TRUMP PARDON?

Original Air Date: 08.01.25

Segment.01 Hello. I'm Dr. Jerry Scheidbach, pastor of the Lighthouse Baptist Church in Santa Maria, CA, and your brain masseur. Get ready for your brain massage.

Jesus on Taxes¹ — I said *taxes*, not *Texas*. Trump's apparent plan to move us from the IRS to the ERS—from the Internal Revenue Service to the External Revenue Service.

Arguing with Algorithms. My fuss with ai over comparing Biden's economic "genius" to Trump's. Really! You're gonna love this.

Once upon a Tory: New York likes Britain better than U.S.²

Will Tulsi "catch" the mockingbird? She's salting the tail!

Dragons are harder to catch! CCP influence in the Pacific has been a US concern for a while. Governor of the Commonwealth of the Northern Mariana Islands (CNMI), Arnold Palacios, has died

¹ Matthew 17:24 ¶ And when they were come to Capernaum, they that received tribute money came to Peter, and said, Doth not your master pay tribute?
Matthew 17:25 He saith, Yes. And when he was come into the house, Jesus prevented him, saying, What thinkest thou, Simon? of whom do the kings of the earth take custom or tribute? of their own children, or of strangers?

suddenly, and they haven't told us what he died of. Oh, by the way, he raised alarms about CCP influence and corruption on his Island. So, this is interesting! Ghislaine Maxwell has been moved to a federal prison in Texas. Well, well!

Finally, on Trump appointments, what's the deal here? Trump posted on his Truth Social page a picture graph showing the percentage of presidential appointments confirmed by voice vote or unanimous consent during their first term. H.W. Bush and Clinton got 98%. GW Bush and Obama got 90%. Trump 1 - 65%, Biden, 57%. Trump 2 - 0%. NONE!

Not one! With a Republican led Congress, Trump has not had even one of his civilian nominees approved.

Anyone have an idea why? I honestly can't even construct a conspiracy that makes any sense of this at all. But, I'm working on it!

Maybe I'll have come up with something by Saturday night's Brain Massage® LIVE. Rumble, X, FB, and LinkedIn. Around 7 PM.

Okay, my friends, it's time for your Brain Massage®:

Jesus on Taxes³ — I said *taxes*, not *Texas*.

I'm sure you've Trump say how nice it sounds, "External Revenue Service." So much better than Internal Revenue Service!

Trump’s apparent plan to move us from the IRS to the ERS has been remarked upon by many—how many of you are for moving from the Internal Revenue Service to the External Revenue Service?

Well, let’s see how it’s going! The national debt is about 36 trillion. Wow! There are approximately 131 million taxpaying households, and “one source states that gross national debt per household is \$273,914 as of July” this year.⁴ We are expected to reach 133.8 million taxpaying households in 2025.⁵ If we look at this from the total number of individuals paying Federal Income Tax, the burden is calculated to be around \$315,000-\$325,000 per taxpayer, based on 115 million taxpayers.⁶

This is what the current tax-and-spend system has produced. Let’s see what Trump’s Tariff model looks like so far and consider the projections of this plan.

More than \$5 trillion has been pledged, and a little over \$2 trillion is considered “firm.” That’s over and above all other revenues.

Micron Tech has pledged \$200 BN, and 75k jobs.⁷

TSMC (Taiwan Semiconductor): \$165 BN, up 100 BN over Biden’s 65 BN.⁸

Apple is bringing \$500 BN, including supplier shifts from China.⁹

Project Stargate is bringing 500 BN.¹⁰

1.2 Trillion from Qatar, I mean, this goes on and on.¹¹ 5.1 Trillion and 451,000 high-paying jobs, with Trump hinting at the possibility of \$9-14 trillion lately in some speeches. The naysayers, like the panickers, work hard to dampen expectations, but even their estimates are in the trillions.¹²

So, will Trump succeed to lift the oppression of taxing American citizens off the backs of the children, and distribute it over the “strangers”?

Taxes have an intriguing history. Did you know that GOD warned His people that if they decided to follow the example of the heathen (strangers) around them, they would come under the oppression of government taxation:

God did not desire His people to be ruled by kings supported by taxation. But they decided they liked that model, and cried for a King like the other nations. The prophet Samuel warned them by the “words of the LORD unto the people that asked of him a king.” Read about this in 1 Samuel 8.

He said the king will “take” your sons, and appoint them for himself to fight his wars, and expand his power.

He said the rulers would “take” their daughters to be confectionaries, and to be cooks, and bakers.

He said the rulers would “take: your fields, and your vineyards, and oliveyards, “even the best of them,” and give them to his servants. Yeah! It’s like you are reading commentary on the Obama/Biden regime of oppression. I know, all of them did this to us—but those two are the one’s most of my young audience felt—it’s their boot they have felt on their necks.

God wasn’t with their “taking”: they will TAKE the tenth of your seed, and your vineyards, because he has to pay his Administrative employees.

He will “take” — there’s that word again — he will “take” your labor, and the best of the laborers, and the best of your beasts of burdens, and will use them to enrich himself.

He will “take” the sheep, and “YE SHALL BE HIS SERVANTS.”
1Samuel 8:13-17.

That’s what government does. It “takes” six times GOD says, your government will TAKE from you.

Trump is the only President I’ve ever seen who GIVES.

God said you will one day “Cry out ... because of your king which ye have chosen” and God warned them, “And the LORD will not hear you in that day.”

So Jesus came, and offered Himself to them as their KING, and now I encourage you to listen very carefully to His perspective on taxes.

It’s in Matthew 17:24-27.

Peter was asked whether his Master paid tribute — that is, taxes?

He said yes!

When Peter came into the house where Jesus was, Jesus approached him and stopped him and asked him a question: “What thinkest thou, Simon? of whom do the kings of the earth take custom or tribute? of their own children, or of strangers?”

Peter didn't say, “Funny you should ask!” I guess he was accustomed to Jesus knowing what was going on—but Peter said, “of strangers.”

In that system, if you were a child of a king or a governor, or some ruler, you did not pay taxes, nor did your family, or your children.

So, Jesus says to Peter, “Then are the children free?”

So, the question was who pays taxes, and Jesus established that “the children are free.”

Okay, well, so Peter says, who didn't know that?

Right? Wrong! Peter understood what you understand. Jesus knew he had been asked if Jesus paid taxes. Apparently, Jesus, and Peter's taxes were overdue, or due, but these guys had reason to think they had not paid their taxes. Maybe they worked for CNN and they were looking for something to pin on Jesus, so they asked the tax collector whether Jesus had paid his taxes. So that's why they came, with their camera crews and microphones, and stuck one in Peter's face hoping to get a gotcha moment for the Jerusalem Post evening news. Or maybe they were Jewish rebels against the Roman interference in their government and wanted to spark a rebellion—a tax revolt.

Anyway, underlying Jesus answer are some pretty profound assumptions.

This is understood by what Jesus says next: “Notwithstanding,” that's an important word. He did not say “BUT,” since we are not “children,” we are obliged to pay our taxes, so here is what I want you to do.

This is profound! Jesus set this up to say HE IS KING, we are the KINGS CHILDREN, we are CHILDREN OF THE KINGDOM — this KINGDOM is above all the kingdoms and rulers of the earth — we are “the children.” However, or notwithstanding,” — not “but we are not the children who are free of the burden of taxes” not, the assumption here is clearly that WE ARE THE CHILDREN, but, notwithstanding that truth, because I don’t want to offend them by asserting my authority as KING of the KINGDOM of the HEAVENLY FATHER which RULES over HEAVEN and EARTH — I want you to go fishing and the first fish you catch will have a coin in it’s mouth that will cover your taxes and mine.

So, here we are, obliged to “render therefore to all their dues: tribute to whom tribute (or, pay your taxes) (Romans 13:7).

One would expect, however, if a nation comes under the rule of CHRIST and honors Him and His laws, the burden of oppression will lessen. Relief is coming!

Okay, I’ve got to take a short break! I’ll be right back!

¹³ 1049.0.1-AI ON TRUMP TARIFFS — TEXT 1049.0.1 to 805.714.0785 for notes.

Let's see, yeah, I'll have to talk to you about the truth concerning GDP calculations and how the negative impact of what they sell you as "FREE TRADE" is in reality FIXED TRADE, as in, the Fix-is-in-trade. I need more time than I have on the radio format to address this but it's going to be one of the most eye-opening revelations you've experienced in a long time.

Once upon a Tory! Yeah, let's go here.

Many of you know that the Tories supported King George of Colonial Britain days. The Tories were concentrated in New York city.¹⁴ It was pulling teeth to get New York to do anything to support the effort to MAKE AMERICA FREE. There is just something in the dirt of New York City, especially, that resists liberty and gravitates toward tyranny.

London today is New York's tomorrow? In Britain, "Women abused as children by Rotherham gangs say police also sexually assaulted them."¹⁵ Here is Charlie Kirk's summary:¹⁶ "Incredibly disturbing new details out of the UK reveal that not only were countless little girls raped by migrant grooming gangs (say, radical Muslim gangs), but when they went for help, many were raped again by the police. Take one guess who was staffing the police departments."

Kirk goes on:

-Authorities ignored migrant grooming and rape gangs because prosecuting them might lead to accusations of racism

-Victims of Pakistani rape gangs who went to the police were instead raped again by the police themselves (who were of Pakistani origin).

-In other cases, police leaked the accusations of victims to perpetrators, who then threatened the victims.

-Judges in Islamic rape cases have allowed defense lawyers to spend entire trials calling grooming gang victims sluts, then denied the release of court transcripts to hide that this happened.

-The government is currently weighing a formal definition of “Islamophobia” that would include linking grooming gangs to Islamic immigration.

-Local governments are hiring ‘Sharia law administrators.’

-Mass censorship is used to cover up protests against this as well as criminally punish those who complain.”

Charlie Kirk concludes with an interesting question: “Is Great Britain just a gigantic Epstein Island?” [IBID.]

Will Tulsi “catch” the mockingbird? She’s salting the tail!

Project Mockingbird is a known CIA operation from the early 60s in which this government, without a Warrant, wiretapped American journalists Robert Allen and Paul Scott, who refused to reveal their sources.¹⁷

Operation Mockingbird is an unofficial, rumored CIA program that expanded on the “Project Mockingbird” theme and turned it into a full-scale assault on freedom of the press and speech. Weaponizing the media to protect the interests of the “government.”

Tulsi never directly named “Operation Mockingbird,” but she confirmed ongoing CIA activity identical to what is identified by us

¹⁷ 1049.4.1-PROJECT MOCKINGBIRD TRANSCRIPTS AND ADDITIONAL INFORMATION _ CIA FOIA (foia.cia.gov).pdf <https://www.cia.gov/readingroom/document/06555844>

as OPERATION MOCKINGBIRD: Tulsi said, “There are people within the Intelligence community who believe that their will is more important than the will of the American people, and will weaponize intelligence by leaking it to their friends within the mainstream media.”¹⁸

This gets pretty deep, and I’ll need more time to touch bottom on it, so here is a link you’ll love hating: Brennan unwittingly reveals the rationale for CIA operations like “Mockingbird.”¹⁹ To summarize, he explains that foreign intelligence agencies depend on our intelligence, and if they got the idea (say, discovered) that our Intelligence was politically influenced, they could not trust it, and that would be a shame! Mr. Brennan, you are a shame! And if justice prevails, you are going to jail.

Dragons are harder to catch than mockingbirds! CCP influence in the Pacific has been a US concern for a while. FBI,²⁰ he pleaded for agents to come and investigate the CCP corruption on his Island.²¹

Here are a few things that I find concerning. American politicians connected with a Chinese Casino on the Island: James Woolsey, former Director of the CIA, was on the Board of a Chinese Casino, okay.

Former Director of the FBI, Louis Freeh; former Louisiana Governor Haley Barbour; former Pennsylvania Governor Ed Rendell; these American politicians served as “Advisors” to the Board of a Chinese Casino on a Pacific Island. What are American Governors and FBI Directors doing connected to a Chinese casino on a Pacific Island?

We are, right now, building out an airstrip on Saipan.

I’m not sure they are in viewing distance of the newest CCP Casino that’s being built on that very historic Island Saipan, the WWII site of one of the most, if not the most, significant battles in WWII for the Pacific.

We are currently rebuilding landing strips there, ostensibly, in preparation for a possible war with CCP.

Anyway, for an in-depth look at the significance of the Commonwealth of the Northern Mariana Islands, and the recent puzzling death of its CCP-opposing governor, take a look at this video report.²²

It might raise more questions than it answers, but you'll be pretty much up to speed on what's going on in our struggle with the CCP over control of the Pacific!

I'll conclude this bit with a warning from that former Governor of that Island: In a 2023 meeting with then U.S. Secretary of State, Blinken, Governor Palacios warned the U.S. of "CNMI's 'historic acquiescence' to Chinese influence, including by 'corrupt politicians.'"²³ Uh, that was Biden's Blinkin! (Think about it! Got it yet? Good!)

Gotta conclude!

So, this is interesting! Ghislaine Maxwell has been moved to a federal prison in Texas. Well, well!

And this comes one week after a two-day meeting with Deputy Attorney General Todd Blanche.

Word is that Ghislaine named 100, let's just call them, "persons of interest" for the present, in the Epstein "client list" dustup.²⁴

Was she moved for security reasons? Well, the move is from a low-security prison in Tallahassee, FL, to a "minimum-security prison camp in Bryan, Texas."²⁵ The description comparing the prisons suggests it is an upgrade for Maxwell. Many are piling on, bawling about Trump giving Ghislaine an Epstein-sweetheart deal. Watch out! Even "Satan" can transform himself into a "supporter of Trump." Hehe.

Here are some of those that are trying to pin the Guiffree travesty on Trump from the angle that Trump knew Epstein was trafficking

from Mar-a-Lago and Guiffree was recruited out of the Mar-a-lago spa. Devils never rest!

We have conflicting reporting on this, many saying the reason Trump barred Epstein from Mar-a-lago was that he saw him hitting on underage women. But we've never received any report that he was aware that Epstein, or Ghislaine, had recruited anyone for sex trafficking from Mar-a-lago (the Property) and failed to report it.

Guiffree's family taking offense at the "tone" of Trump's statement is sad! All he is responding to is whether he knew Guiffree was being sex trafficked out of his home! His answer is, No! There is nothing in his response to suggest he is cold or indifferent to Guiffree's abuse.

But I do have questions about Bondi's Assistant AG going alone to interview Ghislaine Maxwell. She initiated this and stipulated conditions. Perhaps this arrangement was the settlement.

Perhaps the AG had reason to be concerned about what Maxwell was up to and did not want to provide her a platform to launch an attack on Trump or any other innocent person. It is hard to know who you can trust—remember Trump-1.0? Well, 2.0 is much more savvy about how the "game" is played.

Remember, Maxwell is a perverted, twisted, pedo—she sold underage girls to the perverse lust of powerful men. We now have reason to believe she participated in planting that stupid "Trump birthday letter to Epstein" that we now know was not written by Trump. She was Epstein's Pimp. She was his chief executive procurement officer — "identifying and recruiting talent" — no doubt banned from the Property along with her "boss."

However, she really is our best resource for getting justice against the thousands they abused. By giving the information she has on these 100 people, she transfers the threat—because now killing her won't stop the information from "getting out." It's OUT! It lessens

the threat to her life—most of these sophisticated murderous pedo types will expose themselves for protection but not for revenge. Perhaps that's why she can be safely moved to a less secure facility—I'm just trying to figure this out. No one told me why she was transferred from Florida-low-security to Texas-minimum. It looks like a reward for “good behavior” or “cooperation”? We'll see!

It does not seem likely, after all the brouhaha that boiled up over the effort to shut the case on Epstein that the AG would do something like this unless she got something truly useful from Ghislaine. By the way, did you notice that Ghislaine began to sing soon after Trump began dismissing the issue?

Surely, the Trump Admin. would not risk giving Ghislaine the Epsetein sweetheart treatment? That would explode!

Trump was lately asked if he would consider giving Ghislaine a pardon! Axios, a beloved Bidenista Organ, jumped on his response saying, “Trump won't rule out pardon for Ghislaine Maxwell.”²⁶ You've got to “consider the source,” and when you watch the exchange with reporters, Trump did not say he would not rule it out, but he did ignore the question. Hmmm. There must be something really big in the works.

Is Trump purposely dangling this pardon thing “out there” for Maxwell to confidently give it all up? It does not seem to be a winner for Trump, so, for the present, Trump answered the question with, “I haven't thought about it. No one has brought that up!” Then turned to another reporter while the question was being tossed out there, it seemed to me, as an entrapment question, almost hoping for a non-answer to get the headline: “TRUMP WON'T RULE OUT PARDON FOR GHISLAINE MAXWELL.”

²⁶ 1049.27.1-Trump won't rule out pardon for Ghislaine Maxwell <https://www.axios.com/2025/07/28/trump-epstein-ghislaine-maxwell-pardon>

Assistant to the AG, Mr. Blanche described his meeting with Ghislaine as “very productive.” What does that mean? Look, we already know Trump is not a pedo, we already know he never went to the Island, we already know he despised Epstein—kicked him from his limo and made him walk home type of disdain for this dude! We already know all this—we know Ghislaine isn’t going to be “trusted” by anyone to “protect Trump,” good night, the Pedo Queen was arrested in July of 2020, she was convicted in December of 2021 — if she had anything on Trump does anyone think she would not have used that as a guaranteed get of jail card?

Something else is boiling up, here. So, let’s watch.
