Brain Massage®: Show No. 1056

THE CHARLIE EFFECT & THE KIMMEL FIZZLE!

Original Air Date: 09.20.25

Segment.01 Hello. I'm Dr. Jerry Scheidbach, pastor of the Lighthouse Baptist Church in Santa Maria, CA, and your brain masseur. Get ready for your brain massage.

Charlie Kirk's memorial services will be held at the State Farm Stadium in Glendale, AZ, on Sunday, September 21. You can view the memorial online on Kirk's Rumble page; you don't have to have a Rumble account to view the page. Go to [rumble.com](https://www.rumble.com), and you will likely find a link to the memorial on the home page. You can search "Charlie Kirk Memorial" and find it easily. Fox News will live-stream the event, and also TBN.

Lighthouse Baptist Church will celebrate the life, message, and mission of Charlie Kirk. Your presence is cordially requested. 9:30 am, 10:45 am, and 5 pm.

The Charlie Kirk effect is sweeping the world. Don't be surprised if the Devil attempts to join the movement!

Jimmy Kimmel's firing is an effort to divert attention away from the political assassination and religious martyrdom of Charlie Kirk. My evidence to follow.

Does the inalienable human right of free speech include the right to a job in radio or TV? (Liberals are protesting Disney—someone, quick, tell them Disney has not condemned Jimmy for his outrageous, offensive, and hateful comments; they did it because they are concerned about Carr coming for violating the conditions of their FCC license. You see, that is the underlying but unstated truth about why the left accuses Trump of his firing—it's because Trump put someone in the FCC who will enforce the law; Obama,

and his auto-pen Presidency during Biden’s administration, on the other hand, distorted the law, and directed his Administration to make every effort to destroy free speech in America—more on this! Hang on!

While we are talking about the Auto-Pen President — did you hear that Biden’s Chief of Staff confessed that Hunter was “directly involved” in the pardons.¹

And Newsom, that guy has zero political instinct: the Macaroon is calling for Greg Gutfeld to be fired and Kimmel reinstated.² I’m waiting for Newsom to tell us the last time Greg encouraged vandalism or mocked the killing of anyone! Waiting! Still waiting!

Trump designated Antifa as a major terrorist group. The Netherlands and Hungary declare they will do the same!

Pritzker is pictured in a photo with a neighborhood peacekeeper dude who has been arrested for his part in a “highly orchestrated smash-and-grab burglary” that involved the murder of an innocent bystander.³ That’s what happens when you support thugs and leave your constituents unprotected.

Mike Johnson and the keep the government open wars continue! Dems use their own “smash-and-grab” technique and use force and political violence against the will of the American People to impede the Make America Great Again agenda: now they are threatening a government shutdown unless Mike goes along with free health insurance for illegals, \$500 million for NPR—I hate this business of forcing American taxpayers to fund America-hating radio—and

The Charlie Kirk effect is a world-impacting phenomenon. Get this, he was scheduled to speak at CSU (Colorado State University) on September 18, that's eight days after he was shot through the throat by a MAGA-hating dude who wanted Charlie dead because he opposed trans culture. (Turns out, the shooter, Tyler Robinson, was romantically involved with a transitioning man.) Anyway, in deep blue Colorado, 10,000 showed up to the event even though Charlie had been shot eight days earlier, and they cheered the memory of a modern-day martyr.⁵

Charlie's popularity is worldwide! Organic, meaning, TPUSA did not organize or promote these amazing displays of love and support for Charlie Kirk: in Hungary (Budapest),⁶ South Korea (Seoul),⁷ the

UK, Spain, Germany, Australia, and Canada,⁸ and the list keeps growing.⁹

Even the Catholic Church is jumping on Charlie's coattails. I don't mean to disparage the New York Cardinal's comments;¹⁰ I'm just saying that no one from the Catholic Church paid any attention to Charlie until he became a modern Martyr. They were late to recognize the Ana-Baptist Patrick, too! So!

Here is New York Cardinal Dolan calling Charlie a "modern-day Paul." [IBID] I was impressed with the clarity he had in his praise for Charlie's mission and manners.

But Charlie's message is not consonant with Pope Francis' statement, "If someone is gay and he searches for the Lord and has goodwill, who am I to judge?" Charlie would, graciously, if matter-of-factly, point out that the Bible judges homosexuality to be a sin, but also makes it clear that the blood of Christ was shed for all. I heard him make the point once, regarding the woman taken in adultery, that Jesus was certainly gracious and merciful, but He did not dismiss the woman's sin; He said, "Go, and sin no more!"

It should be pointed out, in a follow-up on this, the Pope's PR team clarified he did not endorse homosexuality, but his tone and

manner were clearly not in agreement with Charlie's approach to the question of same sex marriages.¹¹

My point is that TPUSA needs to be watchful that the Gospel Charlie preached does not get tangled up in a works-based religious system, which is compromised by the adoption of pagan symbolism and false doctrine, with a history of promoting the false notion of the Divine Right of Kings, and the use of coercion and oppression, even torture through the court of the Inquisition, and the abominable practice of indulgences, which crossed the line for the like of Luther and sparked the Reformation—a system that has elevated Church tradition above the authority of Scripture and at one time denied to the people the right to read their Bible and think for themselves. Okay? Understand? Catholic people are among some of the most lovely people anywhere—I do not quarrel with the Catholic people who love truth, and are doers of truth.

Remember, the demon-possessed sorceress in Philippi who followed Paul, crying, “These men are the servants of the most high God, which shew unto us the way of salvation”?¹² She spoke the truth, and of course, Paul did not retort against the truth that she spoke. But he understood she was of another spirit, and rebuked that spirit and cast out the devil that possessed her.

Let's hope this Cardinal will be delivered from the devils that have captured him under the influence of “seducing spirits,” teaching

¹² Acts 16:16 ¶ And it came to pass, as we went to prayer, a certain damsel possessed with a spirit of divination met us, which brought her masters much gain by soothsaying: Acts 16:17 The same followed Paul and us, and cried, saying, These men are the servants of the most high God, which shew unto us the way of salvation. Acts 16:18 And this did she many days. But Paul, being grieved, turned and said to the spirit, I command thee in the name of Jesus Christ to come out of her. And he came out the same hour.

“doctrines of devils.”¹³ I preached a few messages a while back from the title: Don’t assist the Whore when she attempts to saddle the fourth beast. Look it up.

I’m looking forward to our memorial to Charlie Kirk, the man, the message, and the mission. Hope to see you at the Lighthouse, 1310 W. Betteravia Road, in Santa Maria, CA.

Charlie started TP USA in 2012 in answer to the fasting and prayers of Lighthouse Baptist Church for GOD to move against the strongholds Satan has established in this country—and we called the Body of Christ, His local church here, to 40 days of prayer and fasting to cast out the devils holding minds in darkness. This began in 2010, and in 2012, I published Kingdom Power by Prayer and Fasting. In that book, I announced a sequel, God’s War: Understanding Spiritual Warfare. I published it as a PDF in 2013, and, after about six years of work, I published it as a hardback in 2019, under the title, God’s War: Why Christians Should Rule the World—Jesus Christ is KING, and all mankind are His subjects. We have diligently emphasized prayer and fasting since about 2008, when we started spiritual assault teams. We were concerned about some of the policies coming out of the Obama Administration Department of Education. We identified Kevin Jennings as someone representing a stronghold of Satan in our schools. We prayed and fasted specifically for his removal, and God heard and removed him, and Satan doubled down on his efforts through the Department of Education to corrupt our children.

We believe God raised up Charlie Kirk and led him to enter college campuses and confront that stronghold, and praise God for how effective he was in turning the minds of young people to the truth.

¹³ 1Timothy 4:1 ¶ Now the Spirit speaketh expressly, that in the latter times some shall depart from the faith, giving heed to seducing spirits, and doctrines of devils;
1Timothy 4:2 Speaking lies in hypocrisy; having their conscience seared with a hot iron;
1Timothy 4:3 Forbidding to marry, and commanding to abstain from meats, which God hath created to be received with thanksgiving of them which believe and know the truth.

Of course, Satan fights back, and we entered into serious spiritual warfare over the direction of our country, and remained faithful in our assault against the strongholds of Satan and watched as GOD wrought an amazing victory—and praised GOD for voices like Charlie Kirk, and his boldness to go directly into the belly of the beast with the LIGHT of the GOSPEL.

I think it's wonderful that GOD used Charlie to turn America out of the hands of the unreasonable (no common sense) and wicked (perverting righteousness, calling evil good and good evil) and into the hands of those who confess JESUS CHRIST IS KING, and all mankind are His subjects.

Now this hero has been cut down, but by GOD's grace, his message will continue and his mission will be fulfilled!

Hold on through the break! I'll be right back!

Segment.02 Hello. Welcome back! I'm Dr. Jerry Scheidbach, pastor at the Lighthouse, your brain masseur, and Paul Revere's lantern lighter, lighting the lamps in the church belfry arch, signaling the enemy is on the march, an enemy that would steal from us our liberty.

Jimmy Kimmel's "firing" by Disney-owned ABC is an effort to take the world's attention off of Charlie. Even in death, Charlie is dismantling the darkness! The unreasonable and wicked don't understand the ways of the KINGDOM of GOD. Killing Charlie only amplified his voice and expanded his vision.

So, let's go ahead and look at this Jimmy-rigged effort to change our focus. The stone they are trying to roll over Charlie's tomb to stop his movement is already beginning to roll back on them.¹⁴

¹⁴ Proverbs 26:27 ¶ Whoso diggeth a pit shall fall therein: and he that rolleth a stone, it will return upon him.

Can Disney/ABC change its spots?¹⁵ Did Disney and ABC suddenly find a conscience? Can those accustomed to doing evil suddenly start doing good? Did they “fire” Jimmy because Jimmy was a bad boy?

Roseanne Barr was fired, Tucker Carlson was fired — and Jimmy was put on indefinite “paid leave.” Roseanne regularly offended people because of her political beliefs. And she had one of the hottest shows on TV — *Roseanne!* It was the number 1 sitcom show on TV, in 1989-1990,¹⁶ reaching 20 million viewers at its peak.

Roseanne posted a patently offensive tweet, but she never called for vandalism or celebrated it, nor purposely made a false accusation of murder against anyone or any group. The same is true of Tucker Carlson—

Tucker often tweaked the “Left” with his very conservative-leaning commentary. However, when he raised questions about Dominion machines being used in election interference on his Fox News show, things became heated. Dominion is a company that provides election machines, many of which are used in CA elections. We know for a fact that these machines have design features that facilitate election manipulation. Dominion knew their machines allowed for tampering, even while they claimed no internet connection was possible—Oh, correction, they let others make those claims public. Stay with me, here.

They knew their machines could be hacked, but they allowed the so-called Legacy media to claim that their machines could not be connected to the Internet.

Dominion knew their machines included features that allowed for the manipulation of results while pretending they were secure

¹⁵ Jeremiah 13:23 Can the Ethiopian change his skin, or the leopard his spots? then may ye also do good, that are accustomed to do evil.

¹⁶ https://chatgpt.com/s/t_68ce32bc00088191a00c96d48f084904

against any such tampering: oh, excuse me, they allowed others to claim there were no such features and the machines were not susceptible to tampering.

So Tucker brings up these questions and logically reasons that Dominion's consistent record of allowing lies about these machines to be circulated without making a formal statement about it all points to a logical conclusion that Dominion knowingly provided faulty voting machines. They then attacked Tucker with aggressive Lawfare to silence him, just as they did to Lindell.

Now I have a ChatGPT record showing an exchange on the question of Jimmy's indefinite removal, which led to an exchange regarding Tucker being sued by Dominion. ChatGPT says Fox News settled with Dominion, and that Fox "acknowledged that certain claims about Dominion were false" and then added that this statement from Fox "indicates that the court found the statements made by Fox News to be untrue."

I was outraged at the arrogant hubris! In fact, the COURT found no such thing, never made any ruling in the case, because the case was abandoned by that fox, Murdoch! Who, by the way, terminated Tucker and made him a living free speech martyr.

Now, that was Fox, what we are dealing with here is ABC. So, let's look at their record.

Roseanne Barr's show was on ABC. She was fired for making what was regarded as a racist comment in a Tweet.

As for Roseanne, her jibe at Valerie Jarrett, seen here,¹⁷ does evoke racist sentiment from the early slave days. ABC's network president

¹⁷ <https://chatgpt.com/c/68cdb8eb-dea4-832c-a2ef-ada2baf4e94d> (See 1057.19.1-Roseanne Barr's Offensive Tweet

described the Tweet as “abhorrent, repugnant, and inconsistent with our values.”¹⁸

I flinched at Rosanne’s Tweet—yeah, I remember all of that. But considering it in light of Kimmel’s nasty remark, Roseanne did not insinuate approval for vandalism, nor did she make a snide call to her followers to engage in politically targeted vandalism—I saw Kimmel’s “dog whistle” to his followers. I mean, even CNN’s Scott Jennings accused Jimmy of giving “marching orders to vandalize Teslas.”¹⁹ ²⁰ Now Kimmel accuses MAGA patriots for the murder of Charlie Kirk—

Roseanne did not celebrate an act of vandalism. Within the context of Roseanne’s history of very controversial political comments, her offensive Tweet does not fit or contribute to any pattern of racism established by Roseanne before or after this statement. She attributed it to a slip-up, made when under the influence of Ambien. Barr apologized for the Tweet, acknowledged it was inappropriate, but insisted that the racial overtones of the Tweet did not represent her personal views.

Much is made of the manufacturer of Ambien quickly shooting back, disingenuously, “racism is not a known side effect.” Every reasonable mind knows that the sentiment of things said under the influence of alcohol, for example, might not be a side effect of

having one's sobriety compromised; saying inappropriate, thoughtless things you would never otherwise say is a side effect of having one's sobriety compromised. That's obviously what Barr meant. The manufacturer of Ambien knew that.

So, here is the point — Roseanne Barr made an inappropriate racist joke, she apologized, admitted it was inappropriate, and she got fired by ABC. Jimmy Kimmel makes a statement in the midst of national mourning over the assassination/martyrdom of Charlie Kirk, insinuating the murderer was a MAGA American, and that conservatives were using his martyrdom to paint leftist ideology as contributing to an environment incubating violence: such as the constant drone of ridiculously accusing conservatives of being Fascists, Hitlers, and “threats to Democracy,” contributing to the agitation of unstable minds leading to this behavior—when, here we go again, that turns out to be true! Curious how often it happens that when the Left attempts to shame and embarrass conservatives, they end up with their own slime all over their own faces.

So Roseanne gets fired, and Jimmy gets put on paid leave; his boss, Disney/ABC makes no statement about why they fired him and makes no demands that he apologize. ABC loudly proclaims Roseanne's ugly faux pas, refuses her apology, and fires her on the spot. Only people who think men can be pregnant and have babies can't see what is obvious here.

By the way, Jimmy was asked to apologize by Nextstar, a company that owns a lot of ABC-affiliated stations and which issued a statement of condemnation for Kimmel's obscene statement. He refused. Just sayin' — THE DOUBLE STANDARD HOLDS!

Tucker was fired, I think, to cover up a trial that would have exposed Dominion and unsettled the entire election theft scheme of the Left. Tucker was never convicted of any wrongdoing, and Fox never condemned Tucker for any wrongdoing. I think Tucker was fired as part of a secret deal they made with Dominion.

Jimmy Kimmel snidely calls on the loony left to increase their attacks on Musk by vandalizing Teslas—and encourages applause and cheers, announcing Tesla’s stock crashing—celebrating real damage to people’s property and livelihoods — this is what gets them happy. Jimmy mocks the shooting murder of Charlie Kirk by saying his own friends and supporters assassinated him—I mean, this idiot thought it was a good idea to tell the people most affected by the brutal, and if you’ve seen it, you know what I mean, brutal murder of a beloved brother, a champion of the very people this idiot claims killed him—that’s pretty close to the idea that Peter, James, and John nailed Jesus to the Cross. The disciple who shed the innocent blood was Judas, a traitor, who was a devil from the beginning. In Charlie’s case, Tyler Robinson was not a disciple of Kirk but an open hater of him.

And it turns out, the guy is a member of the so-called Gay community, in a “loving” relationship with a man transitioning to a female, and the way I read what’s coming out, it’s looking increasingly like Tyler was killing Charlie as a testament to his love for someone currently identified as Lance Twiggs.

Barron X-posted a list of high-profile people who were cancelled by the same liberals who are howling about Kimmel—I mentioned Roseanne, and Tucker, include Dave Chappelle, Tony, Megyn Kelly, Shane, Carano, Hulk Hogan, Russell Brand, Tim Allen, J.K. Rowling, Kid Rock, and too many more to name — Oh, don’t forget our beloved Dan Bongino, and include TRUMP and Charlie—with bullets.

Okay, that’s enough. See you Saturday night for Brain Massage LIVE and Sunday for our tribute to Charlie.
