Segment.01 Hello. I'm Dr. Jerry Scheidbach, pastor of the Lighthouse Baptist Church in Santa Maria, CA, and your brain masseur. Get ready for your brain massage.

Davos dynamited! American Hero brings down "Nimrod's Tower" in Europe, while Republican RINOS work to rebuild it here.

They have begun an open but feeble

attack on the churches.

They are scrambling to preserve their only means of holding power: election theft. But the SAVE Act was passed anyway.

Trump got Greenland, and got it for free.

Putin has gotten very small. Xi is in frantic mode. Trump will build resorts in Gaza. The Board of Peace has formed. Even Putin is in—pledges a billion to support Trump's plan for Gaza.

The Globalist plan to subjugate the people of the world through their lab-created diseases and forced worldwide population control failed.

It's time for your brain massage®!

[TRUTH]

Davos dynamited! American Hero brings down “Nimrod's Tower” in Europe, while Republican RINOS work to rebuild it here.

After a glowing report on the progress he has made in making America great again, and, as Trump said, that's good news for everybody in the world: for “when America booms, the entire world booms.” And “When America goes bad, ... you all follow us down, and you follow us up.”

This is what God promised would happen to those who bless Abraham. God tied His blessing and His curse upon nations to Abraham: thus saith the LORD: “I will bless them that bless thee, and curse him that curseth thee: and in thee shall all families of the earth be blessed” (Genesis 12:). To clarify, at the Cross, GOD removed what separated the Jews and the Gentiles.¹ The unbelieving Jews were cut off from the “Olive Tree,” representing Abraham's promised nation, and the believing Gentiles were grafted in (Romans 11:17-21). The “people of GOD” today include all who

¹ Ephesians 2:14 “For he is our peace, who hath made both one, and hath broken down the middle wall of partition between us.” Read the context in full, it will blow your mind (Ephesians 2:11-17).

correctly answer the question Jesus puts to all mankind today: “Whom do ye say that I, the Son of man, am?” Answer: “Thou art the Christ, the Son of the living GOD.”²

All who confess Jesus is LORD, believe He arose from the dead, and call on His name to be saved are counted among Abraham’s children today (“Know ye therefore that they which are of faith, the same are the children of Abraham” (Galatians 3:7).

Anyway, after Trump gave a progress report on his MAGA agenda, he picked up *John Henry’s* hammer and started driving steel stakes into the base of the latest effort of the globalists to subjugate humanity under their tyrannical power. It’s the ancient spirit of Nimrod. It’s the spirit of antichrist. the prince of the power of the air, the spirit that works in the children of disobedience to pull the kingdoms of the world under the power of Satan. This spirit rages against the Spirit of Christ. It’s the opposite: the spirit that animates the children of disobedience is the spirit of lies and tyranny.

Jesus’ Spirit is the Spirit of Truth, and, as Jesus said, “the truth shall make you free” (John 8:32). And wherever you find the Spirit of the LORD, there is liberty (2 Corinthians 3:17).

Jesus is the “way, the truth, and the life” (John 14:6), and He founded His church (the ekklesia) in the earth, which He declared to be the “House of GOD, the pillar and ground of the TRUTH” (1 Timothy 3:15), with the keys of His kingdom, giving His ekklesia authority to bind and loose (Matthew 16:16-19). The Church is commissioned to “wrestle not against flesh and blood ... but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places” (Ephesians 6:12-21). This is why the spirit of antichrist moves the lawless children of disobedience to attack Christ’s Church.

² Matthew 16:16; see Romans 1:3; 1 John 4:2-3; and 2 John 7.

Christ's Church prayed and fasted, and appointed spiritual assault prayer teams to target specific satanic strongholds that were set in place in America during the Church's slumber in spiritual apathy, and using the "weapons of our warfare," which are "not carnal," that is, not physical, we began pulling them down (2 Corinthians 10:4).³

And God has raised up a champion of religious liberty, and justice, and is willing to use the sword of judgment to restore justice and protect liberty, and he has, like John Henry, taken the railroad spikes and driven them deep into the foundations of Nimrod's Tower, and it's crumbling before our eyes.

Trump, prophet-like, cried upon once "Christian" Europe: He spoke of some of his friends who lately travelled in Europe and said, "I don't recognize it." And clarified, they did not mean this in a positive way, but in a very negative way. (See the transcript of his speech here.⁴) Like the mighty *John Henry*, Trump swung the great hammer of truth at the steel spike again: "I love Europe, and I want to see Europe go good, but it's not heading in the right direction." [IBID.] He drove the spike into the heart of the matter: "In recent decades, it became conventional wisdom in Washington and European capitals that to grow a modern Western economy was through ever-increasing government spending, unchecked mass migration and endless foreign wars."

[GET SOUND EFFECT OF A HAMMER HITTING A STEEL SPIKE. — insert].

Trump said some places in Europe (like London) are "not even recognizable." Because they are "propped up by importing new and entirely different populations from faraway lands" — people who have invaded our once Christian nations and have set about to

³ 2Corinthians 10:4 (For the weapons of our warfare are not carnal, but mighty through God to the pulling down of strong holds;)

transform them into hotbeds of antichrist, anti-liberty ideologies, corrupting our countries and threatening to steal from once Christian lands their liberty, invading them with ideologies inconsistent with freedom.

Trump spoke of the idiocy of following the “Green New SCAM,” virtually selling themselves into slavery to China—he chastised the foolish notion that they would put themselves into dependency upon an atheistic regime that hates truth and liberty—the DRAGON of China, and the hungry, ranging Bear of RUSSIA have been driven back.

The People sent their champion to declare what anyone can see who has eyes: The fate the radical left tried to impose on America is on display in Europe. The foolishness of using China’s windmills, when not even China is so stupid as to use them. He said European leaders are “stupid” for submitting to a devilish plot to surrender their sovereignty to China. He exposed the foolishness of European leaders who hypocritically rage against Russia invading Ukraine while they fund the invasion by their continued dependency on Russian oil.

He slapped these leaders with TRUTH, and many woke up blinking in the bright light of his logic, and brutal honesty —

And in the spiritual realm, the antichrist TOWER was being pummeled, and the TOWER began to crack, and the stones began to crumble.

Trump took the mythical hammer of John Henry to the synthetic brick and slime of Nimrod’s Tower — and it’s crumbling.

Their plans for a “new world order” are in demolition mode. Jim Ferguson summarized it well⁵:

“GLOBALISM JUST DIED IN DAVOS

Howard Lutnick walked into the lion’s den — and told the World Economic Forum exactly what they didn’t want to hear.

“Globalism has failed.” And Trump declared its demise on its own stage at the WEF in DAVOS.

Trump dismantled the entire WEF doctrine in minutes:

- Offshoring hollowed out the West
- Cheap labor destroyed innovation
- Net Zero made Europe dependent on China
- Sovereignty begins with borders
- Nations must control their industry, energy, and medicine, or forfeit their sovereignty and betray their people to the rule of tyrants.

Then came the line that shook the room:

“Why would Europe agree to Net Zero when they don’t even make a battery?”

Moral posturing while outsourcing power to Beijing.

America First isn’t isolation. It’s independence.

Lutnick made it crystal clear: The old model is finished. The globalist experiment has failed.

The future belongs to nations that put their people first.

DAVOS just heard its own obituary!⁶

Okay, hold on through the break. I’ll be right back!

Segment.02 Hello. Welcome back! I'm Dr. Jerry Scheidbach, pastor at the Lighthouse, your brain masseur, and Paul Revere's lantern lighter, lighting the lamps in the church belfry arch, signaling the enemy is on the march—an enemy that would steal from us our liberty.

For any curious about my use of John Henry as a metaphor for Trump taking down Nimrod's Tower, tune in Saturday night (1/24/26) during Brain Massage® LIVE, Episode No. 1034.

Trump declared the dismantling of Nimrod's modern effort to build his tower. Read Genesis 10-11 for the backstory. Briefly, Nimrod was the first man-who-would-be-king, set himself against GOD, and began the kingdom of Babylon. It was the first effort to establish a one-world government under a "man of sin," a man who would lead the people against the only true KING, our Creator.

The people discovered synthetics—they used brick for stone, and slime for mortar (Genesis 11:3). These are synthetic alternatives to stone and clay-based mortar. Isn't that interesting? In their vanity, king Nimrod inspired them to build a tower that would "reach unto heaven" (Genesis 11:4). God declared if He did not intervene, nothing would be beyond these wicked people, so he destroyed their tower and confused their tongues, then scattered them all over the Earth. They set up kingdoms in the fashion of Babylon, and thus began the kingdoms of men.

From that time until now, Satan, who was the inspiration behind Nimrod's scheme, has attempted to work his will and bring mankind under his power through a globalist agenda—and each time he almost succeeds, God intervenes and breaks his "TOWER."

The modern effort at creating a one-world government ruled by a leader who hates GOD was inspired in the heart of Karl Marx, who hated GOD, and spawned the evil of communism, aka Marxist Socialism, and the result has been 65-70 million killed. Communism advances on the graves of God's people. Check out a

famous catalogue of the brutality and tyranny of communism in *The Black Book of Communism*.⁷ Of course, the Communists dispute it, but the record supports it. America has been in the way of the Communists, and the wicked know that the power of America has been, and continues to be, Christianity. As America falls away from her Christian roots, as Christians become worldly and apathetic toward God, she begins slipping into tyranny. And the Tower begins to form, and the builders of the globalists begin to build, until finally, Christians begin to waken from their slumber, and they begin turning back to TRUTH that makes us FREE, the Spirit of Truth begins to stir, and LIBERTY is restored.

This is the cycle that has repeated several times in history—America is turning back toward her roots, and blessing rather than cursing the children of Abraham. The Tower of despotism rises or falls on this question: whether a nation blesses or curses Abraham. You'll have to hear the first segment to understand this properly, but let's pick it up from where we left off.

We are in a TOWER demolition cycle. Don't blow it. Turn to Christ.

It is not a mistake that the 2024 election was subtly focused on the question: Who is KING — the government, or CHRIST.

Right now, in a counterattack from the NIMRODIANS, the prince of the power of the air, the spirit that works in the children of disobedience, is in a panic, and clumsily stirred up his agents here to shore up his gains in the US, to preserve what he can of his TOWER.

The gremlins of hell frantically gather up bits and pieces of the crumbling TOWER in a feverish attempt to reconstruct it here in America.

They take aim at the CHURCH.

A lawless, anti-ICE mob, led by Nekima Levy Armstrong, Chauntyll Louisa Allen, and William Kelley (doesn't he have a middle name? :) assaulted the peaceful assembly of Christian in Cities Church in St. Paul, Minnesota. They have watched their attack fizzle like a snapped fuse.⁸ Arrests have begun, and these three leaders of that outrageous assault on Christian liberty have been arrested.

Minnesota has a statute (609.28—interfering with Religious Observance⁹) that makes it a “gross misdemeanor” if they “intentionally and physically obstruct any individual’s access to a religious establishment or interfere with worship activities.” This includes disrupting a religious observance. But the Minnesota police are being told to stand down, to ignore this egregious effrontery of the laws of Minnesota.

These “protesters” are also guilty of disorderly conduct statute 609.72, which prohibits disturbing an assembly or a meeting, specifically including a religious service, and can be a misdemeanor if someone intentionally causes alarm, anger, or disturbance.¹⁰ Criminal trespass can be charged if the invaders were told to leave and refused.¹¹

In addition to State Law, Federal Laws also apply. FACE is being used—the Freedom of Access to a Clinic Entrance Act (FACE),

surprisingly to some, includes a provision that makes it a crime to intentionally injure, intimidate, or interfere with someone's exercise of religious freedom at a place of worship.¹²

Curious that protecting a baby murderer's right to access an abortion clinic is protected in the same law that protects access to religious worship. Make of that what you will! Woah! It's true that some abortionists equate the right to kill a baby in the womb with the right to worship God.

Anyway! Anyone who argues that the First Amendment guarantees the right to violate the First Amendment rights of others is a macaroon!

Don Lemon, you are a macaroon!

You have a "friend" protecting you from the law, at present. A magistrate, which is a low-level court functionary that handles preliminary matters, like arrest warrants, and, well, I heard someone explain they take care of what amounts to legal clerk work and empty the trash, well, the judge that refused to sign Don Lemon's warrant for arrest happens to be married to a gal¹³ who works as an assistant attorney general in the office of Minnesota's AG, Keith Ellison.

Keith Ellison is accused of obstructing ICE and is likely to face charges for "actions or communications that may have impeded or conflicted with federal enforcement activities."

Keith has been subpoenaed, along with Governor (Tampon-Tim) Walz and Minneapolis Mayor Frey, to answer questions about their roles in obstructing federal officers in the execution of their

enforcement duties.¹⁴ Hmmm. Seems like this interference by the husband of an assistant attorney general in the Attorney General's Office might come up! What do you think?

Our Evangelist to our Capital in Sacramento, Brock Campbell, informed me of his plan to advocate for the strengthening of California's law that provides protection for worshippers in CA churches from this sort of assault. He provided the code as it is found in ARTICLE I DECLARATION OF RIGHTS, Section 4 "302. (a) Every person who intentionally disturbs or disquiets any assemblage of people met for religious worship at a tax-exempt place of worship, by profane discourse, rude or indecent behavior, or by any unnecessary noise, either within the place where the meeting is held, or so near it as to disturb the order and solemnity of the meeting, is guilty of a misdemeanor punishable by a fine not exceeding one thousand dollars (\$1,000), or by imprisonment in a county jail for a period not exceeding one year, or by both that fine and imprisonment." [By the way, any assembly organized for worship qualifies with or without 501c status.]

Anyone would do well to reflect on the greater JUDGE and His disposition regarding the Church that GOD purchased with His own BLOOD (Acts 20:28). Saul, who was later called Paul the Apostle, was hailed by the JUDGE of ALL THE EARTH, and the PRINCE OF THE KINGS of THE EARTH, Whose name is JESUS, on the road to Damascus and challenged: "Saul, Saul, why persecutest thou me?" (Acts 9). Saul asked, "Who art thou, Lord?" And he received the answer: "I am Jesus whom thou persecutest." So, that's Who you are assaulting with your vile harangue and empty accusations. Paul was acting in protest, by the way.

You say, well, Saul was hailing Christians before the “magistrates,” beating them, imprisoning them, and even killing them. Right! And exactly how does that change the point: regarding Whom you are acting against when you assault an assembly of the Ekklesia, right?

Anyway, I’m sure Jesus will take all of that into consideration when you face Him for your assault against an embassy of the Ekklesia of the KINGDOM of GOD.

Herod tried to meddle with the Church — killed James and imprisoned Peter, intending to do the same to him. The Angel of the LORD intervened in response to the prayers of the ekklesia (church—Acts 12:5) and freed Peter.

I notice that the Spirit of Christ did not ask Herod’s permission to release Peter, nor did He “move the heart of the king” to release him; He simply walked him out. And when Peter realized he was not dreaming, but that GOD’s Angel had freed him, he did not “honor Herod’s authority” by returning to his imprisonment; instead, he went to prayer meeting.

After all this, Herod still didn’t get it; he did not read, or if he did, he did not heed the memo God sent to earth’s kings through Nebuchadnezzar, saying GOD RULES OVER THE KINGDOMS OF MEN (Daniel 4). Or the law of kings given to us through the premier king raised up by God among men, David: “The God of Israel said, the Rock of Israel spake to me, He that ruleth over men must be just, ruling in the fear of God” (2 Samuel 23:3).

Herod ignored the message of Paul in Ephesians 2:21, saying Jesus has been exalted above every ruler in the world, both NOW, in the world that NOW IS, and in the world to come. He refused the testimony of John the Apostle, declaring Jesus to be “prince of the kings of the earth” (Revelation 1:5), so when the fools of Tyre hailed him as god, he failed to give GOD the glory, and the Angel of the LORD smote him so that he was eaten by worms and died.

True, the Lord's Church has grieved and in many quarters quenched the Spirit of the LORD and so is weak in power and authority. Nevertheless, she continues to be the "church of God" bought by the BLOOD OF JESUS CHRIST, and this Ekklesia will at 5 PM this Sunday evening, assemble with the Head of the CHURCH, Jesus CHRIST, and petition the THRONE of the ALMIGHTY that His "ANGEL" will put down this evil rebellion against the EMBASY of Christ's KINGDOM quickly and decisively. Let's begin the wrap-up of our time together for this show. Please come on out to the Lighthouse this Sunday.

Probably the most significant blow against Nimrod's globalist agenda is the strengthening of the right of the CONSENT OF THE GOVERNED. Political power comes from GOD but a government gets its power from the consent of the governed. That's a biblical principle, and it's always true, that the only way tyrants gain and hold power is through the consent of the people. Consent is the key.

This is a secret Ayatollahs and other dictators, like Xi, don't want the people to ever figure out. Once the masses of "the people" rise up and demand FREEDOM and LIBERTY, it's game over for the dictators.

They use every means possible to discourage the people from rising up. And people who are willing to trade liberty away for comfort, to be taken care of by "government," will always become slaves.

Once the people are willing to say, "Give me liberty, or give me death," it's over for tyrants.

The people of Iran and China will continue to live under oppression so long as they consent to the bullying and oppression. That is also true in Cuba, North Korea, and everywhere else that the God-hating system of Marxist ideology has taken root.

You cannot free a people who are not ready to say, “give me liberty, or give me death.” All you will do is deliver them to the oppression of a new tyrant.

Gotta go! God bless.
