TRUMP DOES EASTER AND THE ANTICHRIST HOWLS!

Original Air Date: 04.19.25

Segment.01 Hello. I'm Dr. Jerry Scheidbach, pastor of the Lighthouse Baptist Church in Santa Maria, CA, and your brain masseur. Get ready for your brain massage.

Trump brings Easter back to the White House. Some are raging: "Christian Nationalism," "Christian Nationalism." Hmmm! The Founders didn't seem to be concerned about open expressions of Christianity! Maybe these people are actually UnAmerican! Humpf. Some in New York are warning about the "dangers of Christian nationalism"¹ while applauding the rise of Isalm dominance.

The Epstein mystery! Tom's got this!²

Fauci—pray for his apprehension and trial for crimes against humanity!

The old adage if you find yourself in a hole, quit digging seems so obvious it's hard to apply it to the DemS-13 — where did I see that? Sorry, I forgot. But, thanks! How do we explain the Dems seemingly inexplicable obsession with destroying their Party. Why are they investing so much work to connect their credibility to Abrego Garcia — the MS13 gang member, here illegally, who was deported to El Salvador, his home country? Who is this guy to them? I think we should look into some CIA connection — was this guy a plant, a high ranking operative in the CIA's color revolution against America?

It's time for your Brain Massage®:

[TRUTH]

Trump brings Easter back to the White House. Some cry “Christian Nationalism,” but when Obama dedicated the White House to Islam, and effused warm delight in the memory of Adhan, the Muslim call to prayer — no one expressed concern about Muslim Nationalism. Have you read the transcript of Abu Waleed, Islamic scholar, describing the Muslim State? Read it here.³

Trump’s Easter proclamation was awesome. I’ve included it in my notes. See Appendix No. 1.⁴ Here are a few excerpts: “This Holy Week, Melania and I join in prayer with Christians celebrating the crucifixion and resurrection of our Lord and Saviour, Jesus Christ—the living Son of God Who conquered death, freed us from sin, and unlocked the gates of Heaven for all of humanity.” “Through His death, we are forgiven of our sins. Through His Resurrection, we have hope of eternal life.” He took the occasion to reaffirm his commitment to “defend the Christian faith in our schools, military, workplaces, hospitals, and halls of government.” And, get this, “This week, we pray for an outpouring of the Holy Spirit upon our beloved Nation.” Get my notes and read the entire message! You’ll be blessed.

During one of his many Easter celebration meetings he said something I thought was interesting. He spoke of the elegance of the grand old House, speaking of the White House, and I thought, what a difference its occupants make.

Remember, Obama reduced Easter to nothing more than an egg hunt, and Biden celebrated Easter as a day of Transgender visibility.⁵

Then there are the harpies: Concerns mount about Trump appointing “white Christian nationalists and prosperity gospel preachers to key government roles” which, they predict, will lead to “further dismantling of government institutions” and chilling of free speech, experts have warned.”⁸ (I've spoken to my concern about Paula White.)

My concern right now is the multiplicity of articles cautioning America against America reconnecting to her Christian roots—and attempts to brand that as “dangerous Christian nationalism.” If

these guys lived in the days of our founding, they would call the Founders Christian Nationalists.

It will be surprising to some to hear this, even in my audience. But the fact is Christians are the ones responsible for the deconstruction of our Christian culture — it's only because the Christians supported removal of prayer and the Bible from school that "they" were able to pull it off. And "they" are at it again.

Their warped view of Christianity as an apolitical ideology has yielded so much territory to our enemies they came so close to eliminating Christian influence from all institutions that shape culture, manners, and morality, even removing Christianity from having any significant influence in epistemological questions — what does that mean? It deals with questions about the nature of truth: exploring the question "what is truth"?

Now we've become a nation "ever learning and never coming to a knowledge" of it (Romans 1:17-32). Think about it! They said separation of Church and State means removal of the Church from State institutions — no wonder we lost any connection to reality in this country, no wonder truth bears no relationship to reality — the Church is the house of GOD, the "pillar and ground of the TRUTH" (1 Timothy 3:15). Do you really think Jefferson intended to separate the Church from politics? That was a lie but believers bit and swallowed it hook, line and slinked away from politics turning it entirely over to the control of Satan and the power of darkness.

How did that work out for you? You came to within one election of losing. your religious liberty!

Mosques in New York blast their offensive, intrusive, “Muslim call to prayer” through parts of New York “5 times a day.”¹⁰ It’s so loud it can be heard blocks away. Remember this when you think about the Islamic influence in UK right now advocating for laws that forbid Christians from praying for people, handing out religious leaflets or Bibles, and laying hands on people in prayer even with their permission.¹¹

Remember this when the Muslim Mosque can blast their “call to prayer” in a “secular” city, but according to an Islamic scholar, Abu Waleed, in the Islamic State, the churches would not be allowed to ring their bell.

[INSERT: Waleed saying this: 03.Living Under Muslim State — see full video <https://x.com/AzatAlsalim/status/1910423505306267728>]]

I have not read or heard one New Yorker publicly express concern about Muslim Nationalism. Have you read the transcript of Abu Waleed, Islamic scholar, describing the Muslim State? Read it here—I added it to my notes, see Appendix No. 2. He describes what the Islamic State looks like according to their religious authorities.

Muslims call the unbeliever Kafir — or Infidel — the Infidel must shave his forehead, wear a red belt about his neck, and wear unmatched shoes in public. That just gets you started. He was required to ride his donkey, or horse, side saddle, like a woman. If a Muslim demanded him to give his clothes to the Muslim, he must oblige or be fined, beaten, imprisoned, or killed. So, Muslim Nationalism is not a problem — but Christian Nationalism is?

The Muslim invasion is world wide, and they used the refugee problem that developed in the Middle East as the vehicle to enter into Western countries by the millions. Now they are taking over those countries. You've heard about the UK, Germany, France. The Austrians are finding themselves the minority in their own country.¹² The Irish hardly recognize their own Land.¹³ Bus loads of "immigrants," all men, not one woman or child — all Muslim men of military age! With young threatening Muslims calling all Muslim migrants to "join the Muslim Migrant gangs."¹⁴

Let's take a quick look at the Epstein mystery!¹⁵ Tom Fitton is not happy. The face of Judicial Watch, Tom Fitton, has filed a suit against the DOJ because they have been crawfishing and dodging his requests for full disclosure of what's being done with the Epstein files. Can you believe this. He submits a request for all records related to the Epstein files to be released to Judicial Watch and he gets a letter from the DOJ saying there are no records to release. That's not an adequate response. I don't blame Judicial Watch for moving forward with their lawsuit. Here we are again! Having to sue the government to get records, in this, that we were promised would be released. This could end up being very damaging to Trump's administration goal of transparency. And it raises the level of our concern about some other things that we took as promised expectations from this government that suddenly are being buried, hidden, slow walked, what is going on??? Allow me to offer some biblical caution here.

We feel frustrated and angered when wicked people prosper and are never held accountable for their evil. David reflected on this in Psalm 73. The king confessed: "I was envious of the foolish, when I

saw the prosperity of the wicked” (Psalm 73:3). He saw that “they are not in trouble as other men; neither are they plagued like other men” (73:5). He complained against them: “They are corrupt, and speak wickedly concerning oppression: they speak loftily. They set their mouth against the heavens, and their tongue walketh through the earth” (7:8-9). He said, “Behold, these are the ungodly, who prosper in the world; they increase in riches” (73:12). David testified that this continued until he went “into the sanctuary of God; then understood I their end. Surely thou [GOD] didst set them in slippery places: thou castedst them down into destruction” (73:18). After he understood their “end” he repented: “Thus my heart was grieved, and I was pricked in my reins. So foolish was I, and ignorant: I was as a beast before thee” (73:21-22).

Here is some wisdom: “Behold, ye have sinned against the LORD: and be sure your sin will find you out.”¹⁶ “Some men’s sins are open beforehand, going before to judgment; and some men they follow after.”¹⁷ But “Be not deceived, God is not mocked: for whatsoever a man soweth, that shall he also reap.”¹⁸

This is not counsel Judicial Watch should take as waving them off their pursuit of full disclosure of the Epstein files. On the contrary.

¹⁶ Numbers 32:1-23 For context: Reuben and Gad desired to settle down on the East of Jordan. When they approached Moses about this, the “man of God” reproved them for breaking away from the tribes and not going with them into the war for Canaan. They assured Moses they would not neglect their duty to Israel, the fighting men of Reuben and Gad would go with Israel into Canaan and only return after all the tribes receive their inheritance. Moses warned them that if they did not keep their oath, their “sin would find them out.”

¹⁷ 1 Timothy 5:24 The context for this statement seems to to be a fitting conclusion to verses 19-22. Verse 23 seems incongruous, non requiter, or, perhaps, parenthetical. Verse 23 might follow Paul’s exhortation to Timothy to “keep [himself] pure.” Was he concerned Timothy’s “often infirmities” made him vulnerable to falling into the power of strong drink? In any event, to get context for verse 24, read verses 19-22. I think verse 23 is inserted parenthetically.

¹⁸ Galatians 6:6-10. Consider that the context of this statement is our responsibility to “communicate” with those who teach us: “Let him that is taught in the word communicate unto him that teacheth in all good things” (Galatians 6:6).

We understand the wicked hiding the truth — they are wicked, that's what they do. WE DON'T DO THIS. I want to know why?

Hold on through the break! I'll be right back!

Segment.02 Hello. Welcome back! I'm Dr. Jerry Scheidbach, pastor at the Lighthouse, your brain masseur, and Paul Revere's lantern lighter, lighting the lamps in the church belfry arch, signaling the enemy is on the march, an enemy that would steal from us our liberty.

Let's take a quick look at the Fauci front. Pray for his apprehension and trial for crimes against humanity!

Here is an X-File posted by @toobaffled, under the title "Sudden And Unexpected," claiming Fauci is attempting to flee to China." This post asserts Fauci has accepted a "high ranking position at the Wuhan Institute of Virology" and asks for an "emergency" visa to China to conduct "important" research.

Guys like this cost me a huge amount of time. Thank GOD I take the time to vet these assertions. There is almost no truth to any of this. No public records are available and no credible source confirms that Fauci or his representatives have petitioned the State Department for an "emergency" visa to anywhere. Furthermore, there is no supporting documentation to confirm he has taken a position with China to lead research at Wuhan Institute of Virology or anywhere else.¹⁹ No Internet search on the Brave or Google engines produce any support for these claims. A deep dive GROK-3 search produced nothing to support these claims. I'm going to send @toobaffled a bill for \$300 for the time it required for me to run all this down! Hehe.

The link added by @toobaffled says nothing about applying for an emergency visa to China or taking a job at the Wuhan Institute of

Virology. It does speak to the truth that Fauci has been referred for several serious charges.

Seven states have received criminal referral requests against Anthony Fauci for charges including murder, negligent homicide, assault, reckless endangerment, even terrorism.²⁰ Two of these States have “reportedly” begun to take action. There has been no Federal action!

This article provides a welcome update on what Senator Rand Paul stated back in 2023.²¹

I pray for Trump and his team and ask God to protect them from any Federal level blindness that might arise from any effort to protect Trump’s investment in the COVID response. I am confident his actions do not make him complicit of anything more than getting duped by these devils. Fauci, on the other hand, was dishonest and used his position to enrich himself, knowing he was exposing millions of lives to serious health risks. One word: Remdisivir — and three words, the Fauci death protocol.

Here is a pretty serious link to how much trouble Fauci is seriously in.²² The White House published a website, headed with the word LAB LEAK and Trump pictured walking toward the viewer. Imagine Fauci looking at this. It’s Bylined: The True Origins of Covid-19. Under that, a heading: THE ORIGIN with a tag: “The Proximal Origin of SARS-CoV-2” publication — which was used repeatedly by public health officials and the media to discredit the lab leak theory — was prompted by Dr. Fauci to push the preferred narrative that COVID-19 originated naturally.” Boomshakalaka.

What's that? Not a word! Yes it is! Well, Websters 1828 doesn't have it but — [dictionary.com](https://www.dictionary.com) does, so! It is used to express dominance, triumph, excitement, or joy. What movie? There's a movie? No, no, I don't want to know about any movie called Boomshakalaka. I didn't know it was a movie.

Okay, So, trump drops a major bomb on Fauci and the COVID plandemic crowd, starting with affirming the China connection and direct mention of the Fauci lie and coverup.

Why do DemS-13 (I wish I could remember where I saw that) Anyway, the old adage if you find yourself in a hole, quit digging seems so obvious it's hard to apply it to the Dems seemingly inexplicable obsession with destroying their Party. Why are they investing so much work to connect their credibility to Abrego Garcia — the MS13 gang member, here illegally, who was deported to El Salvador, his home country?

Who is this guy to them? I think we should look into the possibility of a CIA connection — was this guy a plant, a high ranking operative in the CIA's color revolution against America?

Take a look at this picture of the people the Dems are supporting in their argument about deportation²³ — (Get my notes and check out this pic) but anyway, I'm beginning to think there is something else at stake here.

You've got Senators stepping up to demand his release. Is someone afraid of what Abrego Garcia knows? They seem to be giving Abrego the Ray Epps treatment.

Check out what Boasberg — the contemptible judge setting himself above the Constitution, presuming to conduct a coupe of the Executive Branch from his bench — he wears the judicial robe like a mantle of tyrannical power — now he has enjoined the US government for 1 million dollars per day that Trump refuses to

²³ <https://x.com/RealBigHick/status/1913032365229949404/photo/1>

bring Abrego Garcia back to the US. What makes this guy so important to them?

The courts did NOTHING TO STOP BIDEN FROM HIS TRAITOROUS VIOLATIONS OF HIS CONSTITUTIONALLY MANDATED RESPONSIBILITY TO PROTECT OUR BORDERS — what a snake in the grass. Some how Boasberg slithered into a judicial robe, and sends out his forked tongue to smell his prey (floats statements to check reaction), who slips into the snake pit to confer with fellow devils — did I notice his secret club buddy Roberts gliding in and out of his den? I can't quite say — as they collaborate together how they might collapse Constitutional government, and break down the separation of powers — what is this about? His cheering section includes MSNBC, and CNN, and and this dude, Senator Whitehouse (D-RI) who is about as sincere as a Judas kiss — yeah, the guy uses his position as Senator to push for funding his wife's environmental nonprofit with millions — she's made a cool 2.7 million out of the 14.2 million+ in federal grants he voted, and no doubt, lobbied, to secure for her “family business.”

So they are rounding up a carping, caviling, cohort of niggling skelfs to bore into the framework of the founders, like termites, hoping to wear us all down till we become so weary we quit looking, till they exhaust our vigilance, and we lose our focus, and fall prey to their demand — it's reverse of the parable of the unjust judge that Jesus talked about. Their constant coming, constant demanding, the two year old willful raging rant breaking down our resolve — like the unjust judge who said “Because this widow troubleth me, I will avenge her, lest by her continual coming she weary me” and Jesus said, hear what the unjust judge said — an I agree. And His lesson is that we must DOUBLE DOWN ON OUR PRAYER TO GOD and voiced grievance AGAINST THESE WICKED UNJUST JUDGES.

Will not GOD avenge His own elect?²⁴

They're all corrupt! Cory Booker is a multi-millionaire now and no one knows how that happened — he has no thriving business or businesses to account for this, his Senator's salary can't explain it.

Well, let's turn it back on them, shall we! Let's dig down and set ourselves for the defense of our rights and liberties. WE DON'T HAVE TO LIVE WITH ILLEGAL IMMIGRANTS AT ALL! THEY HAVE NO RIGHT TO BARGE INTO OUR COUNTRY ANYMORE THAN THEY HAVE TO BARGE INTO OUR HOMES. IF OUR OWN RAPE ONE OF OURS, WE WILL TAKE CARE IT. IF SOME PUNK COMES OVER HERE, ILLEGALLY, OPERATING HIS GANG ACTIVITIES HERE — HEY, HOW MUCH FENTANYL HAS THIS GUY SOLD HERE — SOMEBODY CHECK THAT OUT!

One of the small concessions the devils have attempted to work into the American heart is that we would prioritize criminal immigrants and have sympathy and leniency toward those who only broke our laws to break in front of the line and push their way into our country, with NO INTENTION of assimilating into American culture — and I'm seeing it happen, that the Trump team is slowly conceding to the nice ones here illegally should be given some sort of special consideration. The ONLY consideration they get is what Trump offered them. Leave willingly, and you can get in line to return. If we have to hunt you down and deport you — the door is closed forever.

Fact is, friend, we cannot give in on the Abrago Garcia deportation. They've inexplicably chosen that one case to be the focus of all their efforts to stop deportations—okay, they drew the line. ROAR Americans. Stand up in force, increase the volume and ROAR — WE REFUSE TO RECEIVE THAT MS13 GANG MEMBER, WIFE

²⁴ Luke 18:3-8

BEATER, DRUG PEDDLER — BACK INTO THIS COUNTRY. Someone do some work here and investigate how much fentanyl this guy has sold in this country!

The resistance is building! In the UK, Christians of all ethnic backgrounds are coming together and “flooding the streets to declare Britain is a Christian country.”²⁵ Many wearing shirts that say KING’S ARMY, thousands in the streets, chanting “He came. He died. He rose from the Grave!”

And in the city of Ventura, during a City Council meeting, a woman with a grievance against the Council for allowing her child’s school to transition her daughter without informing her, confronted the council with a powerful weapon — one so powerful it set off a bomb in the council chambers, exploding the Council into outcries of antichrist hatred and vitriol, and rage. Let’s listen.

Presidential Message on Holy Week, 2025 The White House

This Holy Week, Melania and I join in prayer with Christians celebrating the crucifixion and resurrection of our Lord and Savior, Jesus Christ—the living Son of God who conquered death, freed us from sin, and unlocked the gates of Heaven for all of humanity.

Beginning with Christ's triumphal entry into Jerusalem on Palm Sunday and culminating in the Paschal Triduum, which begins on Holy Thursday with the Mass of the Lord's Supper, followed by Good Friday, and reaching its pinnacle in the Easter Vigil on Holy Saturday night.

This week is a time of reflection for Christians to memorialize Jesus' crucifixion—and to prepare their hearts, minds, and

souls for His miraculous Resurrection from the dead.

During this sacred week, we acknowledge that the glory of Easter Sunday cannot come without the sacrifice Jesus Christ made on the cross. In His final hours on Earth, Christ willingly endured excruciating pain, torture, and execution on the cross out of a deep and abiding love for all His creation. Through His suffering, we have redemption. Through His death, we are forgiven of our sins. Through His Resurrection, we have hope of eternal life. On Easter morning, the stone is rolled away, the tomb is empty, and light prevails over darkness—signaling that death does not have the final word.

This Holy Week, my Administration renews its promise to defend the Christian faith in our schools, military, workplaces, hospitals, and halls of government. We will never

waver in safeguarding the right to religious liberty, upholding the dignity of life, and protecting God in our public square.

As we focus on Christ's redeeming sacrifice, we look to His love, humility, and obedience—even in life's most difficult and uncertain moments. This week, we pray for an outpouring of the Holy Spirit upon our beloved Nation. We pray that America will remain a beacon of faith, hope, and freedom for the entire world, and we pray to achieve a future that reflects the truth, beauty, and goodness of Christ's eternal kingdom in Heaven.

May God bless you and your family during this special time of year, and may He continue to bless the United States of America.

Equality to all of his members. Is there such a thing in Islam? Is there equality of faith?

If we look to one hadith of Rasulullah (S) on the authority of Abu Hurairah Sahih Muslim. So no Sunni Muslim could really argue against Sahih Muslim or Sahih Bukhari.

Rasulullah said don't greet the Jews and the Christians before they greet you and when you meet any of them on the

roads Force them to go on a narrow side of it.

And Imam Malik, He said the same thing as well.

In fact Umar ibn Qatab (R) He said that if there was to be another Nabi after me it would be Umar ibn Qatab in his own charter.

His own charter, not charter of United Nations.

In his charter with the people of Sham [Shem—the Jews] with those Christians of Sham, in his charter was Kafir [Infidels], and Muslim. [The world is separated between Kafir and Muslims] they're [The Kafir] not allowed to wear the same clothes as one another.

If the Muslim, he comes out on the day of Eid, and he sees Kafir with nice

clothes, the Kafir has to take his clothes off and give it to the Muslims.

The Kafir when he walks inside the street he has to wear a red belt around his neck and he has to have his forehead shaved and he has to wear two shoes, two shoes which are different from one another, he's not allowed to walk on the pavement. He has to walk in the middle of the road. And he has to ride on a mule.

And that's only for the adults, not for the children.

You can see how Islam would make the child become a Muslim. The Kafir, or the child, growing up in a state of Kufr, [Subjugation to Muslims], he will turn to Islam. Why? Because the child will be walking along with his dad, He says, “Dad.” [Dad responds] “Yeah”? [Son

asks] Why are you, got your forehead shaved? [DAD] I don't know with these Muslims. They make me do it. [Son] Why are you why you gotta walk? Why can't you ride the animal like the Muslims? They walk [Mimics riding erect and proud on the saddle] like ride the animal like this. Why are you walking with both legs dangling on the side of the donkey? [The way a woman rides, side saddle]. Why is it every time the Muslim comes to you? He asks you for your clothes you give it. Why is it every time he tells you to get down from the horse you have to take it?

Not only that He [Referring to the authority Waleed is citing: Umar ibn Qatab] said the Kafir, they can have their churches. They can have their churches, but they're not allowed to ring the bell. And if a Muslim, he's

walking by, let's say for example a Muslim's been on [his way home on the] road. For example, he's had some nice shisha some nice steak. No hubble-bubble. [Alcohol] We don't deal with anything like that. I think, walking along and he's rubbing his belly and he's, like, you know, "I don't [want to] upset my wife tonight," what he can do? He can go to the church knock on the door John Let me in. [Pastor or priests answers] "Okay. No problem." He, John [Name of pastor or priest] has to put up Abdul Gafoor for the night. Abdul Gafoor, with his big belly, having his nice kebab. John has to open up the church, and he has to go there and sleep there nice and comfortable, and say, "All right, John, Thank you," and then carry on going early in the morning. Which wife is gonna live with

John under that type of circumstances? What kind of dishonor is this for me to live with John, and Abdul Gafoor comes every Friday night and Sleeps in our bed as well, of course.

Because Sunnah is to look after the guest in it. [There is an implied suggestion that Abdul takes sexual privileges with the clergyman's wife]. I can't make you sleep on my floor if you're Muslim, by the way. So what about when Abdul Gafoor goes to John's house, John sleep on the floor? And I'll sleep, I'll sleep. I'll sleep on the bed. What's gonna happen?

Tracy's gonna be on the floor thinking my husband: He's got a forehead shaved and this one looked at this one, katab. Mashallah. [Handsome and strong.] Which one's more attractive? We're not gay. I'm just saying, a man

with with his forehead shaved and a red belt around his neck, and two different colored shoes, or Amir katab. Amir katab we're talking about here. Now, with that nice [indecipherable] hat, big beard, you know a bit to the side. Yeah, and he's got the badges there light, that Allah, light Allah. Yeah, and he's got a big gun and he's got a big camouflage jacket on, nice boots, gloves as well. Even if you've got a couple of fingers missing still looks attractive, Yeah? What's Tracy gonna do? John's in for a problem. He just let him in for a kebab. He does his own wife as well. Say who is gonna become Muslim.

That is, my dear brothers, the Islamic State
