the Same Apostle, by the way, it’s clear there is some distinction to be made here and that distinction is seen, in part, in the addition of the word *higher* in Romans 13:1, “Let every soul be subject unto the HIGHER POWER.” The *higher* power is *huperarche* — the supreme power that is over all powers — the hyper power — you are to be subject to GOD’s ORDAINED powers and to wrestle against those powers that refuse to submit to CHRIST as KING. That’s what Psalm 2 is all about!

The exercise of all and any earthly power is under the **ORDAINING AUTHORITY OF CHRIST** and it is given specific and limited power to act in **HIS NAME**.

According to Romans 13, the ordained power is not a terror to good works, but to the evil. Ergo,¹ any power (rulers, governments) that uses its position to be a terror to good works is **NOT ORDAINED OF GOD**. Such a ruler is abusing the power, and is not acting within the authority of the **HIGHER POWER**. Those who hold a position to execute the ordained power are given authority to use the sword of justice to execute **WRATH** upon “evil doers” (Romans 13:4).

When Biden and his administration call for and support the persecution of his political opponent, namely, Donald Trump, they are acting contrary to the **HIGHER POWER**, the **POWER** that is **OVER THEM**, and so outside the limits of his own authority. We as Christians have an **OBLIGATION TO WRESTLE AGAINST THIS ABUSE OF POWER**.

Because the bands and cords of Christ, though weakened, are nonetheless present in America these wicked rulers have to call good evil, and evil good in order to justify what they are doing. Without the bands and cords, they would act in their own name and on the old pagan principle that “might makes right.” But they must legitimize their abuse of power so they have to keep up their lying narrative that Trump is evil and bad — and to do this they have fabricated the whole Russian collusion lie, and the insurrection lie, and right now it’s all about trying to make it out that Trump defrauded the banks with false statements about the value of his properties to secure loans. And yet all those loans have been paid off and who today does not know that property values

¹ God here for pronunciation: https://www.google.com/search?q=pronounce+ergo&oq=pronounce+ergo&gs_lcrp=EgZjaHJvbWUyBggAEEUYOTIGCAEQLhhA0gEINDIlyM2owajGoAgCwAgA&sourceid=chrome&ie=UTF-8 Means *therefore*.

are not fixed by any government edict or by any bank. The fact is, you could tell a bank your 500k home is worth 1 mil if that is what it's worth to you. It's up to the banks underwriters to determine whether the value is there sufficient to underwrite the loan.

This whole thing is ridiculous. How is it possible Trump “deceived” these banks by overstating the value of his properties — first of all, he didn't. Property values are not determined by something called market price alone — some factors can greatly reduce or enhance value. If someone died in one of the bedrooms — though by every other measurement equivalent to a house considered worth a million would be greatly reduced in marketability. Another property, like one owned by Donald Trump, though equivalent in every way to a property valued at 1 mil could very likely be sold for multiple millions of dollars. The point is that THERE IS NO CRIME HERE. No one was defrauded of anything.

And yet Biden can take huge payments, millions, from foreign corporations and the same so called DOJ pursuing these false charges against Trump wont even conduct a legitimate investigation into the matter concerning Biden. How long did it take these yahoos to hold Hunter in contempt for refusing to appear before the Congress to testify?

I need to take a short break. I'll finish this on the other side. We need to understand what's going on with our Republican led Congress and how this identity crisis problem, in this case, confusing the government with the PEOPLE, is affecting even some of the best representatives on the Hill.

Segment.02 Hello. Welcome back! I'm Dr. Jerry Scheidbach, pastor at the Lighthouse, your brain masseur, and Paul Revere's lantern lighter, lighting the lamps in the church belfry arch, signaling the enemy is on the march, an enemy that would steal from us our liberty.

Some patriots are frustrated with Mike Johnson's leadership in the House because it seems he is compromising with the Devil in these continuing resolutions. All they are "continuing" is the corruption of our DOJ, FBI, CIA, keeping Merrick, Garland, Wray, and special prosecutor Jack, energizing the vendetta of Letitia James, and Fani Willis, and Alvin Bragg — all of them wicked abusers of the power who have and continue to exceed their authority and so have forfeited any claim on Romans 13 protections. And frankly, this is a good question!

Why is Speaker Johnson and the Republican held House willing to continue funding these wicked rulers? And the answer is that they are dedicated to protecting the government.

Do you realize you could wipe out the entire bureaucracies of the Judiciary, the Legislature and Executive and you will not have eliminated those branches of government identified in the Constitution — you would merely have to find righteous people to take the place of the wicked people in those branches.

Tom Fitton asks us all to call the hotline to Congress at 202-225-3121, follow prompts and questions to deliver your message that CONGRESS needs to use the power of the purse to shut down Merrick, Garland, Wray, and Smith — they need to be defunded!

Back in September last year, Fitton pointed out that Congress can act to PROTECT AMERICANS from a runaway Biden administration abuse of power against American citizens by using the continuing resolution to DEFUND DOJ — Congress should have a hearing, show the reasons they will not give another dime to the DOJ until they get rid of Garland, Merrick, Wray, and throw in that idiot Myorkas while you're at it — actually take action to defund Homeland Security — until Myorkas resigns, defund the DOJ until Garland resigns, put a contingency, Myorkas resigns funding resumes for Homeland Security; Merrick Garland resigns

over DOJ AND Christopher Wray resigns over the FBI and then funding for the DOJ resumes.

We have a precedent for this — remember when Joe Biden demanded Ukraine fire the Prosecutor pursuing an investigation over Burisma, the company Joe's son worked for, remember when Joe said you either get rid of Shotkin, the pesky prosector, or forget about the Billion dollars in AID (by the way, that was voted on by the US Congress to be sent to Ukraine—talk about acting outside your authority??). Well, according to Biden's own testimony, Shazam, it worked! Of course, he did not say *Shazam*, even though he did call someone a dog-faced-pony-soldier; instead Biden used the expression that speaks of the male child of a female dog — He admitted that he fraudulently used blackmail to force a country to comply with his interest in protecting the company his son worked for from being investigated by an honest Ukrainian Prosecutor —

So, hey, if Biden did it! Right!

Anyway, the argument is that Congress ought to legitimately use its power over the purse strings, that's the SWORD they have to use to enforce the WILL OF THE PEOPLE against these oppressors —

The bottom line is that these representatives are put there by the PEOPLE and responsible to represent them — the *Demoncrats* don't care about the PEOPLE, they care only about POWER. They play fast and loose against the interests of the PEOPLE because they know the system is rigged and that they are not answerable to the PEOPLE — they are answerable to the POWER players who provide the MONEY and PROTECTION from their miserable record, and who run the voting fraud machine — the best one in history — according to Biden's own words, by the way — would you like to hear Biden's statement? Here it is.

[INSERT]

The fact checkers to the rescue — Biden misspoke. Yeah, no kidding! The bungling idiot did not mean to spill the beans — God stepped in and through that Devil made it speak the truth. The evidence is in — Obama and Hillary expected to win against Trump in 2016 because they had put in place the ‘MOST EXTENSIVE VOTER FRAUD ORGANIZATION IN THE HISTORY OF THE UNITED STATES.’ But it failed because it was overwhelmed by massive support for Trump that was hidden from them — so they wen all out in 2020, but doing so exposed them, and now they have a problem — we are watching you!

[INSERT]

So, it’s like I said a few shows back, unless the Congress with it’s Republican majority is willing to USE THE POWER they have to protect the PEOPLE instead of working so hard to PROTECT THE GOVERNMENT — we can’t get justice.

We need a Congress that works for the PEOPLE not for the GOVERNMENT. We need someone representing the CONSTITUTION not someone controlled by a desire to protect t h e G O V E R N M E N T — t h i s g o v e r n m e n t i s UNCONSTITUTIONAL — I mean, from top to bottom, with some exceptions hanging suspended the middle of all this —

Tell the “government” that the PEOPLE say, you either abide by the CONSTITUTION or YOU DON’T GET ANY OF OUR TAX DOLLARS. PERIOD!

So that’s the identity crises among Republicans — we expect the Deep State GOPers to think in terms of “we must protect the government at all costs” but it looks like Mike, and many others, are also infected with that LIE. YOU MUST PROTECT THE CONSTITUTION — THAT’S YOUR HIGHEST DUTY TO THE PEOPLE. The Constitution is being trampled by Biden, Myorkas, Merrick, Wray — with their Deep State foot soldiers Jack Smith and Litittia whoever — in New York — and that’s not a complete list,

and their judges like this Moron Engoron — and, to answer a question I hear out there, no, I don't have any more respect for these usurping traitors against the Constitution and our liberties than Elisha did for wicked king Ahab (Read 2Kings 3:14).

Congress' refusal to use their power, the power invested in them by the Constitution, the HIGHEST POWER in the land that is duly set UNDER THE HIGHER POWER of CHRIST JESUS THE LORD — that's the chain of command — CHRIST - the CONSTITUTION — the PEOPLE who by their right of consent appoint representatives — THEN THE JUDICIARY, LEGISLATIVE AND EXECUTIVE BRANCHES co-equal and SEPARATE specifically appointed to provide a CHECK against any deviation from the Constitution that might occur by any other — THE JUDICIARY HAS THE SWORD OF LAW, THE EXECUTIVE THE SWORD OF JUSTICE, THE LEGISLATIVE THE SWORD OF LAW — BUT IT HAS ONE MORE THING NONE OF THE OTHERS HAVE — THAT'S THE SWORD OF THE PURSE — Congress, LISTEN UP — when the DOJ sticks its wicked hands into the PURSE SLAP IT HARD, use the RULER OF LAW to rap those knuckles on our behalf — same for Homeland Security, and the Intelligence community too —

Tell them, get rid of Myorkas, Merrick, Wray, fire Jack Smith and send a strong reproof to New York's prosecutor Litittia — I can't think of her last name, here it is, James — and put the fear of GOD in the judges too — WE PAY THESE PEOPLE, TH4EY WORK FOR US — WE WANT OUR CONSTITUTION UPHELD, THAT'S YOUR OATH — do it.

But right now we have an identity crisis throughout the country, and among our conservative house Representatives, there continues to be the misconception that their primary job it protecting the GOVERNMENT! No! You are wrong! Your primary responsibility is to GOD and the Constitution.

What has Trump taught us? The thing that is fundamentally wrong with our government right now! It needs to be given BACK TO THE PEOPLE, and that's what Trump promised us he would work to do.

The progressives in government are worse than the conservatives. They have formed an alliance against the People: and when these wicked people control the government, the interests of government are no longer aligned with the interests of the people, and that will continue until conservative in control of the PURSE strings send our message to these evil people that we are not going to continue paying to support their efforts to enslave us — or until we get the power of our RIGHT OF CONSENT returned to us and we then rise up and vote the entire operation OUT OF BUSINESS.

No more of this *nonaccountisliberalis!* We are done with letting you people destroy our rights without accountability to the OATH you took — the whole country is in violation of their oaths — our oaths to GOD, SUPPOSED TO BE IN GOD WE TRUST not in Fauci we trust — not in Social Security we trust, not IN MEDICARE we trust, NO! In GOD we TRUST, not GOVERNMENT — “trust in the LORD with all your heart ...”

Anyway, that's why I support Trump!
