Original Air Date: 07.24.26

Segment.01 Hello. I'm Dr. Jerry Scheidbach, pastor of the Lighthouse Baptist Church in Santa Maria, CA, and your brain masseur. Get ready for your brain massage.

Status of concern about Sleeper Cells in CA.

Which leads us to an Iran War Update.

We prayed for exposure of hearts on the right or on the left - we wanted GOD to show us what He sees.

He continues to show

us the heart of the Democrat Party, and slowly, incrementally, Democrat eyes are opening: We've welcomed RFK and Tulsi, and now Fetterman is the most notable present example. When I say the devil has joined and been welcomed into the Democrat Party, I'm not kidding. They are now gone so far from being an American

Party that they are embracing Communism. Hold on, it's going to be a paradigm-shifting show for you.

It's time for your brain massage®:

[TRUTH]

Status of concern about Sleeper Cells in CA. The war for American Security and Peace for the Middle East has reached a fever pitch, and yet, remember those “sleeper cells” we heard so much about back in the day? Listen—

[SNORING]

I guess they're still sleeping.

The last noise anyone made about the threat of sleeper cells was back in March (2026). A Fox News article titled *Enemy within: Counterterrorism experts fear sleeper cells could be poised inside US*.¹ It's a reasonable operational posture policy for our counterterrorism units affecting Federal and local law enforcement personnel. The last time DHS officially issued a National Terrorism Advisory System Bulletin (NTA) was about a year ago, at around June of 2025 - what was that, yeah, June 22, Trump sent the B-2s over Fordow, Natanz, and Isfahan, taking out their nuclear bomb production sites and burying their nuclear dust under an estimated ~270 feet of granite and rock in Fordow, about ~100 feet in Natanz, and Isfahan, where it is believed about half of the Iranians' 400 kilograms of 60% enriched uranium was buried under an estimated ~300 feet of collapsed rock, soil, and concrete. The operation appears to have entombed their entire 400-440 kg stockpile.² (Israel

intelligence has said “the approximately 400-440 kg stockpile had not been moved before the strikes and has not been moved since.”³)

That was the last NTA warning that has been issued. Sort of reminds me of a video I saw of Muslims beginning their Adhan one early morning and having it suddenly and abruptly interrupted by an Israeli missile:

Which leads us to an Iran War Update.

The conflict with the Iranian usurpers of the natural and God-given rights of the Iranian people continues. The POTUS is publicly warning them that additional attacks on U.S. forces or international shipping will be responded to by a massive attack.⁴ Trump says this while we are taking out IRGC military and logistical targets all over Iran, and this will continue so long as the enemy is capable of attacking US and allies’ assets and personnel.⁵ The negotiations proceed to the sound of bombs taking out strategic targets, some of them close enough to Tehran to rattle some windows.⁶

Our Department of Homeland Security does not think it’s necessary to alarm Californians at present. The FBI has found,

disrupted, and taken into custody known terrorists active in California in the past.⁷ Generally, investigations have been conducted in areas with large populations and major military infrastructure—like Vandenberg Space Force Base in nearby Lompoc. If you want to do some digging, here is an FBI report on the Iran Threat.⁸

RFK and Tulsi Gabbard are the latest of a long list of Democrats fleeing the Party's hard-left shift. Looks like Fetterman will be next.

Islamizing of CA?¹⁰ You know what, the next segment is going to be long and I want to keep it all together. So, hold on through the break. I'll be right back.

Segment.02 Hello. Welcome back! I'm Dr. Jerry Scheidbach, pastor at the Lighthouse, your brain masseur, and Paul Revere's lantern lighter, lighting the lamps in the church belfry arch, signaling the enemy is on the march—an enemy that would steal from us our liberty.

Should our state recognize a Muslim holiday? Did you know CA does not officially recognize Cinco De Mayo? But CA does recognize Diwali — a Hindi holiday.¹¹ Christmas is noted as December 25th — I mean the word *Christmas* is not used; it's just December 25. I'm curious about some others that are not identified but by the date or day. For example:

January 1, but that's easy. Like December 25 is easy. Everyone knows January 1 is New Year's and December 25th is Christmas. But why not say New Year's and Christmas? July 4th is obvious: Independence Day — no need to say Independence Day, or Christmas Day, or New Year's Day?

What is the third Monday of February? I guess that's Valentine's Day. But the March 31st holiday is given an explanatory note: "Known as 'Farmworkers' Day.'" Likewise, April 24, it's "Known as 'Genocide Day.'" So, what's with a scheduled holiday identified only as "The last Monday in May"? (That's Memorial Day, so why not append this to the item in this list, as with so many others.) Or "The first Monday in September" — is that one Labor

Day? And, are you kidding me, where is Thanksgiving Day? Halloween is not on the list either.

I wonder if some future investigator will look at this and wonder, “What’s December 25th”? Probably the weirdest thing is line no. 20, it has an A and a B:

“(20) (A) Every day appointed by the President or Governor for a public fast, thanksgiving, or holiday.

(B) Except for the Thursday in November appointed as Thanksgiving Day, this paragraph and paragraphs (3), (4), and (7) shall not apply to a city, county, or district unless made applicable by charter, or by ordinance or resolution of the governing body thereof.” [IBID]

By the way, this is the law of holidays for CA as of March 26, 2026. I say Americans have no responsibility to set aside days called Holy to validate the *holy days* observed as customs imported to America from any foreign country. They should not be given “legal” status, and elevated to be on a par with our holidays. In the same way our Mexican-Americans observe Cinco de Mayo, the Muslims can observe their Eids — freedom of speech, and all that. But to require the State to acknowledge these holidays introduces into our culture values and beliefs that are not in harmony with our Declaration, our Constitution, and our Bill of Rights. Mexico expressly repudiates the notion that GOD endowed His creature created in His image and likeness with inalienable rights that supersede government.¹² (However, Mexico’s Constitution does provide for the Consent of the Governed: “The people have at all times the inalienable right to alter or modify the form of their government.” [IBID] It’s a very important difference, however minor it might

¹² I assume you have a copy of the U.S. Constitution. Compare to Mexico’s Constitution:

(English Translation) 1101.6.01-CONSTITUCIÓN POLÍTICA DE LOS ESTADOS UNIDOS MEXICANOS https://www.te.gob.mx/legislacion/media/files/d0f7f10172a1585.htm?utm_source=chatgpt.com

seem to some. The Mexican Constitution does remove God from the inalienable rights of man. Our's acknowledges nature AND NATURE'S GOD. Mexico has separated GOD from man. This vests in man the ultimate source of authority, so you end up with, well, Mexico, governed by the "strong man."

The Hindi have a worldview that recognizes a "divinely ordered moral universe." But neither their "thinkers" nor their sacred texts ever conceived of the notion that because God created every person in His image and likeness, therefore, every individual possesses the same inalienable human rights as a foundation for establishing a political order. Their worldview of divinity creates more of a Dharma, something akin to Karma; the idea of Deity gets diluted into something nearer to the "Force Theology" of Star Wars. So there is no Personal GOD Who created man in His image and likeness. The Hindu people created a constitution, and the people's rights come from the Constitution.

Islam likewise does not found their laws upon a notion of divinely endowed rights shared equally by all men as Created in the image and likeness of GOD. Their worldview includes the notion that man is created by Allah, but not in his image and likeness. Man is an honored creature,¹³ but the idea that GOD made him in His image and likeness is foreign to their idea or conceptions of GOD; consequently, men have no inalienable rights based solely on the order of Creation. Instead, it works sort of like this.

Because Allah created man, man has obligations to Allah. Allah requires a man to honor his obligations to his family, to society, and to rulers. These obligations are defined in the divine Revelation of Allah in the Quran.

This might sound similar to Christianity or Judaism, but it's fundamentally different. And the difference is here: men do not

¹³ Quran 17:70

have rights from the fact that they are created in God's image and likeness. Their rights come from Allah, but these rights are extended to them through the Quran.

For us, it's GOD, Who created man in His image and likeness — and our inalienable rights are inherent in that act alone. Then, God reveals Himself to the man He created in His image and likeness through the Scriptures, revealing Himself and His will to mankind, seeking for man to love Him and keep His commandments. He says not, "Keep my commandments and love me"; He says, "Love me and keep my commandments."

The Muslim has no personal relationship with GOD as being related to Him as His children, birthed to Him by His Spirit. They are servants, nothing more.

In Islam, mankind's rights are given to men through the Quran, not through original Creation. Listen to what I say next because it explains everything. You have no human rights inherent in your person that are yours for one reason only: that you are created in the image and likeness of GOD. For the Muslim, humans have "rights" only if they are aligned to Allah under the Quran.

Unless you swear allegiance to Allah and to his prophet, Mohammad, you have no human rights. If you confess Allah is one, and Mohammad is his prophet, and accept the rule of Shariah Law, that's how you derive human rights from your Creator. If you refuse, you have no human right to life, or liberty, or an independent pursuit of happiness as you understand it, and that is respectful and consistent with the human rights of others—

That's why in Christian cultures someone can reject GOD, blaspheme Christ, and denounce or repudiate the authority of the Bible, and we who are Christians respect their "rights" to do these things — we warn them they will answer to GOD, but they answer for these things to GOD ALONE. What triggers enforcement of

laws restricting behavior is when that behavior violates the inalienable rights of others.

But a Muslim cannot countenance any notion of a right to free speech, or liberty, of any of the rights we call *human rights*, because unless you become a Muslim, you have no rights given to you by the Quran, the only middle ground is to agree to submit to be ruled or governed under Shariah Law, to be dominated by Allah through his people of Islam, subject to Sharia Law. This is why it makes perfect sense to them to say you have three choices: you may convert to Islam, be ruled by Muslim Law, or be killed. Actually, the Muslims have all the rights, and you have none. The Muslim can rape whom they will, torture whom they will, skin you while living, remove your head in front of your children as an act of mercy, to convince the children they should convert to Islam, or at least submit to be ruled by Shariah. The point is, you have no rights.

There is no concept of *human rights* in Islam. There is no concept of inalienable rights endowed by an authority greater than the State in Mexico, or Hindi lands,

It's a mistake to embrace the customs and religious "holidays" in America. Those holidays are representative of religious systems that deny the fundamental principles of governance as we understand it in America.

First, when strangers visited Israel and Israel embraced the holidays (holy days) of their pagan visitors, they eventually lost their liberties because you derive your rights from the gods you serve.

It's like the law of gravity, and like the law of consent; it's a universal law that what you worship you serve, and the gods you serve set the conditions of your human rights. No GOD but ours grants human rights to all mankind on the sole basis that man was created in His image and likeness, and He acknowledges your right of consent, even to Him, for you cannot be saved and translated into His

kingdom unless you repent toward GOD and believe in the LORD JESUS CHRIST.

Meanwhile, so long as you have life in this present world, you can live free and in liberty — if you live in a land that is UNDER GOD, for LIBERTY AND JUSTICE FOR ALL — believers and unbelievers alike.

We have no business accommodating the holy days of gods whose singular purpose is to destroy the bands and cords that connect us to our GOD. For, like the heathen whose sacrifice to idols was to devils,¹⁴ so the worship offered within these religious systems is to devils and not to GOD. While it is true that we are not under the Law, and we don't stone women or men taken in adultery (Luke 7), but nevertheless condemn the behavior and exhort them to depart from their iniquity, and do not accommodate their evil ways, and certainly do not make provision for them—supplying condoms and instructing them in the manners and customs of perverts—and though we certainly defer to their religious choices, and advocate for freedom of religion, and though conscience, we must not formally embrace or recognize holidays that serve not the God of our Fathers.

It's a law of nature, and Nature's GOD, that a people will come under the power of the gods they worship, and those who deny any God, like Marxism, these are the most evil of all, for they make the State God, and command every knee to bow or burn.

¹⁴ 1 Corinthians 10:20, "But I say, that the things which the Gentiles sacrifice, they sacrifice to devils, and not to God: and I would not that ye should have fellowship with devils." See Leviticus 17:7-9: "And they shall no more offer their sacrifices unto devils, after whom they have gone a whoring. This shall be a statute for ever unto them throughout their generations. And thou shalt say unto them, Whatsoever man there be of the house of Israel, or of the strangers which sojourn among you, that offereth a burnt offering or sacrifice, and bringeth it not unto the door of the tabernacle of the congregation, to offer it unto the LORD; even that man shall be cut off from among his people." God did not allow Israel to tolerate the worship of other gods within their borders.

Stephane Courtois¹⁵ (Steph'an Kor'-twa) wrote *The Black Book of Communism*.¹⁶ ¹⁷ He studied the matter thoroughly and determined that as many as 94 million deaths worldwide may be attributed to Communist regimes.¹⁸ Even when you deduct those killed by these monsters' policies, which brought famine and disease, looking only at the number of people godless Communist leaders directly ordered to be murdered: Stalin killed from 4-6 million.¹⁹ Mao, the beloved despot of modern communists in America, murdered 2-5 million. Pol Pot has on his hands the blood of 1-1.5 million.

Add to the deaths that godless communism brought upon the world, the quintessential godless secular humanist, Adolf Hitler, who ordered the wholesale murder of all Jews and succeeded in killing ~6 million of them,²⁰ also ordered the murder of gypsies, disabled persons, the Polish intelligentsia, Soviet Prisoners of War,²¹ political prisoners, homosexuals, and adherents of the Bible

America believes that governments are instituted among men to secure pre-existing, Creator-endowed rights possessed equally by all people. We are fools to give place to the devil in our land by acknowledging holidays that serve the devils who want to dominate us all. How foolish to acknowledge Hindi and Islamic holidays.

Let them observe what days they please, while they rail and rage against our celebration of Thanksgiving to the GOD of Abraham, Isaac, and Jacob, Who is the God and Father of our LORD JESUS CHRIST—they would have us celebrate the American Indian whose concept of the “Creator” had nothing like man created in the image of god, though some recognized one God above all the others, very like the Islamist view, with a strong mixture of the Hindu plurality of deities among many tribes (the Great Spirit, Gitche Manitou, Ha-wen-ne-yu, or Tirawa, with no concept of divinely endowed rights premised upon the notion that man is created in God’s image and likeness. And let them worship what or who they please, while they rage against Christmas, Easter (which does not appear on CA’s list of officially recognized holidays, because CA recognizes every Sunday as a “holy day.”) While ‘they’ attack every Holiday that is distinctively Christian or American.

Religious beliefs shape ideology, and ideology shapes values, and our values shape culture—practically speaking, values define culture—out of culture come both our customs, and ultimately all of this is reflected in our laws, which in our system serve the people, and if you formally endorse a religious faith that is antithetical to the GOSPEL of the KINGDOM, not merely different, but hostile to Christianity, you invite the polytheistic, Spartans, who worshipped Zeus (the Devil) under many names, and had no use whatsoever for the concept of individual, inalienable, divinely endowed rights, but who, as legend has it,

pretended to depart from Troy, left behind the “Trojan Horse,” which when taken inside the city, in the dark of night, allowed the Greek warriors hidden inside to open the gates to the returning Greek forces which conquered them — that is if you believe Homer’s account of things —

Having won our Independence and preserved it these 250 years, we are under the assault of the enemies who have got inside our government, whose religious beliefs are hostile to those that shaped the ideology that shaped our values, that gave rise to our culture and customs, finding their fullest expression in our laws that serve the people—and welcoming Satan’s insidious attack on the greatest of our values, freedom of religion, of thought, of faith, they are opening the gates of our “City on a Hill” to the barbarians who have no reverence for our GOD, but hate Him, and desire to enslave us.

It’s a war, an unusual one in many ways, but the same one in the end: the Spirit of Jesus Christ who by His Truth gives us freedom and by His Spirit, LIBERTY. His Spirit is present in us and through us, restraining the spirit of ANTICHRIST which works to steal from us our liberties.

Enter the battle, O Christian soldier. Join us at the Lighthouse, and get my book, God’s War. It’s a hardbound book with Smyth-sewn binding.
