Coming war with China? A ruse to halt the elections?

I have played excerpts of a covertly recorded conversation between high-ranking CCP military officers discussing a SINO-AMERICAN open war scenario. We've heard CCP spokesmen declare the Chinese Communist Party's intention to destroy America. We know the CCP operates an extension of their police force in New York to watch suspected CCP defectors here.¹ We know the CCP has been buying vast amounts of land, 380,000 acres and counting² (ranks 18th of 111 countries that own farmland in the US) infiltrating critical positions in corporate America and American education³ and other Institutions,⁴ ⁵ embedding key election software manufacturers in CA, for example, Konnech, giving CCP access to sensitive election-related data⁶ — Oh, and don't forget the CCP owns controlling interest in our government through bribes to Senators⁷ and BIDEN—notably, the MILLIONS

Friend, we don't need to see the tax records of a billionaire who risked it all to save this country from ruin; we need to see the tax records of these politicians who came into office poor and become multi-millionaires while serving on the taxpayer's dime.

Not too long ago, we heard repeatedly that the CCP was shutting down such revelations, punishing media and government officials if they said anything disparaging to China and shutting down the exposure of any of this. So, I'm greatly concerned that China is not howling about these revelations; they do not seem to be pulling Biden's chain, the Senator's, or their Media.

Has the plan matured to the point where the revelations are irrelevant to the CCP's plans? Does it not matter anymore?

Is Wray actually presenting a THREAT to the American people disguised as a warning?

Hey, Xi, it’s a really bad idea to bet against Israel. I have an inside connection to God’s mind on this subject. It’s called the Bible. It’s connected with the promise of Christ’s FIRST COMING. [IBID]. Don’t make the mistake of thinking that because Israel rejected her King, this promise was withdrawn.¹⁹ What He withdrew was the restoration of Israel to world dominance, as in the days of Solomon.²⁰ He passed “the kingdom” to the Gentiles,²¹ specifically, to His people, His holy nation.²² So long as the people of Christ’s kingdom are present on this earth, ISRAEL WILL HAVE A FRIEND. This current usurping regime notwithstanding, at the end of the day, AMERICA WILL SIDE WITH ISRAEL!

For all the talk about CCP superiority, the fact is that the US military is only being made to “look weak” as a propaganda tool to make Americans afraid. When you look at Richard (now Rachel)

Levine in his Navy uniform or hear the nonsense about gender affirmation policies implemented in the US Military, don't make the mistake of thinking these perverts are going to be representing us on the battlefield. When it comes time to FIGHT, you'll face the real American soldier, Mr. Xi.

You'll also find out what you probably already know: the current evil regime in the US wants your CCP money. When push comes to shove, they'll turn on you even faster than they turned on Americans. Satan does not control the American spirit, and all you are succeeding to do is wake up the AMERICAN GOD-FEARING PATRIOT! And we'll take our slings and stones and take down any Goliath between them and their LIBERTY! Yep. It's in the Bible.²³

enemy is on the march, an enemy that would steal from us our liberty.

As the “invasion” from drug and sex trafficking Cartels and foreign enemies continues across our borders, and planned cyber invasions are rumored to be coming from CHINA, the Queer invasion heats up.

Riley Gaines, American champion swimmer from Tennessee who lost a national title race to a dude named Lia Thomas—one of those pathetic men who can’t compete with men, so he claims to be a girl so he can race against women, dominate them, and steal their glory. Biden, another perverse man who holds glory earned by others, plagiarizing speeches and stealing elections, has lately had Title IX rewritten. Title IX governs school athletics, passed in the 70s and challenged in court in 1972.²⁵ It prohibits discrimination based on sex, a word used interchangeably with gender back then.

The Biden Title IX allows men to take academic and athletic scholarships from women, gives men full access to bathrooms, locker rooms, and other places reserved for gender privacy; it allows men to be housed in dorm rooms with women and requires both students and faculty to use a pervert’s preferred pronouns.

Failure to comply with Title IX, even questioning this nonsense, can expose you to charges of harassment.

You Biden supporters, are you okay with that? Even questioning the law is forbidden.

The Queer invasion has been attacking gender distinctions for a while, and now it’s having a destabilizing effect on identity in a more broad way. If a man can identify as a girl, why can’t he “identify” as an animal?

²⁵ 982.0.1-Title IX and Sex Discrimination https://www2.ed.gov/about/offices/list/ocr/docs/tix_dis.html

You might have heard what is going down in a middle school in Utah. A furrie²⁶ craze has broken out, with kids identifying as cats, or dogs, or mice, or whatever animal they want to personify. Well, these kids are taking their alternate “identity” so far that they are acting like the animals they portray — the cat furies are scratching other kids, the dog furies are biting at and barking at the other kids, and it’s creating a problem—interfering with the school’s mission and purpose—which, presumably, is to teach the kids.

What is a furry? This article explains.²⁷ Furies are not Therians. According to the Therian Guide,²⁸ the “generally accepted definition” is “a person who experiences being and identifies as a non-human animal on an integral, personal level.” [IBID] The word *therian* is a noun for a “mammal of the major group Theria, which comprises the marsupials and placentals.”²⁹ From this word, we get *Therianthropic*, which refers to a deity that combines the form of an animal with that of a man: the Centaur would be an example.

How do you know you are a Therianthrope? Well, there is a “familiar feeling with the animal,” a feeling that “this is what I am.” So, is this getting sick and then sicker?

Anyway, back to furies. According to an older Furry named Strudel, furies do not think of themselves as animals. It’s a “fandom” thing. In the same way Taylor fans want to dress like her, these cat, dog, and mouse fans want to dress like and emulate their favorite furry.

The normal students at Mt. Nebo Middle School in Utah don't like having students assault them, hiding behind a cat or dog mask or persona! I think that's understandable.

So they protested to the school to stop this nonsense, but the school officials said the assaulted students needed to stay away from the furies. That's right! The Furies are not told to stay away from the normal kids who want the furies to leave them alone; instead, they have instructed the normal kids to stay away from them.

It's always like that, you know, with liberals. All the normal people have to cow tow to the crazy people. The straight has to accommodate perverse. And guess what; a lot of that comes from the fact that these people would rather work with normal kids than crazy ones. Someone so crazy they act like a dog or a cat and excuse aggressive behavior on their alternate identity are weird, unruly, and harder to reason with or control. So they default to trying to work the problem from the side of normal people because they can be reasoned with.

But this only exacerbates the problem! It does nothing for the sickness that has taken hold of these kids and only deepens the animosity the normals feel against these weirdos.

Besides, we have it on the authority of experience what to expect. So long as the Furies don't actually think they are the animal they identify with, or as they will have no special "rights," before long, we can expect it to become increasingly popular to go from Furry to Therian. Haha! Furrism is a gateway to Therianism.

Next, human beings will demand to be allowed to compete in dog shows, and the judges will be pressured to give the prize to a Therian. Now, you'll see pictures of men dressed as dogs with "best in show" blue ribbons around their necks.

Poor Chaser, a border collie famous for knowing over 1,000 human words, can't compete with Lea, a man who identifies as a female collie, who knows 5,000 human words.³⁰

And what about poor Benji, who became famous as a movie star canine in 1974? Move over, Benji; here comes Bently, the woman who identifies as a male mutt, preening for the cameras and getting lots of love and support from those who sympathize with crazy people so sick they can't accept what and who they are.

The sickness goes deep. Confusion reigns! Here is a guy who posted a video he took of a pig that was crowded in a slaughter truck on their way to the slaughterhouse. Here it is.³¹ So this guy, let's see, his name is John, he takes a video of this pig and posts it on X, "I filmed this pig staring at me; he arrived at the slaughterhouse. His eyes. The fear. The terror." He added a broken heart emoji! He followed this with a challenge for us all to Retweet his video to give the little oinker a voice: "RT to give him a voice. Don't let his death be in vain."

Well, my pastor friend obliged and retweeted Oinky's video with this comment: "A huge number of people can instinctively recognize the moral worth of a pig but cannot recognize any worth at all in an unborn child. This is a deep spiritual sickness. If you are one of these people, you should know that you are extremely deranged and morally deformed."

I should invite Pastor Benefield to visit me so I can take him to Mo's Barbecue, where we can enjoy some succulent pork ribs.

Yeah! When I look into Oinky's eyes, I don't confuse it with a Therian or a Furry—nope, it's a pig.

By the way, the baby in the womb is a baby, a child. In fact, that's what the word Fetus means. Look it up! It means LITTLE CHILD.

Oh, and by the by the way! This guy John, who lamented the plight of the poor piggy, posted a fight scene between two humans in a boxing or fighting ring surrounded by spikes; I mean nasty looking seriously going to impale you spikes — a foot or longer — hundreds surrounding the ring — I guess everyone has their way of expressing their savagery! I'll take eating pork ribs to killing babies and impaling humans!

And you won't believe this! I scrolled down a little farther, and you won't believe what I found—a Brain Massage post from a show I did back in August 2022!

How about that?

I'm going to have to begin the wrap!

Mike Johnson's spectacular fall rivals Satan's — like lightning from Heaven!

Anyway, I've been keeping you up on what's going on with Mike. He has completely lost it! I believe Christians ought to be in public office, but that alone does not make them fit for office. This guy is a disaster. He thinks of himself as a protector of the government, refusing to support the Constitution and protect the PEOPLE; he keeps the predatory government well funded — keeps spending us into oblivion, and keeps sending billions to prop up Biden's corrupt piggy bank there in Ukraine.

But the most egregious thing he did was this. The FISA law that empowers the government to obliterate our rights — suspends the Constitution and puts us under BLATANT TYRANNY, oppressed by a DOJ and its FBI to trample on our rights using the provisions for warrantless spying on American citizens — it was up for a vote, and the House was evenly divided — the Speaker rarely adds his vote, but it came down to a tie, and the Speaker would break the tie — SPEAK JOHNSON, SINGLE HANDEDLY THREW ALL THE CONSERVATIVES UNDER THE BUS, THREW ALL PATRIOTS UNDER THE BUS, he broke the tie in FAVOR OF BIDEN, MYORKAS, WRAY and the rest of the DEMONIAC OPPRESSORS — the guy went total Judas on us, the only mercy being we did not have to endure the betrayers kiss — instead, he virtually flipped us off!

Well, here is the latest! Now that idiot goes on record saying he believes that WHITE PRIVILEGE IS REAL and SYSTEMIC CHANGE is needed! I intended to speak to this and dig into some essential insights you need to understand how totally evil this is — but catch me LIVE Saturday night at 8.

For now, understand that Mike has fallen prey to racism — racism sees all these disparities as a black versus white issue when THE FACT IS IT HAS ABSOLUTELY NOTHING TO DO WITH COLOR AND EVERYTHING TO DO WITH CHARACTER. It's about a culture that values independence and hard work versus a culture that embraces victimhood! It's a righteousness versus wickedness issue. Going with this white privilege nonsense ignores CHARACTER and makes it all about COLOR. That is the reverse of what Martin Luther King called for, and it's ANTICHRISTIAN.

Rand Paul said it plainly: SPEAKER JOHNSON: “No longer the GOP Speaker of the House, but Speaker for the Uniparty's 1.5T

deficit, warrantless spying on Americans, and a foreign aid bill with more deficit spending than Schumer's budget buster."³²

Mike is under fire by the genuine conservatives in his Party and there is talk about ousting him. You do remember this is the same nonsense that got what's his name fired — good night — oh yeah, Kevin McCarthy — SAME THING! What's Mike to do?

He might as well join the Democrats — Pelosi is reaching out. Yeah! Nancy Pelosi is praising Republican Speaker Mike Johnson, and I agree with Carrie; that's all you need to know about Johnson. And I'm with you. Vacate the Chair!³³

Maybe weirder than Mike's defection is Barr's recent endorsement of Trump³⁴ — and I only have time to ask you the obvious question: ARE THEY PREPARING TO EMBED TRUMP'S ADMINISTRATION WITH OPPOSITION JUST IN CASE HE GETS ELECTED? Understand that winning this election does not END THIS WAR.
