Segment.01 Hello. I'm Dr. Jerry Scheidbach, pastor of the Lighthouse Baptist Church in Santa Maria, CA, and your brain masseur. Get ready for your brain massage.

[THE BATTLE FOR AMERICA IS ON]

We are going to work on learning to hear the Serpent's hiss behind the blah-blah that comes from that den of vipers called the Deep State, and their propaganda arm called the MSM.

Benjamin Franklin, on November 11, 1755, writing on behalf of the Pennsylvania Assembly in reply to Governor Morris' refusal to support a tax bill passed by the Assembly, said, "Those who would give up essential Liberty to purchase a little temporary Safety deserve neither Liberty nor Safety."¹ (By the way, for all the NPR snobs out there, I'll debunk the lie that the context in which Benjamin Franklin expressed this sentiment makes it mean the opposite of what has been taken from the statement. I'll address this Saturday night during Brain Massage® LIVE at 8 PM. Check in! Give us a thumbs up and a share.)

[Use Patriotic Music under this quotation.—the Battle For America is ON!]

Are you in the FIGHT?

Speaker Johnson broke a tie vote on the FISA bill—the one that allows the highly trusted and venerated FBI to spy on American citizens WITHOUT OBTAINING A WARRANT from an

independent Judiciary. Guess how Speaker Mike voted! Does my tone give it away? Why does this matter? Wait for it!

The CDC Covid vaccine pushers push back against the evidence we see with our eyes and the multiple reports from doctors who treat patients. Alas, the “authority” has spoken, but it’s hard to listen and not laugh at a naked king.

O.J.’s final contribution in this life was befitting his reputation as a murderer and thief.

And in the I’m-shocked-you-don’t-get-why-we-don’t-believe-you-anymore department, the US Department of Education is now promoting ‘nonbinary’ teachers whose pronoun is Mx to introduce your kids to the pseudo-science of gender confusion, laying down the path for kids to feel comfortable questioning their own biology, and accepting the life-destroying lies that support sterilization, and mutilation.

Finally, here are the bombshell revelations of Biden’s former stenographer — that’s someone who writes down what you are saying as you say it, a written transcription of speech² in preparation of material for a biography or a book. Mike McCormick confirms what I’ve been saying all along about Biden.

Okay, my friends; it’s time for your Brain Massage®!

[TRUTH]

Hearing the Serpent’s hiss behind the blah-blah that comes from that den of vipers called the Deep State and their propaganda arm called the MSM might be more art than science, but anyone paying attention with a capacity for critical thinking can tune their ears to hear the hiss!

² 981.0.3-What Is a Stenographer? Responsibilities & Career Path | Rev <https://www.rev.com/blog/education/what-is-a-stenographer>

Speaker Johnson is waffling on his promise not to support renewing Section 702 of the Foreign Intelligence Surveillance Act, or FISA,³ you know, the provision used to spy on Trump and his campaign, the Act used to manufacture Russia Gate, the Act used to provide cover for repeated encroachments upon the privacy of Americans from government snooping — that one!

Johnson was all for ending that, but now he is backing up from concerns he expressed earlier about the “thousands” of FBI abuses perpetrated on the American people using the outrageous Section 702. I watched a video of Speaker Johnson being asked about his shift from opponent to proponent for WARRANTLESS SPYING by our government on American citizens—he fumbled a bit about being concerned over the thousands, and he corrected himself to say, many thousands — turns out we are talking about 278,000 times the FBI ABUSED THE PRIVACY RIGHTS OF THE AMERICAN PEOPLE⁴ — but explained that he has since been given some private intel briefings that has changed his mind, and dismissed the reporters saying you have to be informed before you make a decision.

Well, it was up for a vote, and the good Representative of AZ tried to get an amendment added that would require the FBI to secure a warrant before proceeding on any surveillance of American citizens — you know, LIKE THE CONSTITUTION SAYS — no warrantless searches or seizures — it’s in the LAW OF OUR LAND — and it’s an extension of our natural and divinely endowed RIGHTS to the security of our persons and property, including our right to privacy in our records — it’s all Amendment 4 and 8 stuff.

³ 981.4.1-FISA Section 702/ What it is and why Congress is debating it <https://www.nbcnews.com/politics/congress/section-702-foreign-intelligence-surveillance-act-congress-what-know-rcna96259>

So, the honorable AZ Representative Andy Biggs's offered an amendment to the FISA bill that would require the honorable, trustworthy, Constitutionally conscious FBI to secure a WARRANT before proceeding — and the vote came in.

212 to 212. The Speaker often does not vote, but in this instance, Speaker Mike Johnson stepped up! The dishonorable Speaker Mike Johnson, a Republican from LA, stepped up to defeat the Honorable Representative from AZ and SHOOT DOWN his effort and the effort of every one of the other genuine conservative Republicans on the Hill to DELIVER AMERICA OUT FROM UNDER THE GESTAPO HEELS OF BIDEN AND MYORKAS, and WRAY and the rest of these wicked tyrants.

So, let's get this straight now, I don't want to get this wrong. Speaker Mike Johnson knows what we know, and that is the FBI has abused this law 278k times, but he could not bring himself to spit out the number when recently challenged. He knows they abused this law in Russia Gate, spying on Donald Trump; he knows they abused this law in J6-gate and that political prisoners are languishing in the Biden/Hillary/Pelosi gulags right now who were victimized by the abuse of this evil, privacy encroaching law, the Speaker knows this, and he has watched with us the grievous abuses of the FBI under that wicked Myorkas in the Mar-a-Lago raid, the SWAT assaults on harmless abortion protestors, and he has certainly heard the threats of the intention to ramp up their sweep of J6 patriots, extending now to anyone who was even there regardless of whether they entered the Capitol — IT'S OUTRAGEOUS, IT'S TYRANNY, IT'S THE WAY A DICTATORSHIP OPERATES — and Mike Johnson, Mr. I go by the Bible, Mr. if you want to know what I think about things, check the Bible — Oh, really?

Mr. Mike goes to a briefing presented by the wolves, explaining why they need access to the Sheep in order to “protect them.” What Mike did was like that—like a Shepherd listening to a pack of

wolves tell him they need access to the sheep in order to protect them. Are you out of your mind?

You trust these guys? You trust the people who abused the rights of the American people 278,000 times to tell you the truth about — well — anything?

He cited secret briefings in which he learned from the wolves why they needed this power to “protect the sheep.” Think about it!

Mike Johnson arrogantly casts aside our liberties. He is a traitor! He thinks he is above the Constitution and he needs to be removed from being Speaker. I’ll explain!

Friend, I’m not going to listen to people who contrive excuses to go to war, who participate in a color revolution in our own country, or any country for that matter — it’s wrong! I won’t listen to these liars and thieves who use the government’s power of coercion to attack political opponents of the “regime in power,” whose allegiance is not to the CONSTITUTION but to the GOVERNMENT!

We pledge to a flag that represents a REPUBLIC, not a DEMOCRACY; we swear an oath to uphold and protect the CONSTITUTION not the GOVERNMENT, we acknowledge the sovereign power of GOD through THE PEOPLE not through the PRESIDENCY, or the LEGISLATURE or the JUDICIARY. We say, THE LORD IS OUR JUDGE, THE LORD IS OUR LAWGIVER, THE LORD IS OUR KING — He will saves us!

We are a nation UNDER GOD — our Judiciary is UNDER GOD, our Legislature is UNDER GOD, our EXECUTIVE is UNDER GOD.

The people are FIRST UNDER GOD and only secondarily under the government. The powers that be are ordained of God. The government gets its power to act FROM THE SAME PLACE WE GET OUR RIGHTS. And the government is expressly charged with the duty to PROTECT THOSE RIGHTS!

The “power” is commanded to execute wrath against the doers of evil — GOVERNMENT HAS NO AUTHORITY TO USE IT’S POWER AGAINST THE RIGHTEOUS. As far as GOD is concerned, such power DOES NOT EXIST — He refuses to acknowledge it, AND SO DO I. Read Romans 13 Mr. Speaker — read it Christian. THERE IS NO POWER THAT IS NOT ORDAINED OF GOD. The powers that be, are ordained of GOD to do what? To execute wrath against evil doers and to reward the righteous.

Where did you find that neat little passage that gives government divinely ordained authority? Did God give government divinely ordained authority to encroach upon our divinely ordained rights?

NO! Governments are instituted among men to preserve their DIVINELY ORDAINED RIGHTS.

Divinely ordained government is not given to violate DIVINELY ORDAINED RIGHTS, and it cannot do so without LOSING ITS AUTHORITY to act under GOD. If the action is not UNDER GOD, it has NO DIVINE AUTHORITY.

My rights do not belong to you, Mr. Speaker! Why are you so hot on Speaker Mike, did not about 86 other Republicans vote to continue the Biden/Myorkas tyranny for another two years? Because Mike was specifically put there to protect us from those RINOs — but he has joined them.

And, listen, there is no way I lay down my rights because some terrorist threatens my safety or because some politician thinks he is God and takes the place of GOD — and decides when I have liberty and what liberty I have. We made a deal with this government, YOU STAY OUT OF THE WAY OF MY EXERCISE OF FREE SPEECH, FREE ASSOCIATION, FREEDOM OF CONSCIENCE, FREEDOM OF MOVEMENT, WITH LIBERTY TO DEFEND MYSELF, EVEN FROM A WICKED TYRANNICAL

GOVERNMENT GONE ROGUE, LIBERTY IN MY PERSON AND PRIVACY IN MY EFFECTS AND PROPERTY.

I will not surrender one iota of my liberty for a little temporary safety. And I sure won't let you decide, Mr. Mike; I will not allow you to decide what you will do with my liberty, and when the government decides, I don't have that liberty. It's by CONSENT of the governed, and I REFUSE MY CONSENT TO THIS TYRANNY.

Another Bill must be introduced immediately to cancel this wicked business. MTG, start proceedings to get the gavel away from that Jackal. He is not fit to be Speaker if he thinks it's okay to take away our liberties because the government declares some sort of emergency. Government SERVES it is not the MASTER. Government is a servant to the people, not their Father, or Mother, or beneficent UNCLE — it's a beast that must be tethered to the BANDS and CORDS of CHRIST, or else it will become a Leviathan that ravages the people of their person and property, as we have daily witness.

Hey, LEVIATHAN, O great wonder of the deep, of whom GOD spoke to Job — “Canst thou draw out leviathan with an hook?” (Job 41). Can you catch him with bait and tackle and land him on your dock, or deck? Can you approach the leviathan, the BEAST, the DRAGON of evil “government” and put a hook in his nose, or bore his jaw with a thorn? Will the BEAST well fed with money it rakes off your labor, which is strengthened more every day with the power it steals from you, will he make supplications to you, will he speak soft words — or will he roar like a fire breathing dragon calling all MAGA Americans terrorists, and stand between banners of blood red, flanked by symbols of military might, and threaten to bring the power of LEVIATHAN to chase you down and STEAL from you, and KILL and DESTROY — will he make a covenant with you, will you make LEVIATHAN a servant. GOD Said to Job,

“Lay thine hand upon him, remember the battle, do no more.” (v. 8).

I need to wrap this segment. Do you not know that GOD used the name LEVIATHAN to identify the DEVIL HIMSELF, and spoke of Egypt’s power over GOD’s PEOPLE as LEVIATHAN and said He broke the heads of that beast then — see the connection between SATAN and GOVERNMENT — He started it with NIMROD, organizing a GOVERNMENT OUT FROM UNDER GOD — and the battle has raged —

Now, don’t think me stretching to draw the analogy between government and LEVIATHAN — in the end of the world, antichrist, the SATAN EMBODIED MAN will raise up the BEAST that is GOVERNMENT — and devour the world —

But, although Job, in his day, as righteous as he was, could not handle LEVIATHAN — the littlest saint submitted to GOD by merely RESISTING HIM, will make him flee.

And our FOUNDERS did lay upon that beast BANDS AND CORDS to restrain him, to tame him, to bring him under the will and power of the PEOPLE — and the kings of the earth and princes have labored together in the darkness to BREAK THE BANDS AND CORDS OF CHRIST from LEVIATHAN —

But I’m here to tell you, so long as there is a remnant surrendered to GOD, submitted to him — Leviathan can rage and rampage and breath out his threatenings, even fire — but HE WILL NOT PASS the command of CHRIST. In Jesus’ name! Under HIS AUTHORITY, let us RISE SUBMITTED TO GOD AND GO FORWARD RESISTING THE DEVIL — that’s when he will FLEE.

It’s in the BOOK. Come see me this Sunday!

Segment.02 Hello. Welcome back! I’m Dr. Jerry Scheidbach, pastor at the Lighthouse, your brain masseur, and Paul Revere’s lantern lighter, lighting the lamps in the church belfry arch, signaling the

enemy is on the march, an enemy that would steal from us our liberty.

Train your ears to hear the Serpent's hiss even when it's hidden in the mouth of Christians. Remember that Peter opposed Jesus' going to the Cross; Jesus heard the Serpent's hiss in his words and rebuked him, "Get thee behind me, Satan."⁵ We are susceptible to the influence of seductive spirits that hiss and cast a shadow over our mind that is almost hypnotic, deadening our conscious mind so that it is not alert! Power has that effect! So does money! Popularity and the belief that influence must be preserved will often have the same effect. Beware! Often, Christians are lulled into a sort of half-sleep, and the watchful Serpent leaps upon this to carefully disarm their defenses and get them to relax just before he pounces and ravages them like a lion its prey. He walketh about seeking whom he may devour!⁶ And subtly works to set the wicked in authority over the righteous: "As a roaring lion, and a ranging bear; so is a wicked ruler of the poor people" (Proverbs 28:15). And every people is poor who has wicked men and women for rulers. Indeed, the BIBLE says when the righteous are in authority, the people rejoice: but when the wicked beareth rule, the people mourn" (Proverbs 29:2).

One way the Serpent gets authority is through fear and intimidation. He makes you afraid that some terrorist is going to get you, so you give up your liberties to wicked rulers. You are afraid some invisible bug is going to get you, so you give up your liberties. That's because you fear men and do not fear GOD. You trust men rather than GOD.

The fear of man is a snare that binds you in evil and terror—in the fear of God, there is righteousness and peace! Trusting in the arm

⁵ Matthew 16:23

⁶ 1Peter 5:8 ¶ Be sober, be vigilant; because your adversary the devil, as a roaring lion, walketh about, seeking whom he may devour:

of flesh is a sure path to oppression. I guarantee it! Trust in the LORD with all your heart, and He will direct your paths. He will direct you to the TRUTH that will make you FREE, and into the SPIRIT where there is LIBERTY.⁷

Mike is afraid we might get attacked by a terrorist, and so he thinks we should give the government power to take away our liberties at their discretion. Excuse me? Does the shepherd consult with the wolves on how best to protect the sheep?

We made a contract with the government, written out in the Constitution: the people's rights belong to the people, and the government protects our liberties.

The SARS-CoV-2 scare was used to deny us our liberties without our CONSENT—there was passive consent! And it almost destroyed us. They got away with trampling our personal human rights and nearly succeeded, but the people began waking up and resisting, and when that happened, Leviathan retreated. No more passive consent to “mandates.” Get my book, *Let My People Breathe*, and learn the truth about masks and health mandates from both a scientific and biblical perspective.

The CDC COVID vaccine pushers are out in force working to counter the evidence we see with our eyes, and that is reported consistently by doctors who are our neighbors, telling us something is bad wrong with this vaccine, that they are seeing a serious uptick in cancer patients; and our morticians are finding huge and unusual blood clots in corpses, and we’ve seen the multitude of videos of young people falling dead. Yet the “authority” has spoken.

CDC says there is “no evidence that Covid vaccines cause fatal cardiac arrest or other deadly heart problems in teens and young

⁷ John 8:32 And ye shall know the truth, and the truth shall make you free.

² Corinthians 3:17 Now the Lord is that Spirit: and where the Spirit of the Lord is, there is liberty.

adults.”⁸ Let’s take this statement apart, shall we? Another lesson on how to hear the Serpent’s hiss behind his servant’s lies. There is “no evidence,” which means there is none they acknowledge. It also hides the fact that they did not do proper randomized controlled trials sufficient to ascertain the risks, and it hides the fact that their own records, from what testing they did do, required them to list as potential risks every one of the issues we are seeing develop since the shots were introduced.

Here is a report from the Harvard Gazette of a dramatic rise in cancer in people under 50.⁹ Here is one telling us about a new pandemic called Turbo Cancer.¹⁰ Another study shows there is some link between COVID and cancer progression.¹¹ All of these studies are written in a manner that contrives to allay fears; we have all seen what happens to doctors and scientists who stray from the official narrative. But if you read deeply, you’ll notice what I have noticed: the hiss of the serpent. Language that is designed to obfuscate and equivocate — many ideas presented are crawfishing across the studies.

Here is one that raises the question of whether the COVID-19 vaccine reduces natural immunity response.¹²

With all the talk about a vaccine-cancer connection, O.J.'s death by prostate cancer, coming only some months after he came out and told everybody to get the shot cause he did, has raised a lot of eyebrows.

O.J.'s final contribution in this life was befitting his reputation as a murderer and thief. Watch his jab promo: It be like, "Hey, everybody, I trust the government; it let me get away with murder! Why shouldn't we let the government get away with it too?" (hehe) "Go get your jab; I did! And then I died with a turbo-cancer!" Listen for Serpent's hiss in the lies of his vipers: the children of disobedience spewing lies that coyly finger call you toward the maw of hell!

And they keep attacking Ivermectin as a treatment for COVID. They are getting more sophisticated in their efforts to tell us Ivermectin does not work as a COVID treatment. At first, they summarily dismissed it as a horse de-wormer! Then they would snidely say, "you're not a horse, are you?"

They did this knowing that Ivermectin has been used for decades to treat humans with various parasitic diseases. So now they trot out a guy who matter of factly states Ivermectin is a horse de-wormer, but it's been used very effectively for humans also, for decades, as a de-wormer, but according to our trials it simply does not work on patients suffering from COVID.

¹² 981.17.3-Does Vaccine Reduce Immunity Response to Cancer <https://www.breastcancer.org/research-news/6-months-after-2nd-pfizer-vaccine-dose-people-with-solid-tumors-have-same-covid-19-antibody-levels-as-people-without-cancer> "Six months after receiving their second dose of the Pfizer-BioNTech COVID-19 vaccine, people diagnosed with solid tumor cancers had about the same antibody levels as people who hadn't been diagnosed with cancer, according to a study." This is stated as evidence the vaccine is not causing cancer; but does not this suggest the possibility the vaccine is inhibiting a natural immunity response to the cancer? That does correspond with some things I've heard about the vaccine's impact on our immune system.

So, now, what do we do? Do we believe this guy? Why should we? Why should I believe a single word this man says? We've been lied to by the "government-connected medical establishment" repeatedly. Pfizer has bought almost every news source and actively pressures social media and Legacy media to censor certain voices — why should I believe a single word any of these people say?

I remember that they concocted a faked study published in the Lancet trying to make it out that Hydroxychloroquine was not only ineffective against COVID-19 but deadly. That was proved to be a lie. PROVED! The chief of Lancet responsible for publications essentially said it was the most egregious example of faked science he had seen. It totally embarrassed that once highly esteemed journal.

They told us masks can protect you from infection or transmission—which we know is a lie. They also told us the "virus" did not come from a lab in Wuhan and that American tax dollars were not used to support gain-of-function research in that Lab—which proved to be a lie.

Clearly, the FDA and the CDC are serving some agenda that motivates them to engage in propaganda warfare against scientists who have questions about all of this. The FDA and the CDC, with the support of the FBI and all the DOJ and even the DOD, got involved in this to go all out, even at the sacrifice of our liberties of free speech and conscience, to squelch any and all opposition to the government narrative! So, no thinks! I'm not buying! FDA and CDC have forfeited all credibility, and those institutions need to be disbanded! We don't believe in you!]

And in the you-still-don't-get-why-we-don't-believe-you-anymore department, the US Department of Education is now promoting 'nonbinary' teachers whose pronoun is Mx to introduce your kids to the pseudo-science of gender confusion, laying down the path for our kids to feel comfortable questioning their own biological

gender, and accepting the life-destroying lies that support sterilization, and mutilation.

So, hear the hiss! “Kids do better when they see themselves in their schools, their educators, their leaders, and their library books.”¹³ By the way, I’m looking at a video of one of these nut-jobs telling us this nonsense, and there it is again! Have you noticed that the people promoting this evil look like Zombies, like they are totally toked out on weed, with placid expressions nearing a smirk, eyes that seem to be focused on something else, a sort of not-there look in their eyes? Take a look here.¹⁴

I need to wrap it up! I thought this was vedy interestingk! Did you hear about the bombshell revelations of Biden’s stenographer — that’s someone who writes down what you are saying as you say it, a transcription of speech¹⁵ often used in courtrooms or for preparation of material for a biography or a book?

Mike McCormick was Biden’s stenographer from 2011-2017. He confirms what I’ve been saying all along about Biden. In an interview with Townhall, McCormick said, and I quote: “When I worked for him, I thought Joe was harmless — egotistical, buffoonish, and unpresidential, but harmless. Now I think of him as an evil criminal who should be impeached and imprisoned.”¹⁶ McCormick personally witnessed Biden negotiating the deal with Burisma that involved directing US funding towards Burisma “in exchange for placing Hunter Biden on the company’s board of directors.” [IBID] His claim is corroborated by the emails that have
