Segment.01 Hello. I’m Dr. Jerry Scheidbach, pastor of the Lighthouse Baptist Church in Santa Maria, CA, and your brain masseur. Get ready for your brain massage.

It’s 88 Day! (Friday, August 8, 2025, or 8/8/25).

Will the Bear heel? Putin reaches out, Trump agrees to meet—update on progress and prophetic implications.

GAZA and Benjamin: Will Israel “occupy” Gaza? He wants Hamas out, and a new Arab government to govern Gaza in peace and prosperity.¹

Tariffs go into effect today! All the non-negotiated reciprocal tariffs go into effect today.

The world is waking! A worldwide movement toward Truth is a precursor for revival.

Clarissa Rippee worked inside the U.S. Government Services Administration (GSA) under Biden/Harris as a Contract Specialist. She noticed a contract for \$347 million to a transportation company responsible for “transporting unaccompanied minors across the United States.”² (See her interview with O’Keefe here.)

You’ve got to be kidding me! DNI Gabbard reveals documents that show Obama authorized a covert assassination attempt on Trump!

Really? I have not seen any presser on this one. I couldn't find any corroborating documentation beyond a TikTok stream of a guy reading some unidentified source document. The problem is, it would not surprise me, and as Rush used to say, that's the news here! This does not even sound extreme to many of us right now! So, I will not run with it, I can't corroborate it, this character did not tell us where he got his information other than to assert it came from DNI Gabbard. Are you kidding me! If she made any statement or revealed any documents supporting this, we would certainly have heard about it.

Alex Jones invited Kyle Seraphin, former FBI, to reveal that Kash Patel's pilot previously worked on Jack Smith's team.³ That's the guy who tried to convict Trump on bogus charges that Trump instigated an insurrection on J6 and mishandled classified documents after he left office. Yeah, that guy! Flying our Director of the FBI?

It's time for your Brain Massage®:

[TRUTH]

It's 88 Day! (Friday, August 8, 2025, or 8/8/25).

Frank Figliuzzi (Fee-l-oo-zee), former FBI assistant director for counterintelligence, went on legacy media to imply Trump's order for the Flag to be lowered to half mast until August 8, 2019 to honor victims of a mass shooting in El Paso and Dayton was a symbolic message to White Supremacists because the number 88 translates into a double H, the eighth letter of our alphabet—H.H.

³ <https://x.com/RealAlexJones/status/1953579514946322455>

for Heil Hitler.⁴ The liberals are quick to point out Figliuzzi provided a caveat disclaimer that he was not saying Trump was purposely sending a message to White Supremacists.

Really? If you think that you don't understand Lib-speak. That was the takeaway of virtually all liberals who do understand lib-speak! This is how they lie; it's how they plant something in weak minds. They say, "I'm not going to imply..." while the entire exercise is designed to plant the implication.

Back in the Bongino days, he playfully referred to Figliuzzi (Fee-l-oo-zee) as Fugazi. I've heard some say it's Italian for fake, or phony.

For the record, the Italian expressions for fake, or phony are falso, and finto. *Fake news* in Italian is *Notizia falsa*.⁵ The nearest that *Fugazi* comes to any Italian word would be *fugace* (*foo-gah'-chay*). But this word means fleeting.

The most likely source for Fugazi is the theory it's an acronym constructed from a phrase used in Nam: F'd up, Got ambushed, Zipped In — Fugazi. It was popularized, sort of, in a book by Mark Baker titled *Nam!* Bottom line: *fugazi* is used as a slang expression for something fake or inauthentic, particularly in New York and New Jersey. So! Now you know!

Anyway, it's August 8, which means it's 8/8 and everybody knows H is the eighth letter of our alphabet. According to Figliuzzi, it represents HH, which all Supremacists know is code for Heil Hitler.

⁴ 1050.28.1-NBC News contributor raises suspicions over Trump's order to fly US flags half-staff until Aug. 8 _ Fox News.pdf <https://www.foxnews.com/politics/nbc-news-trump-order-flags-halfstaff-homage-adolf-hitler> NOTE: The MSM cries foul on any suggestion the FBI Assistant Director for CounterIntelligence accused Trump of sending a dog-whistle message of support to White Supremacists. He dutifully offered a disclaimer and caveat, along with this direct accusation against Trump: "The president's eight getting really good advice and rejecting it, or he's getting really bad advice."

⁵ <https://search.brave.com/search?q=italian+word+for+fake&source=desktop&summary=1&conversation=9174531ebbc74f384ebb4>

What moronic! The Hebrew word *tsar* is found 109 times in the Bible, 40 times in the Psalms, 13 times in Isaiah, and 10 times in Lamentations. It almost always references an adversary, a foe, or an enemy. It has a specific reference to Satan in Psalm 107:2, which equals nine! So! You can see, the name Figliuzzi means enemy of GOD. Right? Hahaha.

Will the Bear heel? In Daniel's vision of the four beasts, Daniel used a Bear to represent the Medes and the Persians, which is Russia and Iran. It's in Daniel 7. The Bear rises from the troubled sea, the stirring of the masses of humanity, and rises up on one side holding three picked-clean talking ribs in its teeth. The ribs are saying, "Rise up, devour much flesh."

We know all four of these beasts are in place when little horn rises to power on the fourth beast — that's the fourth kingdom that is present right now. It came into power at the time Christ came into the world. He conquered Satan, the Prince of this world, and took command over all the kingdoms of the earth—so that right now Jesus is PRINCE OVER ALL THE KINGS OF THE EARTH (Revelation 1:5). It's the present kingdom of CHRIST, into which all are translated who confess Jesus is LORD and believe He arose from the dead, and made by Christ kings and priests unto God (Revelation 1:6). He commissioned us to be His ambassadors to this world, declaring the terms of surrender to be saved from the wrath of the LAMB when He returns.

He organized His Ekklesia to represent Him while He is in Heaven, awaiting the signal to come and gather us out of this world in preparation for His return with us to the earth to begin the JUDGMENT. His Ekklesia, aka, the Church, has the keys of the kingdom with the power to bind and loose.

While we are present, and have some savor to our salt, we will resist the rise of the antichrist in the fourth kingdom, but when we are taken out of the world, the antichrist will rise.

Now, here is the point! We observe geopolitical developments in Iraq, which is represented by the first beast, Russia, and Iran, the second beast, the old Alexandrian Empire, comprising Greece, Turkey, Lebanon-Syria, and Egypt, and the fourth beast representing the Western Powers. Jesus said that during this time He would give “the kingdom” to the nation bringing forth the fruit of it (Matthew 21:43), and right now, it is being held by the United States of America.

The Spirit of Jesus Christ in the believer holds down these beasts, frustrating the prince of the power of the air, Satan, and his children of disobedience. They keep pushing for a “one world government” ruled by Satan through the man of sin in a global dictatorship. We watch these beasts: Iraq, Russia-Iran, the middle East with Greece and Egypt, and the West and we can see that as Christ’s Ekklesia weakens, the Spirit of His kingdom loses influence and the antichrist spirit become strong and advances.

Right now, happily, the SPIRIT OF JESUS CHRIST, which is the SPIRIT OF LIBERTY is pushing back on the spirit of antichrist.

And we are moving from the LIE to the TRUTH.

So, it’s significant that the Bear began to rise up and assert its power, devouring nations around it. Now that Trump is reviving America as founded, Putin reaches out, and the Bear begins to retreat—to submerge.⁶ Trump agrees to meet! But it is clear that America is leading the world once again!⁷

Significant movement in Israel in GAZA is also full of prophetic significance. Will Israel “occupy” Gaza? Netanyahu wants Hamas

out, and a new Arab government to govern Gaza in peace and prosperity.^{8 9 10}

Israel's security cabinet has approved plans to take over Gaza City, significantly expanding military operations in the Palestinian enclave. Israeli Prime Minister Netanyahu reportedly intends to occupy all of Gaza, forcing Palestinian civilians into displacement camps further south. This announcement has drawn strong international criticism, including calls from the UN and some European governments to halt the expansion, citing humanitarian concerns.

The humanitarian concerns are exactly what Israel is trying to address. Let's start with October 7, the humanitarian abuse that culminated in that wicked attack on Israel. Let's continue with Israel's incredible restraint, and going so far out of its way to protect innocent human lives while establishing peace for not only Israelis but also for Gazans oppressed by the wicked Hamas Islamo fascists extending Iran's wicked policy to wipe out Israel, to exterminate, to drive Israel "From the River to the Sea." These nations should have pestilent country on their border lobbing rockets into their communities incessantly, and attacking them with vicious, rabid dog like behavior—let them live with it for one day and see that happens.

The humanitarian concerns are exactly what Israel is concerned about, which is why they have called on neutral observers to come in and see what's really happening on the ground in Gaza unfiltered by the lying, deceiving, wicked leaders and servants of Hamas.

The reciprocal tariffs go into effect today! Oops, I've got to take a break. Hold on! I'll be right back.

Segment.02 Hello. Welcome back! I'm Dr. Jerry Scheidbach, pastor at the Lighthouse, your brain masseur, and Paul Revere's lantern lighter, lighting the lamps in the church belfry arch, signaling the enemy is on the march, an enemy that would steal from us our liberty.

The world is waking! A worldwide movement toward Truth is a precursor for revival. Any movement of any culture from lies to the Truth is a movement from Satan, the father of lies, to Christ, Who is the WAY, the TRUTH, and the LIFE.

The world is divided between truthers and liars.

Why do modern progressives love the lie? Participation trophies give a false feeling of accomplishment (which removes the incentive to excel) while recognition of excellence, based entirely on actual performance, is minimized, and even criticized. To award non-excellence is a lie. To refuse to reward excellence is a lie.

Here you go! Big and Fat Lizzo is presented as a representation of beauty in jeans, which is an obvious lie, and no one freaks out! The left does not freak out because they like lies—lies are what their worldview is made of. Fat Lizzo in jeans being hailed as a beauty is a lie, and so it fits comfortably in their worldview. The truth is, it's not beauty; it's unhealthy, and disgusting. The left delights in promoting ugly, unhealthy, and disgusting things that are contrary to nature. Homosexuality is an example of that.

The left, generally speaking, by the way, not every individual that identifies with left ideology, but virtually everything the left promotes is a lie and bad for you.

Conservatives don't flip out over the Lizzo lie because it does not threaten them. Their worldview is constructed on a solid foundation of truth. Truth is unshakeable. The lie, well, it's like sand. It's very easily disturbed. Just a little puff of air disrupts it.

Achievement and beauty demand discipline, work, and building on God given talents. Ugly, unhealthy, fat, and lazy—require no work, no discipline, no effort. The left wants to reward the lazy! Conservatives want to recognize and reward excellence. Both sides get what they want. Conservatism gets excellence. Democrats get stupid, lazy, good-for-nothing freeloaders.

So, the left likes lies, like the constant lying that goes on against Israel. Israel brings literally tons of food and supplies to help the devastated Gazans, and Hamas says the Israelis are responsible for the misery in Gaza. The left laps it up because they like lies.

Hamas co-opts the food and supplies and keeps them from the people of Gaza. The Left ignores that, and chooses to believe Hamas lies. Hamas takes staged pictures and uses them to promote their lie. The Left devours these because the lie reinforces their worldview that is constructed out of lies.

It's easy for people grounded in truth to see the lie. October 7. October 7 stamps the truth over each side of this conflict. Over the Hamas side, LIE, over the Israeli side, TRUTH. Hamas brutally invaded Israel, killing, raping, and stealing hostages. But the left are more comfortable with lies than they are with the truth, which is the opposite for conservatives. The people who raped, murdered, and stole hostages, and who continue to keep the hostages, have no credibility. Each of these things is consistent with lies: murder, rape, and taking hostages. LIE, LIE, LIE.

Only those whose worldview is founded and constructed upon lies accept what Hamas is saying. Only the lovers of the lie believe what Epstein said he did to the girls Ghislaine provided, and refuse to listen to his victims. If a liar is angling for something, they might be compelled to tell the truth to get it. Ghislaine can't lie to get some favored treatment because if it's discovered, the deal she made is off. The only time you can believe a liar is when they have to tell the truth. You can safely believe a consistent truth doer, because they have a history of fidelity to the truth and, as the Bible puts it, they "walk in truth." If it turns out they lied in some particular moment, it's an anomaly, out of character, not the norm. When modern progressives lie, they are doing what is comfortable to them because they are comfortable lying and uncomfortable with the truth.

But people are waking up to the TRUTH and moving toward it, which necessarily involves leaving the LIES.

Check out what is happening in the UK. The LIE that the "right" thing to do is to accommodate a guest to the point of offending the entire family has itself become a threat to the family. Now, the guests are taking over the house, imposing an oppressive rule over the family and exalting the laws and customs of a foreign culture, displacing the laws and cultural norms of the family.

But the Brits have had enough. According to "The British Patriot" @TheBritLad, "The UK braces for nationwide protests tomorrow with over 20 confirmed locations taking to immigrant hotels." "Taking to..."? He lists twenty-three locations and concludes: "It's important everyone remains peaceful to send a strong message, violence will not achieve anything." That's how truth talks. Here is a link to the locations in case you want to check it out.¹¹

Check out this source saying 220k Brits, citizens of the UK, have signed a petition calling for an immediate election—they want to

finish Starmer.¹² However, upon researching this for documentation support, I found that 443,568 signatures have actually been added to this petition.¹³ This UK Government and Parliament site is an official .gov website where Brits can communicate their concerns to their government. It's called Petitions. Any petition that receives more than 100k signatures will be considered for a debate in Parliament. Opps, the number just went up, 443,668 — it's climbing. Just now went to 443,722 — the deadline for the government to respond is December this year.

A biblical view of immigration, in summary: “strangers” are to be treated with kindness. However, strangers were expected to honor the traditions and laws of the Land. They were expected to obey the laws of the government of Israel, and if they broke those laws, they were to be prosecuted according to Israel's law, not the law or culture from which they came. Yep! That's what the Bible says. And this is a mercy! You see, if we prosecuted Islamists for entering our land illegally, and promoting their religious beliefs in our land, they would be beheaded in their front yards.

We don't do that to people who preach contrary to our beliefs, and the most we'll do to you if you are here illegally is send you home. What happens when these people resist arrest, or flee from the law, well, it's what we would do with anyone who was a citizen here, except when we catch you, we'll send you home!]

minors across the United States.”¹⁴ (See her interview with O’Keefe here.) In the Documentary, *Line In the Sand*, some NGOs involved in child trafficking were identified, and Rippee saw that some were contracted with the GSA. Watch *Line In the Sand*! Each contract was to move 1000 children in a 24-hour period.

So, where are the records documenting where these children were taken??? You hearing me? “They” don’t have records documenting where these children were taken!

And what is this? You’ve got to be kidding me! DNI Gabbard reveals documents show Obama authorized a covert assassination attempt on Trump! Really?

Okay! I couldn’t find any corroborating documentation beyond a TikTok stream where a guy reads some unidentified source document. The problem is, it would not surprise me, and as Rush used to say, that’s the news here! Isn’t it sad that this does not even sound extreme to many of us right now! So, I wouldn’t run with it, I can’t corroborate it, this character did not tell us where he got his information other than to assert it came from DNI Gabbard. Are you kidding me! If she made any statement or revealed any documents supporting this, we would certainly have heard about it.

Alex Jones invited Kyle Seraphin, former FBI, to reveal that Kash Patel’s pilot previously worked on Jack Smith’s team¹⁵—you know, the guy who tried to convict Trump on bogus charges—that Jack Smith—the man piloting Patel’s plane, worked for Jack Smith in the Mar-a-Lago raid — Kyle was advising Patel up until Patel was confirmed, after that Kyle no longer had direct access to Patel. However, Patel either personally or officially monitors Kyle’s podcast and picked up on this story.

¹⁴ 1050.35.1-BREAKING_ Federal Government Whistleblower Exposes Transporting Unaccompanied Minors <https://www.thegatewaypundit.com/2024/10/breaking-federal-government-whistleblower-exposes-347m-contract-transporting/>

¹⁵ <https://x.com/RealAlexJones/status/1953579514946322455>

So Kyle used a contact to communicate a message to Trump: “The pilot who is flying Kash Patel was the case agent on the Mar-a-Lago case. So the scuttlebutt is that Kash ordered the pilot to be fired. Kash was told you can’t do that because he is a veteran. Kash said, I want him fired anyway. And then the bomb dropped: “Do you really want to fire the guy who spent seven months listening to your conversations and flying around in a private jet with you?” Was that an implied threat? Well, it’s a threat, or a warning, a heads up!

Is Kyle eating sour grapes and spitting out bitter seeds? I don’t know. I can’t find anything to corroborate his story, and the only thing that gives it some credibility is the fact that Alex Jones is passing it on to us.
