JESUS THE DIVIDER!

Original Air Date: 09.27.25

Segment.01 Hello. I'm Dr. Jerry Scheidbach, pastor of the Lighthouse Baptist Church in Santa Maria, CA, and your brain masseur. Get ready for your brain massage.

The fight for our liberties is on, and the heathen are raging! Fear not, little flock, it is the Father's good pleasure to give you the kingdom.¹

The world is not handling the revival of the West very well at all!

The World is freaking out! From sabotaged escalators and teleprompters, to a massive walkout on Netanyahu² at the UN, to assassinating Charlie Kirk, and the bizarre reaction from the violence-crazed Demons possessing the "children of disobedience"—key expression, by the way. Wow!

James Comey has been indicted: let's look at the good news, the "it gets even better news," the disappointing news, and then the news that removes the disappointment. Hehe.

Jesus, the divider!³ He separates the tares from the wheat, the goats from the sheep. He warned us, Do not make the mistake of thinking 'I am come to send peace on earth' (Matthew 10:34). How

[TRUTH]

The world is not handling the revival of the West very well at all!

The World is freaking out! From sabotaged escalators⁸ — the UN has ascribed the incident to an accidental triggering of a safety mechanism likely caused by a videographer ahead of the President and First Lady walking backwards who accidentally triggered the safety feature when he reached the top of the escalator. They claimed they examined the “raw CPU/readout that confirmed the escalator stopped because of a triggering of this feature. However, they have not released this printout to the public. The fact that the UN referred to this as support for their claim but has not released the document, leaves the matter vulnerable to speculation that it was done to harass our President. Add the teleprompter failing only for “His Excellency” the President — and, well, you see what I mean.

I watched the entire speech. I noticed that the “President of the UN, or its moderator, announced our President, calling him “Your Excellency.” I learned that this is the customary address for heads of state. I also learned that the formal accepted address after the

speech of a head of state is “On behalf of the General Assembly, I wish to thank the (name of the head of state, in this case, The President of the United States of America) for the statement just made, and I request protocol to escort His Excellency.”⁹

“Her Excellency Annalena Baerbock” was appointed president of the 80th session of the UN at the meeting, and President Trump was introduced as “Your Excellency.” It is noteworthy that she did not refer to him as “his Excellency” when Trump left the podium.

Even her tone in the introduction struck me as a bit snarky!¹⁰

As for the massive walkout on Netanyahu at the UN, check it out here.¹¹ His speech was very powerful! I don’t remember the UN reacting to October 7 with anything near the outrage they have exhibited against Israel for doing the world the favor of eliminating Hamas and Hezbollah. It is offensive to any reasonable mind to hear these hypocrites condemn Israel for demanding the hostages taken by Hamas be returned before any “peace” can prevail in Gaza. And the fact is, Israel has done more than any other civilized nation to protect civilians in their effort to free Gazans from their wicked and oppressive overlords in response to their murderous, uncivilized and vicious and unprovoked attack on Israel on October 7th. ENOUGH OF THIS NONSENSE.

Israel has a legitimate interest in establishing security in Gaza, so long as Hamas is welcomed there!

James Comey has been indicted. Kash, Bongino, and Bondi have proof he lied, and finally, the DOJ has convened a Grand Jury. The Grand Jury were presented with two counts and returned an indictment. He will face trial beginning in early October.¹²

While Kash does mention the Russia-gate hoax in his statement regarding the indictment, there does not appear to be any support for the rumors saying the Grand Jury returned a “No bill” or refusal to indict Comey on a charge that he is complicit in the scheme of Hillary and Obama to use the Russia-Collusion hoax to remove Trump from office. It turns out, at least so far as I can find, that the only counts presented to the Grand Jury are connected with the allegation that he made false statements to Congress and obstructed a congressional proceeding.

If it turns out a third allegation was presented to the Grand Jury, accusing Comey of conspiracy in the Russia-Collusion hoax, and they failed to indict him for that charge, a Grand Jury’s failure or refusal to indict is not an acquittal — the DOJ can present their case before another Grand Jury, and there is precedent for this.

The judge assigned to hear this case is a Biden appointee, Machmanoff. He granted bail to Giuliani when he was charged with campaign finance violations in 2019, and he did side with the Trump Administration in the battle to fire the doctor and CIA agent who pushed for the forced vaccinations of Military personnel.¹³ He has a reputation for being “soft” on dope pushers and has fought to free sentencing from mandatory minimums.

The reason Machmanoff, a Virginia District Judge, and not a DC District judge, is due to an interesting discovery: Comey gave his testimony before Congress remotely from Virginia—he did not appear before the House of Representatives in Washington, DC. That's good news, since it is impossible to get an unbiased jury in DC.

Trump's response to the indictment: "Whether you like Corrupt James Comey or not, and I can't imagine too many people liking him, HE LIED! It is not a complex lie, it's a very simple, but IMPORTANT one. There is no way he can explain his way out of it. He is a Dirty Cop, and always has been, but he was just assigned a Crooked Joe Biden appointed Judge, so he's off to a very good start. Nevertheless, words are words, and he wasn't hedging or in dispute. He was very positive, there was no doubt in his mind about what he said, or meant by saying it. He left himself ZERO margin of error on a big and important answer to a question. He just got unexpectedly caught. James "Dirty Cop" Comey was a destroyer of lives. He knew exactly what he was saying, and that it was a very serious and far-reaching lie for which a very big price must be paid! President DJT" (Truth Social - 9/26/25 3:57 PM).

The effort to cut the cancerous tumor out of the body politic is going to be slow going, and you can expect to experience some pain. There is no anesthetic for this kind of surgery—except for the Holy Spirit's comfort and assurance that "all things work together for good to them that love GOD" (Romans 8:28). We've got to be patient, vigilant, and diligent in our pursuit of justice.

Jesus, the divider?¹⁴ Most think of Jesus as a great uniter! They think His priority is unity, and that unity is a kind of virtue. But the truth is, according to His own testimony, He is a divider!

Listen to His own words. I'll paraphrase His statement, but you can read it in Matthew 10:34-36. "Don't make the mistake of thinking I am come to send peace on Earth. I have come to send a sword. Families will be divided over Me, sons against their fathers and daughters against their mothers — a man's foes will be from his own household."

How does that square with the Father's birth announcement for His Son: "On earth peace, goodwill toward men"? (Luke 2:14)

God desires peace on Earth, and has man's goodwill in mind. Jesus said, "For God so loved the world that He gave His only begotten Son, that whosoever believeth in Him shall not perish but have everlasting life." (John 3:16).

But Jesus did not come to surrender to the world in exchange for peace! The peace He offers requires the world to surrender to Him.

¹⁴ Matthew 10:34 Think not that I am come to send peace on earth: I came not to send peace, but a sword.

Matthew 10:35 For I am come to set a man at variance against his father, and the daughter against her mother, and the daughter in law against her mother in law.

Matthew 10:36 And a man's foes shall be they of his own household.

The world must acknowledge the Father's SON as Christ, the King of the world, Prince over all the kings of the Earth. This is something the world refuses to do—that is, the children of disobedience refuse to confess Jesus is LORD with a sincere heart of surrender to His authority, to acknowledge His right to rule. To have the “peace” God offers to this world, every knee must bow and every tongue must confess that His Son, Jesus Christ, is LORD to the Glory of GOD the Father.¹⁵

The children of disobedience¹⁶ refuse to declare Christ is KING. Psalm 2 is a prophecy that began fulfillment when God gave His Son to mankind, and they killed Him. He asked: “Why do the heathen rage, and the people imagine a vain thing. The kings of the earth set themselves, and the rulers take counsel together against the LORD, and against His anointed, saying, Let us break their bands asunder and cast away their cords from us.”¹⁷ He ended this prophecy warning the kings of the earth to “kiss the Son lest He be angry and ye perish from the way when His wrath is kindled but a little.”

What sort of “division” did Jesus bring?¹⁸

Ultimately, He separates the tares from the wheat, the goats from the sheep. In this world, He is the line of separation between the wicked from the righteous, the violent from the virtuous, the true from the false, the liar from the truth-doer, the good fish from the bad fish, the diamond from the zirconium, the real from the fake.

¹⁵ Romans 14:11 For it is written, As I live, saith the Lord, every knee shall bow to me, and every tongue shall confess to God.

Philippians 2:10 That at the name of Jesus every knee should bow, of things in heaven, and things in earth, and things under the earth;

¹⁶ Ephesians 2:1-2

¹⁷ Psalm 2:1-3

¹⁸ By the way, the odd-sounding expression, “I am come,” is important. It indicates that what follows is a result of His coming and not the intention.

We will one day unite around Him, when every knee shall bow and every tongue confess that Jesus Christ is LORD to the glory of God the Father.

He said He has come to send a “sword.” This “sword” will divide the family — listen to this young lady's testimony. Caveat: I am unable to find her name. Also, I had to edit it due to time constraints. To hear and view the entirety of her testimony, go here.²⁰

She is right, to a point. Prayer is the first thing, the primary thing, the one without which no other thing will prevail: but our actions do not end, but begin with prayer. James said, “Faith without works is dead.” He taught us that our works show our faith.²¹ The old saints would say, You must put feet to your prayers. One way to put feet to your prayers and help these young people is to follow Charlie's example. A great way to do that is to either join TP USA or start your own version of the same approach. Find a way to get God's message to our young people.

The Division Jesus makes is between the lawful peace-seeker versus the lawless violent, and it's Trump in the law and order corner versus Soros in the lawless chaos corner. Report from the Ring! Trump signed the National Security Presidential Memorandum: “Countering Domestic Terrorism and Organized Political Violence”

²¹ James 2:18 Yea, a man may say, Thou hast faith, and I have works: shew me thy faith without thy works, and I will shew thee my faith by my works.

James 2:20 But wilt thou know, O vain man, that faith without works is dead?

James 2:26 For as the body without the spirit is dead, so faith without works is dead also.

on Thursday, September 25, 2025.²² You can look at the text of the Memorandum here.[IBID] I'll read the opening paragraph of section 1:

“Section 1. Domestic Terrorism and Organized Political Violence. Heinous assassinations and other acts of political violence in the United States have dramatically increased in recent years. Even in the aftermath of the horrifying assassination of Charlie Kirk, some individuals who adhered to the alleged shooter’s ideology embraced and cheered this evil murder while actively encouraging more political violence. This was preceded by the 2024 assassination of a senior healthcare executive and the 2022 assassination attempt against Supreme Court Justice Brett Kavanaugh. Two separate assassination attempts against my own life in less than 3 months took place during the 2024 Presidential election cycle. Riots in Los Angeles and Portland reflect a more than 1,000 percent increase in attacks on U.S. Immigration and Customs Enforcement (ICE) officers since January 21, 2025, compared to the same period last year. Just yesterday, a shooting targeting an ICE facility in Dallas resulted in multiple casualties. Separate anti-police and “criminal justice” riots have left many people dead and injured and inflicted over \$2 billion in property damage nationwide.”

The President goes on to declare: 1. These are not random, isolated incidents. These are part of a sophisticated, organized campaign of targeted intimidation and radicalization aimed at suppressing the free speech of anyone who opposes a certain ideology and dissuading political activity in opposition to it by attacking their political opponents. 2. This activity is justified by claims it is motivated by anti-fascism, justifying lawless violence against anyone they target as “Nazi” or “Fascist,” without affording any lawful due process—they act as Anarchists. 3. Because of this, the

²² 1057.27.1-Countering Domestic Terrorism and Organized Political Violence – The White House https://www.whitehouse.gov/presidential-actions/2025/09/countering-domestic-terrorism-and-organized-political-violence/?utm_source=chatgpt.com

President recognizes the need for a comprehensive strategy that will facilitate law enforcement's efforts to maintain the peace. And 4. The appointment of a Joint Terrorism Task Force (JTTF) to coordinate and supervise the investigation of these domestic terrorist groups and those who fund them.

The JTTF will investigate acts or conspiracies to commit acts of political violence terrorism, and conspiracy against human rights, especially the deprivation of any citizen's rights. It will also investigate "Institutional and individual funders, and officers and employees connected with these organizations (Soros Open Society employees??) as aiding and abetting the principal actors committing these political terrorist crimes. Trump extended the reach of the full force of American power to include so-called "non-government organizations" (NGOs) and American citizens residing abroad or that have close ties to foreign governments, agents, citizens, foundations (Another sideways look at SOROS), or influence networks engaged in violations of the Foreign Agents Registrations Act (22 U.S.C. 611), including money laundering.

Furthermore, Trump has directly charged Pam Bondi to direct the DOJ to prosecute all Federal crimes, "to the maximum extent permissible by law." He instructed Bondi to "ensure domestic terrorism priorities include politically motivated terrorist acts" and included doxxing as a "politically motivated terrorist act." WOW!

Cat will like this. Trump also included "swatting" as a domestic terrorist act.

He included rioting, looting, trespass [? - that one is a bit concerning—if someone at an abortion clinic steps across the line dividing public and private property, would that be an act of domestic terrorism — this needs to be qualified in trespassing to commit an act of violence, etc.] but of course assault, destruction of property, and "threats of violence" [Ooo! Another one that requires a footnote explaining exactly what constitutes a "threat of violence."

From there, President Trump seems to be calling for organizations to be *Profiled*: “This guidance shall also include an identification of any behaviors, fact patterns, recurrent motivations, or other indicia (indish’a) common to organizations and entities that coordinate these acts in order to direct efforts to identify and prevent potential violent activity.”

Trump ordered the coordination of the Secretary of the Treasury, the Commissioner of the IRS, and all “Federal law enforcement agencies with investigative authority” to question and interrogate any individual deemed to have been engaged in political violence or lawlessness. He stipulated clearly that this extends to organizations supporting this behavior and that they should be pursued in the same manner as we approach “violent crime and organized crime.” Trump authorized the Attorney General to designate organizations supporting individuals committing domestic terrorist acts as domestic terrorist organizations. Further, Trump ordered that these organizations and individuals engaged in domestic terrorism and so designated shall be a “national priority.”

It’s amazing how God is moving right now! The children of disobedience versus the children of obedience. All men are commanded to repent and believe in Jesus Christ; those who obey are the children of obedience, those who refuse are the children of disobedience. The children of disobedience have the SPIRIT of Jesus Christ, Prince over all the kings of the Earth.²³ The children of disobedience are under the influence of the spirit of Satan, called the prince of the power of the air.²⁴

²³ Revelation 1:5 And from Jesus Christ, who is the faithful witness, and the first begotten of the dead, and the prince of the kings of the earth. Unto him that loved us, and washed us from our sins in his own blood,

²⁴ Ephesians 2:2 Wherein in time past ye walked according to the course of this world, according to the prince of the power of the air, the spirit that now worketh in the children of disobedience:

Christ's Spirit is in the world to give us life and to give it more abundantly.²⁵ Satan's spirit is here to steal, kill, and destroy.²⁶ Jesus is the Spirit of TRUTH.²⁷ Satan is a liar and the father of lies, and a murderer from the beginning.²⁸ The children of obedience are saved.²⁹ The children of disobedience are lost.³⁰ That's the division: it's not right and left, Democrat and Republican—it's saved and lost.

Remember how, toward the end of the 2024 campaign, GOD set up the election to be a referendum on the declaration: Christ is KING! Right now, it's shaping up into a clear division between the children of obedience and the children of disobedience! The violent ragers, who take the kingdom by force, and the peace-loving believers, who receive the kingdom from CHRIST.
