THE SUN IS SETTING IN THE WEST? / THE RISE OF BAPHOMET

Original Air Date: 02.09.23

Segment.01 Hello. I'm Dr. Jerry Scheidbach, pastor of the Lighthouse Baptist Church in Santa Maria, CA—and your brain masseur—get ready for your brain massage.

“For the LORD *is* our judge, the LORD *is* our lawgiver, the LORD *is* our king; he will save us” (Isaiah 33:22).

Are you interested in Bible prophecy? Let me explain the significance of Daniel's prophecy of the Western Powers and what I mean when I say *the sun is setting in the West*.

Tucker interviews Putin! He went straight to the essential question: why did you do it? Putin's response was surprising to Tucker. I'll explain why and summarize the interview for you.

Hawaii strikes down the Second Amendment. Obama has made the Constitution virtually irrelevant in his first and second terms and now in his third term through the Biden Administration.

Take care of others before we take care of our own — is that a Christian ethic? What about our borders? This is not immigration.

Why a Christian can support Trump! I was asked this week what a Christian does with Trump. I'll explain the context, why it's a good question, and how I respond!

Okay, my friends, it's time for your Brain Massage®.

[TRUTH]

Did you know the concept of separation of powers comes from GOD?

Listen to this, “For the LORD *is* our judge [that’s the judiciary], the LORD *is* our lawgiver [that’s the legislative], the LORD *is* our king [that’s the executive]; he will save us” (Isaiah 33:22).

You see this in the so-called Theocracy of Israel. The king was the executive, and the Priests served as the judiciary — they heard controversies and applied the LAW of GOD to judge cases. The written LAW of Moses served as the Constitution, affording equal justice under LAW. If clarification and additional divine insight were needed, God sent them Prophets with a message. The body of literature from the Prophets served as the legislature.

The king often submitted himself to the message of GOD delivered through the prophets—Nathan rebuked King David in the matter of Bathsheba (2Samuel 12), and Gad rebuked him in the matter of the numbering of the people (2Samuel 24). Several cases show the prophets served as God’s mouthpiece to the kings, revealing God’s mind on matters of state and society.

The king was strictly forbidden from encroaching into the office of the priests. Saul, the first king of Israel, attempted to officiate a sacrifice usurping the role of Samuel the High Priest, and God fired him (1 Samuel 13:8-14). Another king, much later in Israel’s history, named Uzziah, attempted to encroach on the office of Azariah, the High Priest, and God struck him with leprosy (2 Chronicles 26:17-21).

God enforced a strict separation of powers in Israel.

Many other features of Israel’s governing system are incorporated into our system: the idea of LAW being above the king; in pagan cultures, the king was the law, but in Israel, the king was under the LAW. Americans are all under the law of the LAND, which is the Constitution. All public officials swear an oath not to the country or the government but to the CONSTITUTION. Israel’s kings

swore allegiance to the LAW of GOD, as declared in the written LAW OF MOSES.

Their Constitution, like ours, provided safeguards against unruly kings, priests, and prophets—whose authority was limited by the LAW OF GOD.

I've mentioned it before, but the idea of the consent of the governed is a biblical principle. Remember when God chose David to be king in Saul's place, he did not form an army and overthrow Saul. That's how it was done in the heathen world. David waited until GOD removed Saul, and even then, he did not have his army install him on the throne. Instead, the people had to accept him as king, and many tribes were slow to come around. At no point did David force himself on the people; he waited until the people of Israel acknowledged him as their king.

In Hosea 8:4, God complains that His people set up kings contrary to His will, men He did not appoint or recognize. They put men in positions of power in the government that He did not acknowledge. It's not true that every person who holds power in government holds it by God's divine appointment.

GOD did not make Biden president — Biden and those who helped him steal the election forced him onto the American people. Obama, Mr. America is no longer a Christian nation; GOD did not make him president. God acknowledges the people's right to consent — it's a divine principle with Him.

We have a government in place right now that is illegitimate. They called Trump's presidency illegitimate because the arrogant LEFT believes only they have the right to hold power. And they think power is taken and kept by MIGHT.

We believe power is obtained and held by RIGHT.

The elections in America are the only way we get the government we deserve. If the elections are rigged, if they are controlled by

ballot stuffing (mail-in balloting), manipulated by tampering with the voting machines, interfered with by weaponizing the government against a political candidate, and by violating free speech, and using the government power to hide from the American people the truth about candidates, or controlling the narrative by violating free speech of the American people — then we can't know the voice of the American people — so they are not getting the government they deserve.

The wicked have taken this government by force in violation of our laws. We must get the right of consent returned to the people.

Because what's happened is Obama — and yeah, it has been going in the background for a long time — but when Obama got it, he and Biden established the most extensive and organized election fraud system in American history. We beat it in 2016 by simply overwhelming their system—they regrouped and doubled down and went all out to steal 2020 — and were exposed! Now we know what's going on. It's harder to steal in the LIGHT. They are afraid!

It seems there is no limit to how far these people will go; these children of disobedience, there is no telling how far they will go. Still, many of us are concerned they will push this country into Civil War before yielding power to the PEOPLE — and it's not about power to Trump, it's about returning the POWER TO THE PEOPLE — they have fully weaponized the FBI, the entire DOJ, including many of the courts — they have corrupted the Executive, the Legislative and the Judiciary — almost entirely, but not quite.

But you can see how sick each branch is. The executive, thoroughly corrupted, with the DOJ, made a political weapon in the hands of the Deep State. The Legislative is corrupt, with 30 Senators bought by the CCP — I've got the receipts — and a CON-servative clan that is divided and weak — there is a little but only a little strength among a small band of genuine American patriots in the House, and even fewer in the Senate — but they are

weak. They will not use the power they have to stop the raping of the American people.

There is a hearing going on today in Congress; a great speech was delivered by, I think it was Rubio, who made the excellent point that most Americans probably have some sympathy for Ukraine—I'll interject because most Americans have been kept, purposely kept ignorant about what's going on there—but they want to know why the borders of Ukraine are so important, but our borders are not.

He asked, "How can you be helping Ukraine with its invasion but not be helping America with its invasion?" The Senator from Florida went on to show what's happening on the border is not immigration — it's mass migration and constitutes an invasion.

From January 20th, 2021, until now, more than 3 million migrants have entered the US illegally and been released into the general population. Of the more than 3 million, 99.7% are still here. More than 617,000 of these illegals released into our country have criminal convictions or criminal charges pending.

By the way, these numbers represent what we know about. It does not include the military-aged Chinese nationals who have been spotted crossing without family and terrorists who have slipped through.

The misguided sympathies of some are easily taken advantage of. The Bible does not say we are responsible for taking care of others before we take care of our own — that is not a Christian ethic. The Bible says if a man does not take care of his OWN, "especially those of his own house," here, here it is, 1Timothy 5:8, "But if any provide not for his own, and especially for those of his own house, he hath DENIED THE FAITH, AND IS WORSE THAN AN INFIDEL."

You are not a good person if you sacrifice the blood and treasure of Americans to defend the borders of a foreign country and REFUSE TO STAND UP AND DEFEND OUR HOMELAND.

I've got to go to break — but listen! The reason they don't protect America is that they hate America — it's precisely what Rush said years ago — these people hate America as founded.

They would not be doing this if they loved this country! It's not about Ukrainian freedom — it's all about destroying America. It's got to stop!

I'll be right back!

Segment.02 Hello. Welcome back! I'm Dr. Jerry Scheidbach, pastor at the Lighthouse, your brain masseur, and Paul Revere's lantern lighter, lighting the lamps in the church belfry arch, signaling the enemy is on the march, an enemy that would steal from us our liberty.

Hey, I met Steve and Holly Teixeira — founders of a fantastic outfit called 17Strong. They provide what they call VICTORY TRIPS to cancer survivors — it gives a family fighting through the C thing something to look forward to and encourages them to FIGHT TO SURVIVE. This is not an advertisement — I like these people, and I like what they are doing — they are not paying for this and did not ask me to do it; it's a totally nonpolitical thing — it's about giving hope to people fighting cancer, and it was started by their son who bravely fought cancer, and he wanted to do this for others facing that battle — and it inspired me — if you are looking for a place to donate where you'll touch lives in a hugely impactful and meaningful way — check out 17Strong. You'll find their page online.

Okay, are you interested in Bible prophecy? I will explain the significance of Daniel's prophecy of the Western Powers and what I mean when I say *the sun is setting in the West*.

So, let me begin by saying it! **THE SUN IS SETTING ON THE WEST,**

Daniel outlined the passing of the kingdom from one nation to the next during what is called the Times of the Gentiles. The Times of the Gentiles refers to the period during which “the kingdom” is out of the hands of Israel and in the hands of Gentile nations.

What’s “the kingdom”? When God created mankind, the kingdom of mankind, he gave to man stewardship over all the resources of the earth — Genesis 1:26-27. It included rule over the fish of the sea, the fowl of the air, and the creatures that walk on land—and the earth itself. God was the only KING of the kingdom of man. When Nimrod came along, he tried to pull the kingdom of man out from under GOD and make himself king — he was the first to set up a kingdom on the earth against GOD. God commanded mankind to spread out over the planet, but Nimrod wanted to keep everyone together so he could rule them—he started the first kingdom on earth out from under GOD, and it was called Babylon. He built a tower as a unifying gesture — the first world government, all under the watchful eye of the TOWER.

God destroyed the tower and scattered mankind all over the planet. They went everywhere, setting up little kingdoms with self-appointed kings; thus, the kingdoms of men were born.

God then selected Abraham and promised to give his seed “the kingdom,” the right to rule the earth under GOD. From Abraham came Israel, and God gave “the kingdom” to Israel. Israel held it for several centuries but finally became so corrupted that GOD gave it to the Gentiles, and the first Gentile nation to get it was BABYLON. Nebuchadnezzar was king of Babylon at the time; God called him His servant and gave him the kingdom: He had a dream but forgot it and wanted the magicians of Babylon to interpret it. The magicians could not, but Daniel was among the wise men of Babylon at the time, and he prayed, and GOD gave

him the dream and the interpretation. A meeting was arranged for Daniel to speak with Nebuchadnezzar, and when Daniel told him the dream, Nebuchadnezzar remembered — so he knew if Daniel could reveal the dream, he could also interpret it, and he did.

Daniel explained that “the kingdom” was given to Nebuchadnezzar’s Babylon, but it would pass to Cyrus’ Persia, whom God called His Shepherd. These were the first rulers of the first two kingdoms to be exalted over the entire earth as God’s appointed steward of “the kingdom.” Daniel explained that the kingdom would pass from Persia to Greece, and he described the kingdom’s first king but did not identify him by name. It’s the first king of the next world empire that conquered Persia, so we know it’s Alexander—Alexander was dedicated to Zeus, neither a servant nor a shepherd of GOD, and GOD does not acknowledge those who are not his — remember the crowd of people who think they are Christians will cry out to the LORD. He will say, “I never knew you.”

Anyway — it was at the time of the third kingdom that Satan had a man over the world empire who was neither a servant nor a shepherd of GOD; instead, he served Satan. It was at this time Satan received from GOD all the kingdoms of the world and the glory of them.

But Daniel talked about a fourth kingdom that would follow Greece. However, he does not name the kingdom, and He does not expressly talk about the first king — instead, he talks extensively about the last king of the fourth kingdom.

Most people think the fourth kingdom is Rome—but God could have named it like he did the others. The fact is, the fourth kingdom represents the WESTERN POWERS — Daniel was given the identity of the king Who arrived at the transition of the third to the fourth kingdom —and from Daniel 9:20-27, we can confidently say that the 70 weeks prophecy reveals that MESSIAH

THE PRINCE would appear at that time. Messiah is Christ Jesus our Lord. He is the KING over the fourth kingdom. That's why the Spirit directed Paul to carry the GOSPEL into the WEST. The western powers have dominated the Kingdom, and the GOSPEL has had a huge impact on the Western powers, especially in AMERICA. Christ declared all power is given to Him in Heaven and in EARTH; he is the KING of kings and LORD of lords; he rules over the kingdoms of men—and the wicked hate Him, rage against His rule, and strive to break out from under His authority.

As Patrick Henry understood, America is built on the GOSPEL of CHRIST and has been elevated to hold “the kingdom” — and that's why it is the focus of attack by the haters of GOD, who want to take “the kingdom” by force and violence.

What we have failed to understand is the tares in this country have taken virtual control of each branch of our government and used their influence to destroy America — to “break the bands and cords of Christ” from off the earth.

They have succeeded so well that, for example, lately, Hawaii struck down the Second Amendment. Virtually every branch of government is the antichrist—I mean decidedly set against Christian patriotism. Nothing threatens these people more than CHRISTIAN asserting influence in government.

I'll follow up on this, but even though this has been going on for a long time, Obama, in his first and second and now in his third term through the Biden Administration, has made the Constitution virtually irrelevant — he and his ilk are working to bring America out from under GOD and into the power of a one world government ruled by Satan. Remember that Alexander the Great was represented in the Bible as a goat; he brought the world under Satan, who is represented as a covering cherub in the Bible (Ezekiel 28) — Baphomet is becoming popular, and you are seeing him increasingly represented in public as a gender blended, goat-

headed cherub holding the children close — his “sign” is flashed by many famous personalities, the so-called “Mano Cornuta” — the Horns-Up salute in which a fist is formed with the index and pinky extended upward indicating horns, especially significant when accompanied with the inverted pentagram.

That’s what is going on right now, my friends. Jesus CHRIST is KING, and all mankind are His subjects — the children of darkness, also called the children of disobedience — are angry and want to rid the earth of Christ’s influence. That’s why they hate Trump! Like it or not, he is representing CHRISTIAN PATRIOTISM — come this Sunday for my answer explaining this, why it matters, and what Christians need to do right now. Sunday AM, 10:45. During my Bible study, I’ll continue discussing biblical guidelines for establishing and maintaining healthy, edifying, and mutually strengthening relationships — and how to protect the relationships essential to you from being destroyed by Satan. His most effective strategy against the LORD’S CHURCH is to break down the LOVE OF THE BRETHREN, and the STRONGEST DEFENSE against Satan and Satanists is that we LOVE ONE ANOTHER.
