SHOFAR: THE FEAST OF TRUMPETS AND 9-11 / REMEMBER AND CONSIDER!

Original Air Date: 09.12.26

Segment.01 Hello. I'm Dr. Jerry Scheidbach, pastor of the Lighthouse Baptist Church in Santa Maria, CA, and your brain masseur. Get ready for your brain massage.

Those who attacked us on 9-11-2001 hate us because we love Israel. They call us the GREAT SATAN,¹ and Israel they call the LITTLE SATAN.² This year's 9-11 remembrance occurs on

the very day that begins the Jewish Festival, Rosh-Hoshana (meaning Head of the Year) (In our Bible it is called the Feast of

Trumpets)³; this year September 11 daylight marks the end of the Jewish year 5786, and the evening of 9-11-2026 begins year number 5787.⁴

Given the coincidence that the 25th anniversary of the 9-11 attack on America's quintessential city: New York, lands on the first day of the Feast of Trumpets, and the significance of that coincidence in the light of the rise of antisemitism in America, along with the occupation of New York by Islamist-Communists, both in the Mayorship of the targeted city, and the governorship of the State—we should pause a moment and reflect as we hear the bleating of Shofar, announcing the turn of a new year.⁵

As you listen to the sounds of Shofar, contemplate the irony that Islam declared war on the U.S. on November 4, 1979, when the Shia Muslims launched their Shia Revolution, took power in Iran, and attacked the U.S. Embassy taking 66 Americans hostage, and the next day Aytollah Khomeini declared, "In this revolution, the Great Satan ... is the United States."⁶ While Carter watched it on TV.

God raised up Reagan in answer to our fervent prayers, and Khomeini understood that this President was not Carter—he released the hostages within hours after Reagan was sworn in. Reagan's bold leadership brought about the collapse of the United Soviet Socialists of Russia. The Muslims and the Commies in the

We do have separate cycles in our cultural understanding of a year: for example we have the "calendar year," and then we have the "fiscal year," and so forth.)

USSR were quite until 1993, while Clinton was getting to know Epstein, and Lewinski, the Shia Iranian Muslims along with Saudi based Al Qaeda started attacking America, starting with the first attack on the World Trade Center, killing 6 wounding more than 1000. They hit us again in 1996, 1998, and then the USS Cole in 2000, Clinton watched from Epstein's Island while the Muslim menace murdered 242 Americans and wounded 5912—

Then came 9-11. Bush 2 was in office, that attack was on our soil, and we responded.

Some of 9-11's memories are etched deep into our hearts. Like scars that remain after a surgery or injury; they bear witness to the significant events in our lives—Zach would sometimes point to the scar under my lower lip and ask about it, and I'd tell him the story of how I got that scar. I could give a rather full account of my life by talking you through the stories behind my five scars—Jesus, even in His glorified body, wears the five witnesses to His suffering on the Cross in the wounds in His hands, feet, and side. Curious, He refers to His scars as “wounds”!

9-11 scarred our national soul. We must never forget the story of this scar.

The Bible says there is a time to laugh, and a time to cry; that important lessons are learned in the house of mourning that are superior to what is learned in the house of mirth; that we must sometimes “let [our] laughter be turned to mourning, and [our] joy to heaviness” (James 4:9).

Today, remembering 9-11 has greater relevance even than it did on the day of that infamy.

Remember!

AND CONSIDER:

The elitist-Globalists thought to use radicalized Islam and revolutionary Marxists, and backed a candidate who would lead the transformation of America—Enter Obama, and the election of an undercover “Muslim” to the office of President, who began his campaign with the announcement that “America is *no longer* a Christian nation” and promised to “transform America.”

He never said from what and to what else. “From what” was obvious, from what it “once was” — and, according to Obama, America was no longer a Christian nation. Don’t bother calling in to say I didn’t quote the full statement—what he did as President made clear his meaning—I omitted the “framing” that is used to hide his meaning—but his meaning was made plain when he began replacing American Christian traditions with praise and policies that supported our enemy: Islam, godless communism, and the corruption of our culture through the LGBTQ+ scam.

His open defilement of our Christian symbolism and moral traditions, and his equally open hatred for America as founded made it clear what he wanted to change America FROM.

Although he never told us into what he would have us be transformed, we saw by his policies and actions he meant to Islamize America, to erect his “Golden Image” of the STATE, and demand all bow to government, to remove us from under the proposition that all men are created equal and endowed by their creator with certain inalienable rights, and come under the Satanic proposition that all must bow to Nebuchadnezzar’s “Golden Image” of the State, and dance with his golden calves around Nimrod’s tower of defiance.

Now GOD has heard our cries and raised up a champion to check the rise of the Islamic State, took out Obama’s ISIS, and took on Obama’s friends in Iran—the regime I’ve heard some say he bribed with billions to avoid war, but that I suspect he funded for the

common cause of advancing the purpose: DEATH TO AMERICA, and DEATH TO ISRAEL.

Obama did more to advance the Shia Mullahs toward obtaining a nuclear war head and ballistic missile capacity to strike the U.S. than anyone before or since. Well, except for Biden, the face of Obama's second term. Selah!

But GOD heard our cry and has raised up His champion to restore America's leadership in the world for justice and liberty for all, and against the tyrants that would steal from us our liberties.

It appears antisemitism and antiChristian sentiment is rising in the U.S. with godless communists being lifted into positions of power in this country like never before — well, this started big time with Biden with an explosion of Muslims entering into positions of power. And a dangerous alignment between those who hate the GOD of Israel, deny Jesus is the Christ of GOD Who has come in the flesh, and I mean Islam, with those who deny GOD, and hate Christ, hate the very mention of Him, who rage with gnashing of their teeth: “We will not have that man (JESUS) to reign over us” (Luke 19:12-27; see Revelation 1:5; Ephesians 1:12-21—SELAH!) —

The Communists have found common cause with the Islamists, together they hate the GOD OF ISRAEL, who is the GOD AND FATHER OF OUR LORD JESUS CHRIST — and so hate the Christian nation under CHRIST as KING, America, and the Jewish nation who worship the God of Israel (although most Israelis are willfully ignorant of His SON) — so Islam and Communism have joined together to rage against the LORD and against His anointed, calling for the bands and cords of Christ to be broken that they might then devour one another over the spoils of America's and Israel's demise—

BUT GOD! — was on our side! With Israel we may sing:

[Play the Shofar under the following:]

Psalms 124:1 ¶ If it had not been the LORD who was on our side, now may Israel [And America] say;

Psalms 124:2 If it had not been the LORD who was on our side, when men rose up against us:

Psalms 124:3 Then they had swallowed us up quick, when their wrath was kindled against us.”

Hold on, I’m coming, back in a moment!

Segment.02 Hello. Welcome back! I’m Dr. Jerry Scheidbach, pastor at the Lighthouse, your brain masseur, and Paul Revere’s lantern lighter, lighting the lamps in the church belfry arch, signaling the enemy is on the march—an enemy that would steal from us our liberty.

Not only do we remember the eleventh, but also the 10th— and the 12th. Isn’t that strange? 9-10 memorialized for a communist sympathizing LGBTQ ideologue killing a Christian leader, named Charlie Kirk. 9-11 memorialized for that attack by Christian and Jew hating Mohammadans attacking America; and 9-12 memorialized for the attack by America hating Muslims on an American compound in Benghazi killing four Americans: one of them an ambassador.

In the first segment, I mentioned the curious correspondence of our 9-11 remembrance with the Jewish Feast of Trumpets. I’ll speak to the prophetic implications of that Saturday night on BrainMassage® LIVE.

I used the Jewish Shofar trumpets announcing the fall festivals, beginning with the Feast of Trumpets, that starts today (I write and produce the show on Fridays, so this is 9-11) and culminating in the Day of Atonement. We are in the period the Jews call the 10 days of repentance—that reminds me! A friend, Charles Jones, is participating in 10 days of prayer and fasting in Moss Chapel, in N. Carolina, a church founded over 200 years ago, where Revival broke

out in 1802—that's one year after Jefferson sent the Marines to “deal” with the Muslim Menace, the Barbary Pirates. The 1802 revival at Moss Chapel, was part of the larger movement that began being noticed in 1797, about seven years after Washington was inaugurated as the first President of the U.S, and continued through 1805.

The Muslim Barbary pirates were harassing our over sea transit in the Mediterranean holding us hostage to their piracy and demanding bribes, or “protection payments,” and that started almost as soon as George Washington became the first President of the United States.

Anyway, we've been fighting the Mohammed blight for hundreds of years, and it's time to end this.

9-11 is a good time to pause and remember that Islam is a religious system that is the enemy of liberty. Where the Spirit of the LORD Jesus Christ is, there is LIBERTY. Islam, and the Democrat Party today, deny that Jesus is Christ the KING, the Son of the LIVING GOD, Who has come in the flesh. This specific denial is the very definition of the spirit of antichrist (2 John 7).

We need another Holy Spirit sent REVIVAL!

We remember the murder of Charlie Kirk on September 10, 2025. Charlie was a stalwart champion of CHRISTIAN LIBERTY and the TRUTH that makes us FREE. He was killed because that's all the left had to stop him from overturning and completely pulling down their stronghold in American Universities.

By the way, if you want a clear explanation of how spiritual warfare works, how that even though it's true that He that is in us—the Spirit of Jesus Christ (John 7:38-39)—is greater than he that is in this world — the spirit of antichrist (Ephesians 2:1), that it appears Satan is winning, and although we are told if we submit to GOD then when we resist the devil he will flee, the fact is sometimes

Satan's hold on certain people and territory is strong and he is able to resist our power, at least for a time, you need to find BrainMassage® LIVE: Episode No. 1130.

(Rumble, Truth Social, X, and Facebook) — where I answer the question: WHAT DOES IT MEAN WHEN THE DEVIL IS ABLE TO RESIST OUR AUTHORITY? I show two surprising instances when devils pushed back against Jesus' command to depart and what you learn from that is not only astounding, and revealing, but vital if you are going to war spiritually with confidence, boldness, and success.)

To summarize, I can tell you that what we are seeing, and I'm talking about the surge in communists openly exposing themselves, and exposing the Party that provides access to power in this country. What you are seeing illustrates a well established pattern in spiritual warfare.

When Jesus showed up, devils began howling and identifying themselves, and acting out in bizarre ways. The political scene went crazy, murder took hold in the hearts of the religious leaders, the government came under the influence of very evil leaders, and the "people," even God's people, became so insane they called for the crucifixion of Jesus, whom they knew to be innocent of any offense even remotely worthy of death, and in the full knowledge that they were shedding innocent blood they cried: "His blood be on us and on our children" (Matthew 27:25).

And yet, it was in this environment that God was working the greatest show of His grace ever manifested. And Jesus was taking on the powers of darkness, and bringing down the greatest

stronghold Satan ever held over this earth and mankind: Death (Hebrews 2:14).⁷

When revival begins to move, that means the Holy Ghost is moving into the world through believers, and delivering His reproof upon it (John 7:38-39; 16:7-12). When this happens, devils begin to be exposed, and as light gets cast on the evil lurking in the darkness—it gets exposed and we see the ugly underbelly of evil before we begin to see truth displace the lies and the darkness give way to LIGHT.

We are seeing it in the Clancy trial, a mother who strangled to death her three children, and the insanity of people in this country who are incapable of exercising discernment, and see something so basic as this: it's wrong to kill your children. Nothing JUSTIFIES that crime.

We see it in the uncovering of the Muslim fraud menace in Minnesota, Michigan, and big time in CA. Although, in CA, while there's plenty of Mohammed's children running scams here, we've got Armenians too, and it's large organized networks taking hauls in the hundreds of millions of dollars.

We have a Pakistani-based network hitting us for up to 703.8 million, and another one that raked in 418.6 million dollars of taxpayer money — these guys make the Minnesota Muslims look like pikers.⁸ California seems to include some folks with names that don't sound Muslim—just sayin'!

⁷ Hebrews 2:14 "Forasmuch then as the children are partakers of flesh and blood, he also himself likewise took part of the same; that through death he might destroy him that had the power of death, that is, the devil." Colossians 2:14-15 "Blotting out the handwriting of ordinances that was against us, which was contrary to us, and took it out of the way, nailing it to his cross; and having spoiled principalities and powers, he made a shew of them openly, triumphing over them in it."

Patricia Anderson - 269 Million, Terry Patton - 2,312,150 - not to put too fine a point on the number, if you know what I mean. Paul Richard Randall, 269 million, Betsy Winermute — 4 million, and Sarkis Bolisajian - 6.9 mill, here you go, Clinton Johnson Christian, small potatoes, stole a patient's medicine; Sevendik Huseynov (Sounds Russian, but, I don't know) - over 700 million, Patrick Omelfe, a small time operator only pilfered 1.6 mill — you get the idea [IBID.].

I only have time for one more of many available examples of looking into the face of evil. Mamdani was told to stay away from the 9-11 memorial services planned for “Ground Zero” and I’m guessing he really wishes he had honored the sensible request. I’m looking at a video clip of Mamdani yucking it up with AOC while the names of those murdered on 9-11 were being read with reverence, and people who lost loved ones on that day are weeping—look at this. I can hardly believe what I’m seeing. They think this is funny?⁹ It seems unlikely they were giggling about the event, but it’s clear they were not engaged with the solemnity of the moment, but being frivolous and clearly inappropriate. They should have stayed away. This is a funeral Americans have attended for 25 years, and they are trivializing it. You can bet that pic is going to show up again. For a pic that has been embedded in my memory, see <https://x.com/MiddleOfMayhem/status/2098209233468805508?s=20>.

On another 9-11-2012, another evil manifested to bring murder upon the innocent at the hands of wicked Islamists: Benghazi.¹⁰ Remember Ambassador Chris Stevens, Sean Smith, and former Navy Seals, Glen Doherty, and Tyrone Woods—add them to Hillary’s list of shame: killed 9-12-2012.

Then, Charlie was killed September 10, 2025, at the University of Utah. The accused was identified by video surveillance cameras, seen pulling the trigger, the murder weapon was found and forensically identified with the suspect, the court ruled the evidence presented by the Prosecution was adequate to try Tyler Robinson for aggravated murder, and, if convicted, qualified for the death sentence.¹¹ Statements from the accused make it clear that, if convicted, Tyler hated Kirk because of his political views. His pretrial conference is scheduled to convene October 23, 2026 - that's when a trial date will be formally set.

Turning Point USA (TPUSA) founded by Charlie, exploded across the nation when Charlie Kirk was murdered. He had about 900 college chapters at the time he was assassinated, now there are more than 1500 college chapters. He had 1250 High-school Club America chapters, now there are more than 3500. Donations to this good cause are stratospheric. Millions stood to say, "I'm Charlie Now!" The devil attempted to stop the voice of Charlie — God multiplied it a thousand times over!¹²

[OPTIONAL] I'll be live for BrainMassage® LIVE Episode 1131 on Saturday night, probably around 8 PM - Rumble, Truth Social, X, and Facebook — I've got some interesting video to share with you, and some great insights into Trump's speech—what was the strategy of the \$5000 bit? You're gonna love that! The fact that the one hold out in the Clancy trial jury that stopped an unjust acquittal is a black man, which is not the story, the reaction of the left to that discovery is, oh, and the liberal paradox: what will they do with a black man opposing eight white liberals and two white

men, who hectored, harassed, hounded, bullied, and threatened to bow to white privilege to kill three children and blame it on being victimized by a husband who makes, what did I read, 250-400k p/year, had a nanny, whose husband moved his office to the house to tend to his wife... An important update on the war with Iran expanding to two fronts, time to rid the world of the Houthis too! Cool! Hamas, gone, Hezbollah, seriously limping, Houthis next—sounds good to me! Let's finish this!

I remember not too long after 9-11 meeting a friend of the BrainMassage® Show at a local car wash—we chatted a bit and he offered his opinion on what needs to be done with the Death to America crowd in the ME — we need to go in there and clean out that mess once and for all. I agreed! I thought, yep, that's the no nonsense approach of a successful business man! (You might call it the Amalakite protocol.)
