The “smoking gun” has been uncovered. Tim Fitton reveals the documents have been obtained proving Fauci’s agency funded the creation of coronavirus mutants in Wuhan — he was illegally conducting “gain of function” research — here are the receipts.⁴

Table set! It’s time for your Brain Massage®:

[TRUTH]

Before I go into detail on the coming invasion of Islam and Operation Arctic Frost, I want to discuss a new take on the purpose of COVID.

Edward Dowd, former BlackRock portfolio manager (a 14BN dollar portfolio) current co-founder of Phinance Technologies — interestingly spelled with the Ph and not the F — his interest in Pharmaceuticals comes to mind — only he wrote the book “Cause Unknown” examining the connection between COVID, the “Vaccine,” and the sudden death syndrome. Here is a quote from Mr. Dowd: “The COVID vaccines were designed to take care of the pension problem with the boomers and then bring in 10 to 15 million younger, mostly male folks as a replacement population.”⁵ He linked the COVID jab, killing off the Boomers, and the illegal immigration scheme to replace them.

The “pension problem with the boomers” is that there are a whole lot of us and we’re living beyond the biblical life span estimate of threescore and ten, or 70 years with an outside estimate of 80 years⁶

⁵ <https://x.com/JimFergusonUK/status/1910219828620644475>

⁶ Psalms 90:10 “The days of our years are threescore years and ten; and if by reason of strength they be fourscore years, yet is their strength labour and sorrow; for it is soon cut off, and we fly away.” This is an estimated life span calculated on what was the average expectancy at the time it was written. However, God sees all history, and so this could be an estimate based on an average lifespan calculated from Adam, who lived over 900 years, to the many who die in miscarriage, premature death by accident, or acts of violence, such as abortion, murder, and war.

— this creates a big problem for guys managing pension funds, especially for those responsible for funding pension payouts.

Solution? It's always the same! The standard “go to” solution for all “liberal” minded people — DEATH! As Jeremiah prophesied: “Death shall be chosen rather than life by all the residue of them that remain of this evil family” (Jeremiah 8:3).

Overpopulation—kill people! Pension funds burdened—kill people! Climate change—kill people! Got pregnant making a mockery of marriage, having “fun,” get pregnant, like it was some sort of “oopsie,” and because it interferes with your future plans—kill the baby! It's the Liberal way to do everything. Manufacture a fake problem, use it as an excuse to kill someone.

You don't like a guy running for president—kill him. You don't like a guy exposing the fraud and waste in government—kill him. What is it with these people and their obsession with death, and destruction? They are of their father, the Devil, and the lusts of their father they will do. He was a murderer from the beginning, and abode not in the truth, because there is no truth in them. By the way, that's what JESUS says about this “evil family” within the human kind.⁷ Do you applaud efforts to kill Trump and Elon? You are of your father the Devil.

Do you rejoice that vandals attack Tesla as vengeance against Elon, destroying the property of others? You like that? You are a Satanist. What's that! You don't worship Satan? What do you think worship is. It is the surrender of your will to the will of GOD. Your god is Satan. That's why you delight in death and destruction — it's what JESUS SAID about you! He said, you are of your father the Devil, and that's why you have murder and mayhem in your hearts.

⁷ John 8:44 “Ye are of your father the devil, and the lusts of your father ye will do. He was a murderer from the beginning, and abode not in the truth, because there is no truth in him. When he speaketh a lie, he speaketh of his own: for he is a liar, and the father of it.

But be forewarned! You will go to your god when you die. I will go to my GOD and you will go to yours. I will live forever with my GOD and you will live forever with yours. I will go the Heaven when I die and you will go to Hell. I will live forever in joy and you will live forever in torment. I have some good news for you, if you'll receive it. You can turn away from darkness and come to the light of Christ's truth. You can turn away from the power of Satan to GOD—and if you do, you will be forgiven of sins and be included with those who inherit eternal life.⁸

Is that a bit to “preachy” for you? Would you like to put me in jail? Weird! How “liberal of you.” I speak the truth, whether it's politics, or anything else. In other words, for me, speaking truth is speaking truth no matter how someone else categorizes it — there isn't “political truth,” “philosophical truth,” “scientific truth,” and then “religious truth” — there is only TRUTH. And here is the TRUTH: you did not create yourself, CHRIST Who is JESUS our LORD created you. He is your LORD whether or not you confess it, it is TRUE. It's also true whether or not you believe it! Anyway!

These vile people are good at ruining good words, like *liberal* and *progressive*. I have a prophecy for you, “The vile person shall be no more called liberal, nor the churl said to be bountiful.”⁹ That's what GOD thinks about it!

Anyway — I spent some time on this in the intro because I wanted to speak to this, and because it sets up the rest of the Brain Massage® for today. So, one more thing while we are talking about the Devil's design for the Plandemic!

Is it possible the grand conspiracy of a plot to depopulate the planet from 8 BN to 500 MIL is a kind of red herring to divert our

⁸ Acts 26:18 “To open their eyes, and to turn them from darkness to light, and from the power of Satan unto God, that they may receive forgiveness of sins, and inheritance among them which are sanctified by faith that is in me.”

⁹ Isaiah 32:5

attention from the more simple answer: that the love of money, is, after all, at the tap root of the whole thing? Dowd and Jones ask, why were the elderly targeted in this COVID plandemic, why were safer and more effective treatments suppressed, and Fauci's death protocol pushed on the elderly, and at the same time, why did the same people push for mass migration and continue to harp and howl to protect both the vaccines and the open borders? Maybe it is, after all, as simple as that.

We have a Mammon problem—created by mismanagement of pension funds—that has us in a bind and the easiest solution is to kill off the boomers. Let's replace these aging pensioners with young, presumably, productive men and we'll rescue our failed pension system while at the same time, bring in a new stock of healthy laborers.

It's plausible! I put this theory as a subpoint to the Arch-Evil designer of human misery that hates mankind even more than Democrats do. Oh, come on! Look at any city, or State, that is run by Democrats and tell me they don't hate mankind. What's that? Everything they do is out of love? You've got to be kidding me! Have ye never read, "by their fruit ye shall know them"?

Hold on through the break! Your Brain Masseur® will be right back!

The rise of Islam in Europe and America! overshadows our concerns about China.

I think Trump has got Xi and the CCP pretty much boxed in. I don't say they are a fully neutralized threat, but, as I pointed out on an earlier livestream, I think Trump is going to do to the CCP what Reagan did to the USSR. Trump will either bring the CCP to heel, to fair trade an honest dealings or the CCP will collapse! I'm praying for the collapse of the CCP and the freeing of God's people in China from constant oppression and persecution. It must stop! Hey, Xi, ever read the story of a proud ruler named Herod? He tried what you are doing and God finally fed him to worms not even Ivermectin could kill.

More stuff comes out all the time about the CCP intrusion into and interference in our lives. Lately, Ms. Sarah Wynn-Williams, whistleblower from within Facebook, who got tired of working for and with "Careless People" she identified as Mark Zuckerberg and Sheryl Sandberg and blew the whistle on a secret agreement between Facebook and China to store data on Chinese servers built by Zuck in China, to gather data from Chinese Facebook users and Americans that interacted with these Chinese "spies."¹⁰ So much for TikTok being the great China threat!

All the propaganda the CCP has tried to push on Americans can't work now because MSM, and SM are no longer controlling the narrative, and Xi no longer has a puppet in the White House, and he is losing control over the thirty Senators he bought, and, well, it's just no looking good for Xi — He can't respond to Trump's tariffs with anything but hostility because his CCP leaders will crucify

¹⁰ <https://x.com/MAGAVoice/status/1910154298606162096>

him for being weak. He has puffed up a giant “paper dragon” but it’s being exposed as nothing more than an impressive drone show.

I’ll take the crumbling of the CCP as an answer to my many hours of fervent prayer. O, Lord, Hasten the delivery of your people from oppression.

But the real danger today is being put on display for us in Britain.

You’ve watched with me with great concern the increasing hostility against Christians and Christianity in Britain. Creating so-called “Protection zones”¹¹ in a radius of 450 feet—anyone violating the zone rules face unlimited fines — and what is included in potential violations are behaviors as unoffensive as praying in public, silently, yeah, British police have arrested grandmothers praying, silently, on public streets within the zone.¹² Here is a woman in Scotland who held a sign that said “Here to talk, if you want.”¹³

This was developing here, in America too. Judge Colleen Kollar-Kotelly sentenced 75-year-old Paulette Harlow to two years in prison for “Praying outside a Washington DC abortion clinic.”¹⁴

But the American people came out in force November 5, and got rid of the wicked Christ hating Biden regime, and put a God fearing man in his place — Trump pardoned Paulette — it was among the first things he took care of when entering the White House.

But in Britain, things are not going so well for freedom of conscience, free speech, or freedom of religion. Under a new law being proposed by Britain's Liberal Council, Christians will be placed under an injunction forbidding them to preach in public. "Under the proposed terms, Christians will be banned from praying for individuals, handing out religious leaflets or Bibles by hand, and laying hands on people in prayer even with their permission."¹⁵

Cromwell¹⁶ — I can hear him calling from his grave "No King, but CHRIST." We'll remember his birthday on the 25th. He died in 1658, 47 years after the publication of our Bible.

Britain does not have a Cromwell, neither does it have a Donald Trump — it has a femme-soy-boy who won't even defend England against the Islamic invasion he has encouraged and that is now bringing the entire country under the oppression of Islam and the rise of Sharia Law. The same barbarians that ushered in the Arab Dark Ages are driving the light out of Western Civilization, and unless the Christians submit to GOD and get their act together, and then RESIST THE DEVIL — the entire West will fall into the power of a new Dark Ages.

Following their "woke" agenda, Britain, Germany, France, Denmark, to name a few—have opened their borders indiscriminately and radical Muslims have moved in and are now taking over their institutions both civil and political. Now, Muslims can jam the streets of London, impeding traffic, and shout intimidating slogans in the streets, and openly threaten Britons that

the Muslims are going to take over the country—that it is their country now, and no longer the country for Christian Brits, preaching to Brits that Christian Brits will need to Islam, to surrender, because the Muslims are taking over.

They are turning France into slums and have been rioting in certain cities demanding preferential accommodations to their religion and culture. Here is a taste of what's happening in France.¹⁷

The Catholics, who during the Middle Ages mounted a resistance to the world domination of Islam cannot lead the world. I will preach a message Sunday Night, “Don't Help the Whore to Saddle the Beast” — the prophetic implications of this rising threat are ominous and we need to be aware of the devious plot of Satan to use the vacuum created by corrupt Christianity to begin his move to raise up the Whore and saddle Western civilization for his final ride through history to his banishment into Hell—come on out Sunday Night, 5 PM, at the Lighthouse.

Here is a “Bishop” of Rome, Athanasius Schneider, warning against the Islamization of Europe — very late, and very weak! While his pope is welcoming Muslims and making peace with murderers, this bishop is trying to be heard: referring to Islam migrants: “They are not refugees, they are invaders who want to Islamize Europe. They want to destroy historical culture in Europe. Unfortunately, many Europeans have not yet understood this or [they] have profited from it.”¹⁸

A British Islamic scholar Abu Waleed boasts: “We transformed the UK into an Islamic state, and will impose humiliating laws on Christians and other non-Muslims to make them want to convert to Islam.”¹⁹ Here he is explaining how the Muslims work to convert

Christians to Islam. I only have time for a little over a minute, join me Saturday night, I'll play the entire audio. It will make you sick — especially, well, I'll get to that.

[INSERT: 95.AUDIO Imam teaches ...]

Here is a Muslim in Britain openly warning British patriots: “Submit yourselves to Allah, you will not win. Islam will rule the UK.”²⁰ This is another speech you need to hear in full. Tune in Saturday night, I go live around 7 PM.

It's rising in Germany. Here is a Muslim who got a German passport mocking Germans: “You are defenseless, I conquered your land. Now I belong to the system, everything belongs to me, everything is under my feet.”²¹ [You know what's eerie about this? The Bible actually says that is true of CHRIST and His True CHURCH.]²²

Back to Britain: here is a UK Imam explaining why Allah has not granted Palestinian victory — it's because there are too many “gay people at the pro-Palestine protests.”²³ Keep this in mind!

²² Ephesians 1:19 And what is the exceeding greatness of his power to us-ward who believe, according to the working of his mighty power,
 Ephesians 1:20 Which he wrought in Christ, when he raised him from the dead, and set him at his own right hand in the heavenly places,
 Ephesians 1:21 Far above all principality, and power, and might, and dominion, and every name that is named, not only in this world, but also in that which is to come:
 Ephesians 1:22 And hath put all things under his feet, and gave him to be the head over all things to the church,
 Ephesians 1:23 Which is his body, the fulness of him that filleth all in all.
 HOWEVER: at present, the policy is to call on all men everywhere to repent (Acts 17:30; 26:18), and willingly “confess with [their mouths] the Lord Jesus,” believing God hath raised Him from the dead, and calling on His name to be saved (Romans 10:9-13). We know the prophecy says the ragers will rebel (Psalm 2; Acts 4:23-31). Therefore, Hebrews 2:8 Thou hast put all things in subjection under his feet. For in that he put all in subjection under him, he left nothing that is not put under him. But now we see not yet all things put under him. The day will come when all mankind will be humbled before the King: Isaiah 45:23; Romans 14:11; Philippians 2:10.

Here is one of Allah's daughters screeching her threats to the Western world, representing sentiment of Islam all over the world today: "To Western leaders. Your borders are fading. Your disease is being sucked out. And the unity of the Islamic Brotherhood is taking form. The sons of Islam have already pledged that this battle is a battle of either victory or martyrdom. We reject your flags, and the call for Jihad has started and it won't be long before it is you that will be feasted upon!"²⁴

They're coming to America! To Stay!

I reported on what's going down in Red Texas — in one county, Muslims have received permission to build a city within that county that will be governed under Sharia Law — not under Texas Law. Read about it here.²⁵

I ran down the article. Here it is.²⁶

WallStreetApes reposted therealaverywarwick reading the article — reporting that ostensibly in appreciation for Qatar's generosity, Texas A&M gave all their intellectual property rights from 502 research projects to Qatar. That's nice! And "58 projects at Texas A&M were flagged that have military purpose and 13 have nuclear research purposes. " Lest we think this is confined to the famous Texas University, Cornell received 2 Billion undocumented, and unreported dollars from Qatar. And in case you are not impressed by this, I should tell you that QATAR IW WHERE "ALL THE HAMAS LEADERS LIVE." These are all bedfellows: Hamas, Al-Qaeda, the Taliban — and IRAN!

You've watched the Arab Palestinians and their supporters on our college campuses — that's all Islam, my friend! Here is Columbia University where they have 35,978 students enrolled. Did you know that more than half of those students are here on student visas — they are "International Students." Americans are a minority in the student population of an American Ivy league university.

Mila Joy observes: "No wonder Columbia has turned into JIHAD CENTRAL."²⁷

How does this happen? They use our weak immigration laws to get in, they use our naiveté and play on our values of equality, and openness to embrace other cultures and begin working their way into positions of power and influence in our cultural, civic, and political institutions — for example, during Biden's regime, during the Mid-Terms, an unprecedented number of Muslims ran for public office, and an unprecedented number of them succeeded to gain seats, and judgeships. 89 Muslim Americans took local, state, federal, and judicial seats across 25 states.²⁸

We need to stop this now! But we must do it — the American People must wake up now and understand what's going on. The fuss about our government officials wearing crosses should send alarms into your soul. Encourage them, and more of them, to display their Christianity — publicly, boldly, and regularly. Encourage our Christian representatives to boldly declare their faith and to not be shy about public professions.

This is a Christian nation, it is NOT an Islamic nation — we Christians do not meet Jews and Muslims on the street and force them to walk on the "narrow side." We do not treat our Jewish or

We know Who is our KING and we know Who wins this in the end.
