CIVIL WAR? *REMEMBER THE ALAMO-2?* WHY DID AMY FAIL TO UPHOLD THE CONSTITUTION?

Original Air Date: 01.27.23

Segment.01 Hello. I'm Dr. Jerry Scheidbach, pastor of the Lighthouse Baptist Church in Santa Maria, CA—and your brain masseur—get ready for your brain massage.

“When the righteous are in authority, the people rejoice: but when the wicked beareth rule, the people mourn” (Proverbs 29:2).

Give a wicked man authority and he is going to use it wickedly, to do evil and not to do good—make a wicked man a police officer, and what do you get? You the sword of civil justice into the hands of someone who will use it unjustly, you get corruption where a person with real authority uses it for personal and not the public's interests. They protect the drug dealers and not the public, they join the predators that feed on the public. Make a wicked person a Child Protection authority you get someone who will traffic kids; put wicked people on an airport board and you get a board that does not serve the interests of the community but their own interests — my point is it matters what sort of person you give authority to, even when it comes to school boards and airport boards — I'm wondering what's going on with our Airport Board, You put someone like Biden in the White House and you get CIVIL WAR brewing in Texas.

Put Trump in the Oval Office for four years and we got peace in the Middle East — first time ever in my lifetime. And that's **RIGHTEOUS** brothers! Put Biden in the WH for four years and we are literally on the brink of open civil war. And that's **WICKED SISTERS**. (Get it? Righteous Brothers, Wicked Sisters — right! Pretty lame — but **GET THE POINT!**)

So the border crisis is escalating into Civil War.

Interesting developments in the Election fraud exposure and correction department. Just when you think it's all been exposed more dirty laundry aired and adds to the general STENCH that comes from the AMERICAN POLITICAL SWAMP!

The clot shot: new proof something really weird is going on with Pfizer and Moderna mRNA DNA therapy shots!

What's this? UN forces involved in Hamas attack on Israel? Put that together with the recent “ruling” from the UN against Israel “ordering” Israel to “limit deaths” in their war against Hamas terrorists. Interesting! I don't recall the UN ever “ordering” Hamas to do, well, anything! So, UN forces assist Hamas, and the UN council assists Hamas — getting the picture?

Feds collude with big banks to spy on religious and armed Americans.¹ Really? What a shock!

Hah! in my opener, I talked about the loss of equal justice before the law — here you go! Peter Navarro, remember him? He was a Trump advisor who refused to respond to a Congressional subpoena under Trump's power of executive privilege — he gets 4 months prison time.² Hunter Biden defies Congressional subpoena and gets — well, another Chinese representative customer for one of his paintings. I mean, Hunter is hardly even reprimanded.

Okay, so what shall we talk about today? Well, we've got to discuss the very real possibility we are headed into a REMEMBER THE ALAMO-2 scenario in Texas.

And the restoration of election integrity is critical to correcting any of the problems we face in this country, and actually that issue relates to keeping us out of a Civil War in other ways too.

So, yeah, that's probably going to be all we can cover today. Here we go, folks! It's time for your Brain Massage®.

[TRUTH]

So the border crisis is escalating into Civil War.

Texas Governor Abbott moved to protect his border with Mexico by setting up razor ribbon to deter illegal crossers. Biden DOJ sues and Supreme Court jumps quickly into the case — Amy Coney Barrett tips the scales of justice in Biden's favor, lighting the fuze for Civil War. Why would she do that? Hold on! I'll get to that in a moment.

So Gov. Abbott responds to the SCOTUS ruling with a sort of Declaration of Independence.³ Here it is.

“The federal government has broken the compact between the United States and the States. The Executive Branch of the United States has a constitutional duty to enforce federal laws protecting States, including immigration laws on the books right now. President Biden has refused to enforce those laws and has even violated them. The result is that he has smashed records for illegal immigration. [The Biden Admin admits to 11 million, but the truth is closer to 22 million.⁴ — listen to Tucker lay it out for us in simple

and very clear terms: [INSERT ONE MINUTE—okay, back to Abbott’s formal declaration]

“Despite having been put on notice in a series of letters—one of which I delivered to him by hand—President Biden has ignored Texas’s demand that he perform his constitutional duties.

- President Biden has violated his oath to faithfully execute immigration laws enacted by Congress. Instead of prosecuting immigrants for the federal crime of illegal entry, President Biden has sent his lawyers into federal courts to sue Texas for taking action to secure the border.
- President Biden has instructed his agencies to ignore federal statutes that mandate the detention of illegal immigrants. The effect is to illegally allow their en masse parole into the United States.
- By wasting taxpayer dollars to tear open Texas’s [sic-omit last s] border security infrastructure, President Biden has enticed illegal immigrants away from the 28 legal entry points along this State’s southern border—bridges where nobody drowns—and into the dangerous waters of the Rio Grande. [What’s that about? Keep them away from legal ports of entry — why? To avoid legal process required at the ports of entry.]

“Under President Biden’s lawless border policies, more than 6 million illegal immigrants have crossed our southern border in just 3 years. That is more than the population of 33 different States in this country. This illegal refusal to protect the States has inflicted unprecedented harm on the People all across the United States.

James Madison, Alexander Hamilton, and the other visionaries who wrote the U.S. Constitution foresaw that States should not be left to the mercy of a lawless president who does nothing to stop external threats like cartels smuggling millions of illegal immigrants across the border. That is why the Framers included both Article IV, § 4, which promises that the federal government

‘shall protect each [State] against invasion,’ and Article I, § 10, Clause 3, which acknowledges “the States’ sovereign interest in protecting their borders.” *Arizona v. United States*, 567 U.S. 387, 419 (2012) (Scalia, J., dissenting).”

[Hmmm; Scalia dissented in this decision. Did you know Amy clerked for Scalia?⁵ — I don’t have time to read that case right now, but here is a section in his dissent that seems pertinent: “In light of the predominance of federal immigration restrictions in modern times, it is easy to lose sight of the States’ traditional role in regulating immigration—and to overlook their sovereign prerogative to do so. I accept as a given that State regulation is excluded by the Constitution when (1) it has been prohibited by a valid federal law, or (2) it conflicts with federal regulation—when, for example, it admits those whom federal regulation would exclude, or excludes those whom federal regulation would admit.”⁶ [*Arizona v. United States*, 567 U.S. 387 (2012).] Also, “What this case comes down to, then, is whether the Arizona law conflicts with federal immigration law—whether it excludes those whom federal law would admit, or admits those whom federal law would exclude. It does not purport to do so. It applies only to aliens who neither possess a privilege to be present under federal law nor have been removed pursuant to the Federal Government’s inherent authority. I proceed to consider the challenged provisions in detail.” [IBID]. Although I could not read the entire case, I did notice the emphasis Scalia placed on the Sovereignty of the State in determining who is allowed into their borders and who is excluded. The only exception is when a Constitutionally supported FEDERAL law differs from the State in the matter. What I don’t understand from Amy is she does not see that Biden Admin is VIOLATING their

CONSTITUTIONALLY MANDATED OBLIGATION to PROTECT the Borders of all states from INVASION and the answer is, she sees this as an immigration debate and not an invasion. She fails to differentiate between LEGAL IMMIGRATION and ILLEGAL IMMIGRATION — if someone enters your home UNINVITED Castle law, Natural law, and the CONSTITUTIONAL protection of your inalienable right of SELF PROTECTION provides protection from criminal prosecution if you to shoot them dead! So now I ask, what's with Barrett? She clerked for Scalia but only served as a circuit judge for four years before being elevated to the SCOTUS. Her decision to side with Biden in this, in my view, shows a “clerk” like mentality — if you read Scalia, I think. you would agree he would have seen through this ruse and not been taken by the trick of calling this an immigration debate when clearly, the actions of the Biden Administration show they are not supporting or protecting legal immigration but the absolute contrary of that. He is violating the law regarding legal immigration and advocating for illegal entry into this country. THAT CONSTITUTES AN INVASION. I have not had time to read Thomas, or Alito, Gorsuch and Kavanaugh, but I'm going to bet they got it! Abbott continues:]

“The failure of the Biden Administration to fulfill the duties imposed by Article IV, § 4 has triggered Article I, § 10, Clause 3, which reserves to this State the right of self-defense. For these reasons, I have already declared an invasion under Article I, § 10, Clause 3 to invoke Texas's constitutional authority to defend and protect itself. That authority is the supreme law of the land and supersedes any federal statutes to the contrary. The Texas National Guard, the Texas Department of Public Safety, and other Texas personnel are acting on that authority, as well as state law, to secure the Texas border.”

You know what, this is a matter of great importance; I'm going to continue my comments on this in the next segment, so if I don't get to the election material, I'll address it tomorrow night during the Brain Massage® LIVE. Hold on, I'll be right back.

Segment.02 Hello. Welcome back! I'm Dr. Jerry Scheidbach, pastor at the Lighthouse, your brain masseur, and Paul Revere's lantern lighter, lighting the lamps in the church belfry arch, signaling the enemy is on the march, an enemy that would steal from us our liberty.

Remember the ALAMO — 2! Mexico's fascist leaning government is encroaching on the rights of Texicans — Yeah, I do think Obrador is corrupt. I think he is trying to impose a dictatorship over Mexico, trying to bilk the US for 20 BN, wants U.S. to lift the embargo on Cuba, to lift oil sanctions on Venezuela, look the other way while he “bends election rules” to secure his reelection — yeah, read this article⁷ — Oh and he wants Obama, I mean Biden, to legitimize millions of Hispanic undocumented workers — hmmm, what in this list is opposed by the Biden Administration? It's obvious none of this would he supported by Trump, and all of it would be supported by Biden — so we must conclude Obrador is doing exactly what Biden wants because they want the same thing — so that “fox” Obrador is leaving the doors wide open while making a very unconvincing show of concern just in case Trump does return to the White House. [Alert, the author of the article I'm referencing is a liberal and a globalist toad who can't be taken seriously — here you go, he reports for CNN En Espanol, and a columnist for the Miami Herald, which is regarded by liberals as moderate liberal — so, you can take it from there. See this article exposing the liberal bias of the Miami Herald editors.⁸]

So, anyway, Mexico is in this up to its neck!

But Abbott is ignoring the Supreme Court arguing that the Supreme Court is NOT ABOVE THE CONSTITUTION. That's sort of like the POPE is NOT ABOVE THE BIBLE, Amy! Every Branch of this country has positioned itself in opposition to the HIGHEST LAW OF THE LAND and so it's up to WE THE PEOPLE to slap them back into line UNDER THE CONSTITUTION.

I have been asked many times at what point do Patriots take up arms to resist the “rulers of the darkness of this world” and wrest the sword of civil justice from their filthy hands — and I've answered it cannot be vigilantism, citizens acting on their own authority; it must follow the pattern set for us by our Founders. Those representatives of the PEOPLE must form up, DECLARE THEIR INDEPENDENCE and act in their own interest to secure a government responsive to their RIGHTS — “When in the course of human events, it becomes necessary for one people to dissolve the political bands which have connected them with another, and to assume, among the powers of the earth, the separate and equal station to which the laws of nature and of nature's GOD entitle them ...

“We hold these truths to be self-evident, that all men are created equal, that they are endowed by their Creator with certain unalienable rights, that among these are life, liberty, and the pursuit of happiness. That, to secure these rights, governments are instituted among men, deriving their just powers from the consent of the governed. **That, whenever any form of government becomes destructive of these ends, it is the right of the people to alter or to abolish it, and to institute new government,** laying its foundation on such principles, and organizing its powers in such form, as to them shall seem most likely to effect their safety and happiness.”

It's different only in this, that our Founders already established such a government, but THE PEOPLE have foolishly given it into the hands of the wicked under the satanic delusion that when the Bible says "Satan is god of this world" it means that GOD IS NOT! Come Sunday, hear the TUTH about this! GOD declared repeatedly the HE ALONE IS GOD and He recognizes NO OTHER. Satan is no more "god of this world" than Chemosh is god of the Moabites, or Moloch (aka Milcom) is the god of Ammon, or Ahtoreth is the goddess of the Zidonians.⁹ This tells you who the Zidonians, the Ammonites, and the Moabites worshipped — it does not tell you who is in fact GOD.

When Hezekiah, king of Israel was challenged by the Assyrian army, boasting that none of the gods of the heathen could deliver from his great army¹⁰ he responded by praying: "And Hezekiah prayed before the LORD, and said, O LORD God of Israel, which dwellest *between* the cherubims, thou art the God, *even* thou alone, of all the kingdoms of the earth; thou hast made heaven and earth."¹¹ Friend, the GOD of Abraham, Isaac, and Jacob, the God of Moses, and Elijah, the GOD of David, and his distant son, Hezekiah, the GOD and FATHER of our LORD JESUS CHRIST, GOD MANIFEST IN THE FLESH — He is GOD! Not Chemosh, not Milcom, not Ashtoreth, not Baphomet, not Lucifer, that serpent, Satan, the accuser — but CHRIST — to whom has been

⁹ See 1Kings 11:33 "Because that they have forsaken me, and have worshipped **Ashtoreth** the goddess of the Zidonians, Chemosh the god of the Moabites, and Milcom the god of the children of Ammon, and have not walked in my ways, to do *that which is* right in mine eyes, and *to keep* my statutes and my judgments, as *did* David his father."

¹⁰ See 2Chronicles 32:13-14 "Know ye not what I and my fathers have done unto all the people of *other* lands? were the gods of the nations of those lands any ways able to deliver their lands out of mine hand? Who *was there* among all the gods of those nations that my fathers utterly destroyed, that could deliver his people out of mine hand, that your God should be able to deliver you out of mine hand?"

¹¹ 21Kings 19:15 See 2Chronicles 32:13, this incident was used by GOD specifically to make the point that none of the gods of the heathen was actually GOD.

given HEAVEN and EARTH, Who created all principalities, appointed Satan over the principality of the world, who took the world into the power of darkness, so GOD SENT HIS OWN SON to SAVE the world, to EMANCIPATE mankind from the power of darkness, and REMOVED satan from being prince of the world, and cast him out, and DEMOTED HIM to prince of the power of the air — the only “power” satan gains in this world is what GOD’s PEOPLE, give him! And he uses deceit — and the LIE he has used very successfully with Christians is to convince them the world belongs to Satan, and Christians have no part in it.

So many Christians have denied that JESUS CHRIST has come in the FLESH — that JESUS CHRIST is KING of the world right now, that only HE has the right to rule the world — read Ephesians 1:21, and Matthew 28:18 and ... it’s all over the Bible, friend.

GOD has not relinquished His place over mankind — but He has appointed His disciples to occupy till He returns and we squandered His goods — we denied His power and authority — we must reclaim HIS PLACE in their EARTH as KINGS and our place in this earth as HIS SERVANTS, as HIS AMBASSADORS, as KINGS and PRIESTS unto GOD and use the authority of the SWORD OF THE SPIRIT to destroy the hold of these lies on the minds of GOD’s people and rise up boldly delivering the reproof of the SPIRIT of GOD upon the conscience of this wicked world and warn these wicked rulers: “Kiss the Son, lest He be angry and ye perish from the way when His wrath is kindled but a little.”

[Insert Kari Lake bribe effort — see followup up 970.27.2 —the guy resigned.¹²]

See what happens when LIGHT exposes the creatures of DARKNESS? That's what I'm talking about Kari! Come on Johnson, let's not play politics — impeach both of these agents of the power of darkness, Biden and Kamala — both are frauds, and usurpers — go ahead and take the Oval Office, turn this country to the RIGHT, support Trump's return in 2024 and his second inauguration in 2025 — and MAKE IT RIGHT! We cannot allow these wicked Deep State creatures of darkness succeed at removing a candidate the people have elected from office and barring the people from having their RIGHT OF CONSENT. They must fail! And we must see to it that they fail!
