Brain Massage®: Show No. 1036

THE BIDEN ERA CHILD TRAFFICKING OPERATION IS OVER / DOES
THE MAJORITY RULE AMERICA?

Original Air Date: 05.02.25

Segment.01 Hello. I'm Dr. Jerry Scheidbach, pastor of the Lighthouse Baptist Church in Santa Maria, CA, and your brain masseur. Get ready for your brain massage.

There are four things God requires: every man must speak truth to his neighbor, execute the judgment of truth and peace in their "gates" — courts, or wherever justice intersects with citizens — none should imagine evil in their hearts against their neighbors, and we must not love a false oath.¹

RFK dropped the first shoe. He has the receipts for what we already knew, well, sort of: the HHS under the Biden Administration was actively involved in child sex and slave trafficking. Now, it's time for our DOJ to drop the second shoe and move to arrests and filing charges. Let's roll!

I wrote a book. I think you'll find the title intriguing.

Islam does not understand our system of governance. It seems most Americans under 30 don't either. America is not "majority rule" — as many suppose. By the way, I'm not here offering commentary on election fraud. It's something else. Really! Stay tuned!

The next plandemic has been launched. Here is what's coming, and how to prepare!

It's time for your brain massage®:

[TRUTH]

¹ Zechariah 8:16-17

RFK moved into Health and Human Services (HHS) and found proof of what we already knew, and feared: The HHS under the Biden Administration was actively involved in child sex and slave trafficking. Now, it's time for our DOJ to drop the second shoe and move to arrests and filing charges. Also, the FBI needs to seriously investigate what Biden and Kamala knew, and when did they know it?

The money trail must be traced. No matter how labyrinthine — tracking down every “shell company” — did any of it travel into any Biden pockets? The entire assembly line set up by Xavier Becerra to fast track illegals into the US.

Remember, Dr. Oz warned us this was coming: CMS (Centers for Medicaid Service) has been funding things that will “make you shiver.” “If you thought the stuff USAID was funding horrified you — wait until we show you what's been going on with CMS.”²

During Thursday's Cabinet meeting, RFK pulled back the first curtain:

[Insert RFK's statement: edit it for 30-40 seconds: “We have ended HHS's role as the principal vector in this country for child trafficking. During the Biden administration, HHS became a collaborator in child trafficking for sex and for slavery, and we have ended that. We're very aggressively going out and trying to find these 300,000 children that were lost by the Biden administration. We have ended funding for gender mutilation surgeries and other kinds of gender dysphoria practices. And thanks to Elon, we have saved \$67 billion at our agency without compromising any of our critical programs.”³

³ https://www.realclearpolitics.com/video/2025/04/30/rfk_during_biden_administration_hhs_became_a_collaborator_in_child_trafficking.html

Remember the guy that ran for a seat as a Georgia State representative that publicly called for Trump to be assassinated? His name is Carl Sprayberry! He was lately arrested for his participation in a child sex trafficking operation.⁴

And in Florida, Trump's FBI busted an International child trafficking Ring in which more than 1 million videos of child pornography were seized. Many of them involved the sexual abuse of babies. Most of these videos were accessible through links on TikTok. The investigators reported these were some of the most egregious disturbing content they've ever seen.⁵

Don't anyone dare ask "how can God allow this to happen?" How can we do this? How can any human being be so vile, so without humanity, how can anyone, for example, how can any 60 year old pervert think it's okay to marry a 9 year old? One of these monsters married a child and abused her on their "wedding" night and killed her. Who are these barbaric, devil possessed fiends that think this is okay?

You ask, "how can God allow this?" You blame God for what vile and wicked men do to children? How convenient!

God did not do this — wicked perverts do this stuff, and you spend your time "blaming GOD" like some idiot fool — HE MADE YOU THE PROTECTOR OF THESE CHILDREN — but, you know what you did? You brilliant "Christians," you know what you did? You decided GOD's Truth, His LAW, His WORD MUST BE BANNED FROM "POLITICS," you moron. How stupid can you be? How easily duped you are — what part of you is so perverted that Satan was able to seduce you into blaming GOD for your failure to protect His children.

Here, let me tell you what Jesus thinks about this. But first, know this, O man, that blames GOD for your perversity — Jesus is PRINCE OVER THE KINGS OF THE EARTH (Revelation 1:5), CHRIST IS KING, AND ALL MANKIND ARE HIS SUBJECTS (Ephesians 1:21), He sees what you are doing, throwing His word out of your schools, banning His word and prayer in your dark chambers of wickedness — you vile Ventura Council woman telling a mother to stop praying, and saying, “We don’t pray here.” That’s right! Benjamin Franklin counseled the Congress to open their assembly in PRAYER to the CHRISTIAN GOD, but you small minded arrogant deluded people have banned prayer in your “chambers” of darkness — you know who you are.

You are the ones JESUS, the KING will mark for destruction on His return — He said, after He takes account of his own servants, He will say, now, round up those people who said concerning Him, “We will not have that man to rule over us” and SLAY THEM BEFORE ME.

You intrude into the sacred bond of a child and her mother and work to groom her child into perverse rebellion against her Creator, to deny her GOD assigned gender and “transition” — you wicked rebel against nature and nature’s GOD — you will face judgment.

If stupid, weak men refuse to STAND UP to protect their own children, if the men refuse to STAND IN DEFENSE of helpless confused children and protect them from these predators — DON’T YOU DARE BLAME GOD.

God BLAMES you! Let me tell you, preacher, let me tell you wimpy good for nothing Dads, let me tell you — that mother who went alone into that council chamber to pray and testify for CHRIST — she will watch as Jesus whips you lousy “servants” you Christians who refuse to stand up for these children — she will watch you as

Jesus WHIPS. YOU WITH MANY STRIPES. Yeah, that's a bit of Bible you skip over — but Jesus won't skip over it.

He blames all who reject His LAWS — and He BLAMES His servants that knowing His will, support this abuse of our children, and the erasure of our women — HOW DARE YOU ALLOW A MAN TO GO INTO THE RING WITH A WOMAN AND BEAT HER TO DEATH. You monsters! Be sure YOUR SIN WILL FIND YOU OUT.

You blame GOD? God BLAMES YOU — so let's see how this works out for you.

Those servants who are ignorant of his Lord's will and does what is worthy of stripes, he will have mercy. Yeah! He will be beaten with a few stripes. Your ignorance trims off a few stripes — but I strongly recommend you “Study to show yourself approved ...” because He does not approve of your ignorance.

Get in the BIBLE — listen to what Jesus says about this evil:

Matthew 18:6 But whoso shall offend one of these little ones which believe in me, it were better for him that a millstone were hanged about his neck, and that he were drowned in the depth of the sea.

Mark 9:42 And whosoever shall offend one of these little ones that believe in me, it is better for him that a millstone were hanged about his neck, and he were cast into the sea.

Luke 17:2 It were better for him that a millstone were hanged about his neck, and he cast into the sea, than that he should offend one of these little ones.

He would tether the wicked necks of these perverts to a Millstone and cast that rock into the sea, dragging these perverts into hell — that's what He thinks about it.

I'm tired of hearing this — How can God allow this to happen? How can YOU ALLOW IT? How can BIDEN and his vile

administration, how can Biden's appointment to the HHS allow him to turn this government agency into a child sex trafficking organization? And how can you vote for these devils, and how can you sit back while they are hurting the weakest among us and DO NOTHING? And then have the arrogance to blame GOD.

GOD. BLAMES. YOU. He blames all that perpetrate these atrocities on women, children, and men — He blames all who said, the LIGHT of the GOSPEL does not belong in the chambers of politics. What in the world is wrong with you. He blames all those that voted for the unreasonable and wicked men and women that countenanced this evil—that opened the door of hell to prey upon our children — who stood by, turning their eyes away for political convenience —

Who did not speak truth to their neighbors — Legacy Media — Big Pharma — Fauci — Obama — Hillary — Biden — the list is long.

For all in the Obama/Biden DOJ, Merrick Garland, Myorkas, Wray, including all those judges that perverted judgment for political expedience — another long list — who failed to execute judgment according to TRUTH as GOD SEES IT — not as these rebels against Christ's rule twist it — and peace as CHRIST PROMISED IT, PEACE in LIBERTY, not the cessation of tensions between people brought on by oppression and government dominance over our every move — even controlling our very BREATH! — not the peace of COMPELLED CONFORMITY to the SURVEILLANCE STATE — BUT THE PEACE OF GOD ADVOCATING CHARITY TOWARD ALL ACCEPTING THE RULE OF DIVINELY ENDOWED HUMAN RIGHTS — TO ALL, WITH AN HONEST RESPECT FOR DIVERSITY - NOT A PRETENTIOUS DIVERSITY THAT COMPELS CONFORMITY TO GROUP THINK IMPOSED ON US FROM THE MASTERS WHO WOULD RULE OUR MINDS AND THOUGHTS.

All that rage against the notion that America is a Christian nation, and despise Chief Justice Joseph Story ruled, that Christians ought to prefer authentic Christians to rule over them — like our first Chief Justice John Jay, or our first President, George Washington, who exhorted his soldiers, that to the honorable title Patriot, every American should add the more honorable title CHRISTIAN — or Patrick Henry who said America was founded upon the Gospel of Jesus Christ — or — well, this is also a long list, and when you compare this list to administrations of Obama and Biden, you can see that we've come a long ways from the faith of our founders — from LIGHT to DARKNESS — it's high time we returned to the LIGHT.

I wrote a book. I think you'll find the title intriguing. God's War: Why Christians Should Rule the World. This is a test: how does that strike you? Does it make you bristle, does it stir up the antichrist spirit that has found a home in your wicked heart? Do you say, you can't mix Christ with Politics — how dumb is that? The word Christ identifies Jesus as KING and as LORD over Heaven AND EARTH.

Before I go to break — let me ask you another question. If you don't believe Christians ought to rule the earth as kings and priests unto God and ambassadors for Christ's Kingdom to all the kingdoms of men — who should. You will say, we must respect the laws of every nation — really? You respect what Xi and the CCP are doing to Christians, and Muslims, too, by the way! You think that's okay? How about those who call themselves “secularists”? Or Humanists! How's that working out for you? Everybody on the planet can rule with your approval except ONE GROUP! Christians! And yet, whether you like it or not, that's the one GROUP God has chosen to RULE and REIGN WITH HIM when He returns.

When you rage against the rule of Christ, you reveal what spirit you are of. You give it all to Satan—you bow to his claim on the earth, and reject Christ's CLAIM on the EARTH — remember, He said,

“All power (Authority) is given unto Me in Heaven AND IN EARTH.” It’s all His — and if you rage against that truth, you are in the company of the HEATHEN who RAGE — Psalm 2.

Hold on! I’ll be right back!

Segment.02 Hello. Welcome back! I’m Dr. Jerry Scheidbach, pastor at the Lighthouse, your brain masseur, and Paul Revere’s lantern lighter, lighting the lamps in the church belfry arch, signaling the enemy is on the march, an enemy that would steal from us our liberty.

I said I wrote a book: God’s War: Why Christians Should Rule the World. Anyone who knows our history knows I’m not talking about reviving the Inquisitions, and the murderous raids on anabaptist in an attempt to perpetrate an ideological genocide — ideacide? — in the Piedmonts, by a paganized “Christianity” that bears little resemblance to those who were called CHRISTIANS in Antioch long before these sullied that good name in Rome — all who understand the truth about our history know I’m not saying we need to return to Popes crowning kings, and burning “heretics” at the stake, and censorship, and controlled speech, and denial of human rights, and exaltation of some heresy called the “divine right of kings” — a religious system that has a lot more affinity with Islam than it does with the primitive Church—when I say “Christians should rule the world” I mean those in whom is the SPIRIT OF LIBERTY — with the TRUTH THAT MAKES MEN FREE — that makes every man a king and a priest, with equal RIGHTS — those sorts of folks who speak truth to their neighbors, execute judgment in truth and peace, think no evil against their neighbors, and love no false oath. These who have repented and believed on CHRIST, and called on His name to be saved, who reverence the NAME and depart from iniquity

These have obeyed the GOSPEL command to repent and believe on Jesus Christ. These have been translated into the Kingdom of God’s

dear Son, they are God's "holy nation" — each commissioned as an Ambassador for CHRIST to the kings and peoples of this earth, charged to preach "this Gospel of the kingdom" to all the world as a witness to all nations — THEN SHALL THE END COME.

Did you know Islam teaches Mohammedans are the only people who have a right to rule the world? Muslims believe they have a responsibility to subjugate all kingdoms to the rule of Islam. No! They literally teach this. Islam teaches that Muslims should rule the world.

Here you have two Imams talking to a reporter in Dearborn, MI. ⁶They are explaining their goals and what they are doing to reach their goals.

Their goal is to mass in certain cities with the right to vote and use their vote take over the government. They do this by voting in Muslims who will represent Islam and encourage Sharia, and slowly convert all our systems of government away from our Constitution and subordinate all Americans, and all of America, to Sharia — the Law of Islam.

When the reporter objected that America is not going to allow that, they answered that they understand they cannot implement Shariah throughout all America right now, but that when they become the "majority" then they will subjugate America to Shariah law.

Remember that Obama was very welcoming of this belief system. Remember that Biden's policies encouraged immigration from Muslim countries. They are okay with a religion that says their leader is King, that all men are subject to their rule, and that only their adherents have the right to rule the world: so long as it is NOT CHRISTIAN.

⁶ <https://x.com/AlexDuncanTX/status/1917682398218568005>

But as I watched this, it became clear that Islam does not understand our system of governance. Our government recognizes the right of every individual to decide for himself what he believes. And our government is not premised on the idea of majority rule.

It seems most Americans under 30 think this way. They've been conditioned to think this way by modern day Democrats— but the fact is, America is not “majority rule” — as many suppose. By the way, I'm not here offering commentary on election fraud. It's something else.

America is founded on the principle of WE THE PEOPLE — but “WE THE PEOPLE” made a contract with one another in our founding to establish a CONSTITUTION based on very specific set of biblical principles. I can't cover them all here!

Such as the separation of powers into three branches: Judiciary, Legislative, and Executive: Isaiah 33:22 For the LORD is our judge, the LORD is our lawgiver, the LORD is our king; he will save us.

The idea that all men are created equal, and endowed by their creator with certain inalienable rights. Each individual is an equal inheritor of image of GOD, what GOD gives to each: life, liberty, and freedom to pursue his happiness in this world.

The idea of freedom of religion, free speech, freedom of the press, freedom of association, and more.

None of these things is up to a majority vote — these things are the inheritance of every man born in this world. And all our laws are designed to restrict the “majority” from intruding upon these individual rights.

Islam, and the Roman system, deny this. These systems believe all men are subjects to a civil authority controlled by them, that whatever “rights” anyone has are defined and bequeathed by a benevolent government. Each of these systems is based on the “divine right of kings.”

We believe there is NO KING but CHRIST — Islam and traditional Romanists believe they are the sole arbiters of rights — the definers of truth — the rulers of men's souls.

I need to move toward a wrap for today. Listen up, my friends. These Muslim people think they can take over our country on the principle of “majority rule.” They think that is the American system. But they are WRONG!

We are a Constitutional Republic, we have covenanted together to form a union around the ideas expressed in our Declaration and Constitution.

The only element of “democracy” you can find in our system is in the fact that we believe in the people's right of consent, and that the only people that can rule in our government are those the majority of the PEOPLE elect. But what they don't understand is that every person ELECTED is obligated to swear allegiance to the CONTRACT — the Constitution — to uphold it and defend it against all enemies foreign or domestic.

Now, every political ruler MUST SWEAR ALLEGIANCE to this or they are DISQUALIFIED from holding office. Furthermore, if they violate that oath, they are disqualified from continuing in that office. GOD Hates a false oath — these Imams are ignorant, they think if a majority decides we don't have free speech, then our right to free speech is gone.

If we stand up to these traitors and point them out and repudiate their evil nonsense acting contrary to our Constitution, disregarding our Supreme LAW — and that includes the “gate keepers” of our laws, the courts — NO COURT HAS ANY AUTHORITY TO CANCEL THE CONSTITUTION — and when this happens, it is the duty of WE THE PEOPLE to rise up and PUT DOWN THESE TRAITORS — and one way we do that is by electing a President — the only office elected by the whole of the

PEOPLE, and communicate to him a mandate to ENFORCE THE LAWS of our LAND.

President Trump is to be lauded for his patience, and desire to maintain order within the structure provided by our Founders — but in the end of the day, OUR CONSTITUTION IS THE LAW OF THE LAND — not the Judiciary, not even the Legislature, and not the Executive, when any of these act independently of the Constitution.

The role of the majority is limited by the Constitution. The People can amend it, but only according to the rules provided in the Constitution, which protects us from having a government that rides on the mere whims of a simple majority vote.

Who are the final guardians of the Constitution? Ultimately, it's WE THE PEOPLE—and that will of the PEOPLE will reflect what GOD they serve.

If we sit back and allow Islam to capture the hearts of the people — like we let secular humanism do so for so long — we will lose our Republic.

But here is the thing! If we do not have the will to enforce our greatest law of the land, if we become a lawless people — GOD tells us what He will do. He will turn such a nation into Hell.⁷

The next pandemic has been launched. Here is what's coming, and how to prepare! I want to pass this on.

Jim Ferguson posts from the UK a warning about this new flu virus moving through his community. He says some are dying with 24 hours of infection. It's called Meningitis W. [??? — Check this out before going with it.] It spreads through coughing, sneezing, or kissing. It starts with flu like symptoms but can escalate to sepsis, brain damage, or death within a day. It's linked to travelers from

⁷ Psalm 9:17

Saudi Arabia—and the infection is “now under national alert.” [Hmmm, why are we not hearing anything about this? This is not passing the smell test.] Early warning signs are sudden high fever, severe headache, stiff neck, rash, or sensitivity to light. Here is one thing that recommends we consider this, it’s reported in the [Dailymail.co.uk](https://dailymail.co.uk).⁸

Jesus said there would be rumors of wars and pestilence — and Fauci has been working hard to fulfill that prophecy.⁹

Okay folks, gotta go!

Speak truth to your neighbor, execute judgment of truth and peace, do not imagine evil against your neighbor, and love no false oath.
